Honorable Norman B. Rice
President
Seattle City Council

Dear Councilmember Rice:

Re: Proposed Revisions to Seattle Municipal Code 3.90 - Official Bonds

I request that the City Council review the attached legislation which updates the City's ordinance regarding official bonds.

Seattle Municipal Code 3.90.060 provides that the City Comptroller shall secure for the City a public employees' faithful performance bond. During the last several years, the Purchasing Agent has purchased this bond since the general responsibility for obtaining insurance coverage for the City departments has been assigned to the Purchasing Agent.

The attached Council Bill would formally recognize the Purchasing Agent's responsibility for acquiring the bond.

An additional provision of the current ordinance which needs to be amended is the requirement that numerous City officers secure public officers' bonds in the amount of \$1,000. These officers are already covered by the City's faithful performance bond. The proposed ordinance would delete these officers from the ordinance but would continue the required coverage for all elected officials, the Chief of Police, and the Director of the Department of Licenses and Consumer Affairs. This legislation has been reviewed and approved by the Office of Management and Budget and the City Law Department.

Your review and approval of this matter would be greatly appreciated.

Sincerely yours,

Tim Hill
City Comptroller

RE: Legislation regarding Fidelity Bonding
For City Officials

Pursuant to your memorandum, dated September 24, 1984, we have revised the draft legislation relating to bonding of City officials in accord with your suggestions:

	Concern	Revision
No. 1	(Purchasing Agent to procure individual bonds)	§ 5, page 4
No. 2	(Term of bonds)	§ 2, page 2
No. 3	(Chief of Police bond)	§ 1, page 2
No. 4	(Consultation in settling amount of bond)	§ 4, page 3

Our revisions retain the direction of the Purchasing Agent to consult with the City Treasurer in setting the amount of the blanket bond because a substantial part of the City's exposure occurs through special assistants of the City Treasurer.

CITY ATTORNEY

Thank you again for preparing draft legislation to simplify purchase of fidelity bonding for City officials. Attached is a copy of the draft.

My concerns regarding this legislation are as follows:

1. Would it be possible to provide in the first paragraph that the purchasing agent will acquire the officers' bonds for the officials listed in the draft? Instead of having each of these officials contacting various brokers or insurance companies, would it be possible for the purchasing agent to ask the City's insurance broker to arrange for the appropriate bonds?
2. On page 2, line 20, the ordinance provides that bonds for those persons other than elected officials shall be rewritten annually. Would it be possible to provide that the bonds shall lapse after a four year period or when the persons leave City service?
3. Regarding the bond for Chief of Police (Page 2, line 23), should the amount of the bond be increased from \$1,000 to a more realistic figure? Is the Chief of Police covered by the City's general blanket position bond?
4. On Page 3, Section B, line 24, it is stated that purchasing agent in consultation with the City Comptroller and the City Treasurer shall set the amount of the bond. Is it necessary to include the City Comptroller and the City Treasurer in the selection process? Why not have the purchasing agent consult with the City's insurance broker and the City-wide insurance committee?

If it is possible for you to draft amendments that you would feel appropriate, I would be very much appreciative.

Dear Mr. Jewett:

Re: Faithful Performance Bonds for City Officials

I request that legislation be prepared amending Seattle Municipal Code 3.90 to eliminate the requirement that certain salaried officers (except elected officials) be required to secure individual faithful performance bonds and to designate the City Purchasing Division as the agency responsible for securing individual performance bonds and a blanket position bond.

Recently, Mr. Jorgen Bader of your Office and Leonard Bois and David Hayasaka of the Purchasing Division have been very helpful in providing advice on the City bonding needs and requirements.

The specific sections that should be amended are as follows:

- 3.90.010 should be amended to delete all officers except the elected officials, the Chief of Police, and the Director of the Department of Licenses and Consumer Affairs.
- The following section (SMC 3.90.020) should be amended to conform with the prior section.
- SMC 3.90.030 should be deleted since its purpose is covered in the terms of the employees faithful performance blanket position bond.
- The section requiring that the Chief of Police provide a bond (3.90.040) should be clarified to eliminate the apparent requirement that the Chief of Police pay damages sustained by persons arrested without a warrant, or by reason of an unlawful imprisonment.
- The amount of the blanket performance bond contained in SMC 3.90.050 should be eliminated. The Purchasing Agent should determine the appropriate amount of bond coverage.
- SMC 3.90.060 should be changed to provide that the City Purchasing Agent and not the City Comptroller shall secure the public employees' faithful performance blanket position bond. In addition, it is unnecessary to state the term of the bond since it should be in effect at all times.

Douglas Jewett
November 28, 1983
Page 2

- The requirement that the County Comptroller be bonded as the City's tax collector (as provided in SMC 3.90.080) appears unnecessary. This section should be deleted.

Your assistance in this matter is very much appreciated.

Sincerely yours,

Tim Hill
City Comptroller
