This EASEMENT AGREEMENT ("Easement") is made this _____ day of _____, 2017, by THE CITY OF SEATTLE, a Washington municipal corporation acting through its Department of Parks and Recreation ("City"), MHNW 14 BUILDING 9 NORTH LP, a Washington limited partnership ("Mercy North") and MHNW 13 BUILDING 9 SOUTH LP, a Washington limited partnership ("Mercy South"). Mercy North and Mercy South are collectively referred to herein as "Mercy".

RECITALS:

Mercy is the fee owner of the land that is legally described on Exhibit A attached hereto ("Mercy Property") and the City is the fee owner of the land that is legally described on Exhibit B attached hereto ("Parks and Recreation Property"). The Parks and Recreation Property is improved with a building commonly known as Building 138. Mercy and its affiliates intend to renovate the Mercy Property into a

mixed-used housing complex (the "Building 9 Project") under Master Use Permit #6466033 ("MUP").

Pursuant to a Quitclaim Deed recorded 5/4/1999 as Instrument #9905041194 in the Official Records of King County, Washington (the "USA Deed"), the United States of America, acting by and through the Secretary of the Interior, acting by and through the Director, National Park Service, quitclaimed to the City approximately 93.1 acres of real property previously used as a portion of the Naval Station Puget Sound (Sand Point). The Parks and Recreation Property was part of this conveyance. The USA Deed included restrictions, conditions and covenants including restrictions on use of the property, restrictions on conveyances, and providing for reversion of the property to the United States if the City or its successors breaches the conditions or covenants.

Mercy desires to realign the driveway from the Mercy Property through the Parks and Recreation Property to NE 74th Street and will construct such improvements at its cost (the "Driveway Improvements") pursuant to Revocable Use Permit # _____ ("RUP"). Mercy desires to use the Driveway Improvements on the Parks and Recreation Property for ingress and egress of fire emergency vehicles for the Building 9 Project pursuant to this Easement and to grant the City of Seattle an easement for use of the Driveway Improvements existing on the Mercy Property for the benefit of the Parks and Recreation Property.

By this Easement, the City and Mercy (collectively the "parties") desire to grant and provide for the maintenance of certain reciprocal easements.

On behalf of the United States under the USA Deed, the National Park Service has approved the easement across the Parks and Recreation Property, and the General Services Administration has concurred.

NOW THEREFORE, in consideration of the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto do hereby agree and declare as follows:

AGREEMENT:

1. **EASEMENT IN FAVOR OF THE MERCY PROPERTY.** The City hereby conveys and grants to Mercy for the benefit of the Mercy Property, a permanent, non-exclusive easement for fire emergency vehicle ingress and egress over and across that portion of the Driveway Improvements connecting the Mercy Property to NE 74th Street over the Parks and Recreation Property ("Mercy Driveway Easement") legally described on Exhibits C and E and depicted on Exhibit F of this Easement (the "Mercy Driveway Easement Area").
2. **EASEMENT IN FAVOR OF THE PARKS AND RECREATION PROPERTY.** Mercy hereby conveys and grants to the City for the benefit of the Parks and Recreation Property, a permanent, non-exclusive easement for ingress and egress by the City over and across that portion of the Driveway Improvements connecting the Mercy Property to NE 74th Street over the Mercy Property ("Parks and Recreation Driveway Easement") legally described on Exhibit D and depicted on Exhibit F of this Easement (the "Parks and Recreation Driveway Easement Area").
3. **FUTURE RELOCATION.** The Mercy Driveway Easement Area and the Parks Driveway Easement Area may be relocated in the future upon the mutual written agreement of the parties.

Relocation of the Mercy Driveway Easement Area is also subject to the approval of the United States and Wells Fargo Affordable Housing Community Development Corporation, provided that such entity or its affiliate is limited partner in either Mercy North or Mercy South.

4. **MAINTENANCE OBLIGATIONS.** After completion of the Driveway Improvements by Mercy and acceptance by the City under the terms of the RUP, the City shall perform at its own cost all reasonably necessary ordinary maintenance, repair, upkeep and replacement of the Mercy Driveway Easement Area and Mercy, or its successors or assigns, shall perform at its own cost all necessary maintenance, repair, upkeep and replacement of the Parks and Recreation Driveway Easement Area. The City and Mercy shall keep all such improvements they are each responsible for maintaining in good condition and repair at all times and free from obstructions, hazards, water accumulation and debris, ice and snow at all times. The parties acknowledge and agree that they may each use the Mercy and Parks and Recreation Driveway Easement Areas to perform these maintenance responsibilities and those portions of the Mercy and Parks and Recreation Driveway Easement Areas may be temporarily unavailable for use during maintenance activities. The City shall have no greater obligations for maintenance or for the condition of the Driveway Improvements than it has to maintain public streets generally, and no greater duty to any authorized users of the Mercy Driveway Easement Area than to the general public using public streets.

