CITY OF SEATTLE

ORDINANCE

125324

COUNCIL BILL

118965

AN ORDINANCE imposing a tax on engaging in the business of distributing sweetened beverages; adding a new Chapter 5.53 to the Seattle Municipal Code; and amending Seattle Municipal Code Sections 5.30.010, 5.30.025.K, 5.30.060.C, 5.55.010, 5.55.040.A, 5.55.060.A, 5.55.150.E, 5.55.165, 5.55.220, and 5.55.230.A.

WHEREAS, in King County, an estimated 271,380 people, or ten percent of households, cannot afford enough healthy food for their families, and nearly half of these households are not eligible for Supplemental Nutrition Assistance Program (SNAP) benefits, commonly referred to as “food stamps”; and

WHEREAS, the “food security gap” affects many people who are not eligible for SNAP benefits but struggle to afford healthy food, particularly as the cost of living in Seattle continues to increase; and

WHEREAS, The City of Seattle’s *Equity and Environment Agenda* identifies addressing the lack of access to healthy, affordable food as a major priority for communities in Seattle; and

WHEREAS, the Fresh Bucks program created by The City of Seattle has a mission to support consumption of more fruits and vegetables by low-income recipients of SNAP benefits, a program currently supported by expiring federal grants; and

WHEREAS, Seattle has the opportunity to build on successful programs to expand access to healthy foods to low-income residents ineligible for SNAP; and

WHEREAS, according to a 2017 working paper from the Hutchins Center on Fiscal & Monetary Policy at the Brookings Institution, children from birth to age five whose mothers received subsidies for nutritious food had better health and economic outcomes as adults, including lower incidence of metabolic syndromes; and

1 WHEREAS, according to “Early Childhood Experiences Shape Health and Well-Being
2 Throughout Life,” a 2014 issue brief from the Robert Wood Johnson Foundation,
3 participants receiving early childhood interventions not only have increased social,
4 emotional, and cognitive development, but also lower risks for heart disease and diabetes
5 in adulthood; and

6 WHEREAS, diabetes, obesity, and tooth decay have been on the rise for decades, and children,
7 low income communities, and communities of color continue to be disproportionately
8 affected; and

9 WHEREAS, sweetened beverages such as soft drinks, energy drinks, sweetened teas, and sports
10 drinks offer little or no nutritional value; and

11 WHEREAS, according to a 2013 report in the American Journal of Public Health, in the past
12 decade alone, per capita intake of calories derived from sweetened beverages has
13 increased by approximately 30 percent; and

14 WHEREAS, high levels of sweetened beverage consumption have had tragic impacts on
15 community health, including the rise of type 2 diabetes and the doubling of obesity rates
16 among children in the past 30 years; and

17 WHEREAS, despite significant efforts to provide an equitable education system, there persists
18 an opportunity gap between white students and students of color, with Seattle Public
19 Schools students of color meeting third grade reading standards at a rate 31 percent lower
20 than white students; and

21 WHEREAS, the City desires to impose a tax on the business of distributing sweetened beverages
22 to raise revenue to fund services that will promote healthy food choices, expand access to
23 healthy and affordable food, reduce disparities in social, developmental, and education

1 readiness and learning for children, assist high school graduates to enter college, and
2 expand services for the birth-to-five population and their families; NOW, THEREFORE,

3 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

4 Section 1. The City finds and declares that the expansion of access to healthy and
5 affordable food, closing the food security gap, promoting healthy nutrition choices, reducing
6 disparities in social, developmental, and educational readiness and learning for children, assisting
7 high school graduates to enter college, and expanding services for the birth-to-five population
8 and their families are of the utmost importance to creating a thriving and livable city for all of the
9 people of Seattle. Therefore, through this ordinance, the City intends to exercise its taxing
10 authority, as granted by the Washington State Constitution and as authorized by the Washington
11 State Legislature, to raise general revenue for the City and to use that revenue to provide broad-
12 based public benefits for residents by funding programs that achieve these purposes.

8 tax, and still apply the City tax to as much of the taxpayer's activities as may be subject to the
9 City's taxing authority.

2 beverages on health outcomes and increase education about healthy food and beverages; and

3 f. Capital investments to promote healthy choices, such as water bottle
4 filling stations in schools and community centers.

5 2. Evidence-based programs that improve the social, emotional, educational,
6 physical health, and mental health for children, especially those services that seek to reduce the
7 disparities in outcomes for children and families based on race, gender, or other socioeconomic
8 factors and to prepare children for a strong and fair start in kindergarten.

