Exhibit A: The 2009 Citywide Position List

The 2009 Citywide Position List

The following list is the official list of regular positions for each department of the City of Seattle. The following information is adopted by the City Council for 2009: the number of regular positions by title, and whether these positions are part-time or full-time at the department level. For informational purposes, the list includes full-time equivalent (FTE) data. Temporary positions are not included in this list.

Relevant definitions:

Full-Time Equivalent (FTE): A term that expresses the amount of time a position has been budgeted for in relation to the amount of time a regular, full-time employee normally works in a year. For budget and planning purposes, a year of full-time employment is defined as 2,088 hours. A position that has been budgeted to work half-time for a full year, or full-time for only six months, is 0.50 FTE.

Types of Positions: There are two types of positions authorized through the position lists. They are identified by one of the following characters: F for Full-time or P for Part-time.

- **Regular Full-Time** is defines as a position budgeted for 2,088 compensated hours per year, 40 hours per week, 80 hours per pay period, and is also known as one full-time equivalent (FTE).
- **Regular Part-Time** is defined as a position that has been designated as part-time, and that requires an average of 20 hours or more, but less than 40 hours of work per week during the year. This equates to an FTE value of at least 0.50 and no more than 0.99.

The 2009 Citywide Position List

The following list is the official list of regular positions for each department of the City of Seattle. The following information is adopted by the City Council for 2009: the number of regular positions by title, and whether these positions are part-time or full-time at the department level. For informational purposes, the list includes full-time equivalent (FTE) data. Temporary positions are not included in this list.

Relevant definitions:

Full-Time Equivalent (FTE): A term that expresses the amount of time a position has been budgeted for in relation to the amount of time a regular, full-time employee normally works in a year. For budget and planning purposes, a year of full-time employment is defined as 2,088 hours. A position that has been budgeted to work half-time for a full year, or full-time for only six months, is 0.50 FTE.

Types of Positions: There are two types of positions authorized through the position lists. They are identified by one of the following characters: F for Full-time or P for Part-time.

- **Regular Full-Time** is defines as a position budgeted for 2,088 compensated hours per year, 40 hours per week, 80 hours per pay period, and is also known as one full-time equivalent (FTE).
- **Regular Part-Time** is defined as a position that has been designated as part-time, and that requires an average of 20 hours or more, but less than 40 hours of work per week during the year. This equates to an FTE value of at least 0.50 and no more than 0.99.

LH COUNCIL CLERK

City of Seattle

Gregory J. Nickels, Mayor

Office of the Mayor

March 31, 2009

Honorable Richard Conlin
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Conlin:

The attached proposed Council Bill presents a 2009 Citywide Position List which includes all of the authorized officer and employee positions in each department as of January 1, 2009 (or later if otherwise indicated), and indicates whether the positions are part-time or full-time.

The 2009 Citywide Position List submitted with this legislation reflects modifications to the Citywide Position List that was effective as of January 1, 2008. These modifications resulted from (1) the officer and employee position modifications listed on pages 669 through 673 of the 2009 Proposed Budget in C.F. 309610, as modified by the recommendations of the Budget Committee of the City Council set forth in C.F. 309612 and adopted by the City Council on November 24, 2008, (2) the reclassifications of regular positions made by the Personnel Director from January 1, 2008, through December 31, 2008, and (3) the creation, modification, or abrogation of regular positions by ordinances passed from January 1, 2008, through December 31, 2008. These modifications have been compiled by the Personnel Department and are hereby submitted to the City Council. Some position modifications may have occurred subsequent to January 1, 2009, and the attached Council Bill does not reflect those actions and also does not supercede those actions.

This legislation provides an opportunity for the City Council to confirm the officer and employee positions designated for 2009. By creating a single record of all positions, this legislation also supports ongoing monitoring and record-keeping related to the City's positions. Thank you for your consideration of this legislation. Should you have any questions, please contact Julie Curtis at 684-7905.

Sincerely,

GREG NICKELS
Mayor of Seattle
