CITY OF SEATTLE

ORDINANCE 125083

COUNCIL BILL 118715

AN ORDINANCE related to increasing the Business License Tax Certificate Fee and amending Sections 5.30.060 and 5.55.030 of the Seattle Municipal Code.

WHEREAS, Mayor Murray’s 2016 State of the City speech doubled the original goal for expanding the City’s police force from 100 new officers to a total of 200; and

WHEREAS, the recently completed police staffing study validated community concerns about the need to increase police visibility and investigatory resources; and

WHEREAS, Mayor Murray’s 2016 State of the City called for updates and increased capacity at the City’s 911 call center; and

WHEREAS, the Seattle Police Department’s (SPD) call center is facing increasing call volumes that have placed a growing strain on the current system. Calls have increased by 13 percent since 2010, and recent trends show no slowing in this growth; and

WHEREAS, initial work in developing SPD’s budget for the 2017-2018 biennium has identified the need for a number of significant information technology investments; and

WHEREAS, SPD is engaged in several large-scale technology projects. These include development of a Data Analysis Platform (DAP) that will allow SPD to closely track both individual officer performance and department-wide trends with an envisioned future state allowing for better use of available crime data to target police resources and deployment of body-worn cameras to all patrol officers; and

WHEREAS, additional revenues are needed in order to fund these vital measures; and

WHEREAS, the City currently imposes a business license tax certificate fee on businesses engaging in business in the City; and

1 WHEREAS, the business license tax certificate fee is currently set at an annual rate of \$110 for
2 businesses with worldwide gross income of more than \$20,000 and at \$55 for businesses
3 with worldwide gross income of \$20,000 or less; and

4 WHEREAS, the City Council wishes to maintain the existing business license tax fee rates for
5 the vast majority of businesses; and

6 WHEREAS, the City wishes to fund a minimum of 80 percent of the total anticipated annual
7 costs for the new goal of expanding police staffing and other law enforcement initiatives
8 through an increase in the business and occupation tax and through changes to the
9 business license tax certificate fee rates and tier structure; and

10 WHEREAS, the City anticipates funding the balance of costs for expanding police staffing and
11 other law enforcement initiatives beginning in 2019 through a combination of efficiencies
12 and growth in the General Subfund; and

13 WHEREAS, in order to raise additional revenue, the City intends to increase the business license
14 tax certificate fee rates and also to increase the number of business license tax fee rate
15 tiers; NOW, THEREFORE,

16 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

3 On January 1, 2020 and on January 1 of every year thereafter, the fees for the business

2 tax certificate to the Director and a new business license tax certificate shall be issued for the
3 new place of business free of charge.

20 means the electronic transmission, conveyance, or routing of voice, data, audio, video, or any
21 other information or signals to a point, or between or among points. It includes such
22 transmission, conveyance, or routing in which computer processing applications are used to act

1 routing without regard to whether such service is referred to as voice over internet protocol
2 services or is classified by the (~~federal communications commission~~) Federal Communications
3 Commission as enhanced or value added. Telecommunication services or telephone business also
4 includes ancillary services that are associated with or incidental to the provision of
5 telecommunication services including, but not limited to, conference bridging, detailed
6 telecommunications billing, directory assistance, vertical service, or voice mail services as
7 defined in RCW 82.04.065.

8 Telecommunication services or telephone business also includes those activities
9 previously used to define telephone business such as the providing by any person of access to a
10 local telephone network, local telephone network switching service, toll service, cellular or
11 mobile telephone service, coin telephone services, pager service, or the providing of telephonic,
12 video, data, or similar communication or transmission for hire, via a local telephone network, toll
13 line or channel, cable, microwave, or similar communication or transmission system. The term
14 includes the provision of cooperative or farmer line telephone services or associations operating
15 exchanges. The term also includes the provision of transmission to and from the site of an
16 internet provider via a local telephone network, toll line or channel, cable, microwave, or similar
17 communication or transmission system. “Telecommunication service or telephone business”
18 does not include the providing of competitive telephone service, data processing, providing of
19 cable television service, or other providing of broadcast services by radio or television stations.

20 ((D)) E. “Tour operator business” means a business activity of purchasing various

22 reselling the same to consumers where the purchaser/reseller is liable itself to pay the vendor of
23 the components purchased and does not make payment solely as an agent for the consumer.

1 ((E)) F. “Tuition fee” includes library, laboratory, health service, and other special
2 fees, and amounts charged for room and board by an educational institution when the property or
3 service for which such charges are made is furnished exclusively to the students or faculty of
4 such institution. “Educational institution,” as used in this section, means only those institutions
5 created or generally accredited as such by the state and includes educational programs that such
6 educational institution cosponsors with a non-profit organization, as defined by Section 501(c)(3)

8 credit for coursework successfully completed through the educational program, or an approved
9 branch campus of a foreign degree-granting institution in compliance with chapter 28B.90 RCW,
10 and in accordance with RCW 82.04.4332 or defined as a degree-granting institution under RCW
11 28B.85.010(3) and accredited by an accrediting association recognized by the United States
12 ~~((secretary of education))~~ Secretary of Education, and offering to students an educational

16 institutions.

