CITY OF SEATTLE

ORDINANCE

125460

COUNCIL BILL

119104

AN ORDINANCE relating to the electric system of The City of Seattle; authorizing and providing for the issuance and sale, from time to time in multiple series, of municipal light and power refunding revenue bonds for the carrying out the current or advance refunding of all or a portion of the City's outstanding municipal light and power revenue bonds pursuant to an approved refunding plan, providing for the reserve requirement (if any), and paying the administrative costs of carrying out such refundings and paying costs of issuance of the refunding bonds; describing the lien of those refunding bonds and authorizing their issuance as either senior lien parity bonds or as junior lien bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; rescinding the authorization to issue any future refunding parity bonds under Ordinance 121941 (as amended by Ordinance 122838, as amended and restated by Ordinance 124335, and as further amended by Ordinance 124916); authorizing the Director of Finance to enter into agreements providing for the disposition of the refunding bond proceeds; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle (the "City") owns, operates, and maintains a municipal light and electric power generation, transmission, and distribution system (the "Light System") which Light System has from time to time required various additions, improvements, betterments, and extensions; and

WHEREAS, the City currently has outstanding certain municipal light and power revenue bonds (as identified in Exhibit A, the "Outstanding Parity Bonds") having a charge and lien upon Gross Revenues of the Light System available after payment of the Operating and Maintenance Expense ("Net Revenue") prior and superior to all other charges whatsoever, which Outstanding Parity Bonds are designated as Refundable Bonds pursuant to this ordinance; and

WHEREAS, pursuant to the Outstanding Parity Bond Ordinances, the City reserved the right to issue additional municipal light and power revenue bonds ("Future Parity Bonds") having a lien and charge on Net Revenue of the Light System on parity with the lien and charge

1 of the Outstanding Parity Bonds, upon satisfaction of certain conditions (the “Parity
2 Conditions”), which Future Parity Bonds are eligible to be designated as Refundable Bonds
3 pursuant to this ordinance; and

4 WHEREAS, pursuant to the Outstanding Parity Bond Ordinances, the City also reserved the right
5 to issue additional municipal light and power revenue bonds or other obligations having a
6 lien and charge on Net Revenue of the Light System that is junior and subordinate to the
7 lien and charge of the Outstanding Parity Bonds (the “Junior Lien Bonds”), which Future
8 Junior Lien Bonds are eligible to be designated as Refundable Bonds pursuant to this
9 ordinance (the “Refundable Junior Lien Bonds”); and

10 WHEREAS, it is advantageous to the City and its ratepayers to provide for the refunding of such
11 Refundable Parity Bonds and Refundable Junior Lien Bonds (together and without
12 distinction, “Refundable Bonds”) whenever the Director of Finance determines that such
13 refunding will achieve a cost savings or other benefit to the City or its ratepayers as
14 permitted under chapter 39.53 RCW; and

15 WHEREAS, the City has therefore determined that it is in the best interest of the City and its
16 ratepayers to authorize, pursuant to this Omnibus Refunding Ordinance, the issuance and
17 sale of Refunding Bonds, to be designated as either Refunding Parity Bonds and Refunding
18 Junior Lien Bonds, from time to time multiple Series for the purpose of (1) carrying out
19 the current or advance refunding of all or a portion of the Refundable Bonds, (2) providing
20 for the reserve requirement, if necessary, and (3) paying the administrative costs of carrying
21 out the refunding and the costs of issuance of the Refunding Bonds; and

22 WHEREAS, pursuant to the authority delegated in this ordinance, the Director of Finance from
23 time to time will receive, review, and adopt a plan (a “Refunding Plan”) to refund selected

1 maturities (or partial maturities) of certain series of those Refundable Bonds, which
2 selected series and maturities (or partial maturities) will be identified in the Refunding
3 Plan; and

4 WHEREAS, this ordinance will allow the Director of Finance to carry out the defeasance and
5 refunding of any Refundable Bonds in accordance with the City's debt policies regarding
6 refundings, as such policies may be amended from time to time and as most recently
7 amended by the City Council in Resolution 30630; and

8 WHEREAS, from and after the effective date of this ordinance the authority to issue Refunding
9 Parity Bonds, previously granted in Ordinance 121941, as amended by Ordinance 122838,
10 as amended and restated by Ordinance 124335, and as further amended by Ordinance
11 124916 (the "Prior Omnibus Refunding Ordinances") shall sunset and shall be replaced by
12 the authority granted in this ordinance, such that future Refunding Parity Bonds shall be
13 issued under this authority and within the parameters set forth herein, without affecting the
14 outstanding bonds previously issued under the Prior Omnibus Refunding Ordinances;

15 NOW, THEREFORE,

16 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

17 Section 1. **Definitions.** As used in this ordinance, the following capitalized terms shall
18 have the meanings set forth below.

19 "Accreted Value" means with respect to any Capital Appreciation Bond (a) as of any
20 Valuation Date, the amount determined for such Valuation Date in accordance with the applicable
21 Bond Documents, and (b) as of any date other than a Valuation Date, the sum of (i) the Accreted
22 Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the numerator of
23 which is the number of days having elapsed from the preceding Valuation Date and the

denominator of which is the number of days from such preceding Valuation Date to the next succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues during any semiannual period in equal daily amounts on the basis of a year of 12 30-day months, and (B) the difference between the Accreted Values for such Valuation Dates.

“Acquired Obligations” means Government Obligations maturing or having guaranteed redemption prices at the option of the holder at such time or times as may be required to provide funds sufficient to carry out a Refunding Plan, and satisfying the requirements of the Refunded Bond Documents relating to the Refunded Bonds included in that Refunding Plan. For purposes of this definition, eligible “Government Obligations” for inclusion in a Refunding Plan shall be determined in accordance with the applicable Refunded Bond Documents.

“Adjusted Net Revenue” means Net Revenue, less any deposits into the Rate Stabilization Account, and plus any withdrawals from the Rate Stabilization Account. In calculating Net Revenue, the City may include the Tax Credit Subsidy Payments the City expects to receive from the federal government in respect to the interest on any Tax Credit Subsidy Bonds (or with respect to which the federal government will provide direct payments). In a Parity Certificate, Adjusted Net Revenue is subject to further adjustment as set forth in Section 18(a)(ii). In a Junior Lien Coverage Certificate, Adjusted Net Revenue is subject to further adjustment as set forth in Section 18(b)(ii).

“Alternate Reserve Security” means Qualified Insurance or a Qualified Letter of Credit that is used by the City to satisfy part or all of the Reserve Fund Requirement, and which is not cancelable on less than five years’ notice.

“Annual Debt Service” means, with respect to either Parity Bonds (or a series of Parity Bonds) (**“Annual Parity Bond Debt Service”**) or Junior Lien Bonds (or a series of Junior Lien

Bonds) (“**Annual Junior Lien Debt Service**”), as applicable, the sum of the amounts required in a calendar year to pay the interest due in such calendar year (excluding interest to be paid from the proceeds of the sale of bonds), the principal of Serial Bonds maturing in such calendar year, and the Sinking Fund Requirements for any Term Bonds due in such calendar year. Additionally, for purposes of this definition:

(a) **Calculation of Interest Due – Generally.** Except as otherwise provided below, interest shall be calculated based on the actual amount of accrued, accreted, or otherwise accumulated interest that is payable in respect of the relevant series of Parity Bonds or Junior Lien Bonds, as applicable, taken as a whole, at the rate or rates set forth in the applicable Bond Documents.

(b) **Capital Appreciation Bonds.** The principal and interest portions of the Accreted Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund Requirement shall be included in the calculations of accrued and unpaid and accruing interest or principal in such manner and during such period of time as is specified in the Bond Documents applicable to such Capital Appreciation Bonds.

(c) **Variable Interest Rate Bonds.**

(i) **Assumed Interest on Variable Interest Rate Parity Bonds.** The amount of interest deemed to be payable on any series of Parity Bonds that are Variable Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds is equal to the rate that is 90% of the average RBI during the four calendar quarters ending at least 15 days preceding the quarter in which the calculation is made. *Upon the Parity Covenant Date, the following sentence shall replace the immediately preceding sentence: The amount of interest deemed to be payable on any series of Junior Lien Bonds that are Variable Interest Rate Bonds*

1 *shall be calculated on the assumption that the interest rate on those bonds is equal to the highest*
2 *12-month rolling average of the SIFMA Municipal Swap Index over the preceding ten years.*
3 *And, upon the redemption or defeasance of all of the Outstanding Parity Bonds identified in*
4 *Exhibit A to this ordinance, a five-year look back period shall be substituted for the ten-year*
5 *period referenced in the immediately preceding sentence.*

6 (ii) **Assumed Interest on Variable Interest Rate Junior Lien Bonds.** The
7 amount of interest deemed to be payable on any series of Junior Lien Bonds that are Variable
8 Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds is
9 equal to the highest 12-month rolling average (ending with the month preceding the date of the
10 calculation) of the SIFMA Municipal Swap Index over the preceding five years.

11 (d) **Interest on Bonds with Respect to Which a Payment Agreement is in Force.** In
12 general, debt service on any bonds (Parity Bonds or Junior Lien Bonds, as applicable) with respect
13 to which a Payment Agreement is in force shall be based on the net economic effect on the City
14 expected to be produced by the terms of the applicable Bond Documents and the terms of the
15 Payment Agreement. For example, if the net effect of the Payment Agreement on a series of bonds
16 otherwise bearing interest at a variable interest rate is to produce an obligation bearing interest at
17 a fixed rate, the relevant series of bonds shall be treated as fixed rate bonds. And if the net effect
18 of the Payment Agreement on a series of bonds otherwise bearing interest at a fixed interest rate
19 is to produce an obligation bearing interest at a variable interest rate, the relevant series of bonds
20 shall be treated as Variable Interest Rate Bonds.

