CITY OF SEATTLE
ORDINANCE 124825
COUNCIL BILL 118450

AN ORDINANCE relating to Seattle Public Utilities; authorizing the Director of Seattle Public Utilities to execute an interagency agreement with the Washington Department of Fish and Wildlife for provision of long-term monitoring and evaluation activities for the Cedar River Hatchery Program; and ratifying and confirming prior acts.

WHEREAS, several legal agreements (e.g., the Landsburg Mitigation Agreement and the Muckleshoot Settlement Agreement) and long-term plans (e.g., Sockeye Hatchery Adaptive Management Plan and Hatchery Strategic Plan) commit Seattle Public Utilities (SPU) to fund the operation of the Cedar River Hatchery and the required Monitoring and Research/Evaluation Program until 2050; and

WHEREAS, historically, the Washington Department of Fish and Wildlife (WDFW) has provided regular, annual monitoring and evaluation activities for the hatchery program for SPU under multiple, separate, annual agreements, an approach that has been time-consuming and has added considerable soft costs to the program; and

WHEREAS, WDFW has demonstrated the necessary expertise and experience to perform the monitoring and evaluation activities for the hatchery program on time and within budget and agrees to continue this support under a longer-term interagency agreement; NOW,

Attachment 1

**INTERAGENCY AGREEMENT
(SPU Agreement #14-185-A)
BETWEEN
SEATTLE PUBLIC UTILITIES
AND
WASHINGTON STATE DEPARTMENT OF FISH AND WILDLIFE
FOR
Sockeye Hatchery Program Monitoring and Evaluation Services**

1. PARTIES TO THE AGREEMENT

This Interagency Agreement (hereinafter referred to as "Agreement") is made by and between The City of Seattle ("City"), a Washington municipal corporation, acting through its Seattle Public Utilities Department ("SPU"), and the State of Washington, acting through its Washington Department of Fish and Wildlife ("WDFW"). SPU and WDFW may also be referred to in this Agreement as "Party" or, collectively, as "Parties."

2. PURPOSE

The purpose of this Agreement is to act as a master services agreement between WDFW and SPU. The Agreement defines the commitment, expectations, roles and relationships for WDFW to provide fish marking; fish tagging; fish and habitat monitoring and evaluation studies; fish collections and transport services. The specific activities to be conducted under this Agreement will be referenced as uniquely numbered TASK ORDERS.

3. PERIOD OF PERFORMANCE

The term of this Agreement shall begin when fully executed by all parties, and shall end on December 31, 2020, unless amended by written agreement or terminated earlier pursuant to the provisions hereof.

4. STATEMENT OF WORK

TASK ORDERS will be designed to answer key questions in the Cedar River Sockeye Hatchery Adaptive Management Plan and more fully described in the Cedar River Sockeye Hatchery Monitoring and Evaluation Plan (under development). Each project will fall under four life history stages for sockeye salmon: fry, presmolt (parr), smolt, and adult. In general, sockeye in these life history stages will be evaluated at a number of census points: Cedar River Hatchery, Cedar River, Lake Washington, other Lake Washington Tributaries (i.e., Bear Creek), and the Hiram Chittenden Locks.

TASK ORDERS shall provide a detailed description of work, deliverables, budget, and timelines with milestones. Unless otherwise noted, WDFW shall provide all materials, equipment, and labor necessary to conduct the TASK ORDER activities for SPU.

TASK ORDERS will be negotiated on an individual basis, and depending on activities, may vary in length. Scheduling flexibility may be allowed through mutual agreement between the WDFW and SPU. All work may proceed when applicable permits are in place. The WDFW project manager will be responsible for acquiring all necessary permits, unless specified otherwise within a TASK ORDER.

Agreed upon TASK ORDER schedules and deliverables may be altered only by mutual agreement of the WDFW project manager and the SPU Aquatic Resources Manager. The altered TASK ORDER shall be in writing and signed by both parties as an amendment to the TASK ORDER.

Alterations to the TASK ORDERS are limited to:

- a) Scope of Work
- b) Timeline (schedule)
- c) Deliverables
- d) Budget

5. COMPENSATION

Budgets shall be detailed in each approved TASK ORDER and subtask and will include costs for materials; equipment; labor by hour and position; incidentals; benefits; travel; vehicle mileage; and an indirect rate. The indirect rate is applied on all costs other than capital expenditures and fish feed. Recognizing that actual costs may differ from the budgeted amount contained in the TASK ORDER, depending on access and working conditions when the activities are executed or due to changes in labor, equipment and incidental costs, TASK ORDER budgets may be altered, as noted in Section 4.

Requests for payment under this Agreement shall be submitted as monthly invoices as follows:

8. TERMINATION

Either party may terminate this Agreement upon 30 days' written notification to the other party. Unless otherwise agreed by SPU, WDFW shall complete any Task Order in effect, pursuant to the originally agreed upon schedules.

Such efforts include, but are not limited to: employment, upgrading, demotion, transfer, recruitment, layoff, termination, rates of pay or other compensation, and training.

