CITY OF SEATTLE
ORDINANCE 124330 124340
COUNCIL BILL 117942

AN ORDINANCE relating to the municipal water system of The City of Seattle; adopting a system or plan of additions or betterments to and extensions of the existing municipal water system; authorizing the issuance and sale of water system revenue bonds, in one or more series, for the purposes of paying part of the cost of carrying out that system or plan, providing for the reserve requirement and paying the costs of issuance of the bonds; providing for certain terms, conditions, covenants and the manner of sale of the bonds; describing the lien of the bonds; creating certain accounts of the City relating to the bonds; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle (the "City") owns, maintains and operates a municipal water system as part of Seattle Public Utilities (the "Municipal Water System"), which Municipal Water System has from time to time required various additions, improvements and extensions; and

WHEREAS, the City needs to acquire and construct certain additions and betterments to and extensions of the Municipal Water System as set forth in this ordinance (the "Plan of Additions"); and

WHEREAS, pursuant to the bond legislation described in Exhibit A, the City has previously issued its water system revenue bonds described in Exhibit A, and provided for the issuance of additional bonds having a charge and lien on the net revenue of the Municipal Water System on a parity of lien with those bonds ("Parity Bonds") upon compliance with certain conditions; and

WHEREAS, the City has determined that it is in the best interest of the City to authorize the issuance and sale, subject to the provisions of this ordinance, of water system revenue bonds as Parity Bonds, to pay part of the cost of carrying out the Plan of Additions, to provide for the reserve requirement and to pay the costs of issuance of those bonds;
NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Definitions. As used in this ordinance the following capitalized terms shall have the following meanings:

"Accreted Value" means with respect to any Capital Appreciation Bond (a) as of any Valuation Date, the amount set forth for such date in any Parity Bond Legislation authorizing such Capital Appreciation Bond, and (b) as of any date other than a Valuation Date, the sum of

(i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the numerator of which is the number of days having elapsed from the preceding Valuation Date and the denominator of which is the number of days from such preceding Valuation Date to the next succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues during any semiannual period in equal daily amounts on the basis of a year of twelve 30-day months, multiplied by (B) the difference between the Accreted Values for such Valuation Dates.

“Adjusted Annual Debt Service” for any fiscal year means Annual Debt Service minus (a) an amount equal to ULID Assessments due in that year and not delinquent, (b) an amount equal to earnings from investments in the Reserve Subaccount, and (c) Annual Debt Service provided for by Parity Bond proceeds.

“Adjusted Gross Revenue” means, for any period, Gross Revenue plus withdrawals from the Rate Stabilization Account made during that period, and minus (a) ULID Assessments, (b) earnings from investments in the Reserve Subaccount and (c) deposits into the Rate Stabilization Account made during that period.

“Adjusted Net Revenue” means Adjusted Gross Revenue less Operating and Maintenance Expense.

“Annual Debt Service” for any calendar year means the sum of the amounts required in such calendar year to pay the interest due in such calendar year on all Parity Bonds outstanding, excluding interest to be paid from the proceeds of the sale of Parity Bonds or other bonds; the principal of all outstanding Serial Bonds due in such calendar year; and the Sinking Fund Requirement, if any, for such calendar year.

(a) For purposes of this definition, the principal and interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and unpaid and accruing interest or principal in such manner and during such period of time as is specified in any Parity Bond Legislation authorizing such Capital Appreciation Bonds.

(b) For purposes of calculating and determining compliance with the Coverage Requirement, the Reserve Requirement and the conditions for the issuance of Future Parity Bonds and/or entering into Parity Payment Agreements, the following shall apply:

(i) **Generally.** Except as otherwise provided by subparagraph (ii) below with respect to Variable Interest Rate Bonds and by subparagraph (iii) below with respect to Parity Bonds with respect to which a Payment Agreement is in force, interest on any issue of Parity Bonds shall be calculated based on the actual amount of accrued, accreted or otherwise accumulated interest that is payable in respect of that issue taken as a whole, at the rate or rates set forth in the applicable Parity Bond Legislation.

(ii) **Interest on Variable Interest Rate Bonds.** The amount of interest deemed to be payable on any issue of Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds would be equal to the rate that is 90% of the average RBI during the four calendar quarters preceding the quarter in which the calculation is made.

(iii) **Interest on Parity Bonds With Respect to Which a Payment Agreement is in Force.** Debt service on Parity Bonds with respect to which a Payment Agreement is in force shall be based on the net economic effect on the City expected to be produced by the terms of the Parity Bonds and the terms of the Payment Agreement, including but not limited to the effects produced by the following: (A) Parity Bonds that would, but for a Payment Agreement, be treated as obligations bearing interest at a Variable Interest Rate instead shall be treated as obligations bearing interest at a fixed interest rate, and (B) Parity Bonds that would, but for a Payment Agreement, be treated as obligations bearing interest at a fixed interest rate instead shall be treated as obligations bearing interest at a Variable Interest Rate. Accordingly, the amount of interest deemed to be payable on any Parity Bonds with respect to which a Payment Agreement is in force shall be an amount equal to the amount of interest that would be payable at the rate or rates stated in those Parity Bonds plus Payment Agreement Payments minus Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment Agreement that includes a variable rate component determined by reference to a pricing mechanism or index that is not the same as the pricing mechanism or index used to determine the variable rate interest component on the Parity Bonds to which the Payment Agreement is related, it shall be assumed that the fixed rate used in calculating Payment Agreement Payments will be equal to 105% of the fixed rate specified by the Payment Agreement and that the pricing mechanism or index specified by the Payment Agreement is the same as the pricing mechanism or index specified by the Parity Bonds. Notwithstanding the other provisions of this subparagraph, the City shall not be required to (but may in

its discretion) take into account in determining Annual Debt Service the effects of any Payment Agreement that has a term of ten years or less.

(iv) **Parity Payment Agreements.** No additional debt service shall be taken into account with respect to a Parity Payment Agreement for any period during which Payment Agreement Payments on that Parity Payment Agreement are taken into account in determining Annual Debt Service on related Parity Bonds under subsection (iii) of this definition. However, for any period during which Payment Agreement Payments are not taken into account in calculating Annual Debt Service on any outstanding Parity Bonds because the Parity Payment Agreement is not then related to any outstanding Parity Bonds, payments on that Parity Payment Agreement shall be taken into account by assuming:

(A) **City Obligated to Make Payments Based on Fixed Rate.** If the City is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified Counterparty is obligated to make payments based on a variable rate index, that payments by the City will be based on the assumed fixed payor rate, and that payments by the Qualified Counterparty will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and

(B) **City Obligated to Make Payments Based on Variable Rate Index.** If the City is obligated to make Payment Agreement Payments based on a variable rate index and the Qualified Counterparty is obligated to make payment based on a fixed rate, that payments by the City will be based on a rate equal to the average rate determined by the variable rate index specified by the Parity Payment Agreement during the four calendar quarters preceding the quarter in which the calculation is made, and that the Qualified Counterparty will make payments based on the fixed rate specified by the Parity Payment Agreement.

(v) **Balloon Bonds.** For purposes of calculating debt service on any Balloon Bonds, it shall be assumed that the principal of those Balloon Bonds, together with interest thereon at a rate equal to the assumed RBI-based rate, will be amortized in equal annual installments over a term of 30 years.

“Water System Plan” means the long range water system plan known as the 2013 Water System Plan adopted by the City in Ordinance 124071, as that plan may be amended, updated, supplemented or replaced from time to time.

Section 2. Adoption of Plan of Additions. The City specifies, adopts and orders the Plan of Additions to be carried out as generally provided for in the documents comprising the Plan of Additions. The estimated cost of the Plan of Additions, as near as may be determined, is declared to be \$373,972,000 of which \$49,000,000 is expected to be financed from the proceeds of the Bonds and investment earnings thereon.

Section 3. Authorization of Bonds. The City is authorized to borrow money and issue Municipal Water System revenue bonds, payable from the sources described in Section 13 of this ordinance, in the maximum principal amount stated in Section 5 of this ordinance to (a) pay part of the cost of carrying out the Plan of Additions; (b) provide for the Reserve

Requirement; (c) capitalize interest on, if necessary, and pay the costs of issuance of the Bonds; and (d) for other Municipal Water System purposes approved by ordinance. The Bonds may be issued in one or more Series and may be combined with other Municipal Water System revenue bonds (including refunding bonds) authorized separately. The Bonds shall be designated Municipal Water System revenue bonds and shall be numbered separately and shall have any name, year and series or other label as deemed necessary or appropriate by the Director of Finance.

