Honorable Charles Royer
Mayor, City of Seattle

Attention: Jim Ritch, Acting Director
Office of Management and Budget

Subject: 26th Avenue Southwest and
West Marginal Way Southwest
Street Classification

REQUEST. We request City Council adoption of the attached resolution and two (2) ordinances which each relate to 26th Avenue Southwest and West Marginal Way Southwest Street Classification.

BACKGROUND. The City of Seattle and the Port of Seattle are exchanging property which involves 26th Avenue Southwest from West Marginal Way Southwest to Southwest Florida Street. Legislation is now pending for this exchange of property by a vacation ordinance.

The Port of Seattle has received a street use permit to use both the street and the right of way for 26th Avenue Southwest. The Port has built a new roadway several hundred feet west of 26th Avenue Southwest. In the exchange The City of Seattle will receive the newly constructed roadway and the Port of Seattle will be given the City's existing (old) roadway.

The exchange of property necessitates revisions to the:

- Seattle Comprehensive Transportation Program Street Classification Maps;
- The Traffic Code Arterial Street Map; and
- The Arterial Classification Maps which will be submitted to the Urban Arterial Board.

Hon. Charles Royer
November 3, 1986
Page Two

The attached legislation provides for these changes and authorizes submission to the Urban Arterial Board. The changes are as follows:

- Removal of the portion of 26th Avenue Southwest to be vacated from the arterial system.
- Addition of the new roadway to the arterial system as a minor arterial. (Tentatively called West Marginal Way Southwest.)
- Removal from the arterial system of a portion of Southwest Florida Street between the new roadway and old 26th Avenue Southwest.

This legislation does not require additional funding.

IMPORTANCE. The attached legislation is coordinated with the vacation ordinance for the exchange of property between The City of Seattle and the Port of Seattle. A "ratify and confirm prior acts" clause is included to allow the necessary revisions and submittal to the Urban Arterial Board as soon as possible.

Sincerely,

GARY ZARKER
Interim Director of Engineering