21 Accordingly, the amount of interest deemed to be payable on any series of Parity Bonds
22 (or Junior Lien Bonds, as applicable) with respect to which a Payment Agreement is in force shall
23 be an amount equal to the amount of interest that would be payable at the rate or rates stated in or

determined pursuant to the applicable Bond Documents, plus Payment Agreement Payments, minus Payment Agreement Receipts. For the purposes of calculating as nearly as practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment Agreement that includes a variable rate component determined by reference to a pricing mechanism or index that is not the same as the pricing mechanism or index used to determine the variable rate interest component on the series of bonds to which the Payment Agreement is related, it shall be assumed that: (i) the fixed rate used in calculating Payment Agreement Payments will be equal to 105% of the fixed rate specified by the Payment Agreement, and (ii) the pricing mechanism or index specified by the Payment Agreement is the same as the pricing mechanism or index specified by the applicable Bond Documents. Notwithstanding the other provisions of this definition, the City shall not be required to (but may in its discretion) take into account in determining Annual Debt Service the effects of any Payment Agreement that has a term of ten years or less.

(e) **Parity Payment Agreements; Junior Lien Payment Agreements.** For any period during which Payment Agreement Payments under a Parity Payment Agreement (or Junior Lien Payment Agreement, as applicable) are taken into account in determining Annual Debt Service on the related Parity Bonds (or Junior Lien Bonds, as applicable) under subsection (d), no additional debt service shall be taken into account with respect to that Parity Payment Agreement (or a Junior Lien Payment Agreement, as applicable). However, for any period during which Payment Agreement Payments are not taken into account under subsection (d) because the Parity Payment Agreement (or Junior Lien Payment Agreement, as applicable), is not then related to any outstanding Parity Bonds (or Junior Lien Bonds, as applicable) payments on that Payment Agreement shall be taken into account by assuming:

1 (i) **If City is Obligated to Make Payments Based on Fixed Rate.** If the City
2 is obligated to make Payment Agreement Payments based on a fixed rate and the Qualified
3 Counterparty is obligated to make payments based on a variable rate index, it shall be assumed
4 that payments by the City will be based on the assumed fixed payor rate, and that payments by the
5 Qualified Counterparty will be based on a rate equal to the average rate determined by the variable
6 rate index specified by the Payment Agreement during the four calendar quarters preceding the
7 quarter in which the calculation is made.

8 (ii) **If City is Obligated to Make Payments Based on Variable Rate Index.**
9 If the City is obligated to make Payment Agreement Payments based on a variable rate index and
10 the Qualified Counterparty is obligated to make payments based on a fixed rate, it shall be assumed
11 that payments by the City will be based on a rate equal to the average rate determined by the
12 variable rate index specified by the Payment Agreement during the four calendar quarters
13 preceding the quarter in which the calculation is made, and that the Qualified Counterparty will
14 make payments based on the fixed rate specified by the Payment Agreement.

15 (f) **Balloon Bonds.** *Upon the Parity Covenant Date, the following sentence shall*
16 *become effective: In calculating Annual Bond Debt Service for any series of Parity Bonds, the*
17 *City may in its discretion treat the debt service requirements with respect to Parity Bonds that*
18 *are Balloon Bonds (including principal of and interest on such bonds at the applicable rate or*
19 *rates) as being amortized in approximately equal annual installments over a period equal to the*
20 *longer of 30 years or the remaining term of such series of Parity Bonds.*

21 In calculating Annual Debt Service for any series of Junior Lien Bonds, the City may in its
22 discretion treat the debt service requirements with respect to Junior Lien Bonds that are Balloon
23 Bonds (including principal of and interest on such bonds at the applicable rate or rates) as being

1 amortized in approximately equal annual installments over a period equal to the longer of 30 years
2 or the remaining term of such series of Junior Lien Bonds.

3 (g) **Adjustments for Defeased Bonds.** For purposes of determining compliance with
4 the rate covenants set forth in Sections 17(a)(ii) and (b)(ii), calculating the Reserve Fund
5 Requirement, and making coverage ratio calculations in connection with the delivery of a Parity
6 Certificate or Junior Lien Coverage Certificate, Annual Debt Service shall be adjusted as set forth
7 in Section 20(d).

8 (h) **Intermediate and Junior Lien Reimbursement Obligations.** If any payment
9 under an Intermediate Lien Reimbursement Obligation or under a Junior Lien Reimbursement
10 Obligation is then due and payable, or is then reasonably expected to become due and payable, the
11 reasonably estimated amount and timing of such payment, calculated in accordance with
12 applicable generally accepted accounting principles and as reflected in the annual financial
13 statements of the Light System, shall be included in calculating Annual Junior Lien Debt Service
14 for purposes of delivering a Junior Lien Coverage Certificate.

15 **“Authorized Denomination”** means \$5,000 or any integral multiple thereof within a
16 maturity of a Series, or such other minimum authorized denominations as may be specified in the
17 applicable Bond Documents.

18 **“Average Annual Debt Service”** means, for purposes of calculating the Reserve Fund
19 Requirement with respect to all Parity Bonds outstanding at the time of calculation, the sum of the
20 Annual Parity Bond Debt Service remaining to be paid to the last scheduled maturity of the
21 applicable Parity Bonds, divided by the number of years such Parity Bonds are scheduled to remain
22 outstanding.

1 **“Balloon Bonds”** means any series of either Parity Bonds or Junior Lien Bonds, as
2 applicable, the aggregate principal amount (including Sinking Fund Requirements) of which
3 becomes due and payable in any calendar year in an amount that constitutes 25% or more of the
4 initial aggregate principal amount of such series.

5 **“Beneficial Owner”** means, with regard to a Bond, the owner of any beneficial interest in
6 that Bond.

15 Ordinance(s); (b) the authenticated bond form; and (c) the written agreement(s) setting forth the
16 Bond Sale Terms and additional terms, conditions, or covenants pursuant to which such bond was
17 issued and sold, as set forth in any one or more of the following (if any): (i) a sale resolution, (ii)
18 a bond purchase contract (as defined in the applicable authorizing ordinance), (iii) a bond indenture
19 or a fiscal agent or paying agent agreement (other than the State fiscal agency contract), and (iv) a
20 direct purchase or continuing covenant agreement.

21 **“Bond Owners’ Trustee”** means a bank or trust company organized under the laws of the
22 State, or a national banking association, appointed in accordance with Section 24(e) of this

“Bond Purchase Contract” means a written offer to purchase a Series of the Bonds pursuant to certain Bond Sale Terms, which offer has been accepted by the City in accordance with this ordinance. “Book-Entry Form” means a fully registered form in which physical bond certificates are registered only in the name of the Securities Depository (or its nominee), as Registered Owner, with the physical bond certificates held by and “immobilized” in the custody of the Securities Depository or its designee, where the system for recording and identifying the transfer of the

ownership interests of the Beneficial Owners in those Bonds is neither maintained by nor the responsibility of the City or the Bond Registrar.

“Capital Appreciation Bond” means any Parity Bond or Junior Lien Bond, all or a portion of the interest on which is compounded and accumulated at the rates or in the manner, and on the dates, set forth in the applicable Bond Documents, and is payable only upon redemption or on the maturity date of such Capital Appreciation Bond. A Parity Bond or a Junior Lien Bond that is issued as a Capital Appreciation Bond, but which later converts to an obligation on which interest is paid periodically, shall be a Capital Appreciation Bond until the conversion date and thereafter shall no longer be a Capital Appreciation Bond, but shall be treated as having a principal amount equal to its Accreted Value on the conversion date. For purposes of (a) receiving payment of the redemption premium, if any, on a Capital Appreciation Bond that is redeemed prior to maturity, or (b) computing the principal amount of Parity Bonds (or Junior Lien Bonds, a applicable) held by the Owner of a Capital Appreciation Bond in connection with any notice, consent, request, or demand pursuant to this ordinance or for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value at the time that such notice, consent, request, or demand is given or made.

11 rank to the lien and charge upon such Net Revenue required to be paid into the Parity Bond Fund
12 to pay and secure the payment of the Parity Bonds, but senior to the lien and charge upon such Net
13 Revenue required to be paid into the Junior Lien Bond Fund to pay and secure the payment of the

Each Series of the Bonds shall bear interest at one or more fixed interest rates or Variable Interest Rates. The net interest cost for any fixed rate Series may not exceed a rate of 10% per annum. The Bond Documents for any Series may provide for multiple interest rates and interest rate modes, and may provide conditions and mechanisms for the Director of Finance to effect a conversion from one mode to another. Nothing in this ordinance shall be interpreted to prevent the Bond Documents for any Series from including a provision for adjustments to interest rates during the term of the Series upon the occurrence of certain events specified in the applicable Bond Documents.

(v) **Payment Dates.** Interest shall be payable on dates acceptable to the Director of Finance. Principal shall be payable on dates acceptable to the Director of Finance, which shall include payment at the maturity of each Bond; in accordance with any Sinking Fund Requirements applicable to Term Bonds; and otherwise in accordance with any redemption or tender provisions.

1 (vi) **Final Maturity.** The final maturity of any Series of the Bonds shall be
2 determined by the Director of Finance, consistent with chapter 39.53 RCW and other applicable
3 State law, as it may be amended from time to time.

4 (vii) **Redemption Prior to Maturity.** The Bond Sale Terms may include
5 redemption and tender provisions, as determined by the Director of Finance in his discretion,
6 consistent with Section 8 and subject to the following:

7 (A) **Optional Redemption.** The Director of Finance may designate any
8 Bond as subject to optional redemption prior to its maturity. Any Bond that is subject to optional
9 redemption prior to maturity must be callable on at least one or more date(s) occurring not more
10 than 10½ years after the Issue Date, consistent with Section 8(a).

11 (B) **Mandatory Redemption.** The Director of Finance may designate
12 any Bond as a Term Bond, subject to mandatory redemption prior to its maturity on the dates and
13 in principal payment amounts set forth in Sinking Fund Requirements, consistent with Section
14 8(b).

15 (C) **Extraordinary Redemptions.** The Director of Finance may
16 designate any Bond as subject to extraordinary optional redemption or extraordinary mandatory
17 redemption upon the occurrence of an extraordinary event, as such event or events may be set forth
18 in the applicable Bond Documents, consistent with Section 8(c).

19 (D) **Tender Options.** The Director of Finance may designate any
20 Variable Interest Rate Bond as subject to tender options, as set forth in the applicable Bond
21 Documents.

