stated in Section 4 of this ordinance to carry out one or more Refunding Plans, including paying the administrative costs of carrying out each such Refunding Plan; to pay the costs of issuance of the Bonds; and for other City purposes approved by ordinance. The Bonds shall be designated limited or unlimited tax general obligation bonds, as appropriate, and shall be numbered separately and shall have any name, year and series or other label as deemed necessary or appropriate by the Director of Finance.

Section 3. Manner of Sale of Bonds. At least 10 days before the date selected by the Director of Finance for the sale of a Series of the Bonds pursuant to this ordinance, the Director of Finance shall notify the President of the City Council, in writing, of the Director of Finance's determination that the issuance and sale of the Series to carry out the associated Refunding Plan is consistent with the then-current financial policies of the City. The notice shall set forth the reasons for the Director of Finance's determination. Upon giving such notice, the Director of Finance may provide for the sale of each such Series by public sale or by a negotiated sale, limited offering or private placement with one or more Purchasers chosen through a selection process acceptable to the Director of Finance. The City Council's adoption of the Bond Resolution shall be conclusive evidence that proper notice was provided to the President of the City Council.

The Director of Finance is authorized to specify a date and time of sale of and a date and time for delivery of each Series of the Bonds; to give notice of that sale; to determine any bid parameters or other bid requirements and criteria for determining the award of the bid; to provide for the use of an electronic bidding mechanism; and to specify other matters in his or her determination necessary, appropriate, or desirable to carry out the sale of each Series of the Bonds. Each

Series of the Bonds must be sold on Bond Sale Terms in accordance with Section 4 of this ordinance.

Section 4. Bond Sale Terms; Bond Resolution. The Director of Finance is appointed to serve as the City's designated representative in connection with the issuance and sale of the Bonds in accordance with RCW 39.46.040(2) and this ordinance. The Director of Finance is authorized to accept, on behalf of the City, an offer to purchase the Bonds on Bond Sale Terms consistent with the parameters set forth in this section. No such acceptance shall be effective until adoption of a Bond Resolution approving the Bond Sale Terms. Once adopted the Bond Resolution shall be deemed a part of this ordinance as if set forth herein.

(a) Maximum Principal Amount. The Bonds may be issued in one or more Series and may be combined with other general obligation bonds authorized separately. The aggregate principal amount of the Bonds shall not exceed the following:

(i) LTGO Refunding Bonds. The aggregate principal amount of the LTGO Refunding Bonds allocated to each Refunding Plan shall not exceed 125% of the stated principal amount of those Refundable Bonds selected for refunding in that Refunding Plan.

(ii) UTGO Refunding Bonds. The aggregate principal amount of the UTGO Refunding Bonds allocated to each Refunding Plan shall not exceed the amount permitted by RCW 39.53.090, as it may be amended from time to time.

(b) Date or Dates. Each Bond shall be dated its Issue Date, which shall be determined by the Director of Finance.

(c) Denominations. The Bonds shall be issued in Authorized Denominations.

(d) Interest Rate(s); Payment Dates. Each Bond shall bear interest from the Issue Date or from the most recent date for which interest has been paid or

duly provided for, whichever is later, and shall be payable on dates determined by the Director of Finance. One or more rates of interest shall be established for each maturity of each Series of the Bonds, which rate or rates may be fixed or variable. Fixed interest rates shall be computed on the basis of a 360-day year of twelve 30-day months and the net interest cost shall not exceed a weighted average rate of 10% per annum. Principal payments shall commence on a date and shall be payable at maturity or in mandatory redemption installments on dates determined by the Director of Finance.

(e) Final Maturity. The final maturity of any Series of Bonds shall be determined by the Director of Finance, consistent with RCW 39.53.090, as it may be amended.

(f) Redemption Rights. The Bond Sale Terms may include provisions for the optional and mandatory redemption of Bonds determined by the Director of Finance, subject to the following:

(i) Optional Redemption. Any Bond may be designated as being (A) subject to redemption at the option of the City prior to its maturity date on the dates and at the redemption prices set forth in the Bond Purchase Contract; or (B) not subject to redemption prior to its maturity date. If a Bond is subject to optional redemption prior to its maturity, it must be subject to such redemption on one or more dates occurring not more than 10½ years after the Issue Date.

(ii) Mandatory Redemption. Any Bond may be designated as a Term Bond, subject to mandatory redemption prior to its maturity, consistent with Section 7(b) of this ordinance.