Section 4. Manner of Sale of Bonds. The Director of Finance may provide for the sale of each Series by public sale, negotiated sale, limited offering or private placement with a Purchaser chosen through a selection process acceptable to the Director of Finance. The Director of Finance is authorized to specify a date and time of sale of and a date and time for delivery of each Series; to give notice of that sale; to determine any bid parameters or other bid requirements and criteria for determining the award of the bid; to provide for the use of an electronic bidding mechanism; and to specify other matters in his or her determination necessary, appropriate, or desirable in order to carry out the sale of each Series. Each Series must be sold on Bond Sale Terms in accordance with Section 5.

Section 5. Bond Sale Terms; Bond Resolution. The Director of Finance is appointed to serve as the City's designated representative in connection with the issuance and sale of the Bonds in accordance with RCW 39.46.040(2) and this ordinance. The Director of Finance is authorized to accept, on behalf of the City, an offer to purchase the Bonds on Bond Sale Terms consistent with the parameters set forth in this section. No such acceptance shall be effective until adoption of a Bond Resolution approving the Bond Sale Terms. Once adopted, the Bond Resolution shall be deemed a part of this ordinance as if set forth herein.

(a) Maximum Principal Amount. The Bonds may be issued in one or more Series and shall not exceed the aggregate principal amount of \$49,000,000.

(b) Date or Dates. Each Bond shall be dated its Issue Date, as determined by the Director of Finance, which Issue Date may not be later than December 31, 2016.

1 (c) **Denominations.** The Bonds shall be issued in Authorized Denominations.

2 (d) **Interest Rate(s); Payment Dates.** Each Bond shall bear interest from the Issue
3 Date or from the most recent date to which interest has been paid or duly provided for,
4 whichever is later, and shall be payable on dates determined by the Director of Finance. One or
5 more rates of interest shall be established for each maturity of each Series, which rate or rates
6 may be fixed interest rates or Variable Interest Rates. Fixed interest rates shall be computed on
7 the basis of a 360-day year of twelve 30-day months and the net interest cost shall not exceed a
8 weighted average rate of 10% per annum. Principal payments shall commence on a date and
9 shall be payable at maturity or have Sinking Fund Requirements on dates determined by the
10 Director of Finance.

11 (e) **Final Maturity.** The Bonds shall mature no later than 40 years after the Issue
12 Date.

13 (f) **Redemption Rights.** The Bond Sale Terms may include provisions for the
14 optional and mandatory redemption of Bonds determined by the Director of Finance, subject to
15 the following:

16 (i) **Optional Redemption.** Any Bond may be designated as being (A) subject to
17 redemption at the option of the City prior to its maturity date on the dates and at
18 the redemption prices set forth in the Bond Purchase Contract; or (B) not subject
19 to redemption prior to its maturity date. If a Bond is subject to optional
redemption prior to its maturity, it must be subject to such redemption on one or
more dates occurring not more than 10½ years after the Issue Date.

20 (ii) **Mandatory Redemption.** Any Bond may be designated as a Term Bond, subject
21 to mandatory redemption prior to its maturity on the dates and in the Sinking
Fund Requirements consistent with Section 8(b) of this ordinance.

22 (g) **Price.** The purchase price for each Series shall be acceptable to the Director of
23 Finance.

24 (h) **Other Terms and Conditions.**

25 (i) As of the Issue Date of each Series, the average expected life of the capital
26 facilities to be financed with the proceeds (or allocable share of proceeds) of that
27 Series must exceed the weighted average maturity of the Series (or share thereof)
28 allocated to financing those capital facilities.

- (ii) As of the Issue Date of each Series, (A) the Finance Director must determine that the Parity Conditions have been met or satisfied, so that such Series may be issued as Parity Bonds, and (B) the City Council must find the Bond Resolution that, in creating the Parity Bond Account and in fixing the amounts to be paid into it in accordance with this ordinance, the City Council has had due regard for the cost of maintenance and operation of the Municipal Water System, and is not setting aside into the Parity Bond Account a greater amount than in the judgment of the City Council, based on the rates to be established from time to time consistent with Section 16(b), will be available over and above such cost of maintenance and operation.
- (iii) The Bond Sale Terms for any Series may provide for Bond Insurance, a Reserve Security or other credit enhancement, or for a Parity Payment Agreement. To that end, the Bond Sale Terms may include such additional terms, conditions and covenants as may be necessary or desirable, including but not limited to: restrictions on investment of Bond proceeds and pledged funds, and requirements to give notice to or obtain the consent of a credit enhancement provider or a Qualified Counterparty.
- (iv) The Bond Sale Terms must establish the method of providing for the Reserve Requirement, consistent with Section 15(a)(ii) of this ordinance.
- (v) Any Series may be designated or qualified as Tax-Exempt Bonds, Tax Credit Subsidy Bonds, or other taxable bonds, and may include such additional terms and covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, consistent with Section 22 of this ordinance.

Section 6. Bond Registrar; Registration and Transfer of Bonds.

(a) Registration of Bonds. The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register.

(b) Bond Registrar; Transfer and Exchange of Bonds. The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to

1 serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers
2 and duties under this ordinance and the Registration Ordinance.

3 The Bond Registrar shall be responsible for its representations contained in the Bond
4 Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an
5 Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the
6 extent permitted by law, may act as depository for and permit any of its officers or directors to
7 act as members of, or in any other capacity with respect to, any committee formed to protect the
8 rights of Owners.

9 Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized
10 Denomination of an equal aggregate principal amount and of the same Series, interest rate and
11 maturity. Bonds may be transferred only if endorsed in the manner provided thereon and
12 surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to the Owner
13 or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during
14 the period between the Record Date and the corresponding interest payment or redemption date.

15 **(c) Securities Depository; Book-Entry Form.** The Bonds initially shall be
16 registered in the name of the Securities Depository. The Bonds so registered shall be held fully
17 immobilized in book-entry form by the Securities Depository in accordance with the provisions
18 of the Letter of Representations. Neither the City nor the Bond Registrar shall have any
19 responsibility or obligation to participants of the Securities Depository or the persons for whom
20 they act as nominees with respect to the Bonds regarding accuracy of any records maintained by
21 the Securities Depository or its participants of any amount in respect of principal of or interest on
22 the Bonds, or any notice which is permitted or required to be given to Owners hereunder (except
23 such notice as is required to be given by the Bond Registrar to the Securities Depository).
24 Registered ownership of a Bond initially held in book-entry form, or any portion thereof, may
25 not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute
26 Securities Depository appointed by the City or such substitute Securities Depository's successor;
27 or (iii) to any person if the Bond is no longer held in book-entry form.
28

1 Upon the resignation of the Securities Depository from its functions as depository, or
2 upon a City determination to discontinue services of the Securities Depository, the City may
3 appoint a substitute Securities Depository. If (i) the Securities Depository resigns from its
4 functions as depository, and no substitute Securities Depository can be obtained, or (ii) the City
5 determines that the Bonds are to be in certificated form, then ownership of Bonds may be
6 transferred to any person as provided herein and the Bonds no longer shall be held in book-entry
7 form.

8 **Section 7. Payment of Bonds.** Principal of and interest on each Bond shall be
9 payable solely out of the Parity Bond Account, in lawful money of the United States. Principal of
10 and interest on each Bond registered in the name of the Securities Depository is payable in the
11 manner set forth in the Letter of Representations. Interest on each Bond not registered in the
12 name of the Securities Depository is payable by electronic transfer on the interest payment date,
13 or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered
14 Owner at the address appearing on the Bond Register on the Record Date. However, the City is
15 not required to make electronic transfers except pursuant to a request by a Registered Owner in
16 writing received at least ten days prior to the Record Date and at the sole expense of the
17 Registered Owner. Principal of each Bond not registered in the name of the Securities
18 Depository is payable upon presentation and surrender of the Bond by the Registered Owner to
19 the Bond Registrar. The Bonds are not subject to acceleration under any circumstances.

20 **Section 8. Redemption and Purchase of Bonds.**

21 **(a) Optional Redemption.** All or some of the Bonds may be subject to redemption
22 prior to their stated maturity dates at the option of the City at the times and on the terms
23 approved in accordance with Section 5 of this ordinance.