22 (viii) **Price.** The Director of Finance may approve in the Bond Sale Terms an
23 aggregate purchase price for each Series of the Bonds that is, in his or her judgment, the price that

1 produces the most advantageous borrowing cost for the City, consistent with the parameters set
2 forth herein and in any applicable bid documents.

3 (ix) **Other Terms and Conditions.**

4 (A) **Refunding Findings; Approval of Refunding Plan.** As of the
5 Issue Date of each Series, the Director of Finance must approve a Refunding Plan (which may be
6 set forth in a Refunding Trust Agreement) and finds that such Refunding Plan is necessary to
7 accomplish one or more of the purposes set forth in RCW 39.53.020, as it may be amended from
8 time to time and is consistent with the City's debt policies then in effect (including, if applicable,
9 a finding that the Refunding Plan will achieve an acceptable level of debt service savings).

10 (B) **Satisfaction of Parity Conditions or Junior Lien Additional**
11 **Bonds Test.** For each Series of the Bonds, the Director of Finance must designate each Series of
12 the Bonds as a series of either Parity Bonds or Junior Lien Bonds. For each Series to be designated
13 as Parity Bonds, the Director of Finance must find to his or her satisfaction that, as of the Issue
14 Date, the Parity Conditions have been met or satisfied so that such Series is permitted to be issued
15 as Parity Bonds. For each Series to be designated as Junior Lien Bonds, the Director of Finance
16 must find to his or her satisfaction that, as of the Issue Date, the Junior Lien Additional Bonds Test
17 has been met or satisfied so that such Series is permitted to be issued as Junior Lien Bonds.

18 (C) **Additional Terms, Conditions, and Agreements.** The Bond Sale
19 Terms for any Series may provide for Qualified Insurance, a Qualified Letter of Credit or other
20 liquidity facility, Intermediate Lien Reimbursement Obligation, Junior Lien Reimbursement
21 Obligation, or for any other Payment Agreement as the Director of Finance may find necessary or
22 desirable, and may include such additional terms, conditions, and covenants, as may be necessary
23 or desirable, including but not limited to: restrictions on investment of Bond proceeds and pledged

funds (including any escrow established for the defeasance of any of the Bonds), provisions for the conversion of interest rate modes, provisions for the reimbursement of a credit enhancement provider or Qualified Counterparty, and requirements to give notice to or obtain the consent of a credit enhancement provider or a Qualified Counterparty. The Director of Finance is authorized to execute, on behalf of the City, such additional certificates and agreements as may be necessary or desirable to reflect such terms, conditions, and covenants.

(D) **Parity Bond Reserve Fund Requirement.** The Bond Sale Terms for any Series of Parity Bonds must establish the Reserve Fund Requirement for such Series and must set forth the method for satisfying any such requirement, consistent with Section 15 and the Parity Conditions. The Reserve Fund Requirement for any such Series may not be set at a level that would cause the aggregate Reserve Fund Requirement to exceed the least of (1) 125% of Average Annual Debt Service on all Parity Bonds outstanding, (2) Maximum Annual Debt Service on all Parity Bonds outstanding, or (3) 10% of the proceeds of the outstanding Parity Bonds.

(E) **Tax Status of the Bonds.** The Director of Finance may determine that any Series of the Bonds is to be designated or qualified as Tax-Exempt Bonds, Taxable Bonds, or Tax Credit Subsidy Bonds, consistent with Section 21.

Section 6. **Bond Registrar; Registration and Transfer of Bonds.**

(a) **Registration of Bonds; Bond Registrar.** The Bonds shall be issued only in registered form as to both principal and interest and shall be recorded on the Bond Register. The Fiscal Agent is appointed to act as Bond Registrar for each Series of the Bonds, unless otherwise determined by the Director of Finance.

(b) **Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the Bonds, which shall be open to

1 inspection by the City at all times. The Bond Register shall contain the name and mailing address
2 of the Registered Owner of each Bond and the principal amount and number of each of the Bonds
3 held by each Registered Owner.

4 The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds
5 transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to
6 serve as the City's paying agent for the Bonds and to carry out all of the Bond Registrar's powers
7 and duties under this ordinance and the Registration Ordinance.

8 The Bond Registrar shall be responsible for its representations contained in the Bond
9 Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an Owner
10 of Bonds with the same rights it would have if it were not the Bond Registrar and, to the extent
11 permitted by law, may act as depository for and permit any of its officers or directors to act as
12 members of, or in any other capacity with respect to, any committee formed to protect the rights
13 of Owners.

14 Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized
15 Denomination of an equal aggregate principal amount and of the same Series, seniority, interest
16 rate, and maturity. Bonds may be transferred only if endorsed in the manner provided thereon and
17 surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to an Owner or
18 transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond during the
19 period between the Record Date and the corresponding interest payment or principal redemption
20 date.

21 (c) **Securities Depository; Book-Entry Form.** Unless otherwise determined by the
22 Director of Finance, the Bonds initially shall be issued in Book-Entry Form and registered in the
23 name of the Securities Depository. The Bonds so registered shall be held fully immobilized in

1 Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of
2 Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation
3 to participants of the Securities Depository or the persons for whom they act as nominees with
4 respect to the Bonds regarding the accuracy of any records maintained by the Securities Depository
5 or its participants of any amount in respect of principal of or interest on the Bonds, or any notice
6 which is permitted or required to be given to Registered Owners hereunder (except such notice as
7 is required to be given by the Bond Registrar to the Securities Depository). Registered ownership
8 of a Bond initially held in Book-Entry Form, or any portion thereof, may not be transferred except:
9 (i) to any successor Securities Depository; (ii) to any substitute Securities Depository appointed
10 by the City or such substitute Securities Depository's successor; or (iii) to any person if the Bond
11 is no longer held in Book-Entry Form.

12 Upon the resignation of the Securities Depository from its functions as depository, or upon
13 a determination by the Director of Finance to discontinue utilizing the then-current Securities
14 Depository, the Director of Finance may appoint a substitute Securities Depository. If the
15 Securities Depository resigns from its functions as depository and no substitute Securities
16 Depository can be obtained, or if the Director of Finance determines not to utilize a Securities
17 Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be
18 transferred only as provided herein.

19 Nothing herein shall prevent the Bond Sale Terms from providing that a Series of the Bonds
20 shall be issued in certificated form without utilizing a Securities Depository, and that the Bonds of
21 such Series shall be registered as of their Issue Date in the names of the Owners thereof, in which
22 case ownership may be transferred only as provided herein.

1 (d) **Lost or Stolen Bonds.** In case any Bond shall be lost, stolen or destroyed, the
2 Bond Registrar may authenticate and deliver a new bond or bonds of like amount, date, tenor, and
3 effect to the Registered Owner(s) thereof upon the Registered Owner(s)' paying the expenses and
4 charges of the City in connection therewith and upon filing with the Bond Registrar evidence
5 satisfactory to the Bond Registrar that such bond or bonds were actually lost, stolen or destroyed
6 and of Registered Ownership thereof, and upon furnishing the City with indemnity satisfactory to
7 both.

8 Section 7. **Payment of Bonds.**

9 (a) **Payment.** Each Bond shall be payable in lawful money of the United States of
10 America on the dates and in the amounts as provided in the Bond Documents for that Series.
11 Principal of and interest on each Bond designated as a Parity Bond shall be payable solely out of
12 the Parity Bond Fund. Principal of and interest on each Bond designated as a Junior Lien Bond
13 shall be payable solely out of the Junior Lien Debt Service Fund. The Bonds shall not be general
14 obligations of the City. No Bonds of any Series shall be subject to acceleration under any
15 circumstances.

16 (b) **Bonds Held In Book-Entry Form.** Principal of and interest on each Bond held in
17 Book-Entry Form shall be payable in the manner set forth in the Letter of Representations.

18 (c) **Bonds Not Held In Book-Entry Form.** Interest on each Bond not held in Book-
19 Entry Form shall be payable by electronic transfer on the interest payment date, or by check or
20 draft of the Bond Registrar mailed on the interest payment date to the Registered Owner at the
21 address appearing on the Bond Register on the Record Date. The City, however, is not required to
22 make electronic transfers except pursuant to a request by a Registered Owner in writing received
23 at least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal

1 of each Bond not held in Book-Entry Form shall be payable upon presentation and surrender of
2 the Bond by the Registered Owner to the Bond Registrar.

3 Section 8. **Redemption and Purchase of Bonds.**

4 (a) **Optional Redemption.** All or some of the Bonds may be subject to redemption
5 prior to their stated maturity dates at the option of the City at the times and on the terms set forth
6 in the applicable Bond Documents.

7 (b) **Mandatory Redemption.** All or some of the Bonds of any Series may be
8 designated as Term Bonds, subject to mandatory redemption in Sinking Fund Requirements, as set
9 forth in the applicable Bond Documents. If not redeemed or purchased at the City's option prior
10 to maturity, Term Bonds (if any) must be redeemed, at a price equal to one hundred percent of the
11 principal amount to be redeemed, plus accrued interest, on the dates and in the years and Sinking
12 Fund Requirements as set forth in the applicable Bond Documents. If the City optionally redeems
13 or purchases a Term Bond prior to maturity, the principal amount of that Term Bond that is so
14 redeemed or purchased (irrespective of its redemption or purchase price) shall be credited against
15 the remaining Sinking Fund Requirements for that Term Bond in the manner as directed by the
16 Director of Finance. In the absence of direction by the Director of Finance, credit shall be allocated
17 to the remaining Sinking Fund Requirements for that Term Bond on a *pro rata* basis.

18 (c) **Extraordinary Redemption Provisions.** All or some of the Bonds of any Series
19 may be subject to extraordinary optional or extraordinary mandatory redemption prior to maturity
20 upon the occurrence of an extraordinary event at the prices, in the principal amounts, and on the
21 dates, all as set forth in the applicable Bond Documents.

