Office of the Mayor

Honorable Richard Conlin
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Conlin:

I am pleased to transmit the attached proposed Council Bill which would authorize Seattle City Light to accept the deed for the Goodwin property in Skagit County, Washington for wildlife habitat protection purposes, and authorize the acceptance of the Statutory Warranty Deed thereto, and placing said lands under the jurisdiction of the City Light Department.

The City manages over 8,000 acres of wildlife mitigation lands in the Skagit and South Fork Nooksack watersheds in connection with re-licensing requirements for the Skagit River Hydroelectric Project. The purchase of the 80-acre Goodwin property was approved by the Wildlife Management Review Committee that oversees the wildlife habitat acquisitions under the Skagit Hydroelectric Project Settlement Agreement on Wildlife. This acquisition helps to ensure that the City is in compliance with the federal license and the Settlement Agreement.

Thank you for your consideration of this legislation. Should you have questions, please contact Ron Tressler, Seattle City Light Environmental Affairs Division, at 386-4506.

Sincerely,

Michael McGinn
Mayor of Seattle