(g) Price. The purchase price for each Series of the Bonds shall be acceptable to the Director of Finance.

(h) Other Terms and Conditions.

(i) A Series of the Bonds may not be issued unless the Bond Resolution with respect to that Series sets forth a Refunding Plan and includes the findings that:

- (A) The Refunding Plan (1) will pay or discharge the City's obligations with respect to Refundable Bonds that are in arrears or about to become due, and for which sufficient funds are not available; (2) is necessary or in the best interest of the City to modify debt service requirements, sources of payment covenants or other terms of the Refunded Bonds; or (3) will effect a savings to the City, giving consideration to the fixed maturities of the Series to be issued and of the Refunded Bonds, the costs of issuance of that Series and the known earned income from the investment of the sale proceeds and other money of the City used in the Refunding Plan; and
 - (B) the irrevocable deposit of money and securities with the Refunding Trustee in accordance with the Refunding Plan will discharge and satisfy the obligations of the City as to the Refunded Bonds, including all pledges, charges, trusts, covenants and agreements under the Refunded Bond Legislation, and immediately upon such deposit, the Refunded Bonds will no longer be deemed to be outstanding under the Refunded Bond Legislation.
- (ii) The Bond Sale Terms for any Series may provide for bond insurance or other credit enhancement, or for interest rate swaps, caps, floors or other similar hedging devices and to that end may accept such additional terms, conditions and covenants as may be necessary or desirable, including but not limited to restrictions on investment of Bond proceeds or pledged funds, and requirements to give notice to or obtain the consent of a bond insurer or a counterparty to a swap, cap, floor or other hedging device.
 - (iii) The Bond Sale Terms for each Series of the Bonds may include such additional terms and covenants relating to federal tax consequences of the designation of that Series as Tax-Exempt Bonds or Tax Credit Subsidy Bonds (or any other similar designation or qualification under the Code) as the Director of Finance deems necessary or appropriate.

Section 5. Bond Registrar; Registration and Transfer of Bonds.

- (a) **Registration of Bonds.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register.
- (b) **Bond Registrar; Transfer and Exchange of Bonds.** The Bond Registrar shall keep or cause to be kept, sufficient books for the registration and

transfer of the Bonds, which shall be open to inspection by the City at all times. The Bond Register shall contain the name and mailing address of the Registered Owner of each Bond and the principal amount and number of each of the Bonds held by each Registered Owner.

The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers and duties under this ordinance and the City's Registration Ordinance.

The Bond Registrar shall be responsible for its representations contained in the Bond Registrar's certificate of authentication on the Bonds. The Bond Registrar may become either a Registered or Beneficial Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as members of, or in any other capacity with respect to, any committee formed to protect the rights of Beneficial Owners.

Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized Denomination of an equal aggregate principal amount and of the same Series, interest rate and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to the Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the period between the Record Date and the corresponding interest payment or redemption date.

(c) Securities Depository; Book-Entry Form. The Bonds initially shall be registered in the name of the Securities Depository. The Bonds so registered

shall be held fully immobilized in book-entry form by the Securities Depository in accordance with the provisions of the Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to participants of the Securities Depository or the persons for whom they act as nominees with respect to the Bonds regarding accuracy of any records maintained by the Securities Depository or its participants of any amount in respect of principal of or interest on the Bonds, or any notice which is permitted or required to be given to Registered Owners and/or Beneficial Owners hereunder (except such notice as is required to be given by the Bond Registrar to the Securities Depository). Registered ownership of a Bond initially held in book-entry form, or any portion thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond is no longer held in book-entry form.

Upon the resignation of the Securities Depository from its functions as depository, or upon a City determination to discontinue services of the Securities Depository, the City may appoint a substitute Securities Depository. If (i) the Securities Depository resigns from its functions as depository, and no substitute Securities Depository can be obtained, or (ii) the City determines that the Bonds are to be in certificated form, then ownership of Bonds may be transferred to any person as provided herein and the Bonds no longer shall be held in book-entry form.

Section 6. Payment of Bonds. Principal of, premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America. Principal of and interest on each Bond registered in the name of the Securities Depository is payable in the manner set forth in the Letter of Representations.