22 (d) **Selection of Bonds for Redemption; Partial Redemption.** If fewer than all of
23 the outstanding Bonds are to be redeemed at the option of the City, the Director of Finance shall

1 select the Series and maturity or maturities to be redeemed. If less than all of the principal amount
2 of a maturity of the selected Series is to be redeemed, if such Series is held in Book-Entry Form,
3 the portion of such maturity to be redeemed shall be selected for redemption by the Securities
4 Depository in accordance with the Letter of Representations, and if the Series is not then held in
5 Book-Entry Form, the portion of such maturity to be redeemed shall be selected by the Bond
6 Registrar using such method of random selection as the Bond Registrar shall determine. All or a
7 portion of the principal amount of any Bond that is to be redeemed may be redeemed in any
8 applicable Authorized Denomination. If less than all of the outstanding principal amount of any
9 Bond is redeemed, upon surrender of that Bond to the Bond Registrar there shall be issued to the
10 Registered Owner, without charge, a new Bond (or Bonds, at the option of the Registered Owner)
11 of the same Series, seniority, maturity, and interest rate in any Authorized Denomination in the
12 aggregate principal amount to remain outstanding.

13 (e) **Purchase.** The City reserves the right and option to purchase any or all of the
14 Bonds at any time at any price acceptable to the City plus accrued interest to the date of purchase.

15 Section 9. **Notice of Redemption; Rescission of Notice.** Unless otherwise set forth
16 in the applicable Bond Documents, the City must cause notice of any intended redemption of
17 Bonds to be given not less than 20 nor more than 60 days prior to the date fixed for redemption by
18 first-class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the
19 address appearing on the Bond Register on the Record Date, and the requirements of this sentence
20 shall be deemed to have been fulfilled when notice has been mailed as so provided, whether or not
21 it is actually received by the Owner of any Bond. Interest on Bonds called for redemption shall
22 cease to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed
23 when presented pursuant to the call.

1 In the case of an optional or extraordinary optional redemption, the notice may state that
2 the City retains the right to rescind the redemption notice and the related optional redemption of
3 Bonds by giving a notice of rescission to the affected Registered Owners at any time on or prior
4 to the scheduled optional redemption date. Any notice of optional redemption that is rescinded by
5 the Director of Finance shall be of no effect, and the Bonds for which the notice of optional
6 redemption has been rescinded shall remain outstanding.

7 Section 10. **Failure to Pay Bonds.** If any Bond is not paid when properly presented at
8 its maturity or redemption date, the City shall be obligated to pay, solely from the sources pledged
9 to that Bond in this ordinance, interest on that Bond at the same rate provided on that Bond from
10 and after its maturity or redemption date until that Bond, principal, premium, if any, and interest,
11 is paid in full or until sufficient money for its payment in full is on deposit in the Parity Bond Fund
12 (if such Bond is a Parity Bond) or the Junior Lien Debt Service Fund (if such Bond is a Junior Lien
13 Bond) and that Bond has been called for payment by giving notice of that call to the Registered
14 Owner of that Bond. The exercise of remedies of Owners of the Bonds are limited as set forth in
15 Section 24.

16 Section 11. **Form and Execution of Bonds.** The Bonds shall be typed, printed, or
17 reproduced in a form consistent with the provisions of this ordinance and State law; shall be signed
18 by the Mayor and Director of Finance, either or both of whose signatures may be manual or in
19 facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or printed
20 thereon.

21 Only Bonds bearing a certificate of authentication in substantially the following form (with
22 the designation, year, seniority, and Series adjusted consistent with this ordinance), manually
23 signed by the Bond Registrar, shall be valid or obligatory for any purpose or entitled to the benefits

1 of this ordinance: "This Bond is one of the fully registered The City of Seattle, Washington,
2 Municipal Light and Power [Refunding] Revenue Bonds, [Year], [Series] [Seniority], described
3 in [this ordinance]." Junior Lien Bonds shall also bear the words "Junior Lien" in their name in
4 the foregoing certificate of authentication. The authorized signing of a certificate of authentication
5 shall be conclusive evidence that the Bond so authenticated has been duly executed, authenticated,
6 and delivered and is entitled to the benefits of this ordinance.

7 If any officer whose manual or facsimile signature appears on a Bond ceases to be an officer
8 of the City authorized to sign bonds before the Bond bearing his or her manual or facsimile
9 signature is authenticated or delivered by the Bond Registrar or issued by the City, that Bond
10 nevertheless may be authenticated, delivered and issued and, when authenticated, issued and
11 delivered, shall be as binding on the City as though that person had continued to be an officer of
12 the City authorized to sign bonds. Any Bond also may be signed on behalf of the City by any
13 person who, on the actual date of signing of the Bond, is an officer of the City authorized to sign
14 bonds, although he or she did not hold the required office on the date of issuance of that Series of
15 the Bonds.

16 Section 12. **Deposit and Use of Proceeds.** Unless otherwise provided in the applicable
17 Bond Documents, the principal proceeds and net premium, if any, received from the sale and
18 delivery of each Series of the Bonds, in the amount necessary to carry out the applicable Refunding
19 Plan, shall be deposited with the Refunding Trustee and used in accordance with the provisions of
20 this section to discharge the obligations of the City relating to the Refunded Bonds identified
21 therein.

22 The Director of Finance may use the principal proceeds and any net premium to pay for
23 costs of issuance of the Bonds, and the Director of Finance also may incur and account for costs

1 of issuance that are not included as part of the bond proceeds and net premium, including but not
2 limited to any underwriter's discount. Net premium and accrued interest received from the sale
3 and delivery of a Series of the Bonds, if any, that is not necessary to carry out the Refunding Plan,
4 shall be paid or allocated into the Parity Bond Fund (or Junior Lien Bond Fund, as applicable) and
5 used to pay interest on that Series.

6 Until needed to carry out the applicable Refunding Plan and to pay the costs described
7 herein, the principal proceeds of each Series of the Bonds shall be held or invested (and the
8 investment earning shall be applied) in accordance with the Refunding Trust Agreement, and the
9 money deposited with the Refunding Trustee, including the Acquired Obligations and any
10 investment earnings, shall be held irrevocably, invested and applied in accordance with the
11 provisions of the respective Refunded Bond Legislation, this ordinance, the Refunding Trust
12 Agreement, chapter 39.53 RCW, and other applicable State law. Earnings subject to a federal tax
13 or rebate requirement may be withdrawn from any such fund or account and used for those tax or
14 rebate purposes.

15 The Director of Finance may pay principal of and interest on a Series of the Bonds with
16 any proceeds of that Series (including interest earnings thereon) remaining after applying such
17 proceeds to carry out the Refunding Plan, or after the City Council has determined that the
18 expenditure of such Bond proceeds for those purposes is no longer necessary or appropriate.

19 Section 13. **Security for the Bonds; Designation as Parity Bonds or Junior Lien**
20 **Bonds.** The Bonds shall not constitute general obligations of the City, the State or any political
21 subdivision of the State or a charge upon any general fund or upon any money or other property
22 of the City, the State, or any political subdivision of the State not specifically pledged by this
23 ordinance.

1 (a) **Parity Bonds.** Each Series of the Bonds that is designated as Parity Bonds shall
2 be a special limited obligation of the City payable from and secured solely by Gross Revenue
3 available after payment of Operating and Maintenance Expense (“Net Revenue”) and by money
4 in the Parity Bond Fund and the Reserve Fund. The Net Revenue is pledged to make the payments
5 into the Parity Bond Fund and the Reserve Fund required by Sections 14 and 15, which pledge
6 shall constitute a lien and charge upon such Net Revenue prior and superior to all other charges
7 whatsoever. Each Series of the Bonds designated as Parity Bonds shall be issued on parity with
8 the Outstanding Parity Bonds and all Future Parity Bonds, without regard to date of issuance or
9 authorization and without preference or priority of right or lien.

10 (b) **Junior Lien Bonds.** Each Series of the Bonds that is designated as Junior Lien
11 Bonds shall be a special limited obligation of the City payable from and secured solely by Net
12 Revenue and by money in the Junior Lien Debt Service Fund. The Net Revenue is pledged to make
13 the payments into the Junior Lien Debt Service Fund required by Sections 14 and 16, which pledge
14 shall constitute a lien and charge upon such Net Revenue (i) subordinate only to the payments to
15 be made (A) into the Parity Bond Fund in respect of the principal of and interest on the Outstanding
16 Parity Bonds and Parity Payment Agreements, (B) in respect of reimbursement obligations arising
17 under Alternate Reserve Securities, and (C) in respect of obligations arising under Intermediate
18 Lien Reimbursement Obligations, and (ii) prior and superior to all other charges whatsoever. Each
19 Series of the Bonds designated as Junior Lien Bonds shall be issued on parity with the lien and
20 charge of any then outstanding Junior Lien Bonds and all Future Junior Lien Bonds, without regard
21 to date of issuance or authorization and without preference or priority of right or lien. Nothing in
22 this ordinance prevents the City from issuing revenue bonds or other obligations which are a charge
23 or lien upon Net Revenues subordinate to the payments required to be made into the Junior Lien

Debt Service Fund and the Reserve Fund, and any subfund, account, or subaccount within the foregoing funds.

Section 14. **Priority Expenditure of Gross Revenue; Flow of Funds.** Gross Revenue shall be deposited as received in the Light Fund and used for the following purposes only, in the following order of priority:

(a) To pay the Operating and Maintenance Expense of the Light System;

(b) To make all payments into the Parity Bond Fund required to be made in order to pay the interest on and principal of all Parity Bonds, including all Parity Bond Sinking Fund Requirements and all net payments under Parity Payment Agreements, when due;

(c) To make all payments required to be made (if any) into the Reserve Fund necessary to satisfy the Reserve Fund Requirement, and to make all payments (if any) required to be made under Section 15(c)(i)(B) into a special account within the Light Fund for the replacement of an Alternate Reserve Security as to which the City has received a notice of cancellation;

(d) To make all payments required to be made (if any) in respect of Intermediate Lien Reimbursement Obligations;

(e) To make all payments into the Junior Lien Debt Service Fund required to be made in order to pay the interest on and principal of all Junior Lien Bonds, including all net payments under Junior Lien Payment Agreements and all Junior Lien Reimbursement Obligations, when due;

(f) To make all required payments into any revenue bond redemption fund created to pay and secure the payment of the principal of and interest on any revenue bonds or short-term obligations of the City having a charge and lien upon Net Revenue subordinate to the lien thereon

1 for the payment of the principal of and interest on the Parity Bonds and the Junior Lien Bonds;
2 and

3 (g) Without priority, for any of the following purposes: to retire by redemption or
4 purchase any outstanding revenue bonds or revenue obligations of the Light System; to make
5 necessary additions, betterments, repairs, extensions, and replacements of the Light System; to pay
6 City taxes or other payments in lieu of taxes payable from Gross Revenue; to make deposits to the
7 Rate Stabilization Account; or for any other lawful Light System purpose.