24 **(b) Mandatory Redemption.** If not redeemed or purchased at the City's option prior
25 to maturity, Term Bonds (if any) shall be redeemed, at a price equal to the principal amount
26 thereof to be redeemed plus accrued interest, on the dates and in the Sinking Fund Requirements
27 as set forth in the Bond Resolution. If the City redeems or purchases Term Bonds at the City's
28

option prior to maturity, the Term Bonds so redeemed or purchased (irrespective of their redemption or purchase prices) shall be credited at the par amount thereof against the remaining Sinking Fund Requirements as determined by the Director of Finance. In the absence of a determination by the Director of Finance or other direction in the Bond Resolution, credit shall be allocated on a pro rata basis.

(c) Selection of Bonds for Redemption; Partial Redemption. If fewer than all of the outstanding Bonds are to be redeemed at the option of the City, the Director of Finance shall select the Series and maturity or maturities to be redeemed. If fewer than all of the outstanding Bonds of a maturity of a Series are to be redeemed, the Securities Depository shall select Bonds registered in the name of the Securities Depository to be redeemed in accordance with the Letter of Representations, and the Bond Registrar shall select all other Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar, there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(d) Purchase. The City reserves the right and option to purchase any or all of the Bonds offered to the City at any time at any price acceptable to the City plus accrued interest to the date of purchase.

Section 9. Notice of Redemption. The City shall cause notice of any intended redemption of Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Owner of any Bond. Interest on

1 Bonds called for redemption shall cease to accrue on the date fixed for redemption unless the
2 Bond or Bonds called are not redeemed when presented pursuant to the call.

3 In the case of an optional redemption, the notice may state that the City retains the right
4 to rescind the redemption notice and the related optional redemption of Bonds by giving a notice
5 of rescission to the affected Registered Owners at any time prior to the scheduled optional
6 redemption date. Any notice of optional redemption that is rescinded by the Director of Finance
7 shall be of no effect, and the Bonds for which the notice of optional redemption has been
8 rescinded shall remain outstanding.

9 **Section 10. Failure to Pay Bonds.** If any Bond is not paid when properly presented
10 at its maturity or redemption date, the City shall be obligated to pay, solely from the Parity Bond
11 Account and the other sources pledged in this ordinance, interest on that Bond at the same rate
12 provided in that Bond from and after its maturity or redemption date until that Bond, principal,
13 premium, if any and interest, is paid in full or until sufficient money for its payment in full is on
14 deposit in the Parity Bond Account and that Bond has been called for payment by giving notice
15 of that call to the Registered Owner of that Bond.

16 **Section 11. Form and Execution of Bonds.** The Bonds shall be typed, printed or
17 reproduced in a form consistent with the provisions of this ordinance, the Bond Resolution and
18 State law, shall be signed by the Mayor and Director of Finance, either or both of whose
19 signatures may be manual or in facsimile, and the seal of the City or a facsimile reproduction
20 thereof shall be impressed or printed thereon.

21 Only Bonds bearing a certificate of authentication in substantially the following form
22 (with the designation, year and Series adjusted consistent with this ordinance), manually signed
23 by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of
24 this ordinance: "This Bond is one of the fully registered The City of Seattle, Washington, [Water
25 System Revenue Bonds], [Year], [Series], described in [this ordinance]." The authorized signing
26 of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has
27 been duly executed, authenticated and delivered and is entitled to the benefits of this ordinance.
28

1 If any officer whose manual or facsimile signature appears on a Bond ceases to be an
2 officer of the City authorized to sign bonds before the Bond bearing his or her manual or
3 facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that
4 Bond nevertheless may be authenticated, delivered and issued and, when authenticated, issued
5 and delivered, shall be as binding on the City as though that person had continued to be an
6 officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City
7 by any person who, on the actual date of signing of the Bond, is an officer of the City authorized
8 to sign bonds, although he or she did not hold the required office on the date of issuance of the
9 Bonds.

10 **Section 12. Construction Account; Deposit of Proceeds.** An account to be known as
11 the Water System Construction Subaccount, 2014 is created in the Water System Construction
12 Account, which account was previously created in the Water Fund. The principal proceeds of the
13 sale of the Bonds remaining after the deposit of accrued interest on the Bonds, if any, into the
14 Principal and Interest Subaccount and the deposit of any proceeds as determined by the Bond
15 Resolution into the Reserve Subaccount, shall be deposited into the Construction Account, unless
16 otherwise specified in the Bond Resolution or directed by the Director of Finance, to be used for
17 the purpose of paying part of the costs of carrying out the Plan of Additions and to pay
18 capitalized interest on, if necessary, and the costs of issuance of the Bonds. Until needed to pay
19 such costs, the City may invest principal proceeds and interest thereon temporarily in any
20 Permitted Investment, and the investment earnings may, as determined by the Director of
21 Finance, be retained in the Construction Account and be spent for the purposes of that account or
22 deposited in the Parity Bond Account.

23 **Section 13. Security for the Bonds; Parity with other Bonds.** The Bonds shall be
24 special limited obligations of the City payable from and secured solely by the Net Revenue and
25 ULID Assessments, and by money in the Parity Bond Account and subaccounts therein. The Net
26 Revenue and all ULID Assessments, and all money and investments held in the Parity Bond
27 Account, the Rate Stabilization Account and the Construction Account (except money and
28

investments held in a separate fund or account created for the purpose of compliance with rebate requirements under the Code), are pledged to the payment of the Parity Bonds and to make payments into the Reserve Subaccount required by this ordinance and the Parity Bond Legislation. This pledge shall constitute a charge and lien upon the Net Revenue prior and superior to any other charges whatsoever.

The Bonds shall be on a parity with the Outstanding Parity Bonds and all Future Parity Bonds, without regard to date of issuance or authorization and without preference or priority of right or lien. Nothing in this ordinance prevents the City from issuing revenue bonds or other obligations which are a charge or lien upon the Net Revenues subordinate to the payments required to be made from Net Revenue into the Parity Bond Account and the subaccounts therein.

The Bonds shall not constitute general obligations of the City, the State or any political subdivision of the State or a charge upon any general fund or upon any money or other property of the City, the State or any political subdivision of the State not specifically pledged by this ordinance.

Section 14. Priority Expenditure of Gross Revenue; Flow of Funds. The Gross Revenue shall be used for the following purposes only and shall be applied in the following order of priority:

- (a) To pay the Operating and Maintenance Expense;
- (b) To pay interest on Parity Bonds and net payments on Parity Payment Agreements when due;
- (c) To pay the principal of Parity Bonds as it comes due at maturity or to meet Sinking Fund Requirements, and to make payments due under any agreement with a provider of a Reserve Security which agreement requires those payments to be treated on a parity of lien with the Parity Bonds;
- (d) To make all payments required to be made into the Reserve Subaccount, to make all payments required to be made under any agreement with a provider of a Reserve Security,

1 which agreement requires those payments to be treated on a parity of lien with the payments
2 required to be made into the Reserve Subaccount, and to make the deposits required to be made
3 into a special account in the Water Fund upon the expiration of a Reserve Security, in
4 accordance with Section 15(a)(ii) of this ordinance.

5 (e) To make all payments required to be made into any revenue bond, note, warrant
6 or other revenue obligation redemption fund, debt service account or reserve account created to
7 pay or secure the payment of the principal of and interest on any revenue bonds, notes, warrants
8 or other obligations of the City having a lien upon the revenue of the Municipal Water System
9 subordinate to the lien thereon for the payment of the principal of and interest on the Parity
10 Bonds; and

11 (f) To retire by redemption or purchase any outstanding revenue bonds or other
12 revenue obligations of the Municipal Water System; to make necessary additional betterments,
13 improvements and repairs to or extensions and replacements of the Municipal Water System; to
14 pay City taxes or other payments in lieu of taxes payable from Gross Revenue; to make deposits
15 into the Rate Stabilization Account; or for any other lawful Municipal Water System purposes.

16 **Section 15. Parity Bond Account.** The Parity Bond Account is divided into two
17 subaccounts: the Principal and Interest Subaccount and the Reserve Subaccount. The Director of
18 Finance may create sinking fund subaccounts or other subaccounts in the Parity Bond Account
19 for the payment or securing the payment of Parity Bonds, as long as the maintenance of such
20 accounts does not conflict with the rights of the owners of Parity Bonds.

