a. Operates or is in actual physical control of a motor vehicle in the City;

b. Is under the age of ~~((twenty-one-))~~21~~((9))~~; and

c. Has, within two ~~((2))~~ hours after operating or being in actual physical control of the motor vehicle, either an alcohol concentration of at least 0.02 but less than 0.08, as shown by an analysis of the person's breath or blood made under RCW 46.61.506; or a THC concentration above 0.00 but less than the concentration specified in subsection 11.56.020.A.1~~((4))~~b ~~((of this section))~~, as shown by analysis of the person's blood made under RCW 46.61.506.

1 ((4.)) 5. Minor driving or being in actual physical control of a motor vehicle after

23 waived.
24
25

1 5. Failure of the court to comply with the requirements of this subsection 11.56.020.D
2 shall not be grounds for dismissal of any charge under this ~~((section))~~ Section 11.56.020 nor the
3 establishment of a constructive date of arraignment for purposes of Criminal Rule for Courts of Limited
4 Jurisdiction 3.3.

5 6.

6 a. When any person charged with ~~((or arrested for))~~ a violation of subsection
7 11.56.020.A or 11.56.020.B ~~((of this section))~~, in which the person has a prior offense as defined in
8 RCW 46.61.5055 and the current offense involves alcohol, is released from custody at ~~((before))~~

15 (ii) comply with 24/7 sobriety program monitoring, as defined in ~~((Laws~~
16 ~~of 2013, 2nd Sp. Sess., chapter 35, section 26; or both.))~~ RCW 36.28A.330;

17 (iii) have an ignition interlock device on all motor vehicles operated by the
18 person pursuant to subsection 11.56.020.D.6.a.(i) and submit to either 24/7 sobriety program monitoring
19 pursuant to subsection 11.56.020.D.6.a.(ii), if available, or alcohol monitoring, at the expense of the
20 person, as provided in subsection 11.56.025.L ; or

21 (iv) have an ignition interlock device on all motor vehicles operated by the
22 person and agree not to operate any motor vehicle without an ignition interlock device as required by the
23 court. Under this subsection 11.56.020.D.6.1.a.(iv), the person must file a sworn statement with the
24
25

1 court upon release at arraignment that states the person will not operate any motor vehicle without an
2 ignition interlock device while the ignition interlock restriction is imposed by the court. Such person
3 must also submit to either 24/7 sobriety program monitoring pursuant to subsection 11.56.020.D.6.a.(ii),
4 if available, or alcohol monitoring, at the expense of the person, as provided in subsection 11.56.025.L.

5 b. The court shall immediately notify the Washington Department of Licensing
6 when an ignition interlock restriction is imposed as a condition of release pursuant to subsection
7 11.56.020.D.6.a or where a person is charged with, or convicted of, a violation of subsection
8 11.56.020.A or 11.56.020.B and the offense involves alcohol.

9 ((b)) c. Upon acquittal or dismissal of all pending or current charges relating to a
10 violation of subsection 11.56.020.A or 11.56.020.B ((of this section)), the court shall authorize removal
11 of the ignition interlock device and lift any requirement to comply with electronic alcohol/drug
12 monitoring imposed under this subsection 11.56.020.D. Nothing in this ((section)) Section 11.56.020
13 limits the authority of the court under Section 11.20.230.

14 d. If the court authorizes removal of an ignition interlock device imposed under
15 subsection 11.56.020.D.6.a the court shall immediately notify the Washington Department of Licensing
16 regarding the lifting of the ignition interlock restriction. When an ignition interlock restriction imposed
17 as a condition of release is canceled, the court shall provide a defendant with a written order confirming
18 release of the restriction. The written order shall serve as proof of release of the restriction until the
19 Washington Department of Licensing updates the driving record.

