Attention: Joan Walters, Director, City Budget Office

Subject: AN ORDINANCE relating to the solid waste system of Seattle Public Utilities; correcting and revising certain rates and charges established by Ordinance 120250 for collection of municipal solid waste from commercial customers; and amending Seattle Municipal Code Section 21.40.070.

REQUEST: Seattle Public Utilities requests City Council approval of the attached ordinance. This ordinance corrects errors and omissions in the commercial solid waste rate ordinance that was passed by the City Council in February.

BACKGROUND: In February, the City Council passed an ordinance (Ordinance 120250) to establish rates for the collection and disposal of commercial MSW, and the collection of CDL. That ordinance included several incorrect headings in the rate schedule, did not include a rate for 40-yard drop box container service, and did not include rates for overloaded containers, can-unit pickup, and bulky waste collection. This ordinance corrects these errors and omissions, and insures that the City can charge for these services. This ordinance has no fiscal impact beyond that of Ordinance 120250. If you have any questions, please contact Nick Pealy, SPU's Finance Director, at 684-7646.

Sincerely,

Diana Gale