8 Section 15. **Parity Bond Fund; Reserve Fund.** The special funds of the City known
9 as the Parity Bond Fund and the Reserve Fund have been previously created and shall be
10 maintained as special funds for the sole purpose of paying the principal of (including redemption
11 premium, if any) and interest on the Parity Bonds as the same shall become due. The Director of
12 Finance may create subfunds, accounts, or subaccounts in the Parity Bond Fund and the Reserve
13 Fund to pay or secure the payment of Parity Bonds as long as the maintenance of such subfunds,
14 accounts, or subaccounts does not conflict with the rights of the owners of the Parity Bonds.
15 Principal of, premium (if any) and interest on the Parity Bonds shall be payable solely out of the
16 Parity Bond Fund.

17 (a) **Required Payments Into the Parity Bond Fund and Reserve Fund.** So long as
18 any Parity Bonds (including any Parity Payment Agreements) are outstanding, the City shall set
19 aside and pay out of Net Revenue certain fixed amounts, without regard to any fixed proportion,
20 namely:

21 (i) Into the Parity Bond Fund, on or prior to the respective dates on which such
22 payments shall become due and payable, an amount sufficient, together with other money on
23 deposit therein, to pay the interest on (including net payments due on Parity Payment Agreement

1 Payments) and principal of (including any Sinking Fund Requirements) the Parity Bonds as the
2 same shall become due; and

3 (ii) Into the Reserve Fund, an amount necessary to provide for the Reserve Fund
4 Requirement within the time and manner required by this ordinance and the Bond Sale Terms.

5 To meet the required payments to be made into the Parity Bond Fund and the Reserve
6 Fund, the Director of Finance may transfer any money from any funds or accounts of the City
7 legally available therefor, except bond redemption funds, refunding escrow funds, or defeasance
8 funds. The Director of Finance may provide for the purchase, redemption, or defeasance of any
9 Parity Bonds by the use of money on deposit in any subfund, account, or subaccount in the Parity
10 Bond Fund or Reserve Fund, so long as the money remaining in those subfunds, accounts, or
11 subaccounts is sufficient to satisfy the required deposits with respect to the remaining Parity
12 Bonds.

13 (b) **Parity Bond Fund.** The Parity Bond Fund has been previously created for the sole
14 purpose of paying the principal of and interest on the Parity Bonds as the same shall become due.
15 Each Series of the Bonds designated as Parity Bonds shall be payable (including principal, Sinking
16 Fund Requirements, redemption premium (if any), and interest) out of the Parity Bond Fund.
17 Money in the Parity Bond Fund shall, to the fullest extent practicable and reasonable, be invested
18 and reinvested at the direction of the Director of Finance solely in, and obligations deposited in
19 such accounts shall consist of, Permitted Investments. Earnings on money and investments in the
20 Parity Bond Fund shall be deposited in and used for the purposes of that fund.

21 (c) **Reserve Fund.** The Reserve Fund has been previously created for the purpose of
22 securing the payment of the principal of and interest on all Parity Bonds (including all net payments
23 due under any Parity Payment Agreements, if any). Money held in the Reserve Fund shall, to the

1 fullest extent practicable and reasonable, be invested and reinvested at the direction of the Director
2 of Finance solely in, and obligations deposited in such accounts shall consist of, Permitted
3 Investments. Earnings on money and investments in the Reserve Fund shall be deposited in that
4 fund and credited against amounts required to be deposited therein until the Reserve Fund is fully
5 funded, and thereafter such earnings shall be deposited in the Parity Bond Fund.

6 (i) **Reserve Fund Requirement.** The Bond Sale Terms for each Series of the
7 Bonds shall establish the amount to be added to the aggregate Reserve Fund Requirement (if any)
8 for such Series, and the method for providing for such incremental addition to the Reserve Fund
9 deposit, subject to the following:

10 (A) In connection with the issuance of Future Parity Bonds, the City
11 shall provide the amounts required for deposit into the Reserve Fund (1) at one time on the Issue
12 Date, or (2) in periodic deposits of Net Revenue (or any other legally available source of funds),
13 so that by five years from the date of such Future Parity Bonds there will have been paid into the
14 Reserve Fund an amount which, together with the money already on deposit therein, will be at
15 least equal to the Reserve Fund Requirement for the Parity Bonds scheduled to be outstanding at
16 the end of that five-year period.

17 (B) The City may obtain one or more Alternate Reserve Securities for
18 specific amounts required to be paid into the Reserve Fund. The amount available to be drawn
19 upon under each such Alternate Reserve Security shall be credited against the amounts needed to
20 satisfy the Reserve Fund Requirement. In the event of receipt of any notice of cancellation of an
21 Alternate Reserve Security the City shall (and, in preparation for the expiration of any such
22 Alternate Reserve Security in accordance with its terms, the City may) either: (1) obtain a
23 substitute an Alternate Reserve Security in the amount necessary to satisfy the Reserve Fund

1 Requirement on the date any such cancellation (or expiration) becomes effective, or (2) create a
2 special account in the Light Fund and deposit therein amounts necessary to replace the Alternate
3 Reserve Security upon its expiration or cancellation. In the case of receipt of a notice of
4 cancellation, such periodic deposits are to be made on or before the 25th day of each of the
5 60 calendar months succeeding receipt of such notice, in an amount equal to 1/60th of the amount
6 necessary (together with other money and investments then on deposit in the Reserve Fund) to
7 satisfy the expected Reserve Fund Requirement on the date such cancellation shall become
8 effective, taking into account scheduled redemptions of Parity Bonds and disregarding any
9 incremental additional amounts that may become necessary due the issuance of Future Parity
10 Bonds subsequent to the date of such notice of cancellation. Such amounts shall be transferred
11 from Net Revenue available in the Light Fund after making provision for payment of Operating
12 and Maintenance Expense and for the required payments into the Parity Bond Fund, in accordance
13 with Section 14. Amounts on deposit in such special account are preliminarily earmarked for the
14 replacement of such Alternate Reserve Security and shall not be available to pay debt service on
15 Parity Bonds or for any other purpose of the City, and shall be transferred to the Reserve Fund on
16 the effective date of any cancellation or expiration of the Alternate Reserve Security to make up
17 the deficiency caused thereby. In the event that the Reserve Fund is completely depleted and all
18 Alternate Reserve Securities have been fully drawn, the amounts in that special account may be
19 withdrawn and treated as Gross Revenues available to be used in accordance with the flow of funds
20 set forth in Section 14. If and when a substitute Alternate Reserve Security having a sufficient
21 value or policy limit is obtained, amounts held in that special account may be transferred back to
22 the Light Fund and treated as Gross Revenues available to be used in accordance with the flow of
23 funds set forth in Section 14.

1 (C) If the amount on deposit in the Reserve Fund is less than the Reserve
2 Fund Requirement (taking into account the five-year period referred to in paragraph (A) of this
3 subsection), the City shall transfer to the Reserve Fund money in an amount sufficient to restore
4 the Reserve Fund to the Reserve Fund Requirement within 12 months after the date of such
5 deficiency. The City shall transfer such amounts first from Net Revenue available in accordance
6 with the priority of payment in Section 14, and only thereafter from money in any construction
7 fund or account established with respect to any issue of Parity Bonds, first taking money from the
8 unrestricted portion thereof, then taking money from the restricted portion thereof. If the amount
9 in the Reserve Fund is greater than the Reserve Fund Requirement, then and only then may the
10 City withdraw such excess from the Reserve Fund and deposit such excess in the Light Fund.

11 (ii) **Use of Reserve Fund to Refund Parity Bonds.** If any Parity Bonds are to
12 be refunded, the money set aside in the Reserve Fund to secure the payment of such Parity Bonds
13 may be used to retire such Parity Bonds, or may be transferred to any reserve fund or account
14 which may be created to secure the payment of any bonds issued to refund such Parity Bonds, as
15 long as the money left remaining in the Reserve Fund is at least equal, together with all Alternate
16 Reserve Securities, to the Reserve Fund Requirement.

17 (iii) **Use of Reserve Fund to Pay Debt Service.** If the money in the Parity Bond
18 Fund is insufficient to meet maturing installments of either interest on or principal of and interest
19 on the Parity Bonds (including net amounts payable under any Parity Payment Agreements), such
20 deficiency shall be made up from the Reserve Fund by the withdrawal of money or proceeds of
21 Alternate Reserve Securities, as the case may be. Any deficiency created in the Reserve Fund by
22 reason of any such withdrawal or claim against an Alternate Reserve Security shall then be made
23 up out of Net Revenue or out of any other legally available funds of the City.

1 (iv) **Withdrawals From Reserve Fund.** Money in the Reserve Fund may be
2 withdrawn by the City for any lawful purpose as long as the aggregate of any money and Alternate
3 Reserve Securities remaining on deposit in the Reserve Fund is at least equal to the Reserve Fund
4 Requirement for the Parity Bonds then outstanding. The City reserves the right to substitute one
5 or more Alternate Reserve Securities for money previously deposited in the Reserve Fund and to
6 withdraw such excess to the extent described in the preceding sentence. Any withdrawals from
7 subaccounts within the Reserve Fund shall be made on a *pro rata* basis, except when the terms of
8 an Alternate Reserve Security require all cash and investments in the Reserve Fund to be
9 withdrawn before any draw or claim is made on the Alternate Reserve Security, or unless the City
10 receives an opinion of Bond Counsel to the effect that such *pro rata* withdrawal is not required to
11 maintain the federal tax benefits (if any) of any then outstanding Parity Bonds issued as Tax-
12 Exempt Bonds or Tax Credit Subsidy Bonds. If multiple Alternate Reserve Securities are on
13 deposit in the Reserve Fund, draws on such Alternate Reserve Securities shall be made on a *pro*
14 *rata* basis.