9 3. Administration of assessing and collecting the tax.

10 4. Ensuring resources for the Office of Sustainability and the Environment and the
11 Sweetened Beverage Tax Community Advisory Board.

12 5. The cost of program evaluations conducted by the Office of the City Auditor
13 under subsection 5.B of this ordinance, including costs borne by other City departments in
14 facilitating such evaluations.

15 In the annual City budget or by separate ordinance, the City's legislative authority shall
16 from year to year determine the services and funding allocations that will most effectively
17 achieve the goals and outcomes in accordance with chapter 35.32A RCW.

18 Section 4. Sweetened Beverage Tax Community Advisory Board. There is hereby
19 established a Sweetened Beverage Tax Community Advisory Board that shall advise and make
20 recommendations to the Mayor and City Council. The Board shall make recommendations on
21 how and to what extent the Mayor and City Council should establish and/or fund programs and
22 activities consistent with the intent of this ordinance that benefit Seattle's populations who
23 experience the greatest education and health inequities. The Board shall make recommendations

1 to the Mayor and City Council on elements of an evaluation of the effectiveness of the Tax,
2 including impacts on sweetened beverage sales and consumption, public attitudes towards
3 sweetened beverage consumption, and job and economic indicators and of the process of
4 implementing the tax. The Office of Sustainability and the Environment shall provide
5 administrative support for the Board.

6 A. The Board shall consist of no less than 11 members who are residents of the City of
7 Seattle or work within the boundaries of the City of Seattle. Six members of the Board shall be
8 appointed by the Mayor and confirmed by the City Council and five members shall be appointed
9 by the City Council. The 11 members shall meet the following criteria:

10 1. Three members shall have experience implementing community-based
11 programs dedicated to expanding healthy food access and food security;

12 2. Two members shall be individuals representative of the populations who are
13 disproportionately impacted by diseases related to the consumption of sugary drinks, with
14 preference given to a parent of a student in the Seattle School District or a child in a Seattle-

16 3. Four members shall be individuals with expertise in public health and nutrition
17 with experience managing, researching, or evaluating programs related to the health effects from
18 consuming sugary beverages, particularly among children and their families;

19 4. Two members shall be individuals with expertise in education and early
20 learning, with an emphasis on learning from birth to age five; and

21 5. Employees of the City shall be ineligible to be members of the Board.

1 B. Members of the Board shall be appointed to four year terms, except that two members
2 under subsection A.1 of this section, two members under subsection A.2 of this section, and one
3 member under subsection A.3 of this section shall be initially appointed for terms of two years.

4 C. No member of the Board shall be appointed to more than two four-year terms. For
5 purposes of calculating whether a term has been served, serving more than two years of a four-
6 year term shall count as serving a term.

7 D. Any vacancy in an unexpired term shall be filled in the same manner as the original
8 appointment. A member whose term is ending may continue on an interim basis as a member
9 with voting rights until such time as a successor for that position has been confirmed by the City
10 Council.

11 E. Members of the Board shall serve without pay.

12 F. The Board shall meet at least four times per year.

13 G. The Board shall publish an annual report to the Seattle City Council, the Mayor, and

17 2. A summary of the programs funded to date and their progress to date;

18 3. A summary of tax implementation efforts and any completed studies evaluating
19 the implementation of the tax;

20 4. A summary of any completed studies on the impact of the tax on beverage
21 prices, consumer purchasing behavior, sweetened beverage sales, related health outcomes, and
22 economic impacts, including impacts on employment and retail revenues; and

23 5. Any additional information that the Board deems appropriate for inclusion.

1 H. Within 15 days of receipt of the publication of the Board's annual report, the Director
2 shall cause the report to be published on the City's website and be transmitted to the City
3 Council.

4 Section 5. Reporting

5 A. The Directors of the Human Services Department, the Office of Sustainability and
6 Environment, the Department of Education and Early Learning, and Public Health - Seattle and
7 King County, or successor departments, will prepare and submit to the Community Advisory
8 Board, City Council, Mayor, and residents of Seattle annual progress reports on the
9 implementation of the services funded by the beverage tax.