17 ((F)) G. “Value proceeding or accruing” means the consideration, whether money,
18 credits, rights, or other property expressed in terms of money, a person is entitled to receive or
19 accrue or which is actually received or accrued. The term shall be applied, in each case, on a
20 cash receipts or accrual basis according to which method of accounting is regularly employed in
21 keeping the books of the taxpayer.

22 ((G)) H. “Value of products, how determined ((-))”

1 1. The value of products, including by-products, extracted or manufactured
2 ((5)) shall be determined by the gross proceeds derived from the sale thereof, whether such sale is
3 at wholesale or at retail, to which shall be added all subsidies and bonuses received from the
4 purchaser or from any other person with respect to the extraction, manufacture, or sale of such
5 products or by-products by the seller.

6 2. Where such products, including by-products, are extracted or
7 manufactured for commercial or industrial use, and where such products, including by-products,
8 are shipped, transported, or transferred out of the City, or to another person, without prior sale or
9 are sold under circumstances such that the gross proceeds from the sale are not indicative of the
10 true value or the subject matter of the sale, the value shall correspond as nearly as possible to the
11 gross proceeds from sales in this state of similar products of like quality and character, and in
12 similar quantities by other taxpayers, plus the amount of subsidies or bonuses ordinarily payable
13 by the purchaser or by any third person with respect to the extraction, manufacture, or sale of
14 such products. In the absence of sales of similar products as a guide to value, such value may be
15 determined upon a cost basis. In such cases, there shall be included every item of cost
16 attributable to the particular article or article extracted or manufactured, including direct and
17 indirect overhead costs. The Director of Finance and Administrative Services may prescribe
18 uniform and equitable rules for the purpose of ascertaining such values.

19 3. Notwithstanding subsection ((~~2 above~~)) 5.30.060.H.2, the value of a
20 product manufactured or produced for purposes of serving as a prototype for the development of
21 a new or improved product shall correspond to:

22 a. The retail selling price of such new or improved product when first
23 offered for sale; or

1 b. The value of materials (~~incorporate~~) incorporated into the
2 prototype in cases in which the new or improved product is not offered for sale.

3 ((H)) I. “Wholesaling” means engaging in the activity of making sales at
4 wholesale, and is reported under the wholesaling classification.

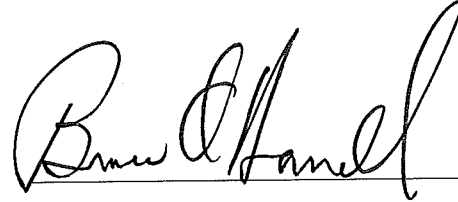

5 ((F)) J. “Yardwaste” has the meaning given in ((SMC)) Section 21.36.016.

6 Section 3. Pursuant to RCW 35.21.706, this ordinance is subject to the referendum
7 procedure specified in that state law. A referendum petition may be filed within seven days of
8 the passage of the ordinance with the filing officer of the City, which is hereby designated to be
9 the City Clerk, located on the third floor of City Hall, 600 Fourth Avenue, Seattle, Washington.
10 Within ten days of filing the petition, the City Clerk shall confer with the petitioner concerning
11 the form and style of the petition, issue the petition an identification number, and secure an
12 accurate, concise, and positive ballot title from the City Attorney. The petitioner shall then have
13 30 days in which to secure the signatures of not less than 15 percent of the registered voters of
14 the City, as of the last municipal general election, upon petition forms which contain the ballot
15 title and the full text of the measure to be referred. Signed petition forms that are timely
16 submitted to the City Clerk shall be transmitted to the King County Director of Records and
17 Elections, who shall verify the sufficiency of the signatures on the petition and report to the City
18 Clerk. If sufficient valid signatures are properly submitted, the City Clerk shall so inform the
19 City Council, which shall submit the referendum measure to the voters at a special election to be
20 held on the next City election date, as provided in RCW 29A.04.330, that occurs not less than 45
21 days after the county’s report of sufficiency is received by the City Clerk, unless a general
22 election will occur within 90 days of receipt of that report, in which event the proposed
23 ordinance will be submitted at the general election. State law, RCW 35.21.706, provides that the

- 1 referendum procedure in this section is exclusive and that this ordinance is not subject to any
- 2 other referendum or initiative process.

1 Section 4. This ordinance shall take effect and be in force 30 days after its approval by
2 the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it
3 shall take effect as provided by Seattle Municipal Code Section 1.04.020.