21 **(a) Required Payments Into Parity Bond Account.** So long as any Parity Bonds are
22 outstanding, the City shall set aside and pay into the Parity Bond Account all ULID Assessments
23 on their collection and, out of the Net Revenue, certain fixed amounts without regard to any
24 fixed proportion, namely:

25 (i) Into the Principal and Interest Subaccount (A) upon receipt thereof, the accrued
26 interest, if any, received by the City from the Purchaser, and (B) on or before each
27 interest or principal and interest payment date of any Parity Bonds an amount
28 which, together with other money on deposit therein, will be sufficient to pay the
interest, or principal and interest and Sinking Fund Requirements, to become due

and payable on the Parity Bonds on that payment date, and net payments due on Parity Payment Agreements; and

- (ii) Into the Reserve Subaccount an amount necessary to provide for the Reserve Requirement for the Parity Bonds within the time and in the manner required by this ordinance and the Parity Bond Legislation. The amount necessary to satisfy the Reserve Requirement upon the issuance of a Series may be funded (i) on the Issue Date, by a deposit from the bond sale proceeds or a Reserve Security, or (ii) in annual installments from Net Revenue so that the Reserve Requirement is fully funded by the fifth anniversary of the Issue Date. The manner of funding the Reserve Requirement for the Bonds shall be set forth in the Bond Resolution.

For the purpose of determining the amount credited to the Reserve Subaccount, obligations in which money in the Reserve Subaccount has been invested shall be valued at the greater of cost or accreted value.

The City may provide all or any part of the Reserve Requirement through a Reserve Security, subject to the following: (A) the amount available to be drawn upon under a Reserve Security shall be credited against the Reserve Requirement; and (B) on receipt of a notice of cancellation of any Reserve Security, the City shall either (1) substitute a Reserve Security in the amount required to make up the deficiency created in the Reserve Subaccount, or (2) create a special account in the Water Fund and deposit therein, on or before the 25th day of each of the 36 succeeding calendar months (commencing with the 25th day of the calendar month next following the date of the notice) 1/36th of the amount sufficient, together with other money and investments on deposit in the Reserve Subaccount, to equal the Reserve Requirement in effect as of the date the cancellation becomes effective. Amounts on deposit in that special account shall not be available to pay debt service on Parity Bonds or for any other purpose of the City, and shall be transferred to the Reserve Subaccount on the effective date of any cancellation of a Reserve Security to make up all or part of the deficiency caused thereby. Amounts in that special account or in the Reserve Subaccount may be transferred back to the Water Fund and used for any purpose if and when a substitute Reserve Security is obtained.

The Director of Finance may transfer any money from any funds or accounts of the City legally available therefor, except bond redemption funds, refunding escrow funds or defeasance funds, to meet the required payments to be made into the Parity Bond Account. The Director of Finance may provide for the purchase, redemption or defeasance of any Parity Bonds by the use of money on deposit in any subaccount in the Parity Bond Account as long as the money

1 remaining in those subaccounts is sufficient to satisfy the required deposits in those subaccounts
2 for the remaining Parity Bonds.

3 **(b) Reserve Subaccount.** The City covenants that it will at all times so long as any
4 Parity Bonds are outstanding, maintain the Reserve Subaccount at the Reserve Requirement
5 (taking into account scheduled payments to fund the Reserve Requirement over time), as it is
6 adjusted from time to time, except for withdrawals as authorized by this ordinance. The Director
7 of Finance may make withdrawals of cash from the Reserve Subaccount in the event of a
8 deficiency in the Principal and Interest Subaccount to meet maturing installments of either
9 principal (or Sinking Fund Requirements) or interest. Any deficiency created in the Reserve
10 Subaccount by reason of any such withdrawal shall, within 12 months, be made up from ULID
11 Assessments and Net Revenue available after making necessary provisions for the required
12 payments into the Principal and Interest Subaccount. The money in the Reserve Subaccount may
13 be applied to the payment of the last outstanding Parity Bonds, and when the total amount in the
14 Parity Bond Account (including investment earnings) equals the total amount of principal and
15 interest for all then-outstanding Parity Bonds to the last maturity thereof, no further payment
16 need be made into the Parity Bond Account. Money in the Reserve Subaccount (including
17 investment earnings) in excess of the Reserve Requirement may be withdrawn and deposited in
18 the Principal and Interest Subaccount and spent for the purpose of retiring Parity Bonds or may
19 be deposited in any other fund or account and spent for any other lawful Municipal Water
20 System purpose.

21 **(c) Investment of Money in Parity Bond Account.** All money in the Parity Bond
22 Account may be kept in cash or invested in Permitted Investments maturing not later than the
23 date when needed (for investments in the Principal and Interest Subaccount) or the last maturity
24 of any outstanding Parity Bonds (for investments in the Reserve Subaccount). In no event shall
25 any money in the Parity Bond Account or any other money reasonably expected to be used to
26 pay principal and/or interest on the Parity Bonds be invested at a yield which would cause any
27 Series issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds to be arbitrage bonds within
28

the meaning of Section 148 of the Code. Income from investments in the Principal and Interest Subaccount shall be deposited in that subaccount. Income from investments in the Reserve Subaccount shall be deposited in that subaccount until the amount therein is equal to the Reserve Requirement for all Parity Bonds, and thereafter shall be deposited in the Principal and Interest Subaccount. Notwithstanding the provisions for deposit or retention of earnings in the Parity Bond Account, any earnings which are subject to a federal tax or rebate requirement may be withdrawn from the Parity Bond Account for deposit in a separate fund or account for that purpose. If no longer required for such rebate, money in that separate fund or account shall be returned to the Parity Bond Account.

(d) Failure to Deposit Money in Parity Bond Account. If the City fails to set aside and pay into the Parity Bond Account, or the subaccounts therein, the amounts set forth above, the registered owner of any of the outstanding Parity Bonds may bring action against the City for failure to make the required deposits to the Parity Bond Account only in accordance with Section 25 regarding Events of Default.

Section 16. Parity Bond Covenants. The City covenants with the Owner of each Bond at any time outstanding, as follows:

(a) Operation and Maintenance. It will pay all Operating and Maintenance Expense and otherwise meet the obligations of the City under this ordinance. It will at all times maintain, preserve and keep the Municipal Water System in good repair, working order and condition, will make all necessary and proper additions, betterments, renewals and repairs thereto, and improvements, replacements and extensions thereof so that at all times the business carried on in connection therewith will be properly and advantageously conducted, and will at all times operate or cause to be operated the properties of the Municipal Water System and the business in connection therewith in an efficient manner and at a reasonable cost.

(b) Establishment and Collection of Rates and Charges. It will establish, maintain, revise as necessary, and collect rates and charges for services and facilities provided by

the Municipal Water System which will be fair and equitable, and will adjust those rates and charges from time to time so that:

- (i) The Gross Revenue will be sufficient to (A) pay all Operating and Maintenance Expense, (B) pay when due all amounts that the City is obligated to pay into the Parity Bond Account and the subaccounts therein, and (C) pay all taxes, assessments or other governmental charges lawfully imposed on the Municipal Water System or the revenue therefrom or payments in lieu thereof and any and all other amounts which the City may now or hereafter become obligated to pay from the Gross Revenue by law or contract; and
- (ii) The Adjusted Net Revenue in each fiscal year will be at least equal to the Coverage Requirement; and
- (iii) Except to aid the poor or infirm and for fire-fighting purposes, it will not furnish or supply or permit the furnishing or supplying of any service or facility in connection with the operation of the Municipal Water System free of charge to any person, firm or corporation, public or private.

The failure of the City to comply with subparagraphs (i) and (ii) above shall not be an Event of Default if the City promptly retains an Independent Utility Consultant to recommend to the City Council adjustments in the rates of the Municipal Water System necessary to meet the requirements of those subparagraphs and if the City Council adopts the recommended modifications within 180 days of the date the failure became known to the City Council.