15 Section 16. **Junior Lien Debt Service Fund.**

16 (a) **Creation of Junior Lien Debt Service Fund; Use of Fund.** The Director of
17 Finance is hereby authorized and directed to create and maintain a special fund of the City known
18 as the Junior Lien Debt Service Fund for the sole purpose of paying the principal of (including
19 redemption premium, if any) and interest on the Junior Lien Bonds as the same shall become due.
20 The Junior Lien Debt Service Fund shall consist of a Principal and Interest Account and such
21 additional subfunds, accounts, or subaccounts as the Director of Finance may find it necessary or
22 convenient to create in order to pay or secure the payment of Junior Lien Bonds, as long as the

1 maintenance of such subfunds, accounts, or subaccounts does not conflict with the rights of the
2 owners of the Junior Lien Bonds or the Parity Bonds.

3 Each Series of the Bonds designated as Junior Lien Bonds shall be payable (including
4 principal, Sinking Fund Requirements, redemption premium (if any), and interest) out of the Junior
5 Lien Debt Service Fund. Money in the Junior Lien Debt Service Fund shall, to the fullest extent
6 practicable and reasonable, be invested and reinvested at the direction of the Director of Finance
7 solely in, and obligations deposited in such accounts shall consist of, Permitted Investments.
8 Earnings on money and investments in the Junior Lien Debt Service Fund shall be deposited in
9 and used for the purposes of that fund.

10 (b) **Required Payments Into the Junior Lien Debt Service Fund.** So long as any
11 Junior Lien Bonds (including any Junior Lien Payment Agreements) are outstanding, the City shall
12 set aside and pay out of Net Revenue certain fixed amounts, without regard to any fixed proportion,
13 namely, into the Principal and Interest Account of the Junior Lien Debt Service Fund, on or prior
14 to the respective dates on which such payments shall become due and payable, an amount
15 sufficient, together with other money on deposit therein, to pay the interest on and the principal of
16 the Junior Lien Bonds, including net payments due on Junior Lien Payment Agreement Payments
17 and all payments under Junior Lien Reimbursement Obligations, as the same shall become due.
18 To meet the required payments to be made into the Junior Lien Debt Service Fund, the Director of
19 Finance may transfer any money from any funds or accounts of the City legally available therefor,
20 except the Parity Bond Fund, the Reserve Fund, other bond redemption funds, refunding escrow
21 funds, or defeasance funds. The Director of Finance may provide for the purchase, redemption, or
22 defeasance of any Junior Lien Bonds by the use of money on deposit in any subfund, account, or
23 subaccount in the Junior Lien Debt Service Fund, so long as the money remaining in those

subfunds, accounts, or subaccounts is sufficient to satisfy the required deposits with respect to the remaining Junior Lien Bonds.

Section 17. **Bond Covenants.**

(a) **Parity Bond Covenants.** The City covenants with the Owner of each Bond that is designated as a Parity Bond, for so long as such Bond remains outstanding, as follows:

(i) **Sale or Disposition of the Light System.**

(A) The City may dispose of all or substantially all of the Light System only if the City simultaneously causes all of the Parity Bonds to be, or be deemed to be, no longer outstanding.

(B) Except as provided below, the City will not dispose of any part of the Light System in excess of 5% of the value of the net utility plant of the Light System in service unless prior to such disposition: (1) there has been filed with the Director of Finance a certificate of a Professional Utility Consultant stating that such disposition will not impair the ability of the City to comply with the rate covenant set forth in Section 17(a)(ii), in which the Professional Utility Consultant may make those assumptions permitted in delivering a Parity Certificate under Section 18(a); or (2) provision is made for the payment, redemption or other retirement of a principal amount of Parity Bonds equal to the greater of the following amounts: (I) an amount which will be in the same proportion to the net principal amount of Parity Bonds then outstanding (defined as the total principal amount of Parity Bonds then outstanding less the amount of cash and investments in the Parity Bond Fund) that Gross Revenues for the twelve preceding months attributable to the part of the Light System sold or disposed of bears to the total Gross Revenues for such period; or (II) an amount which will be in the same proportion to the net principal amount of Parity Bonds then outstanding that the book value of the part of the Light System sold or

1 disposed of bears to the book value of the entire Light System immediately prior to such sale or
2 disposition.

3 (C) Notwithstanding the foregoing, the City may dispose of any portion
4 of the Light System that has become unserviceable, inadequate, obsolete, worn out or unfit to be
5 used, or no longer necessary for, material to, or useful in the operation of the Light System.

6 (D) If the ownership of all or part of the Light System is transferred from
7 the City through the operation of law, the City shall reconstruct or replace the transferred portion
8 using any proceeds of the transfer unless the City Council determines that such reconstruction or
9 replacement is not in the best interests of the City and the Owners of the Parity Bonds, in which
10 case any proceeds shall be used to purchase, defease, or redeem Parity Bonds prior to maturity.

11 (ii) **Rates and Charges.** The City will establish from time to time and maintain
12 such rates for electric energy as will maintain the Light System in sound financial condition and
13 provide sufficient revenues to pay all Operating and Maintenance Expense, to pay into the Parity
14 Bond Fund the amounts that are required by this ordinance to be applied to the payment of the
15 principal of and interest on the Parity Bonds until the Parity Bonds shall have been paid in full,
16 and to pay all bonds, warrants, and indebtedness for which any revenues of the Light System shall
17 have been pledged.

18 (iii) **Operation and Maintenance of the Light System.** The City will operate
19 the properties of the Light System in an efficient manner and at a reasonable cost; will maintain,
20 preserve and keep, or cause to be maintained, preserved and kept, the properties of the Light
21 System and every part and parcel thereof in good repair, working order and condition; and from
22 time to time will make or cause to be made all necessary and proper repairs, renewals and

1 replacements thereto so that at all times the business carried on in connection therewith will be
2 properly and advantageously conducted.

3 (iv) **Books and Financial Statements.** The City will keep and maintain proper
4 books of account for the Light System in accordance with generally accepted accounting principles
5 applicable to governmental utilities; will generally adhere to the uniform system of accounts
6 prescribed by the State Auditor's Office and the Federal Energy Regulatory Commission (if any);
7 and will prepare, on or before 120 days after the end of each calendar year, *and, upon the*
8 *redemption or defeasance of the Outstanding Parity Bonds identified in Exhibit A, on or before*
9 *180 days after the end of each calendar year*, annual financial statements showing reasonable
10 detail, including a balance sheet, an income statement, and a statement of cash flows or other such
11 statement. Copies of such financial statements shall be placed on file in the office of the Director
12 of Finance and shall be open to inspection at any reasonable time by any owner of any Parity
13 Bonds. A copy of such financial statements shall be sent to any owner of Parity Bonds upon request
14 in writing setting forth the name and address to which such financial statements may be sent.

15 (b) **Junior Lien Bond Covenants.** The City covenants with the Owner of each Bond
16 that is designated as a Junior Lien Bond, for so long as such Bond remains outstanding, as follows:

17 (i) **Sale or Disposition of the Light System.** The City may dispose of all or
18 substantially all of the Light System only if the City simultaneously causes all of the Junior Lien
19 Bonds to be, or be deemed to be, no longer outstanding. The City will not dispose of any part of
20 the Light System in excess of 5% of the value of the net utility plant of the Light System in service
21 except upon compliance with the covenant set forth in Section 17(a)(i)(B), above. Notwithstanding
22 the foregoing, the City may dispose of any portion of the Light System that has become

1 unserviceable, inadequate, obsolete, worn out or unfit to be used, or no longer necessary, material
2 to, or useful in the operation of the Light System.

3 (ii) **Rates and Charges.** The City will establish from time to time and maintain
4 such rates for electric energy as will maintain the Light System in sound financial condition and
5 provide sufficient revenues to pay all Operating and Maintenance Expense; to pay into the Parity
6 Bond Fund the amounts that are required by this ordinance to be applied to the payment of the
7 principal of and interest on the Parity Bonds until the Parity Bonds shall have been paid in full; to
8 pay into the Junior Lien Debt Service Fund the amounts that are required by this ordinance to be
9 paid into such fund, in accordance with the priority of payment set forth in Section 14, until the
10 Junior Lien Bonds (including Junior Lien Payment Agreements and Junior Lien Reimbursement
11 Obligations) shall have been paid in full; and to pay all other bonds, warrants, and indebtedness
12 for which any revenues of the Light System shall have been pledged.

13 (iii) **Operation and Maintenance of the Light System.** The City will operate
14 the properties of the Light System in an efficient manner and at a reasonable cost; will maintain,
15 preserve and keep, or cause to be maintained, preserved and kept, the properties of the Light
16 System and every part and parcel thereof in good repair, working order, and condition; and from
17 time to time will make or cause to be made all necessary and proper repairs, renewals, and
18 replacements thereto so that at all times the business carried on in connection therewith will be
19 properly and advantageously conducted.

20 (iv) **Books and Financial Statements.** The City will keep and maintain proper
21 books of account for the Light System in accordance with generally accepted accounting principles
22 applicable to governmental utilities; will generally adhere to the uniform system of accounts
23 prescribed by the State Auditor's Office and the Federal Energy Regulatory Commission (if any);

1 and will prepare, on or before 180 days after the end of each calendar year, annual financial
2 statements showing reasonable detail, including a balance sheet, an income statement, and a
3 statement of cash flows or other such statement. Copies of such financial statements shall be placed
4 on file in the office of the Director of Finance and shall be open to inspection at any reasonable
5 time by any owner of any Junior Lien Bonds. A copy of such financial statements shall be sent to
6 any owner of Junior Lien Bonds upon request in writing setting forth the name and address to
7 which such financial statements may be sent.