5. **GATE AND ACCESS OBLIGATIONS.** Pursuant to the RUP, as part of the Driveway Improvements, Mercy is responsible for installing a secured gate and signage on the Mercy Property to control the use of the Mercy Driveway Easement Areas for the authorized purposes under this Easement. This gate shall prevent unauthorized users from driving from the Mercy Property onto the Mercy Driveway Easement Area. The gate shall remain closed and locked at all times except when opened by an authorized user. Emergency responders and the City shall be authorized users and shall have the code or other means of opening the gate. The City must approve all other authorized users. Mercy, or its successors or assigns, shall perform at its own cost all necessary maintenance, repair, upkeep and replacement of the gate and signage. Mercy will provide any fire emergency vehicle access through the secured gate 7 days a week, 24 hours a day in a manner acceptable to the City and the fire department(s) needing access.

6. **MISCELLANEOUS.**
 - a. **Burden and Benefit; No Dedication; No Benefit to Third Parties.** This Easement shall run with the land and be binding upon, and inure to the benefit of, the parties and their heirs, successors, successors in interest and assigns, except as otherwise provided herein. Nothing in this Easement shall be deemed to be a gift or dedication of any portion of the real property referred to herein to the general public nor for any public use or purpose whatsoever, except to the extent of the rights of City as grantee hereunder. Except to the extent specifically provided otherwise herein, nothing in this Easement, express or implied, is intended to benefit or to confer any right upon any person who is not a party hereto. Notwithstanding the foregoing, the need for the easement for emergency vehicle egress over the Mercy Driveway Easement Area for the Building 9 Project was material consideration for the City entering into this Agreement.

 - b. **Jurisdiction and Venue.** In the event of an action between the parties, declaratory or otherwise, arising out of or in connection with this Easement, shall be in a state or federal court with subject matter jurisdiction sitting in King County, Washington and each person bound hereby consents to the personal jurisdiction of such courts and waives any objection to venue being in any such court. Every such action that is arbitration shall be conducted

in King County, Washington. This paragraph does not apply to the United States, the National Park Service or the General Services Administration.

c. Indemnity.

- i. The City shall defend, indemnify and hold Mercy, and their respective members, partners, employees, agents, successors and assigns (collectively, the "Mercy Indemnitees"), harmless from any and all liability, loss, damages, claims, demands, suits or expenses, including reasonable attorneys' fees, arising out of the City's, its officers', employees', or agents' negligent use of the Parks and Recreation Driveway Easement, except to the extent caused directly by acts or omissions of Mercy Indemnitees that are negligent or wrongful, and except that the City as grantee of an easement under this Easement shall have no liability hereunder resulting from the City's exercise of the right to remove or cause removal and impoundment, consistent with applicable law, of vehicles or other items occupying or obstructing the Mercy Driveway Easement Area or the Parks and Recreation Driveway Easement Area.
- ii. Mercy, and each Mercy North and Mercy South ("Mercy Indemnitors") shall defend, indemnify and hold the City, its officers, employees and agents ("City Indemnitees") harmless from any and all liability, loss, damages, claims, demands, suits or expenses, including reasonable attorneys' fees, arising out of Mercy, and each Mercy North and Mercy South, their officers', employees', or agents' negligent use of the Mercy Driveway Easement, except to the extent caused directly by acts or omissions of City Indemnitees that are negligent or wrongful, and except that Mercy as grantee of an easement under this Easement shall have no liability hereunder resulting from Mercy's exercise of the right to remove or cause removal and impoundment, consistent with applicable law, of vehicles or other items occupying or obstructing the Mercy Driveway Easement Area or the Parks and Recreation Driveway Easement Area.
- iii. The two paragraphs immediately above do not apply to the United States, the National Park Service or the General Services Administration.
- d. **Notices.** Any demand, request or notice which a party hereto desires or may be required to make or deliver to the other shall be in writing and shall be deemed effective when personally delivered, or when delivered by private courier service (such as Federal Express), or on the third business day after being mailed postage prepaid United States first class mail, certified with return receipt requested, addressed as follows:

or to such other address and person as a party may communicate to the others by like written notice.

- e. **Capacity of City; No Warranty or Waiver.** City enters into this Easement solely in its capacity as fee owner of the Parks and Recreation Property. The City makes no representation or warranty as to title, encumbrances or any other matters. Nothing herein shall be construed to waive or modify any requirement of or obligation of Mercy under any other agreement with City. Nothing herein constitutes any consent or approval of The City of Seattle for any regulatory or other purpose.
 - f. **Capacity of Federal Agencies.** The National Park Service and the General Services Administration are not parties to this Easement Agreement. The National Park Service has approved the granting of the easement to Mercy and the General Services Administration has concurred solely in their roles as the federal agencies administering the terms and conditions of the USA Deed.
7. **TERMINATION OF EASEMENT UNDER CERTAIN CONDITIONS.** In the event Mercy, or its successors or assigns, does not complete the Building 9 Project in accordance with the MUP, or Mercy, or its successors or assigns, cease to use the Building 9 Project for its intended purpose as mixed use affordable housing, the Mercy Driveway Easement will terminate. Mercy, or its successors or assigns and Parks and Recreation will execute and record a release of easement agreement within 90 days of the occurrence of one of the events described in this section unless Parks and Recreation agrees in writing that the change in use of the Mercy Property continues to serve a high City priority or purpose such that the continued use of Parks and Recreation Property is warranted.
8. **INSURANCE.** Each party shall maintain commercial general liability insurance covering its activities in or about the Mercy Easement Area and the Parks and Recreation Easement Area and shall name the other party as additional insured, in amounts not less than Two Million Dollars (\$2,000,000.00) in the aggregate.