10 B. The City Auditor shall contract with academic researchers to complete an annual
11 evaluation of the effects of the tax. In contracting with academic researchers, the City Auditor
12 should consider researchers with a proven track record of rigorous policy evaluation for impacts
13 on behavior, health, and economic outcomes. A minimum of \$500,000 per year for at least the
14 first five years, beginning with the date of adoption of this ordinance, shall be dedicated to this
15 evaluation. The evaluation shall assess, but not be limited to, the impact of the tax on 1)
16 economic outcomes (such as household food expenditures, beverage prices and sales, jobs, and
17 store revenues) and 2) health behaviors (such as dietary purchases and consumption), 3)
18 intermediate health outcomes, and 4) identification and assessment of food deserts in the city,
19 and 5) the effectiveness and efficiency of the foodbank network in the city. The evaluation shall
20 also assess, but not be limited to, the process of implementing the tax, including perceptions of
21 city residents and specifically low income households, food retailers, tax administrators, and city
22 officials. The evaluator will collaborate with the Sweetened Beverage Tax Community Advisory
23 Board to develop the evaluation. The evaluation will rely on data collected specifically for the

1 purposes of the evaluation from populations in Seattle as well as outside Seattle to enable a
2 rigorous comparison of trends in behavior, health, and economic outcomes as a result of this
3 ordinance.

4 Section 6. Section 5.30.010 of the Seattle Municipal Code, last amended by Ordinance
5 124833, is amended as follows:

6 **5.30.010 Definition provisions**

7 The definitions contained in this Chapter 5.30 shall apply to the following chapters of the Seattle
8 Municipal Code: Chapters 5.32 (Amusement Devices), 5.35 (Commercial Parking Tax), 5.40
9 (Admission Tax), 5.45 (Business License Tax), 5.46 (Square Footage Tax), 5.48 (Business
10 Tax—Utilities), 5.50 (Firearms and Ammunition Tax), 5.52 (Gambling Tax), 5.53 (Sweetened
11 Beverage Tax), and 5.55 (General Administrative Provisions) unless expressly provided for
12 otherwise therein, and shall also apply to other chapters and sections of the Seattle Municipal
13 Code in the manner and to the extent expressly indicated in each chapter or section. Words in the
14 singular number shall include the plural and the plural shall include the singular. Words in one
15 gender shall include the other genders.

16 Section 7. Subsection 5.30.025.K of the Seattle Municipal Code, which section was last
17 amended by Ordinance 125211, is amended as follows:

18 **5.30.025 Definitions, C—D**

19 * * *

20 K. “Delivery” means the transfer of possession of tangible personal property between the
21 seller and the buyer or the buyer’s representative. Delivery to an employee of a buyer is
22 considered delivery to the buyer. Transfer of possession of tangible personal property occurs
23 when the buyer or the buyer’s representative first takes physical control of the property or

1 exercises dominion and control over the property. Dominion and control means the buyer has the
2 ability to put the property to the buyer's own purposes. It means the buyer or the buyer's
3 representative has made the final decision to accept or reject the property, and the seller has no
4 further right to possession of the property and the buyer has no right to return the property to the
5 seller, other than under a warranty contract. A buyer does not exercise dominion and control over
6 tangible personal property merely by arranging for shipment of the property from the seller to
7 itself. A buyer's representative is a person, other than an employee of the buyer, who is
8 authorized in writing by the buyer to receive tangible personal property and take dominion and
9 control by making the final decision to accept or reject the property. Neither a shipping company
10 nor a seller can serve as a buyer's representative. It is immaterial where the contract of sale is
11 negotiated or where the buyer obtains title to the property. Delivery terms and other provisions of
12 the Uniform Commercial Code (Title 62A RCW) do not determine when or where delivery of
13 tangible personal property occurs for purposes of Seattle's business license tax or Seattle's
14 sweetened beverage tax. For purposes of Chapter 5.53, the term "seller" as used in this
15 subsection 5.30.025.K shall include any distributor and the term "buyer" as used in this
16 subsection 5.30.025.K shall include any recipient who offers the delivered products for retail
17 sale.

19 Section 8. Subsection 5.30.060.C of the Seattle Municipal Code, which section was last

All books, records, papers, invoices, ticket stubs, vendor lists, gambling games, and payout information, inventories,

1 stocks of merchandise, and other data, including federal income tax and state tax returns, and
2 reports needed to determine the accuracy of any taxes due, shall be open for inspection or
3 examination at any time by the Director or a duly authorized agent. Every person's business
4 premises shall be open for inspection or examination by the Director or a duly authorized agent.
5 For the purposes of this Section 5.55.060, for the tax imposed by Chapter 5.53, "business
6 premises" means wherever the person's business records and tax documents are maintained and
7 does not mean every site owned or operated by the person.