(c) Sale or Disposition of the Municipal Water System. It will sell, transfer or otherwise dispose of any of the works, plant, properties, facilities or other part of the Municipal Water System or any real or personal property comprising a part of the Municipal Water System only upon approval by ordinance and only consistent with one or more of the following:

- (i) The City in its discretion may carry out such a sale, transfer or disposition (each, as used in this section, a "transfer") if the facilities or property transferred are not material to the operation of the Municipal Water System, have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the Municipal Water System, or are no longer necessary, material or useful to the operation of the Municipal Water System; or
- (ii) The City in its discretion may carry out such a transfer if the aggregate depreciated cost value of the facilities or property being transferred under this subsection in any fiscal year comprises no more than 3% of the total assets of the Municipal Water System; or

- (iii) The City in its discretion may carry out such a transfer if the City receives from the transferee an amount equal to the fair market value of the portion of the Municipal Water System transferred. As used in this subparagraph, "fair market value" means the most probable price that a property should bring in a competitive and open market under all conditions requisite to a fair sale, the willing buyer and willing seller each acting prudently and knowledgeably and assuming that the price is not affected by coercion or undue stimulus. The proceeds of the transfer shall be used (i) to promptly redeem, or irrevocably set aside for the redemption of, Parity Bonds, and/or (ii) to provide for part of the cost of additions to and betterments and extensions of the Municipal Water System. Before any such transfer under this subsection, the City must obtain a certificate of an Independent Utility Consultant to the effect that in his or her professional opinion, upon such transfer and the use of proceeds of the transfer as proposed by the City, the remaining Municipal Water System will retain its operational integrity and the Adjusted Net Revenue of the Municipal Water System will be at least equal to the Coverage Requirement during the five fiscal years following the fiscal year in which the transfer is to occur, taking into account, (A) the reduction in revenue resulting from the transfer; (B) the use of any proceeds of the transfer for the redemption of Parity Bonds, (C) the Independent Utility Consultant's estimate of revenue from customers anticipated to be served by any additions to and betterments and extensions of the Municipal Water System financed in part by the proposed portion of the proceeds of the transfer, and (D) any other adjustment permitted in the preparation of a certificate under Section 17(a)(vi)(B) of this ordinance. Before such a transfer, the City also must obtain confirmation from each Rating Agency to the effect that the rating then in effect will not be reduced or withdrawn upon such transfer. The amount required to be paid to the City may be reduced by any "equity credits" or similar amounts based on prior capital contributions or other payments to the City which, under any contract between the City and the transferee, are allowed as a setoff against the transfer price that would otherwise be payable to the City.

Upon the redemption or defeasance of all outstanding 2003 Bonds and 2004 Bonds: the City may sell, transfer or otherwise dispose of any of the works, plant, properties, facilities or other part of the Municipal Water System or any real or personal property comprising a part of the Municipal Water System only consistent with one or more of the following:

- (i) *The City in its discretion may carry out such a sale, transfer or disposition (each, a "transfer") if the facilities or property transferred are not material to the operation of the Municipal Water System, or shall have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the Municipal Water System or are no longer necessary, material or useful to the operation of the Municipal Water System; or*

(ii) *The City in its discretion may carry out such a transfer if the aggregate depreciated cost value of the facilities or property being transferred under this subsection in any fiscal year comprises no more than 5% of the total assets of the Municipal Water System; or*

(iii) *The City in its discretion may carry out such a transfer if the proceeds from such transfer are used to acquire new useful operating facilities or properties of the Municipal Water System, or are used to retire outstanding Parity Bonds or other revenue obligations of the Municipal Water System, if, at the time of such transfer, the City has on file a certificate of both the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of either office) demonstrating that in their opinion, upon such transfer and the use of proceeds of the transfer as proposed by the City, the remaining facilities of the Municipal Water System will retain their operational integrity and, based on the financial statements for the most recent fiscal year available, the proposed transfer would not prevent the Municipal Water System from complying with the Coverage Requirement during the five fiscal years following the fiscal year in which the transfer is to occur. The certificate shall take into account, (A) the reduction in revenue and expenses, if any, resulting from the transfer; (B) the use of any proceeds of the transfer for the redemption of Parity Bonds, (C) the estimate of revenue from customers anticipated to be served by any additions to and betterments and extensions of the Municipal Water System financed in part by the proposed portion of the proceeds of the transfer, and (D) any other adjustment permitted in the preparation of a certificate under Section 17(a)(vi) of this ordinance. Before such a transfer, the City also must obtain confirmation from each of the Rating Agencies to the effect that the rating then in effect will not be reduced or withdrawn upon such transfer.*

(d) Liens Upon the Municipal Water System. Except as otherwise provided in this ordinance, it will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the Gross Revenue or any part thereof, prior or superior to the lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Gross Revenue or any part thereof, prior or superior to, or on a parity with, the lien of the Parity Bonds, or which might impair the security of the Parity Bonds.

(e) Books and Records. It will keep proper books, records and accounts with respect to the operations, income and expenditures of the Municipal Water System in accordance

1 with generally accepted accounting practices relating to the municipal utilities and any applicable
2 rules and regulations prescribed by the State, and will cause those books, records and accounts to
3 be audited on an annual basis by the State Auditor (or, if such audit is not made by the State
4 Auditor within 270 days after the close of any fiscal year of the City, by a certified public
5 accountant selected by the City). It will prepare annual financial and operating statements as
6 soon as practicable after the close of each fiscal year showing in reasonable detail the financial
7 condition of the Municipal Water System as of the close of the previous year, and the income
8 and expenses for such year, including the amounts paid into the Parity Bond Account and into
9 any and all special funds or accounts created pursuant to the provisions of this ordinance, the
10 status of all funds and accounts as of the end of such year, and the amounts expended for
11 maintenance, renewals, replacements and capital additions to the Municipal Water System. Such
12 statements shall be sent to the owner of any Parity Bond upon written request received by the
13 City. The City may charge a reasonable cost for providing such financial statements.

14 **(f) Collection of Delinquent Accounts.** On at least an annual basis, it will
15 determine all accounts that are delinquent and will take such actions as the City determines are
16 reasonably necessary to enforce payment of those delinquent accounts.

17 **(g) Maintenance of Insurance.** It at all times will carry fire and extended coverage,
18 public liability and property damage and such other forms of insurance with responsible insurers
19 and with policies payable to the City on such of the buildings, equipment, works, plants,
20 facilities and properties of the Municipal Water System as are ordinarily carried by municipal or
21 privately owned utilities engaged in the operation of like systems, and against such claims for
22 damages as are ordinarily carried by municipal or privately owned utilities engaged in the
23 operation of like systems, or it will self-insure or will participate in an insurance pool or pools
24 with reserves adequate, in the reasonable judgment of the City, to protect the Municipal Water
25 System and the Owners of the Parity Bonds against loss.

26 **(h) Condemnation Awards and Insurance Proceeds.** If the City receives any
27 condemnation awards or proceeds of an insurance policy in connection with any loss of or
28

1 damage to any property of the Municipal Water System, it shall apply the condemnation award
2 or insurance proceeds, in the City's sole discretion, either (i) to the cost of replacing or repairing
3 the lost or damaged properties, (ii) to the payment, purchase or redemption of Parity Bonds, or
4 (iii) to the cost of improvements to the Municipal Water System.

5 **Section 17. Future Parity Bonds.**

6 (a) The City reserves the right to issue Future Parity Bonds and to enter into Parity
7 Payment Agreements for purposes of the Municipal Water System or to refund a portion of the
8 Parity Bonds if the following conditions are met and complied with at the time of the issuance of
9 those Future Parity Bonds or entering into the Parity Payment Agreement:

- 10 (i) There must be no deficiency in the Parity Bond Account and no Event of Default
11 with respect to any Parity Bonds shall have occurred and be continuing.
- 12 (ii) The Future Parity Bond Legislation must provide that all ULID Assessments shall
13 be paid directly into the Parity Bond Account.
- 14 (iii) The Future Parity Bond Legislation must provide for the payment of the principal
15 thereof and interest thereon out of the Parity Bond Account.
- 16 (iv) The Future Parity Bond Legislation must provide for the payment of any Sinking
17 Fund Requirements from money in the Principal and Interest Subaccount.
- 18 (v) The Future Parity Bond Legislation must provide for the deposit into the Reserve
19 Subaccount of (A) an amount, if any, necessary to fund the Reserve Requirement
20 upon the issuance of those Future Parity Bonds from Future Parity Bond proceeds
21 or other money legally available; (B) one or more Reserve Securities or an
22 amount plus Reserve Securities necessary to fund the Reserve Requirement upon
23 the issuance of those Future Parity Bonds, or (C) amounts necessary to fund the
24 Reserve Requirement from ULID Assessments and Net Revenue within five years
25 from the date of issuance of those Future Parity Bonds, in five approximately
26 equal annual payments.
- 27 (vi) There shall be on file with the City either:
- 28 (A) A certificate of the Director of Finance demonstrating that during any 12
consecutive calendar months out of the immediately preceding 24 calendar
months Adjusted Net Revenue was at least equal to the Coverage
Requirement for all Parity Bonds plus the Future Parity Bonds proposed to
be issued (and assuming that the debt service of the proposed Future Parity
Bonds for that 12 month period was the Average Annual Debt Service for
those proposed bonds); or

(B) A certificate of the Director of Finance and the Director of Seattle Public Utilities (or any officer who succeeds to substantially all of the responsibilities of that office), that in their opinion, Adjusted Net Revenue for the five fiscal years next following the earlier of (1) the end of the period during which interest on those Future Parity Bonds is to be capitalized or, if no interest is capitalized, the fiscal year in which the Future Parity Bonds are issued, or (2) the date on which substantially all new facilities financed with those Future Parity Bonds are expected to commence operations, such Adjusted Net Revenue further adjusted as provided in paragraphs (1) through (4) below, will be at least equal to the Coverage Requirement. That certificate may take into account the following adjustments:

- (1) Any changes in rates in effect and being charged, or rates expected to be charged in accordance with a program of specific rates, rate levels or increases in overall rate revenue approved by ordinance or resolution;
- (2) Net revenue from customers of the Municipal Water System who have become customers during the 12 consecutive month period or thereafter, and their estimate of net revenue from any customers to be connected to the Municipal Water System who have paid the required connection charges, adjusted to reflect one year's net revenue from those customers;
- (3) Their estimate of net revenue from customers anticipated to be served by facilities or improvements financed in substantial part by those Future Parity Bonds (or additional Parity Bonds expected to be issued during the five-year period); and
- (4) Net revenue from any person, firm, corporation or municipal corporation under any executed contract for water or other utility service, which revenue was not included in the historical Net Revenue of the Municipal Water System.