Interest on each Bond not registered in the name of the Securities Depository is payable by electronic transfer on the interest payment date, or by check or draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the address appearing on the Bond Register on the Record Date. However, the City is not required to make electronic transfers except pursuant to a request by a Registered Owner in writing received at least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal of each Bond not registered in the name of the Securities Depository is payable upon presentation and surrender of the Bond by the Registered Owner to the Bond Registrar. The Bonds are not subject to acceleration under any circumstances.

Section 7. Redemption and Purchase of Bonds.

(a) Optional Redemption. All or some of the Bonds may be subject to redemption prior to their stated maturity dates at the option of the City at the times and on the terms approved in accordance with Section 4 of this ordinance.

(b) Mandatory Redemption. If not redeemed or purchased at the City's option prior to maturity, Term Bonds (if any) shall be redeemed, at a price equal to the principal amount thereof to be redeemed plus accrued interest on the dates and in the years and principal amounts as set forth in the Bond Resolution. If the City redeems or purchases Term Bonds at the City's option prior to maturity, the Term Bonds so redeemed or purchased (irrespective of their redemption or purchase prices) shall be credited at the par amount thereof against the remaining mandatory redemption requirements as determined by the Director of Finance. In the absence of a determination by the Director of Finance or other direction in the Bond Resolution, credit shall be allocated on a pro-rata basis.

(c) Selection of Bonds for Redemption; Partial Redemption. If fewer than all of the outstanding Bonds are to be redeemed at the option of the City, the

Director of Finance shall select the Series and maturity or maturities to be redeemed. If fewer than all of the outstanding Bonds of a maturity of a Series are to be redeemed, the Securities Depository shall select Bonds registered in the name of the Securities Depository to be redeemed in accordance with the Letter of Representations, and the Bond Registrar shall select all other Bonds to be redeemed randomly in such manner as the Bond Registrar shall determine. All or a portion of the principal amount of any Bond that is to be redeemed may be redeemed in any Authorized Denomination. If less than all of the outstanding principal amount of any Bond is redeemed, upon surrender of that Bond (()) to the Bond Registrar, there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner) of the same Series, maturity and interest rate in any Authorized Denomination in the aggregate principal amount to remain outstanding.

(d) Purchase. The City reserves the right and option to purchase any or all of the Bonds at any time at any price acceptable to the City plus accrued interest to the date of purchase.

(e) Bonds to be Canceled. All Bonds purchased or redeemed under this section shall be canceled.

Section 8. Notice of Redemption. The City shall cause notice of any intended redemption of Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address appearing on the Bond Register on the Record Date, and the requirements of this sentence shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is actually received by the Registered Owner of any Bond. Interest on Bonds called for redemption shall cease to accrue on the date fixed for

redemption unless the Bond or Bonds called are not redeemed when presented pursuant to the call.

In the case of an optional redemption, the notice may state that the City retains the right to rescind the redemption notice and the related optional redemption of bonds by giving a notice of rescission to the affected registered owners at any time prior to the scheduled optional redemption date. Any notice of optional redemption that is rescinded by the Director of Finance shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

Section 9. Failure to Pay Bonds. If any Bond is not paid when properly presented at its maturity or call date, the City shall be obligated to pay interest on that Bond at the same rate provided in that Bond from and after its maturity or call date until that Bond, principal, premium, if any, and interest, is paid in full or until sufficient money for its payment in full is on deposit in the Bond Fund and that Bond has been called for payment by giving notice of that call to the Registered Owner of that Bond.

Section 10. Form and Execution of Bonds. The Bonds shall be typed, printed, or reproduced in a form consistent with the provisions of this ordinance, the Bond Resolution, and State law; shall be signed by the Mayor and Director of Finance, either or both of whose signatures may be manual or in facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or printed thereon.

Only Bonds bearing a certificate of authentication in substantially the following form (with the designation, year, and Series of the Bonds adjusted consistent with this ordinance), manually signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance:

“This Bond is one of the fully registered The City of Seattle, Washington, [Limited/Unlimited] Tax General Obligation Refunding Bonds, [Year] [Series], described in Ordinance 121651, as amended.” The authorized signing of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that Bond nevertheless may be authenticated, delivered, and issued and, when authenticated, issued, and delivered, shall be as binding on the City as though that person had continued to be an officer of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign bonds, although he or she did not hold the required office on the date of issuance of the Bonds.