8 Section 18. **Additional Bonds.**

9 (a) **Future Parity Bonds.** The City reserves the right to issue Future Parity Bonds
10 (which term includes Parity Payment Agreements) for any lawful purpose of the City's Light
11 System if the Parity Conditions are met and complied with as of the Issue Date of such Future
12 Parity Bonds, or as of the effective date of the Parity Payment Agreement, as appropriate.

13 If the Parity Conditions are met and complied with, then payments into the Parity Bond
14 Fund with respect to such Future Parity Bonds shall rank equally with the payments out of the Net
15 Revenue required to be made into the Parity Bond Fund by this ordinance. Nothing set forth herein
16 shall prevent the City from (i) issuing revenue bonds or other obligations that are a charge upon
17 the Net Revenue junior and inferior to the payments required to be made therefrom into the Parity
18 Bond Fund for the payment of the Parity Bonds, provided that such subordinate bonds may not be
19 subject to acceleration under any circumstances; or (ii) issuing Refunding Parity Bonds to refund
20 maturing Parity Bonds of the City for the payment of which money is not otherwise available.

21 (i) **Parity Conditions.** The Parity Conditions are as follows:

22 (A) No deficiency may then exist in the Parity Bond Fund or in any of
23 the accounts therein; and

1 (B) Provision must be made to satisfy the Reserve Fund Requirement
2 for all Parity Bonds then outstanding plus any additional amount required in connection with
3 issuance and sale of the proposed Future Parity Bonds (if any) in accordance with Section 15(c);
4 and

5 (C) There must be on file with the City a Parity Certificate as described
6 in subsection (a)(ii), below. If the proposed Future Parity Bonds (or any portion thereof) are to be
7 issued for the purpose of refunding outstanding Parity Bonds and the Annual Debt Service on the
8 refunding portion of the proposed Future Parity Bonds is not more than \$5,000 greater than the
9 Annual Debt Service on the Parity Bonds to be refunded thereby, then no Parity Certificate shall
10 be required as to that portion issued for refunding purposes. If the requirements of the preceding
11 sentence are not satisfied, Refunding Parity Bonds may alternatively be issued upon delivery of a
12 Parity Certificate.

13 (ii) **Parity Certificate.** A Parity Certificate required by subsection (a)(i) may
14 be provided by either the Director of Finance or by a Professional Utility Consultant, as follows:

15 (A) A Parity Certificate may be prepared by the Director of Finance,
16 demonstrating that the amount of Adjusted Net Revenue in any 12 consecutive months out of the
17 most recent 24 months preceding the delivery of the proposed series of Future Parity Bonds (the
18 "Base Period") was not less than 125% of Maximum Annual Debt Service in any future calendar
19 year on all Parity Bonds then outstanding and the proposed series of Future Parity Bonds. For the
20 purposes of a Parity Certificate delivered under this subsection (A), the Director of Finance shall
21 reflect in his or her certificate any adjustment in the rates, fees, and charges for the services of the
22 Light System that will become effective at any time prior to or within six months after the delivery
23 of the proposed Future Parity Bonds, by including in the amount of Adjusted Net Revenue the

1 amount that he or she estimates would have been collected in the Base Period if such new rates,
2 fees, and charges had been in effect for the entire Base Period.

3 (B) A Parity Certificate may be prepared by a Professional Utility
4 Consultant, demonstrating that the amount of the Adjusted Net Revenue (which may be further
5 adjusted as provided in paragraphs (1) through (6) below) in any 12 consecutive months out of the
6 most recent 24 months preceding the delivery of the proposed Series of Future Parity Bonds (the
7 “Base Period”) is not less than 125% of the amount of Maximum Annual Debt Service on all Parity
8 Bonds and the proposed Future Parity Bonds in any future calendar year on all Parity Bonds then
9 outstanding and the proposed series of Parity Bonds. For the purposes of a certificate delivered
10 under this subsection (a)(ii), Adjusted Net Revenue may be further adjusted by the Professional
11 Utility Consultant using any or all of the following methods reflecting the conditions and
12 requirements as may be appropriate to the circumstances:

13 (1) If the purpose for which the proposed Future Parity Bonds
14 are being issued is to acquire operating electric utility properties having an earnings record, the
15 Professional Utility Consultant shall estimate the effect on the Adjusted Net Revenue for the Base
16 Period of the acquisition of such electric utility properties and the integration thereof into the Light
17 System, and shall further adjust the Adjusted Net Revenue for the Base Period to give effect to
18 such estimate. Any such estimate shall be based upon the operating experience and records of the
19 City and upon any available financial statements and records relating to the earnings of such
20 electric utility properties to be acquired.

21 (2) If any changes to rates, fees, or charges imposed by the City
22 on sales of power, energy, or other services furnished by the Light System, which were not in
23 effect during the entire Base Period, have been adopted by the City Council and are in effect on

1 the date of sale of the proposed Future Parity Bonds (or effective date of the proposed Parity
2 Payment Agreement) or are to go into effect not later than 12 months after such date, the
3 Professional Utility Consultant may, if such changes resulted in increases in such rates, fees, or
4 charges, and shall, if such changes resulted in reductions in such rates, fees, or charges, further
5 adjust the Adjusted Net Revenue for the Base Period to reflect any change in such Adjusted Net
6 Revenue that would have occurred if the changed rates, fees, or charges had been in effect during
7 the entire Base Period.

8 (3) If the purpose for which the proposed Future Parity Bonds
9 are being issued is to acquire or construct generation or transmission facilities required to furnish
10 or make available to the Light System additional power and energy, or transmission facilities
11 required to enable the City to sell additional power and energy, the Professional Utility Consultant
12 may further adjust Adjusted Net Revenue for the Base Period by (I) deducting the amount of the
13 estimated increase in Operating and Maintenance Expense resulting from the acquisition or
14 construction of such facilities in their first year of full operation, (II) adding any additional
15 revenues to be derived from the sale or transmission of such additional power and energy pursuant
16 to executed power sales contracts, and (III) adding an amount equal to the estimated cost of the
17 power and energy which would have been replaced or displaced by such facilities had such
18 additional power and energy in excess of the power and energy to be sold pursuant to paragraph (2)
19 above been used in the Light System during the Base Period.

20 (4) If there were any customers added to the Light System
21 during the Base Period or thereafter (and prior to the date of the Professional Utility Consultant's
22 certificate), Adjusted Net Revenue may be further adjusted on the basis that such added customers
23 were customers of the Light System during the entire Base Period.

1 (5) If extensions of or additions to the Light System (not
2 described in paragraph (3) above) are in the process of construction on the date of the Professional
3 Utility Consultant's certificate, or if the proceeds of the proposed Future Parity Bonds are to be
4 used to acquire or construct extensions of or additions to the Light System (not described in
5 paragraph (3) above), the Adjusted Net Revenue for the Base Period may be further adjusted by
6 adding any additional revenues not included in the preceding paragraphs that will be derived from
7 such additions and extensions, and deducting the estimated increase in Operating and Maintenance
8 Expense resulting from such additions and extensions.

9 In rendering any Parity Certificate under this subsection (a)(ii)(B), the Professional Utility
10 Consultant may rely upon the following documents, which shall be attached to the Parity
11 Certificate: financial statements of the Light System, certified by the Director of Finance, showing
12 income and expenses for the period upon which the same are based and a balance sheet as of the
13 end of such period; financial statements certified by the Office of the State Auditor of the State (or
14 any successor thereto); or financial statements certified by a Certified Public Accountant for as
15 much of such period as any examination by them has been made and completed. If two or more of
16 such statements are inconsistent with each other, the Professional Utility Consultant shall rely on
17 the statements certified by the Director of Finance.

18 (b) **Future Junior Lien Bonds.** The City reserves the right to issue Future Junior Lien
19 Bonds (which term includes Junior Lien Payment Agreements and Junior Lien Reimbursement
20 Obligations) for any lawful purpose of the City's Light System if the Junior Lien Additional Bonds
21 Test is met and complied with as of the Issue Date of such Future Junior Lien Bonds, or as of the
22 effective date of the Junior Lien Payment Agreement or Junior Lien Reimbursement Obligation,
23 as appropriate.

1 If the Junior Lien Additional Bonds Test is met and complied with, then payments into the
2 Junior Lien Debt Service Fund with respect to such Future Junior Lien Bonds shall rank equally
3 with the payments out of the Net Revenue required to be made into the Junior Lien Debt Service
4 Fund by this ordinance. Nothing set forth herein shall prevent the City from (i) issuing revenue
5 bonds or other obligations that are a charge upon the Net Revenue junior and inferior to the
6 payments required to be made therefrom into the Junior Lien Debt Service Fund for the payment
7 of the Junior Lien Bonds, provided that such subordinate bonds may not be subject to acceleration
8 under any circumstances; or (ii) issuing Refunding Junior Lien Bonds for the purpose of refunding
9 Outstanding Junior Lien Bonds to fund or refund maturing Junior Lien Bonds of the City for the
10 payment of which money is not otherwise available.

11 (i) **Junior Lien Additional Bonds Test.** The Junior Lien Additional Bonds
12 Test is as follows:

13 (A) No deficiency may then exist in the Junior Lien Debt Service Fund
14 or in any of the accounts therein; and

15 (B) No default may have occurred that is then continuing with respect
16 to any then outstanding Parity Bonds or Junior Lien Bonds; and

17 (C) There must be on file with the City a Junior Lien Coverage
18 Certificate as described in subsection (b)(ii), below. If the proposed Future Junior Lien Bonds (or
19 any portion thereof) are to be issued for the purpose of refunding outstanding Junior Lien Bonds
20 and the Annual Debt Service on the refunding portion of the proposed Future Junior Lien Bonds
21 is not more than \$5,000 greater than the Annual Debt Service on the Junior Lien Bonds to be
22 refunded thereby, then no Junior Lien Coverage Certificate shall be required as to that portion
23 issued for refunding purposes. If the requirements of the preceding sentence are not satisfied,

1 Refunding Junior Lien Bonds may alternatively be issued upon delivery of a Junior Lien Coverage
2 Certificate.

3 (ii) **Junior Lien Coverage Certificate.** A Junior Lien Coverage Certificate
4 required by subsection (b)(i) may be provided by either the Director of Finance or by a Professional
5 Utility Consultant, as follows:

6 (A) A Junior Lien Coverage Certificate may be prepared by the Director
7 of Finance, demonstrating that the amount of Adjusted Net Revenue in any 12 consecutive months
8 out of the most recent 24 months preceding the delivery of the proposed Series of Future Junior
9 Lien Bonds (the "Base Period") was not less than 115% of Maximum Annual Debt Service in any
10 future calendar year on all Parity Bonds, Intermediate Lien Reimbursement Obligations (if any),
11 and Junior Lien Bonds then outstanding plus the proposed Series of Future Junior Lien Bonds. For
12 the purposes of a Junior Lien Coverage Certificate delivered under this subsection (A), the Director
13 of Finance shall reflect in his or her certificate any adjustment in the rates, fees, and charges for
14 the services of the Light System that will become effective at any time prior to or within six months
15 after the delivery of the proposed Future Junior Lien Bonds, by including in the amount of
16 Adjusted Net Revenue the amount that he or she estimates would have been collected in the Base
17 Period if such new rates, fees, and charges had been in effect for the entire Base Period.