If the Future Parity Bonds proposed to be issued are for the sole purpose of refunding Parity Bonds, no such coverage certification shall be required if the Adjusted Annual Debt Service on the Parity Bonds after the issuance of the Future Parity Bonds is not, for any year in which the Parity Bonds being refunded were outstanding, more than \$5,000 over the Adjusted Annual Debt Service on the Parity Bonds prior to the issuance of those Future Parity Bonds.

(b) Nothing contained herein shall prevent the City from issuing Future Parity Bonds to refund maturing Parity Bonds, money for the payment of which is not otherwise available, or

1 revenue bonds that are a charge or lien upon the Gross Revenue subordinate to the charge or lien
2 of the Parity Bonds, or from pledging the payment of ULID assessments into a bond redemption
3 fund created for the payment of the principal of and interest on those subordinate lien bonds as
4 long as such ULID assessments are levied for improvements constructed from the proceeds of
5 those subordinate lien bonds.

6 **Section 18. Rate Stabilization Account.** The Rate Stabilization Account has been
7 created as a separate account in the Water Fund. The City may at any time, as determined by the
8 Director of Finance, deposit in the Rate Stabilization Account, Gross Revenue and any other
9 money received by the Municipal Water System and available for this purpose, consistent with
10 Section 14. The Director of Finance may, upon authorization by resolution of the City Council,
11 withdraw any or all of the money from the Rate Stabilization Account for inclusion in the
12 Adjusted Gross Revenue for any fiscal year. Such deposits or withdrawals may be made up to
13 and including the date 90 days after the end of the fiscal year for which the deposit or withdrawal
14 will be included as Adjusted Gross Revenue. No deposit of Gross Revenue may be made into the
15 Rate Stabilization Account to the extent that such deposit would prevent the City from meeting
16 the Coverage Requirement in the relevant fiscal year.

17 **Section 19. Separate Utility Systems.** The City may create, acquire, construct,
18 finance, own and operate one or more additional systems for water supply, transmission or other
19 commodity or service relating to the Municipal Water System. The revenue of that separate
20 utility system shall not be included in the Gross Revenue of the Municipal Water System and
21 may be pledged to the payment of revenue obligations issued to purchase, construct, condemn or
22 otherwise acquire or expand the separate utility system. Neither the Gross Revenue nor the Net
23 Revenue shall be pledged by the City to the payment of any obligations of a separate utility
24 system except (a) as a Contract Resource Obligation, or (b) with respect to the Net Revenue, on a
25 basis subordinate to the lien of the Parity Bonds on that Net Revenue.

26 **Section 20. Contract Resource Obligations.** The City may at any time enter into one
27 or more Contract Resource Obligations for the acquisition, from facilities to be constructed, of
28

1 water supply, transmission or other commodity or service relating to the Municipal Water
2 System, as follows:

3 (a) The City may determine that, and may agree under a Contract Resource
4 Obligation to provide that, all payments under that Contract Resource Obligation (including
5 payments prior to the time that water supply or transmission or other commodity or service is
6 being provided, or during a suspension or after termination of supply or service) shall be an
7 Operating and Maintenance Expense if the following requirements are met at the time such a
8 Contract Resource Obligation is entered into:

9 (i) No Event of Default has occurred and is continuing; and

10 (ii) There shall be on file a certificate of an Independent Utility Consultant stating
11 that (A) the payments to be made by the City in connection with the Contract
12 Resource Obligation are reasonable for the supply or transmission rendered;
13 (B) the source of any new supply, and any facilities to be constructed to provide
14 the supply or transmission, are sound from a water or other commodity supply or
15 transmission planning standpoint, are technically and economically feasible in
16 accordance with prudent utility practice, and are likely to provide supply or
17 transmission no later than a date set forth in the Independent Utility Consultant's
18 certification; and (C) the Adjusted Net Revenue (further adjusted by the
19 Independent Utility Consultant's estimate of the payments to be made in
20 accordance with the Contract Resource Obligation) for the five fiscal years
21 following the year in which the Contract Resource Obligation is incurred, as such
22 Adjusted Net Revenue is estimated by the Independent Utility Consultant in
23 accordance with the provisions of and adjustments permitted in Section
24 17(a)(vi)(B) of this ordinance, will be at least equal to the Coverage Requirement.

25 (b) Payments required to be made under Contract Resource Obligations shall not be
26 subject to acceleration.

27 (c) Nothing in this Section shall be deemed to prevent the City from entering into
28 other agreements for the acquisition of water supply, transmission or other commodity or service
from existing facilities and from treating those payments as Operating and Maintenance
Expense. Nothing in this Section shall be deemed to prevent the City from entering into other
agreements for the acquisition of water supply, transmission or other commodity or service from

1 facilities to be constructed and from agreeing to make payments with respect thereto, such
2 payments constituting a charge and lien on Net Revenue subordinate to that of Parity Bonds.

3 **Section 21. Refunding and Defeasance of the Bonds.** The Bonds are hereby
4 designated "Refundable Bonds" for purposes of Ordinance 121939, as it may be amended from
5 time to time. The City may issue refunding bonds pursuant to the laws of the State or use money
6 available from any other lawful source to pay when due the principal of, premium, if any, and
7 interest on any Bond, or portion thereof, included in a refunding or defeasance plan, and to
8 redeem and retire, release, refund or defease those Bonds (the "defeased Bonds") and to pay the
9 costs of such refunding or defeasance. If money and/or Government Obligations maturing at a
10 time or times and in an amount sufficient, together with known earned income from the
11 investment thereof, to redeem and retire, release, refund or defease the defeased Bonds in
12 accordance with their terms, are set aside in a special trust fund or escrow account irrevocably
13 pledged to such redemption, retirement or defeasance (the "trust account"), then all right and
14 interest of the Owners of the defeased Bonds in the covenants of this ordinance and in the Net
15 Revenue and the funds and accounts pledged to the payment of such defeased Bonds, other than
16 the right to receive the funds so set aside and pledged, thereafter shall cease and become void.
17 Such Owners thereafter shall have the right to receive payment of the principal of and interest or
18 redemption price on the defeased Bonds from the trust account. After establishing and fully
19 funding such a trust account, the defeased Bonds shall be deemed as no longer outstanding, and
20 the Director of Finance then may apply any money in any other fund or account established for
21 the payment or redemption of the defeased Bonds to any lawful purposes. Notice of refunding or
22 defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be
23 conducted, in the manner set forth in this ordinance for the redemption of Bonds.

24 If the refunding or defeasance plan provides that the defeased Bonds or the refunding
25 bonds to be issued be secured by money and/or Government Obligations pending the prior
26 redemption of the defeased Bonds and if such refunding or defeasance plan also provides that
27 certain money and/or Government Obligations are pledged irrevocably for the prior redemption
28

of the defeased Bonds included in that refunding or defeasance plan, then only the debt service on the Bonds which are not defeased Bonds and the refunding bonds, the payment of which is not so secured by the refunding plan, shall be included in the computation of the Coverage Requirement for the issuance of Future Parity Bonds and the annual computation of the Coverage Requirement for determining compliance with the rate covenants.

Section 22. Provisions Relating to Certain Federal Tax Consequences of the Bonds.

(a) Tax-Exempt Bonds. The City covenants that it will take all actions, consistent with the terms of any Series issued as Tax-Exempt Bonds, this ordinance, and the Bond Resolution, reasonably within its power and necessary to prevent interest on that Series from being included in gross income for federal income tax purposes, and the City will neither take any action nor make or permit any use of proceeds of that Series or other funds of the City treated as gross proceeds of that Series at any time during the term of such Series which will cause interest on such Series to be included in gross income for federal income tax purposes. The City also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with that Series, including the calculation and payment of any penalties that the City has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on such Series from being included in gross income for federal income tax purposes.