Section 11. Pledge of Taxes. For so long as any of the LTGO Refunding Bonds are outstanding, the City irrevocably pledges to include in its budget and levy taxes annually within the constitutional and statutory tax limitations provided by law without a vote of the electors of the City on all of the taxable property within the City in an amount sufficient, together with other money legally available and to be used therefor, to pay when due the principal of and interest on the LTGO Refunding Bonds, and the full faith, credit, and resources of the City are pledged irrevocably for the annual levy and collection of those taxes and the prompt payment of that principal and interest.

For so long as any of the UTGO Refunding Bonds are outstanding, the City irrevocably pledges to include in its budget and levy taxes annually without limitation as to rate or amount on all of the taxable property within the City in an amount sufficient, together with other money legally available and to be used therefor, to pay when due the principal of and interest on the UTGO Refunding Bonds, and the full faith, credit, and resources of the City are pledged irrevocably for the annual levy and collection of those taxes and the prompt payment of that principal and interest.

Section 12. Refunding or Defeasance of the Bonds. The Bonds are hereby designated "Refundable Bonds" for purposes of this ordinance, as it may be amended from time to time. The City may issue refunding bonds pursuant to the laws of the State or use money available from any other lawful source to pay when due the principal of, premium, if any, and interest on any Bond, or portion thereof, included in a refunding or defeasance plan, and to redeem and retire, release, refund, or defease those Bonds (the "defeased Bonds") and to pay the costs of such refunding or defeasance. If money and/or Government Obligations maturing at a time or times and in an amount sufficient, together with known earned income from the investment thereof, to redeem and retire, release, refund, or defease the defeased Bonds in accordance with their terms, are set aside in a special trust fund or escrow account irrevocably pledged to such redemption, retirement, or defeasance (the "trust account"), then all right and interest of the owners of the defeased Bonds in the covenants of this ordinance and in the funds and accounts pledged to the payment of such defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the defeased Bonds from the trust

account. After establishing and fully funding such a trust account, the defeased Bonds shall be deemed as no longer outstanding, and the Director of Finance then may apply any money in any other fund or account established for the payment or redemption of the defeased Bonds to any lawful purposes. Notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

Section 13. Provisions Relating to Certain Federal Tax Consequences of the Bonds.

(a) **Tax-Exempt Bonds.** The City covenants that it will take all actions, consistent with the terms of any Series of Tax-Exempt Bonds, this ordinance, and the Bond Resolution, reasonably within its power and necessary to prevent interest on those Tax-Exempt Bonds from being included in gross income for federal income tax purposes, and the City will neither take any action nor make or permit any use of proceeds of such Tax-Exempt Bonds or other funds of the City treated as gross proceeds of the Tax-Exempt Bonds at any time during the term of the Tax-Exempt Bonds which will cause interest on the Tax-Exempt Bonds to be included in gross income for federal income tax purposes. The City also covenants that it will, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any Tax-Exempt Bonds, take all actions necessary to comply (or to be treated as having complied) with that requirement in connection with the Tax-Exempt Bonds, including the calculation and payment of any penalties that the City has elected to pay as an alternative to calculating rebatable arbitrage, and the payment of any other penalties if required under Section 148 of the Code to prevent interest on such Tax-Exempt Bonds from being included in gross income for federal income tax purposes.

(b) Tax-Credit Subsidy Bonds or other Taxable Bonds. The Director of Finance may, without further action by the Council, make provision in the Bonds or other written document for such additional covenants of the City as may be necessary or appropriate in order for the City to receive from the United States Treasury the applicable federal credit payments in respect of any Series of the Bonds issued as Tax Credit Subsidy Bonds or otherwise become and remain eligible for tax benefits under the Code.

Section 14. Official Statement; Continuing Disclosure.

(a) Preliminary Official Statement. The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series of the Bonds to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection.

(b) Final Official Statement. The City approves the preparation of a final official statement for each sale of one or more Series of the Bonds to be sold to the public in the form of the preliminary official statement with such modifications and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and potential purchasers of the Bonds.

(c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the Bonds, the Director of Finance is authorized to execute a written undertaking to provide continuing disclosure for the benefit of holders of those Bonds in substantially the form attached as Exhibit B.

Section 15. Deposit and Use of Proceeds. Unless provided otherwise in the Bond Resolution, the principal proceeds and premium, if any received from the sale of each Series of the Bonds, in the amount necessary to carry out the Refunding Plan (including payment of costs of issuance and administrative costs of carrying out the refunding) approved in connection with such Series, shall be deposited with the Refunding Trustee and used in accordance with the provisions of Section 16 of this ordinance to discharge the obligations of the City relating to the Refunded Bonds. The Director of Finance may incur, account for and use the principal proceeds, accrued interest (if any) and any premium to pay for, non-cash costs of issuance that are not included as part of the bond proceeds and premium, including but not limited to any underwriters' discount.

