Legislation Title:

AN ORDINANCE authorizing, in 2013, acceptance of funding from non-City sources; authorizing the heads of the Executive Department, Seattle Police Department, Seattle Fire Department, Department of Planning and Development, and the Department of Transportation, to accept specified grants and private funding and to execute, deliver, and perform corresponding agreements; and ratifying and confirming certain prior acts.

Summary of the Legislation:

This Council Bill proposes the acceptance of 13 grants and/or private funds from various agencies and organizations.

Background: During the course of a year, City departments receive grant awards or opportunities for other funding resources that are not anticipated in the Adopted Budget. The City Budget Office formally accepts these funds by compiling departmental grants acceptances and similar agreements into three separate ordinances in the first, second, and fourth quarter of the year. The attached ordinance contains grant-related requests received during the third quarter of 2013.

 This legislation does not have any financial implications.

| Report Item | Title/Description | Amount/FTE |
|--------------------------------------|--|-------------|
| Section 1 – Grant Acceptances | | |
| 1.1 | <p>Transfer of Development Rights for South Lake Union Projects (Department of Planning and Development, Planning and Development Fund (15700))</p> <p>This item increases appropriation authority by \$65,000 in the Planning Division BCL (U2900) from the US Environmental Protection Agency through the Washington State Department of Commerce. This grant provides funding for engineering consultant services for Landscape Conservation and Local Infrastructure Programs (LCLIP) infrastructure projects in South Lake Union. Grant money runs from May 13, 2013 through June 30, 2013. The grant does not require a City match.</p> | \$65,000 |
| 1.2 | <p>Financial Empowerment Center (FEC) (Office of the Mayor, General Subfund (00100))</p> <p>This item increases appropriation authority by \$1.8 million for the Mayor's Office BCL (X1A00) from the Paul G. Allen Family Foundation. The Paul G. Allen Family Foundation is making the three-year grant to the City of Seattle to open a Financial Empowerment Center (FEC). The FEC will provide free high quality one-on-one financial education, counseling, and coaching to help people to become financially stable and achieve their financial goals. Five specially trained full time FEC counselors will provide services. Although FEC services are open to all, the target population is low-income people; most FEC clients will be at or below 250% of federal poverty guidelines. The City is committing \$138,301 annually in in-kind match to help oversee the FEC, integrate City-funded social service programs with the FEC and promote the FEC through community outreach. FEC services will be co-located with City-funded and other social services programs. No new positions are funded with the grant, but the grant will support an existing position.</p> | \$1,800,000 |
| 1.3 | <p>Federal Grant for Pedestrian Safety Study and Educational Outreach (Seattle Department of Transportation, Transportation Operating Fund (10310))</p> <p>This item increases appropriation authority by \$95,000 in the Mobility Operations BCL (17003) due to a federal grant from the Federal Highway Safety program. Funds will be used for a Seattle pedestrian safety study and educational outreach. The study will examine historic fatal and serious injury pedestrian collision records, create a comprehensive database of collision data, and develop a pilot system for reviewing fatal collisions for future applications. The education component will be driven by the results of the data analysis. Focus groups will be held to determine messaging, material formats, and distribution channels. This grant does not have any matching requirements.</p> | \$95,000 |
| 1.4 | <p>Beacon Hill Neighborhood Greenways Go to School Appropriation Request & Grant Acceptance for Operational Expenses (Seattle Department of Transportation, Transportation Operating Fund (10310))</p> | \$69,000 |

| Report Item | Title/Description | Amount/FTE |
|-------------|---|------------|
| | <p>This item increases appropriation authority by \$69,000 in the Mobility Operations BCL (17003). SDOT was awarded a federal grant from the Highway Safety Improvement (Safe Routes to School) Program for Beacon Hill Neighborhood Greenways Go to School (\$69,000). The project includes implementation of a bike audit, arrival and dismissal traffic plan, bicycle education program, bicycle club, walk and bike to school day events, incentives, fliers, undriver licenses, increased speed enforcement, and speed control campaign. This grant has a local matching requirement of \$10,000 which is covered by expenditures from the Traffic Safety project (TG357110).</p> | |
| 1.5 | <p>Beacon Hill Neighborhood Greenways Go to School Appropriation Request & Grant Acceptance for Capital Expenses - Pedestrian Master Plan - School Safety Project(TC367170) (Seattle Department of Transportation, Transportation Operating Fund (10310))</p> <p>This item increases appropriation authority by \$528,000 in the Mobility Capital BCL (19003). SDOT was awarded a federal grant from the Highway Safety Improvement (Safe Routes to School) Program for Beacon Hill Neighborhood Greenways Go to School (\$528,000). The project includes installation of a 12 foot wide shared use path across Jefferson Park between South Spokane Street and Dakota Street. This grant has a local matching requirement of \$80,000 which is provided by the existing Pedestrian Master Plan - School Safety Project(TC367170).</p> | \$528,000 |
| 1.6 | <p>Bio Toxin Air Monitoring (Seattle Fire Department, General Subfund (00100))</p> <p>This item increases appropriation authority by \$439,185 in the Grants and Reimbursable BCL (F6000) from the Department of Homeland Security (DHS), Federal Emergency Management Administration (FEMA). This grant will provide funds for performing daily air monitoring for the early detection of bio-toxins that would otherwise not be known until the outbreak of symptoms occur following the incubation period of the toxin. Early detection will set in motion a response plan including local, state and federal resources. Seattle has thirteen monitoring sites which are strategically placed for maximum detection value based upon population concentrations and prevailing weather patterns. The grant funds allow for a contract for the daily collection of sample filters and delivery to the State Lab for analysis. The period of performance for this grant is one year starting on July 1, 2013. The total project is for \$439,185 and requires no local match. Without this grant, the Fire Department would not be able to perform these monitoring services. No positions are supported by this grant.</p> | \$439,185 |
| 1.7 | <p>Construction Service Assistance for the Alaskan Way Viaduct and Seawall Replacement Project (Seattle Fire Department, General Subfund (00100))</p> | \$55,422 |

