Legislation Title:

AN ORDINANCE relating to grant funds from the US Department of Justice, Bureau of Justice Assistance; authorizing the Mayor or his designee to execute related agreements; increasing an appropriation in the 2013 Adopted Budget for the Police Department; and ratifying and confirming certain prior acts, all by a three-fourths vote of the City Council.

Summary of the Legislation:

This legislation authorizes the acceptance of grant funds made available through the Edward Byrne Memorial Justice Assistance Grant (JAG) Program and increases the 2013 Adopted Budget to authorize new expenditures.

Background:

This is the seventeenth year the City of Seattle has received Edward Byrne Memorial Justice Assistance Grant funding from the Bureau of Justice Assistance, which formerly offered this funding as part of the Local Law Enforcement Block Grant.

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds support all components of the criminal justice system. For federal fiscal year 2012, \$668,782 has been allocated to 12 jurisdictions in King County to support a broad range of law enforcement activities to prevent and control crime based on each jurisdiction's local needs and conditions. Funds are allocated to local jurisdictions based on population and Part I crime statistics.

The City of Seattle, serving as the fiscal agent for this award, will share the FY 2012 JAG funds among the 12 disparate jurisdictions in King County. In a disparate situation, the units of local government must apply for an award with a single, joint application.

Jurisdictions may not expend or drawdown funds until BJA has received documentation demonstrating that the City of Seattle's governing body review and community notification requirements have been met and BJA has issued a Grant Adjustment Notice releasing this special condition. Jurisdictions, including the City of Seattle, are required to provide data that measures the result of their work.

- e) **Is a public hearing required for this legislation?** While this ordinance does not require a public hearing, one is required by the Federal grant guidelines. That hearing will be conducted in advance of a Council vote on appropriating the funds authorized by this legislation.