10. INDEMNIFICATION

To the fullest extent permitted by law WDFW does hereby release all claims WDFW may have against the City and shall defend, indemnify, and hold the City and its employees and agents harmless from all losses, liabilities, claims (including claims arising under federal, state or local environmental laws), costs (including attorneys' fees), actions or damages of any sort whatsoever arising out of WDFW's performance of the services contemplated by this Agreement to the extent attributable to the negligent acts or omissions, willful misconduct or breach of this Agreement by WDFW, its servants, agents, and employees. In furtherance of these obligations, and only with respect to the City, its employees and agents, WDFW waives any immunity it may have or limitation on the amount or type of damages imposed under any industrial insurance, worker's compensation, disability, employee benefit or similar laws. WDFW acknowledges that the foregoing waiver of immunity was mutually negotiated and agrees that the indemnification provided for in this section shall survive any termination or expiration of this Agreement.

11. INDEPENDENT CONTRACTOR STATUS

The services and deliverables shall be furnished by WDFW as an independent contractor, and nothing herein contained shall be construed to create a relationship of employer/

The payroll or employment taxes that are the subject of this paragraph include, but are not limited to, FICA, FUTA, federal income tax, state personal income tax, state disability insurance tax, and state unemployment insurance tax. By reason of WDFW's status as an independent contractor hereunder, no workers' compensation insurance has been or will be obtained by SPU on account of WDFW. WDFW may be required to provide proof of payment of said taxes and benefits. If SPU is assessed or deemed liable in any manner for those charges or taxes, WDFW agrees to hold SPU harmless from those costs, including attorney's fees.

12. CHANGES, MODIFICATIONS AND AMENDMENTS

This Agreement may be changed, modified, or amended only by written agreement executed by both parties in the form of an amendment to this Agreement.

13. PUBLIC RECORDS

Both Parties are public entities subject to the public disclosure laws of the State of Washington. Neither party shall release any record that would, in the judgment of the party, be subject to an exemption from disclosure under the Public Records Act, without first providing notice to the other party within ten business days of the receipt of the request. The parties will discuss appropriate action to be taken, including release of the requested information, seeking a protective order, or other action prior to release of records. Should one party choose to seek a protective order, it shall do so at its sole expense.

Any documents, magnetically or optically encoded media, data or other materials or information created by WDFW pursuant to this Contract shall be owned by SPU and subject to the terms of this sub-section. To the maximum extent permitted by law, WDFW waives all moral rights in the Work. The rights granted hereby to SPU shall survive the expiration or termination of this Contract

15. ENTIRE AGREEMENT

This Agreement, the attached exhibits and the approved TASK ORDERS, contain all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or to bind any of the parties hereto.

16. GOVERNING LAW AND VENUE

Washington state law shall govern the interpretation of this Agreement. The King County Superior Courts in Seattle shall be the exclusive venue of any litigation arising out of this Agreement. Any other agreed upon alternative dispute resolution process shall occur in Seattle, Washington.

17. ASSIGNMENT

WDFW shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Agreement or for any of the compensation due hereunder without the prior written consent of SPU. Naming of subcontractors in budget submittals and TASK ORDERS approved by SPU will satisfy the written consent requirements of this provision.

18. AUDIT

During the term of the Agreement and for a period of no less than three years from the Completion Date, each party will keep and make available for each other's inspection and audit all records pertaining to the Project, including accounting records. The parties shall furnish to each other copies of these records upon request and shall maintain the records in accordance with work order accounting procedures prescribed by the Division of Municipal Corporations of the State Auditor's Office.

19. SEVERABILITY AND SURVIVAL

If any term, condition, or provision of this Agreement is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Agreement, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Agreement, shall survive termination of this Agreement.

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to Seattle Public Utilities; authorizing the Director of Seattle Public Utilities to execute an interagency agreement with the Washington Department of Fish and Wildlife for provision of long-term monitoring and evaluation activities for the Cedar River Hatchery Program; and ratifying and confirming prior acts.

Summary and background of the Legislation:

Several legal agreements and long-term plans commit Seattle Public Utilities to fund monitoring and evaluation of the Cedar River hatchery until 2050. Historically, the Washington Department of Fish and Wildlife (WDFW) has provided regular monitoring and evaluation activities under separate, annual agreements, adding considerable soft costs to the program. This legislation would authorize the Director of SPU to enter a five-year interagency agreement with the WDFW to conduct monitoring and evaluation activities for the hatchery program.

2. CAPITAL IMPROVEMENT PROGRAM

 This legislation creates, funds, or amends a CIP Project.

3. SUMMARY OF FINANCIAL IMPLICATIONS

 x **This legislation has direct financial implications.**

This legislation will result a five-year agreement with WDFW, with total costs up to \$625,000, to cover SPU’s obligatory monitoring of the Cedar River Hatchery Program. This agreement will lower soft costs for both SPU and WDFW, as there will be a reduction of the number of annual agreements. The costs for this monitoring program are included in the SPU budget through 2016, and part of the Strategic Business Plan to 2020. Future budget needs will be requested during the budget process for those years.

4. OTHER IMPLICATIONS

- a) **Is there financial cost or other impacts of not implementing the legislation?**
Yes. If the legislation is not implemented, SPU is obligated to conduct the monitoring activities, and will proceed with separate agreements with WDFW, increasing soft costs for both agencies.
- b) **Does this legislation affect any departments besides the originating department?**
No.

c) Is a public hearing required for this legislation?

No.

d) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

No.

e) Does this legislation affect a piece of property?

No.

f) Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?

No.

g) If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program's desired goals.
