Legislation Title:

AN ORDINANCE relating to Sound Transit's Central Link Light Rail Project; accepting 19 correction deeds conveyed to the City of Seattle by the Central Puget Sound Regional Transit Authority ("Sound Transit"); and ratifying and confirming certain prior acts.

Summary of the Legislation:

This proposed Council Bill accepts 19 correction quit claim deeds. The correction deeds are to correct deeds for properties or rights transferred to the City of Seattle ("City") by the Central Puget Sound Regional Transit Authority ("Sound Transit") in connection with Sound Transit's Central Link Light Rail Project ("Central Link") as agreed to in a Property Acquisition and Transfer Procedures Agreement ("Property Transfer Agreement") entered into on August 12, 2003. The correction deeds make corrections to the conveyance language for clarification purposes only. The legal descriptions were not changed.

Background:

In 1996, SeaTac, Tukwila, and Seattle voters approved financing for a 10-year regional transit system plan known as "Sound Move." Sound Move includes the Central Link light rail line that connects Westlake Center and the Seattle-Tacoma International Airport.

To prepare for the Central Link, the City Council passed Ordinance 119975, as amended by Ordinances 120788 and 122504 that authorized the Mayor to enter into an agreement with Sound Transit to allow construction, operation, maintenance, and ownership of Sound Transit's light rail system within City rights-of-way.

Constructing the Central Link required Sound Transit to reconfigure, relocate, and widen rights-of-way in order to create the light rail transit way. Property acquired by Sound Transit for this purpose but not needed for light rail operations has been deeded to the City by Sound Transit as provided for in the Property Transfer Agreement.

This proposed bill accepts 19 correction deeds to correct conveyance language in several of the quit claim deeds that were accepted by ordinance prior to recording the correction deeds. The cost of the property acquisitions, including these corrections, was funded

entirely by Sound Transit as provided for in the Property Transfer Agreement.
