Dear Mr. Harris:

In accordance with Section 4 of City Council Standard Operating Procedure 100-014, I have transmitted the various resolutions and ordinances needed to implement the Mayor's 1978 Proposed Budget directly to the Seattle City Council for direct introduction as Executive Request legislation. These ordinances represent either major policy or appropriation issues.

Attached is a copy of the letter of transmittal to the City Council as well as a copy of each ordinance and resolution transmitted therewith. Please review the proposals and, if required, draft the necessary legislation. I anticipate that the City Council will also be sending these proposals to you for review and proper drafting.

Because of the large number of proposals included in this package, I believe it might be helpful if I designated one member of my staff to answer any questions you might have. This would be George Pernsteiner. It is very likely he will contact you with changes to the property tax levy ordinance when the certification of assessed valuation becomes available about October 17. That particular piece of legislation must be passed by the City Council no later than October 24.

Thank you.

Sincerely,

Wes Uhlman