(b) Tax-Credit Subsidy Bonds or other Taxable Bonds. The Director of Finance may, without further action by the City Council, make provision in the Bonds or other written document for such additional covenants of the City as may be necessary or appropriate in order for the City to receive from the United States Treasury the applicable federal credit payments in respect of any Series issued as Tax Credit Subsidy Bonds or otherwise become and remain eligible for tax benefits under the Code.

1 **Section 23. Official Statement; Continuing Disclosure.**

2 **(a) Preliminary Official Statement.** The Director of Finance and other appropriate
3 City officials are directed to cause the preparation of and review the form of a preliminary
4 official statement in connection with each sale of one or more Series to the public. For the sole
5 purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of
6 Finance is authorized to deem that preliminary official statement final as of its date, except for
7 the omission of information permitted to be omitted by Rule 15c2-12. The City approves the
8 distribution to potential purchasers of the Bonds of a preliminary official statement that has been
9 deemed final in accordance with this subsection.

10 **(b) Final Official Statement.** The City approves the preparation of a final official
11 statement for each sale of one or more Series to be sold to the public in the form of the
12 preliminary official statement with such modifications and amendments as the Director of
13 Finance deems necessary or desirable, and further authorizes the Director of Finance to execute
14 and deliver such final official statement to the Purchaser. The City authorizes and approves the
15 distribution by the Purchaser of that final official statement to purchasers and potential
16 purchasers of the Bonds.

17 **(c) Undertaking to Provide Continuing Disclosure.** To meet the requirements of
18 paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series, the
19 Director of Finance is authorized to execute the Undertaking in substantially the form attached as
20 Exhibit B.

21 **Section 24. Supplemental or Amendatory Ordinances.**

22 **(a)** This ordinance shall not be supplemented or amended in any respect subsequent
23 to the Issue Date, except as provided in and in accordance with and subject to the provisions of
24 this section.

25 **(b)** The City may, from time to time and at any time, without the consent of or notice
26 to the owners of the Parity Bonds, pass supplemental or amendatory ordinances for any of the
27 following purposes:
28

- (i) To cure any formal defect, omission, inconsistency or ambiguity in this ordinance in a manner not adverse to the owners of any Parity Bonds;
- (ii) To impose upon the Bond Registrar (with its consent) for the benefit of the owners of any Parity Bonds any additional rights, remedies, powers, authority, security, liabilities or duties which may lawfully be granted, conferred or imposed and which are not contrary to or inconsistent with this ordinance as therefore in effect;
- (iii) To add to the covenants and agreements of, and limitations and restrictions upon, the City in this ordinance other covenants, agreements, limitations and restrictions to be observed by the City which are not contrary or inconsistent with this ordinance as therefore in effect;
- (iv) To confirm, as further assurance, any pledge under, and the subjection to any claim, lien or pledge created or to be created by this ordinance of any other money, securities or funds;
- (v) To authorize different denominations of the Bonds and to make correlative amendments and modifications to this ordinance regarding exchangeability of Bonds of different authorized denominations, redemptions of portions of Bonds of particular authorized denominations and similar amendments and modifications of a technical nature;
- (vi) To comply with any future federal law or interpretation to preserve the exclusion of the interest on the Tax-Exempt Bonds from gross income for federal income tax purposes and the entitlement of the City to receive from the United States Treasury the applicable Tax Credit Subsidy Payments in respect of any Series sold and issued as Tax Credit Subsidy Bonds;
- (vii) To modify, alter, amend or supplement this ordinance in any other respect which is not materially adverse to the owners of the Parity Bonds and which does not involve a change described in subsection (c) of this section; and
- (viii) To add to the covenants and agreements of, and limitations and restrictions upon, the City in this ordinance, other covenants, agreements, limitations and restrictions to be observed by the City which are requested by a provider of Bond Insurance or provider of a Reserve Security and which are not materially adverse to the owners of the Parity Bonds.

Before the City may pass any such supplemental or amendatory ordinance pursuant to this subsection, there must be delivered to the City an opinion of Bond Counsel, stating that such supplemental or amendatory ordinance is authorized or permitted by this ordinance and, upon the effective date thereof, will be valid and binding upon the City in accordance with its terms, will

not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds.

(c) Except for any supplemental or amendatory ordinance passed pursuant to subsection (b) of this section, subject to the terms and provisions contained in this subsection (c) and not otherwise:

(i) With the consent of registered owners of not less than 60% in aggregate principal amount of the Parity Bonds then outstanding, the City Council may pass any supplemental or amendatory ordinance deemed necessary or desirable by the City for the purpose of modifying, altering, amending, supplementing or rescinding, in any particular, any of the terms or provisions contained in this ordinance. However, unless approved in writing by the registered owner of each Parity Bond then outstanding, nothing contained in this section shall permit, or be construed as permitting (A) a change in the times, amounts or currency of payment of the principal of or interest on any outstanding Parity Bond, or a reduction in the principal amount or redemption price of any outstanding Parity Bond or a change in the method of determining the rate of interest thereon, (B) a preference or priority of any Parity Bond over any other Parity Bond, or (C) a reduction in the aggregate principal amount of Parity Bonds.

(ii) If at any time the City Council passes a supplemental or amendatory ordinance for any of the purposes of this subsection (c), the Bond Registrar shall cause notice of the proposed supplemental or amendatory ordinance to be given by first-class United States mail to all registered owners of the then outstanding Parity Bonds, to each provider of Bond Insurance or a Reserve Security, and to each Rating Agency. Such notice shall briefly set forth the nature of the proposed supplemental or amendatory ordinance and shall state that a copy is on file at the office of the City Clerk for inspection by all owners of the outstanding Parity Bonds.

(iii) Within two years after the date of the mailing of such notice, such supplemental or amendatory ordinance, substantially as described in such notice, may go into effect, but only if there shall have first been delivered to the Bond Registrar (A) the required consents, in writing, of registered owners of the Parity Bonds, and (B) an opinion of Bond Counsel stating that such supplemental or amendatory ordinance is authorized or permitted by this ordinance and, upon the effective date thereof, will be valid and binding upon the City in accordance with its terms, will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Tax-Exempt Bonds.

(iv) If registered owners of not less than the percentage of Parity Bonds required by this subsection (c) shall have consented to and approved the passage of such a supplemental or amendatory ordinance, no owner of a Parity Bond shall have any

right to object to the passage of such supplemental ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the passage thereof, or to enjoin or restrain the City from passing the same or the City, any authorized official thereof, or the Bond Registrar from taking any action pursuant to the provisions thereof.

(d) The Registered Owners from time to time of the outstanding Bonds, by taking and holding the same, shall be deemed to have consented to the adoption by the City of any supplemental or amendatory ordinance or resolution passed pursuant to the provisions of this section for any one or more of the following purposes:

(i) When calculating "Annual Debt Service," to permit or require Tax Credit Subsidy Payments expected to be received by the City in any period to be credited against amounts required to be paid in respect of interest on the Parity Bonds in that period; and

(ii) To permit or require Tax Credit Subsidy Payments to be deposited into the Principal and Interest Subaccount and credited against the Net Revenue otherwise required to be deposited into the Principal and Interest Subaccount.

(e) Upon the effective date of any supplemental or amendatory ordinance pursuant to the provisions of this section, this ordinance shall be, and be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this ordinance of the City, the Bond Registrar and all owners of Parity Bonds, shall thereafter be determined, exercised and enforced under this ordinance subject in all respects to such modifications and amendments.

Section 25. Defaults and Remedies.

(a) **Events of Default.** The following shall constitute Events of Default with respect to the Bonds:

(i) If a default is made in the payment of the principal of or interest on any of the Bonds when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the covenants, conditions and agreements on the part of the City set forth in this ordinance or in any Parity Bond Legislation (except as otherwise provided herein or in such Parity Bond Legislation) and such default or defaults have continued for a period of six months after the City has received from the Bond Owners' Trustee (as defined below) or from the registered owners of not less than 25% in

principal amount of the Parity Bonds, a written notice specifying and demanding the cure of such default. However, if the default in the observance and performance of any other of the covenants, conditions and agreements is one which cannot be completely remedied within the six months after written notice has been given, it shall not be an Event of Default with respect to the Bonds as long as the City has taken active steps within the six months after written notice has been given to remedy the default and is diligently pursuing such remedy; or

- (iii) If the City files a petition in bankruptcy or is placed in receivership under any state or federal bankruptcy or insolvency law.

