CITY OF SEATTLE
ORDINANCE 124011
COUNCIL BILL 117569

AN ORDINANCE relating to rental housing registration and inspection; adding a new Chapter 22.214 to the Seattle Municipal Code; retitling portions of Chapter 6.440 as Chapter 22.214; amending portions of the retitled Chapter 6.440; and repealing portions of Chapter 6.440.

WHEREAS, the City Council ("Council") has determined substandard and unsanitary residential buildings and dwelling units exist within the City of Seattle ("City"); and

WHEREAS, the Council adopted Resolution 31221 on June 1, 2010 and requested the Department of Planning and Development ("DPD") convene a Stakeholders Group that would recommend what the contours of the rental housing inspection program should be; and

WHEREAS, the Council adopted Ordinance 123311 on June 1, 2010 and established the basis for a City's rental housing licensing and registration and inspection program and included a delayed effective date to allow DPD to work with the Stakeholder Group to determine the extent of the program; and

WHEREAS, the Stakeholders Group met fourteen times between December 2010 and January 2012, resulting in a series of recommendations on the scope of a rental housing licensing program that were provided to DPD and used to develop this ordinance; and

WHEREAS, as permitted by Substitute Senate Bill 6459, the Council is authorized to implement changes to the program initially established under Ordinance 123311. The program changes in this ordinance retitle sections of Ordinance 123311 to align the rental housing inspection regulations to the City's Housing and Building Maintenance Code instead of the City's licensing requirements; and amend portions of the existing regulations to implement program recommendations developed by DPD, the Stakeholders group, and public comment; all while continuing the Council's intent to inspect and register rental housing units in the city as initially provided for under Ordinance 123311; and

WHEREAS, the fees that will be imposed by separate ordinance to recover the cost of the rental housing registration and inspection program are intended to only cover costs to implement and administer the program; NOW THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

1 Section 1. Chapter 6.440, the Residential Rental Business License and Inspection

Legislation Title: An ordinance relating to rental housing registration and inspection; adding a new Chapter 22.214 to the Seattle Municipal Code that provides for a January 1, 2014 effective date; retitling portions of Chapter 6.440 as Chapter 22.214; amending portions of the retitled Chapter 6.440; and repealing portions of Chapter 6.440.

Summary of the Legislation: The legislation would implement a rental housing registration and inspection program to take effect on January 1, 2014. The program establishes a registration requirement that would be phased in between January 2014 and December 31, 2016. A random inspection program will begin in 2015 and allow for the use of private qualified rental housing inspectors. All registered rental housing units will be inspected once during the first ten years, with a possibility of a second inspection no sooner than five years after the first inspection. The program provides for a range of exceptions to the registration and inspection requirements, including but not limited to units already subject to an inspection requirement, those owned by or managed for a major institution, and units rented as commercial lodgings. Private qualified rental housing inspectors will meet training and certification requirements and their work will be audited to ensure consistency.

Background: The Council has a longstanding interest in preserving the quality of the city housing stock and has determined that substandard and unsanitary rental housing units exist within the City of Seattle. On June 1, 2010 the Council adopted Ordinance 123311 which established the basis for the City's rental housing registration and inspection program. On that same date, the Council adopted Resolution 31221 and requested the Department of Planning and Development ("DPD") convene a Stakeholders Group to recommend what the contours of the program should be. That stakeholder group met fourteen times between December 2010 and January 2012. The recommendations from that group were used to help develop this ordinance.

The ordinance has a delayed effective date to allow DPD to develop rules for the program and to do outreach to the landlord and tenant communities.

Please check one of the following:

☒ **This legislation does not have any financial implications.** The program is designed to be self-supporting. Starting January 1, 2014, DPD will begin collecting registration fees to cover ongoing program costs and repay over time the startup costs for the program. A separate ordinance is being developed to cover the registration fee and other program costs.

☐ **This legislation has financial implications.**

CITY OF SEATTLE
ORDINANCE _____

COUNCIL BILL 117569

AN ORDINANCE relating to rental housing registration and inspection; adding a new Chapter 22.214 to the Seattle Municipal Code; retitling portions of Chapter 6.440 as Chapter 22.214; amending portions of the retitled Chapter 6.440; and repealing portions of Chapter 6.440.

WHEREAS, the City Council ("Council") has determined substandard and unsanitary residential buildings and dwelling units exist within the City of Seattle ("City"); and

WHEREAS, the Council adopted Resolution 31221 on June 1, 2010 and requested the Department of Planning and Development ("DPD") convene a Stakeholders Group that would recommend what the contours of the rental housing inspection program should be; and

WHEREAS, the Council adopted Ordinance 123311 on June 1, 2010 and established the basis for a City's rental housing licensing and registration and inspection program and included a delayed effective date to allow DPD to work with the Stakeholder Group to determine the extent of the program; and

WHEREAS, the Stakeholders Group met fourteen times between December 2010 and January 2012, resulting in a series of recommendations on the scope of a rental housing licensing program that were provided to DPD and used to develop this ordinance; and

WHEREAS, as permitted by Substitute Senate Bill 6459, the Council is authorized to implement changes to the program initially established under Ordinance 123311. The program changes in this ordinance retitle sections of Ordinance 123311 to align the rental housing inspection regulations to the City's Housing and Building Maintenance Code instead of the City's licensing requirements; and amend portions of the existing regulations to implement program recommendations developed by DPD, the Stakeholders group, and public comment; all while continuing the Council's intent to inspect and register rental housing units in the city as initially provided for under Ordinance 123311; and