| Report Item | Title/Description | Amount/FTE |
|-------------|---|------------|
| | <p>This item increases appropriation authority by \$55,422 in the Grants and Reimbursable BCL (F6000) from the Washington State Department of Transportation. This grant will provide funds for the continuation of construction service assistance by dedicated staff in the Fire Marshal's Office for the Alaskan Way Viaduct and Seawall Replacement Project. The funds allow for salary and benefits of a Deputy Chief and fire protection engineer to assist with planning and inspection for compliance with fire code life safety standards. The period of performance for this grant is from January 1, 2013 through June 30, 2014. Positions associated with this appropriation are funded from a variety of public construction projects and will sunset when funding is no longer available from those projects. No local match is required.</p> | |
| 1.8 | <p>Equipment for Structural Collapse Rescue (Seattle Fire Department, General Subfund (00100))</p> | \$55,000 |
| | <p>This item increases appropriation authority by \$55,000 in the Grants and Reimbursable BCL (F6000) from King County through its Office of Emergency Management. The funding source is the Federal Department of Homeland Security through its Federal Emergency Management Administration. This grant will provide funds for the purchase of breaching and breaking equipment used in structural collapse rescue. There is no local match and no positions are associated with the grant.</p> | |
| 1.9 | <p>Training for Structural Collapse Rescue (Seattle Fire Department, General Subfund (00100))</p> | \$80,000 |
| | <p>This item increases appropriation authority by \$80,000 in the Grants and Reimbursable BCL (F6000) from King County through its Office of Emergency Management. The funding source is the Federal Department of Homeland Security through its Federal Emergency Management Administration. This grant will provide funds for structural collapse rescue training. There is no local match and no positions are associated with the grant.</p> | |
| 1.10 | <p>Equipment for Structural Collapse Rescues and Fires (Seattle Fire Department, General Subfund (00100))</p> | \$30,176 |
| | <p>This item increases appropriation authority by \$30,176 in the Grants and Reimbursable BCL (F6000) from King County through its Office of Emergency Management. The funding source is the Federal Department of Homeland Security through its Federal Emergency Management Administration. This grant will provide additional funds for a previously awarded grant project and is for the purchase of radial and chain saws used in structural collapse rescues. There is no local match and no positions are associated with the grant.</p> | |
| 1.11 | <p>Urban Search and Rescue Training (Seattle Fire Department, General Subfund (00100))</p> | \$24,003 |

| Report Item | Title/Description | Amount/FTE |
|-------------|---|------------|
| | <p>This item increases appropriation authority by \$24,003 in the Grants and Reimbursable BCL (F6000) from Pierce County through its Office of Emergency Management. The funding source is the Federal Department of Homeland Security through its Urban Search and Rescue (USAR) program. This grant will provide funds for the mandatory training of Seattle Fire Fighters who are members of the Northwest USAR team. There are 16 such regional teams in the United States. They are comprised of members from local public safety agencies who can be deployed regionally or nationally for significant incidents. There is no local match and no positions are associated with the grant.</p> | |
| 1.12 | <p>Increase to Recreational Boating Safety Grant (Seattle Police Department, General Subfund (00100))</p> <p>This item increases appropriation authority by \$14,107 in the Chief of Police BCL from the Washington State Parks and Recreation Commission. This is additional funding awarded under the existing Recreational Boating Safety grant contract. This funding supports the cost of increased boater education and enforcement efforts by SPD Harbor Unit to conduct supplemental water patrols and vessel inspections and to emphasize compliance and enforce life jacket requirements, mandatory boater education, and boating under the influence. The term of the original grant contract has been extended to September 30, 2013. There are no matching requirements or capital improvement projects associated with this item.</p> | \$14,107 |
| 1.13 | <p>Metropolitan Improvement District for Supplemental Police Services (Seattle Police Department, General Subfund (00100))</p> <p>This item increases appropriation authority by \$380,000 in the Chief of Police BCL from the Metropolitan Improvement District (MID) of the Downtown Seattle Association. This item funds supplemental bike and footbeat patrols on an overtime basis within the MID service area of West Precinct between July 1, 2013 and June 30, 2014. The additional funding allows SPD to enhance police presence in the downtown core and further provide for the safety of the public, businesses and property owners within the MID boundaries. The boundaries are described in detail in three existing Task Orders that were executed in connection with the base contract. The Task Orders also specify the number of service hours allotted to each MID service area. This is the eighth year of the MID contract. There are no matching requirements or capital improvement projects associated with this item.</p> | \$380,000 |

Honorable Sally J. Clark
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Clark:

I am pleased to transmit the attached proposed Council Bill, which accepts grants and private funds from various agencies and organizations, for consideration with the 2014 Proposed Budget. Corresponding appropriations for items in this Bill are included in the City Budget Office's 2013 Third Quarter Supplemental Ordinance, which is being transmitted to the Council under separate cover.

This Bill accepts 13 grants or private funds from various agencies or organizations totaling approximately \$3.634 million on behalf of the following City departments: the Executive Department, Seattle Police Department, Seattle Fire Department, Department of Planning and Development, and the Department of Transportation.

Funding received from the grants and private donations that are accepted by this legislation will help provide important programs and services throughout Seattle and support City departments in their ongoing efforts to serve the public. Thank you for your consideration of this legislation. Should you have questions, please contact Tom Taylor at 233-5032.

Sincerely,

Michael McGinn
Mayor of Seattle