Notwithstanding anything in this section to the contrary, the failure of the City or any obligated person to comply with the Undertaking shall not constitute an Event of Default under this ordinance, the Bond Resolution or the Bonds, and the sole remedy of any holder of a Bond shall be to seek an order of specific performance from an appropriate court to compel the City to comply with the Undertaking.

(b) Bond Owners' Trustee. So long as such Event of Default has not been remedied, a trustee (the "Bond Owners' Trustee") may be appointed by the registered owners of 25% in principal amount of the Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized and delivered to such Bond Owners' Trustee, notification thereof being given to the City. That appointment shall become effective immediately upon acceptance thereof by the Bond Owners' Trustee. Any Bond Owners' Trustee appointed under the provisions of this subsection (b) shall be a bank or trust company organized under the laws of the State of Washington or the State of New York or a national banking association. The bank or trust company acting as Bond Owners' Trustee may be removed at any time, and a successor Bond Owners' Trustee may be appointed, by the registered owners of a majority in principal amount of the Parity Bonds, by an instrument or concurrent instruments in writing signed and acknowledged by such registered owners of the Parity Bonds or by their attorneys-in-fact duly authorized. The Bond Owners' Trustee may require such security and indemnity as may be reasonable against the costs, expenses and liabilities that may be incurred in the performance of its duties.

1 In the event that any Event of Default in the sole judgment of the Bond Owners' Trustee
2 is cured and the Bond Owners' Trustee furnishes to the City a certificate so stating, that Event of
3 Default shall be conclusively deemed to be cured and the City, the Bond Owners' Trustee and
4 the registered owners of the Parity Bonds shall be restored to the same rights and position which
5 they would have held if no Event of Default had occurred.

6 The Bond Owners' Trustee appointed in the manner herein provided, and each successor
7 thereto, is declared to be a trustee for the registered owners of all the Parity Bonds and is
8 empowered to exercise all the rights and powers herein conferred on the Bond Owners' Trustee.

9 **(c) Suits at Law or in Equity.** Upon the happening of an Event of Default and
10 during the continuance thereof, the Bond Owners' Trustee may, and upon the written request of
11 the registered owners of not less than 25% in principal amount of the Parity Bonds outstanding
12 shall, take such steps and institute such suits, actions or other proceedings, all as it may deem
13 appropriate for the protection and enforcement of the rights of the registered owners of the Parity
14 Bonds, to collect any amounts due and owing to or from the City, or to obtain other appropriate
15 relief, and may enforce the specific performance of any covenant, agreement or condition
16 contained in this ordinance or in any of the Parity Bonds.

17 Nothing contained in this section shall, in any event or under any circumstance, be
18 deemed to authorize the acceleration of maturity of principal on the Parity Bonds, and the
19 remedy of acceleration is expressly denied to the registered owners of the Parity Bonds under
20 any circumstances including, without limitation, upon the occurrence and continuance of an
21 Event of Default.

22 Any action, suit or other proceedings instituted by the Bond Owners' Trustee hereunder
23 shall be brought in its name as the Bond Owners' Trustee and all such rights of action upon or
24 under any of the Parity Bonds or the provisions of this ordinance may be enforced by the Bond
25 Owners' Trustee without the possession of any of those Parity Bonds and without the production
26 of the same at any trial or proceedings relative thereto except where otherwise required by law.
27 Any such suit, action or proceeding instituted by the Bond Owners' Trustee shall be brought for
28

(d) Application of Money Collected by Bond Owners' Trustee. Any money collected by the Bond Owners' Trustee at any time pursuant to this section shall be applied in the following order of priority:

- (iii) to the payment to the persons entitled thereto of the unpaid principal amounts of any Parity Bonds which shall have become due (other than Parity Bonds previously called for redemption for the payment of which money is held pursuant to the provisions hereto), whether at maturity or by proceedings for redemption or otherwise, in the order of their due dates and, if the amount available shall not be sufficient to pay in full the principal amounts due on the same date, then to the

8 affairs. The Bond Owners' Trustee shall have no liability for any act or omission to act
9 hereunder except for the Bond Owners' Trustee's own negligent action, its own negligent failure

11 shall be determined solely by the express provisions of this ordinance, and no implied powers,
12 duties or obligations of the Bond Owners' Trustee shall be read into this ordinance.

13 The Bond Owners' Trustee shall not be required to expend or risk its own funds or
14 otherwise incur individual liability in the performance of any of its duties or in the exercise of
15 any of its rights or powers as the Bond Owners' Trustee, except as may result from its own
16 negligent action, its own negligent failure to act or its own willful misconduct.

17 The Bond Owners' Trustee shall not be bound to recognize any person as a registered
18 owner of any Parity Bond until his or her title thereto, if disputed, has been established to its
19 reasonable satisfaction.

20 The Bond Owners' Trustee may consult with counsel and the opinion of such counsel
21 shall be full and complete authorization and protection in respect of any action taken or suffered
22 by it hereunder in good faith and in accordance with the opinion of such counsel. The Bond
23 Owners' Trustee shall not be answerable for any neglect or default of any person, firm or
24 corporation employed and selected by it with reasonable care.

25 **(f) Suits by Individual Parity Bond Owners Restricted.** No owner of any one or

2014 BUDGET LEGISLATION FISCAL NOTE

Department:	Contact Person/Phone:	CBO Analyst/Phone:
Finance and Administrative Services (FAS)	Michael Van Dyck/4-8347	Jennifer Devore/5-1328

Legislation Title:

AN ORDINANCE relating to the municipal water system of The City of Seattle; adopting a system or plan of additions or betterments to and extensions of the existing municipal water system; authorizing the issuance and sale of water system revenue bonds, in one or more series, for the purposes of paying part of the cost of carrying out that system or plan, providing for the reserve requirement and paying the costs of issuance of the bonds; providing for certain terms, conditions, covenants and the manner of sale of the bonds; describing the lien of the bonds; creating certain accounts of the City relating to the bonds; and ratifying and confirming certain prior acts.

Summary and background of the Legislation:

Although the Budget, CIP, and adopted rates make specific assumptions about the use of debt financing for a certain share of the CIP, separate authorization for the issuance of bonds is technically required.

The Water bond sale is anticipated to occur in the second half of 2014. The bond proceeds, combined with internally generated funds, will support the Water System capital program for about 12 months.

The bond sizing is based on the adopted budget and rates, planned cash flow, and cash contribution targets. The bond proceeds will be used to make a deposit to the construction fund and to pay costs of issuance.

The proposed issue is for \$49 million of 30-year, fixed-rate bonds. Total annual debt service is expected to be about \$3 million starting in 2015. SPU's adopted rates incorporate the debt service costs resulting from this bond issue.

These bonds will finance improvements to the City's water system, including the Morse Lake Pump Plant. For further information about SPU's capital projects, please see the Proposed 2014-2019 CIP.

 X This legislation has financial implications.

Other Implications:

- a) Does the legislation have indirect financial implications, or long-term implications?

The Water Fund will be obligated to pay annual debt service on these bonds through their term.

b) What is the financial cost of not implementing the legislation?

Financing the utility's CIP completely from cash would require massive cuts in capital and/or operating programs or massive rate increases. Since the capital improvements financed with this debt have a long useful life and interest rates are currently low, it is more practical to spread the costs of these improvements over current and future beneficiaries by issuing bonds.

c) Does this legislation affect any departments besides the originating department?

This legislation affects FAS, which will coordinate the issuance of bonds.

d) What are the possible alternatives to the legislation that could achieve the same or similar objectives?

There are no viable alternatives aside from financing the Water CIP completely from cash. As noted above, this would require massive cuts in capital and/or operating programs or massive rate increases or some combination of both.

e) Is a public hearing required for this legislation?

No.

f) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

No.

g) Does this legislation affect a piece of property?

No.

h) Other Issues:

None.

List attachments to the fiscal note below:

None.

Dear Council President Clark:

I am pleased to transmit the attached proposed Council Bill, which will authorize the issuance of up to \$49 million of Water System Revenue Bonds as assumed in the 2014 Proposed Budget and Proposed 2014-2019 Capital Improvement Program (CIP). Together with cash from operations, the bond proceeds authorized by this bill will support the City's capital program and pay costs associated with the bond issuance.

These bonds will finance improvements to the City's water system, including projects such as the Morse Lake Pump Plant.

Thank you for your consideration of this legislation. Should you have questions, please contact Michael Van Dyck in the Department of Finance and Administrative Services (FAS) at 684-8347.

Sincerely,