20
21 Section 8. Subsection 11.56.025.I of the Seattle Municipal Code, which section was last

13 influence of intoxicating liquor or drug; and (5) not driving a motor vehicle in this state without a
14 functioning ignition interlock device as required by the Washington Department of Licensing. For each
15 violation of mandatory conditions of probation (1), (2), ~~((or))~~ (3), (4), or (5) of this subsection

20 drive already is suspended, revoked, or denied at the time the finding of probation violation is made,
21 then the suspension, revocation, or denial then in effect shall be extended by ~~((thirty (3)))~~ 30((3)) days. The
22 court shall notify the Washington State Department of Licensing of a person's violation of any
23 mandatory condition of probation imposed under this subsection 11.56.025.I and the suspension of or
24
25

2 court may impose conditions of probation that include nonrepetition, installation of an ignition interlock
3 device on the probationer's motor vehicle, alcohol or drug treatment, supervised probation, or other
4 conditions that may be appropriate, including attendance at an educational program, such as a victim
5 impact panel meeting the minimum standards established under RCW 10.01.230, focusing on the
6 emotional, physical, and financial suffering of victims who were injured by persons convicted of driving
7 while under the influence of intoxicants. The sentence may be imposed in whole or in part upon

Section 12. Section 11.57.310 of the Seattle Municipal Code, enacted by Ordinance 124686, is amended as follows:

11.57.310 Traffic control signal failing to activate

Notwithstanding any provision of law to the contrary, the operator of a bicycle, electric-assisted bicycle, moped, or street legal motorcycle approaching an intersection, including a left turn intersection, that is controlled by a triggered traffic control signal using a vehicle detection device that is inoperative due to the size or composition of the bicycle, electric-assisted bicycle, moped, or street legal motorcycle shall come to a full and complete stop at the intersection. If the traffic control signal, including the left turn signal, as appropriate, fails to operate after one cycle of the traffic signal, the operator may, after exercising due care, proceed directly through the intersection or proceed to turn left, as appropriate. It is not a defense to a violation of Section 11.50.380 that the operator (~~(driver)~~) of a bicycle, electric-assisted bicycle, moped, or motorcycle proceeded under the belief that a traffic control signal used a vehicle

1 detection device or was inoperative due to the size or composition of the bicycle, electric-assisted
2 bicycle, moped, or motorcycle when the signal did not use a vehicle detection device or that any such
3 device was not in fact inoperative due to the size or composition of the bicycle, electric-assisted bicycle,
4 moped, or motorcycle.

5 Section 13. A new Section 11.58.435 is added to the Seattle Municipal Code as follows:

6 **11.58.435 Marijuana in a vehicle**

7 A. It is a traffic infraction:

8 1. For the registered owner of a motor vehicle, or the driver if the registered owner is not
9 then present, or passengers in the vehicle, to keep marijuana in a motor vehicle when the vehicle is upon
10 a highway, unless it is (a) in the trunk of the vehicle, (b) in some other area of the vehicle not normally
11 occupied or directly accessible by the driver or passengers if the vehicle does not have a trunk, or (c) in
12 a package, container, or receptacle that has not been opened or the seal broken or contents partially
13 removed. A utility compartment or glove compartment is deemed to be within the area occupied by the
14 driver and passengers;

15 2. To consume marijuana in any manner including, but not limited to, smoking or
16 ingesting in a motor vehicle when the vehicle is upon the public highway; or

17 3. To place marijuana in a container specifically labeled by the manufacturer of the
18 container as containing a nonmarijuana substance and to then violate subsection 11.58.435.A.1.

19 B. There is a rebuttable presumption that it is a traffic infraction if the original container of
20 marijuana is incorrectly labeled and there is a subsequent violation of subsection 11.58.435.A.1.

21 C. As used in this Section 11.58.435, "marijuana" means all parts of the plant *Cannabis*, whether
22 growing or not; the seeds thereof; the resin extracted from any part of the plant; and every compound,
23 manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or resin. The term does not
24
25

include the mature stalks of the plant, fiber produced from the stalks, oil, or cake made from the seeds of the plant, any other compound, manufacture, salt, derivative, mixture, or preparation of the mature stalks, except the resin extracted therefrom, fiber, oil, or cake, or the sterilized seed of the plant that is incapable of germination.