To the extent not necessary to carry out the Refunding Plan, any accrued interest and net premium received from the sale of a Series of the Bonds shall be paid into the Bond Fund prior to the first debt service payment date with respect to that Series. Unless otherwise directed in the Bond Resolution, the Director of Finance shall determine the amount, if any, from such proceeds, accrued interest or premium to be deposited into specified funds, subfunds, accounts and subaccounts. Any such proceeds, accrued interest or premium remaining after the costs of issuance and the administrative costs of the Refunding Plan have been paid (or after the City Council has determined that the expenditure of such amounts for those purposes is no longer necessary or appropriate), the Director of

Finance use any remaining proceeds of a Series of the Bonds, including interest earnings thereon, to pay principal of and interest on that Series of the Bonds or for any other purposes approved by ordinance.

Section 16. The Refunding Plan.

(a) Approval of Refunding Plan; Appointment of Refunding Trustee.

The Bond Resolution shall approve a Refunding Plan for each Series of the Bonds, which shall provide for the issuance of the Series of Bonds, shall identify the Refundable Bonds to be refunded, shall allocate the Bonds among the various Refunded Bonds, shall describe the method for carrying out the refunding of the Refunded Bonds, and shall appoint the Refunding Trustee. The Refunding Plan shall be carried out, and proceeds of the Bonds shall be applied, in accordance with this ordinance, the respective Refunded Bond Legislation, the Bond Resolution and the laws of the State.

(b) Acquisition of Acquired Obligations. To the extent practicable, the Refunding Plan shall provide for the Refunding Trustee's purchase of the Acquired Obligations, bearing such interest and maturing as to principal and interest in such amounts and at such times so as to provide, together with a beginning cash balance, if necessary, for the payment of the amounts required to be paid by the Refunding Plan. The Acquired Obligations shall be listed and more particularly described in a schedule attached to the Refunding Trust Agreement, but are subject to substitution as set forth in subsection (c) below.

(c) Substitution of Acquired Obligations. The City reserves the right at any time to substitute cash or Government Obligations for the Acquired Obligations if the City obtains a verification by a nationally recognized independent certified public accounting firm reasonably acceptable to the Refunding Trustee confirming that the payments of principal of and interest on

the substitute Government Obligations, if paid when due, together with the cash to be held by the Refunding Trustee, will be sufficient to carry out the Refunding Plan. If the applicable Series of the Bonds (or the Refunded Bonds) were issued as Tax-Exempt Bonds, then prior to such substitution, the City must also obtain an opinion from Bond Counsel to the effect that the disposition and substitution or purchase of such securities will not cause the interest on the applicable Series of the Bonds (or of the Refunded Bonds) issued as Tax-Exempt Bonds to be included in gross income for federal income tax purposes and that such disposition and substitution or purchase is in compliance with the statutes and regulations applicable to the Series of the Bonds. Any surplus money resulting from the sale, transfer, other disposition or redemption of the Acquired Obligations and the substitutions therefor shall be released from the trust estate and may be used for any lawful City purpose.

(d) Refunding Trust Agreement. In connection with each Series of the Bonds, the Director of Finance is authorized to execute a Refunding Trust Agreement with a Refunding Trustee, setting forth the duties, obligations and responsibilities of the Refunding Trustee in connection with carrying out the Refunding Plan. Each Refunding Trust Agreement shall, among other things, authorize and direct the Refunding Trustee to use the money deposited with it to purchase the Acquired Obligations (or substitute obligations) and to apply such money along with the maturing principal of and interest on such obligations to make the payments required to be made by the Refunding Plan. The money deposited with the Refunding Trustee, including the Acquired Obligations and any investment earnings, shall be held irrevocably, invested and applied in accordance with the provisions of the respective Refunded Bond Legislation, this ordinance, the Bond Resolution, chapter 39.53 RCW and other applicable State

law. All administrative costs (including without limitation, all necessary and proper fees, compensation and expenses of the Refunding Trustee and all other costs incidental to the setting up of the escrow to accomplish the Refunding Plan) and costs of issuance may, in the discretion of the Director of Finance, be paid out of the amounts deposited with the Refunding Trustee or other available money of the City.

