Legislation Title:

AN ORDINANCE authorizing the assignment of the Freeway Park Parking Garage lease between The City of Seattle and the Washington State Convention and Trade Center to the Washington State Convention Center Public Facilities District.

Summary of the Legislation:

This legislation would approve the assignment of the lease to the City-owned Freeway Park Parking Garage from the Washington State Convention and Trade Center (WSCTC) to the Washington State Convention Center Public Facilities District (District). The assignment is necessary because the District, through 2010 legislation passed by the State and King County, became the legal owner and operator of the Washington State Convention and Trade Center and assumed its rights, liabilities and obligations. The City's agreement with the WSCTC prohibits assignment without City Council consent.

Background:

The City completed construction of Freeway Park Garage in 1974 and operated it as a municipal parking garage for over 20 years. In 1996, pursuant to Ordinance 118225, and as part of an agreement to expand the Convention Center, the City leased the Freeway Park Parking Garage to the WSCTC for a term of 30 years with an option to renew for an additional 30 years for an annual rent of one dollar. As part of this lease, the WSCTC received all operating revenues from the garage and assumed responsibility for payment of the City's outstanding debt related to the garage. The outstanding debt was retired in 2002.

In 2010, pursuant to Substitute House Bill 6889 and King County Ordinance 16883, the District was formed to own and operate the WSCTC. The newly formed district had to meet two requirements, 1) existing state debt issued for Convention Center purposes had to be refinanced and defeased with the debt of the new public facilities district and 2) any transfer of property must occur by June 30, 2011. The state debt was refinanced and defeased in November 2010. Nearly all of the property was transferred in December 2010. The assignment of the City's lease of the Freeway Park Parking Garage is one of the District's few remaining transition issues.

X This legislation does not have any financial implications.

The District will assume all the rights and obligations of the WSCTC. From the City's financial perspective, there is no change in the relationship.

Honorable Richard Conlin
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Conlin:

I am pleased to transmit the attached proposed Council Bill that approves the assignment of the lease to the City-owned Freeway Park Parking Garage from the Washington State Convention and Trade Center (WSCTC) to the Washington State Convention Center Public Facilities District (District). The assignment is necessary because the District, through 2010 legislation passed by the State and King County, became the legal owner and operator of the Washington State Convention and Trade Center and assumed its rights, liabilities and obligations. The City's agreement with the WSCTC prohibits assignment without City Council consent.

The City built Freeway Park Garage in 1974. In 1996, as part of an agreement to expand the Convention Center, the City leased the Freeway Park Parking Garage to the WSCTC for a term of 30 years with an option to renew for an additional 30 years. As part of this lease, the WSCTC received all operating revenues from the garage and assumed responsibility for payment of the City's outstanding debt related to the garage. The City's outstanding debt on the Freeway Park Garage was retired in 2002.

By approving this assignment, the City will help the District complete the transfer of the Washington State Convention Center property to the newly formed district. The new governance structure for the convention center functions will result in continued and potentially greater economic and civic benefits to the citizens of Seattle. Thank you for your consideration of this legislation. Should you have questions, please contact Jan Oscherwitz at 206-684-8510.

Sincerely,

Michael McGinn
Mayor of Seattle