11 under penalty of perjury that the placard, special license plate, or special year tab produced prior to the
12 court appearance was valid at the time of infraction and issued as required under chapter 46.19 RCW.

13
14 D. It is a parking infraction, with a monetary penalty of ((Two Hundred Fifty Dollars
15))\$250(()), for any person to stop, stand, park in, block, or otherwise make inaccessible the access aisle
16 located next to a space reserved for ((physically disabled)) persons with physical disabilities. In addition

4 special license plate so that the full face of the placard or license plate is visible, including the serial
5 number and expiration date of the placard or license plate. If a person is charged with a violation of this
6 subsection 11.72.065.D, that person will not be determined to have committed an infraction if the person
7 produces in court or before the court appearance a valid identification card issued to that person under
8 RCW 46.19.010.

1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the City's traffic code; amending Sections 11.14.055, 11.14.184, 11.23.380, 11.23.400, 11.31.020, 11.34.020, 11.56.020, 11.56.025, 11.56.320, 11.56.350, 11.56.355, 11.57.310, 11.72.065, and 11.84.380 of the Seattle Municipal Code, adding Section 11.58.435 to the Seattle Municipal Code, and repealing Section 11.14.185 of the Seattle Municipal Code to conform the Seattle Municipal Code with changes in state law and make technical corrections.

Summary and background of the Legislation: This legislation changes Seattle's traffic code to reflect changes made to identical state statutes by the 2015 Legislature and to correct other inconsistencies between state traffic statutes and our traffic code and incorrect references. It adds a definition of electric-assisted bicycle and modifies the definition of an electric personal assistive mobility device. With respect to disabled parking, it defines "unauthorized use" of a disabled parking placard, increases the classification of improper obtaining of disabled parking placard from an infraction to a crime, creates the infraction of improper display of disabled parking placard, creates the crime of selling disabled parking placard and authorizes a judge to forfeit the disabled parking placard of person who commits a disabled parking violation. With respect to the crime of Driving Under the Influence, this legislation expands the "safely off the roadway" defense to Physical Control to the crime of Minor Physical Control, authorizes a court to order a defendant to pay for the cost of pretrial electronic home monitoring, requires a court imposing an ignition interlock device (IID) as a condition of release to notify the Washington Department of Licensing and adds a mandatory condition of probation of not driving without a required IID. It also expands the crime of Driving While License Suspended 3rd degree to include driving after being suspended for failing to pay child support, expands the crime of Circumventing IID to include requesting another person to start the car, requires that a sentence for Circumventing IID run consecutively with a sentence for DUI, creates the traffic infraction of keeping, smoking or secreting marijuana in passenger compartment of car and allows bicycle or moped to disregard a traffic control light that fails to activate because of weight of the bicycle or moped.

4. OTHER IMPLICATIONS

- a) Does the legislation have indirect or long-term financial impacts to the City of Seattle that are not reflected in the above? No.

b) Is there financial cost or other impacts of not implementing the legislation?

Inasmuch as these new crimes and infractions are crimes and infractions under state law, which would be enforced in Seattle regardless of the legislation, no cost or impact seems likely.

c) Does this legislation affect any departments besides the originating department?

This legislation would affect the Police Department, as officers would be enforcing these new crimes and infractions, and Municipal Court, which will be adjudicating the infractions and the charges filed by the City Attorney for these new crimes. As the number of such violations likely will be small, the impact on these other departments should be minimal.

d) Is a public hearing required for this legislation? No.

e) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation? No.

f) Does this legislation affect a piece of property? No.

g) Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities? None seems apparent.

h) If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program's desired goals. This legislation does not include any new initiatives or major programmatic expansions.