Section 17. Redemption of the Refunded Bonds. The City may in the Bond Resolution call, or authorize the Director of Finance to call, the Refunded Bonds for redemption. Such call for redemption of the Refunded Bonds shall identify the Refunded Bonds, call dates and redemption prices (expressed as a percentage of the stated principal amount, plus accrued interest), and shall be irrevocable after the Issue Date of the applicable Series of the Bonds. The dates on which the Refunded Bonds are to be called for redemption shall be, in the judgment of the Director of Finance, the earliest practical dates on which those bonds may be called for redemption. The proper City officials are authorized and directed to give or cause to be given such notices as required, at the times and in the manner required pursuant to the Refunded Bond Legislation, in order to carry out the Refunding Plan.

Section 18. General Authorization. In addition to the specific authorizations in this ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of the City are each authorized and directed to do everything as in his or her judgment may be necessary, appropriate, or desirable in order to carry out the terms and provisions of, and complete the transactions contemplated by, this ordinance. In particular, and without limitation the foregoing:

(a) the Director of Finance may, in his or her discretion and without further action by the City Council, (i) issue requests for proposals for underwriting or financing facilities and execute engagement letters with underwriters, bond insurers or other financial institutions based on responses to such requests, (ii) change the Bond Registrar or Securities Depository for the Bonds; and (iii) take such actions on behalf of the City as are necessary or appropriate for the City to designate, qualify or maintain the tax-exempt treatment with respect to any Series issued as Tax-Exempt Bonds, to receive from the United States Treasury the applicable federal credit payments in respect of any Series issued as Tax-Credit Subsidy Bonds and to otherwise receive any other federal tax benefits relating to the Bonds that are available to the City; and

(b) each of the Mayor and the Director of Finance is separately authorized to execute and deliver (i) any and all contracts or other documents as are consistent with this ordinance and for which the City's approval is necessary or to which the City is a party (including but not limited to agreements with escrow agents, refunding trustees, liquidity or credit support providers, bond insurers, remarketing agents, underwriters, lenders, fiscal agents, counterparties to interest rate swap, cap, floor, or similar agreements, custodians, and the Bond Registrar); and (ii) such other contracts or documents incidental to the issuance and sale of a Series of the Bonds; the establishment of the initial interest rate or rates on a Bond; or the tender, purchase, remarketing, or redemption of a Bond, as may in his or her judgment be necessary or appropriate.

Section 19. Severability. The provisions of this ordinance are declared to be separate and severable. If a court of competent jurisdiction, all appeals having been exhausted or all appeal periods having run, finds any provision of this ordinance to be invalid or unenforceable as to any person or circumstance,

such offending provision shall, if feasible, be deemed to be modified to be within the limits of enforceability or validity. However, if the offending provision cannot be so modified, it shall be null and void with respect to the particular person or circumstance, and all other provisions of this ordinance in all other respects, and the offending provision with respect to all other persons and all other circumstances, shall remain valid and enforceable.

Section 20. Ratification of Prior Acts. Any action taken consistent with the authority of this ordinance, after its passage but prior to the effective date, is ratified, approved, and confirmed.

Section 21. Headings. The section headings in this ordinance are used for convenience only and shall not constitute a substantive portion of this ordinance.

Section 22. Effective Date. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.

AN ORDINANCE relating to contracting indebtedness; amending Ordinance 121651, as amended by Ordinance 122286, to conform Ordinance 121651 to reflect changes recently made by the City to update its standard form of general obligation bond ordinances; and ratifying and confirming certain prior acts.

Summary and background of the Legislation:

Ordinance 121651 authorizes the City to refund (refinance) General Obligation bonds in order to capture interest rate savings. The attached legislation amends that ordinance to conform to the City's other current bond ordinances (which were revised this year to address recent statutory changes).

When market interest rates fall, substantial savings may be realized if the City can act quickly to refund (refinance) its outstanding bonds. Over the past 10 years, the City and its utilities have saved over \$300 million through such strategic refundings. When a refunding opportunity emerges, there may not be sufficient time for the City to follow its normal process of drafting, reviewing, and adopting an authorizing ordinance. The attached legislation authorizes the City to refund any of its outstanding general obligation bonds under certain conditions. The City's Debt Management Policy Advisory Committee must approve all bond issues. In addition, refundings are guided by the Council-adopted Debt Management Policies. As always, Council must still approve the bond resolution for each issue.