18 (B) A Junior Lien Coverage Certificate may be prepared by a
19 Professional Utility Consultant, demonstrating that the amount of the Adjusted Net Revenue
20 (which may be further adjusted as provided in subsection (a)(ii)(B)(1) through (6), above) in any
21 12 consecutive months out of the most recent 24 months preceding the delivery of the proposed
22 Series of Future Junior Lien Bonds (the "Base Period") not less than 115% of Maximum Annual

1 Debt Service in any future calendar year on all Parity Bonds and Junior Lien Bonds then
2 outstanding plus the proposed Series of Future Junior Lien Bonds.

3 Section 19. **Rate Stabilization Account.** The City may at any time deposit in the Rate
4 Stabilization Account Net Revenue and any other money received by the Light System and
5 available to be used therefor. Thereafter, the City may withdraw any or all of the money from the
6 Rate Stabilization Account for inclusion in Adjusted Net Revenue for any applicable year of the
7 City. Such deposits or withdrawals may be made up to and including the date 90 days after the end
8 of the applicable year for which the deposit or withdrawal will be included as Adjusted Net
9 Revenue.

10 Section 20. **Refunding or Defeasance of Bonds.**

11 (a) **Bonds Designated as Refundable.** Each Series of the Bonds issued hereunder is
12 designated a Series of “Refundable Bonds” and is eligible to be refunded under this ordinance in
13 the future.

14 (b) **Refunding; Defeasance.** The City may issue refunding bonds pursuant to the laws
15 of the State or use money available from any other lawful source (i) to pay when due the principal
16 of (including premium, if any) and interest on any Bond, or any portion thereof, included in a
17 refunding or defeasance plan (the “Defeased Bonds”); (ii) to redeem and retire, release, refund, or
18 defease the Defeased Bonds; and (iii) to pay the costs of such refunding or defeasance. If money
19 and/or Government Obligations maturing at a time or times and in an amount sufficient (together
20 with known earned income from the investment thereof) to redeem and retire, release, refund or
21 defease the Defeased Bonds in accordance with their terms, is set aside in a special trust fund or
22 escrow account irrevocably pledged to such redemption, retirement, or defeasance (the “Trust
23 Account”), then all right and interest of the Owners of the Defeased Bonds in the covenants of this

ordinance and in Net Revenue and the funds and accounts pledged to the payment of such Defeased Bonds, other than the right to receive the funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter shall have the right to receive payment of the principal of and interest or redemption price on the Defeased Bonds from the Trust Account. After establishing and fully funding such a Trust Account, the Defeased Bonds shall be deemed to be no longer outstanding and the Director of Finance may then apply any money in any other fund or account established for the payment or redemption of the Defeased Bonds to any lawful purpose.

(c) **Notice of Defeasance or Refunding.** Unless otherwise specified in the applicable Bond Documents, notice of refunding or defeasance shall be given, and selection of Bonds for any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance for the redemption of Bonds.

(d) **Annual Debt Service Calculation Adjustments for Defeased Bonds.** If the refunding or defeasance plan provides (i) that the Defeased Bonds (or the Refunding Bonds issued to redeem those Defeased Bonds) are to be secured by money and/or Government Obligations pending the redemption of the Defeased Bonds, and (ii) that certain money and/or Government Obligations are pledged irrevocably for the redemption of the Defeased Bonds, then only the debt service on such Bonds as are not Defeased Bonds (and any Refunding Bonds, the payment of which is not so secured by the refunding plan) shall be included in the calculation of Annual Debt Service.

Section 21. **Federal Tax Matters.** The Bond Documents may include such additional terms and covenants relating to federal tax matters as the Director of Finance deems necessary or appropriate, including the following:

1 (a) **Tax-Exempt Bonds.** For each Series of the Bonds issued as Tax-Exempt Bonds,
2 the City covenants that it will take all actions, consistent with the terms of such Series as set forth
3 in the applicable Bond Documents, that are reasonably within its power and necessary to prevent
4 interest on that Series from being included in gross income for federal income tax purposes. The
5 City further covenants that it will neither take any action nor make or permit any use of gross
6 proceeds of that Series (or other funds of the City treated as gross proceeds of that Series at any
7 time during the term of such Series) that will cause interest on such Series to be included in gross
8 income for federal income tax purposes. The City also covenants that, to the extent the arbitrage
9 rebate requirement of Section 148 of the Code is applicable to any Series issued as Tax-Exempt
10 Bonds, it will take all actions necessary to comply (or to be treated as having complied) with that
11 requirement in connection with that Series (including the calculation and payment of any penalties
12 that the City may elect to pay as an alternative to calculating rebatable arbitrage and the payment
13 of any other penalties if required under Section 148 of the Code) to prevent interest on such Series
14 from being included in gross income for federal income tax purposes.

15 (b) **Taxable Bonds; Tax Credit Subsidy Bonds.** For each Series of the Bonds issued
16 as Taxable Bonds or as Tax Credit Subsidy Bonds, the Director of Finance is authorized to make
17 provision in the Bonds and other Bond Documents, to execute additional written agreements, and
18 to make additional covenants on behalf of the City, all as he or she may deem necessary or
19 appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit
20 Subsidy Bonds, such additional covenants and agreement may include (without limiting the
21 generality of the foregoing) those necessary in order for the City (i) to receive from the United
22 States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit Subsidy

Bonds, and (ii) to ensure that such Series otherwise become and remain eligible for tax benefits under the Code.

Section 22. **Official Statement; Continuing Disclosure.**

(a) **Preliminary Official Statement.** The Director of Finance and other appropriate City officials are directed to cause the preparation of and review the form of a preliminary official statement in connection with each sale of one or more Series to the public. For the sole purpose of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is authorized to deem that preliminary official statement final as of its date, except for the omission of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to potential purchasers of the Bonds of a preliminary official statement that has been deemed final in accordance with this subsection.

(b) **Final Official Statement.** The City approves the preparation of a final official statement for each sale of one or more Series to be sold to the public in the form of the preliminary official statement, with such modifications and amendments as the Director of Finance deems necessary or desirable, and further authorizes the Director of Finance to execute and deliver such final official statement to the Purchaser. The City authorizes and approves the distribution by the Purchaser of that final official statement to purchasers and potential purchasers of the Bonds.

(c) **Undertaking to Provide Continuing Disclosure.** To meet the requirements of paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the Bonds, the Director of Finance is authorized to execute a written Continuing Disclosure Agreement with respect to that Series, in substantially the form attached as Exhibit B.

1 Section 23. **Supplemental or Amendatory Bond Documents.** This ordinance and the
2 other applicable Bond Documents for any Series of the Bonds may not be supplemented or
3 amended in any respect subsequent to the Issue Date of such Series, except in accordance with and
4 subject to the provisions of this section.

5 (a) **Amendments Without Bond Owners' Consent.** From time to time and at any
6 time, without the consent of or notice to the owners of any Parity Bonds or Junior Lien Bonds, the
7 City may supplement or amend the Bond Documents applicable to any Series of the Bonds for any
8 of the purposes set forth in this subsection (a). Any such supplement or amendment may be passed,
9 adopted, or otherwise approved in writing by the City, without requiring the consent of the
10 registered owners of any Parity Bonds or Junior Lien Bonds, but may become effective only upon
11 receipt by the City of an opinion of Bond Counsel to the effect that such supplement or amendment
12 is permitted by the terms of this ordinance. The City shall deliver a copy of any such supplement
13 or amendment to each Rating Agency prior to its passage, adoption, or approval (as applicable) by
14 the City. The types of supplements and amendments permitted under this subsection (a) are as
15 follows:

16 (i) To add to any Parity Bond Documents (or to any Junior Lien Bond
17 Documents, as applicable) additional covenants and agreements that do not adversely affect the
18 interests of the owners of any Parity Bonds (or, as to Junior Lien Bond Documents, the interests
19 of the owners of any Junior Lien Bonds) then outstanding, or to surrender any right or power
20 reserved to or conferred upon the City in any Bond Documents.

21 (ii) To cure any ambiguities or to cure, correct, or supplement any defective
22 provision in any Bond Documents, in regard to matters or questions arising under such Bond
23 Documents, as the City may deem necessary or desirable and not inconsistent with this ordinance,

1 and which do not materially adversely affect the interests of the owners of any Parity Bonds or
2 Junior Lien Bonds then outstanding.

3 (iii) To make such changes as may be necessary to permit the Bonds to be held
4 in registered certificate form or in Book-Entry Form, as the case may be, and to make similar
5 amendments or modifications of a technical nature.

6 (b) **Amendments Permitted Upon Bond Owners' Consent.**

7 (i) **Parity Bond Documents.** With the consent of the registered owners
8 representing not less than 60% in aggregate principal amount of the Parity Bonds then outstanding,
9 the City may pass, adopt, or otherwise provide its written approval of any supplement or
10 amendment to add to, change, or eliminate any provision of the Bond Documents applicable to a
11 Series of the Bonds designated as Parity Bonds in any manner other than a supplement or
12 amendment effecting a change described in subsection (c)(i).

13 (ii) **Junior Lien Bond Documents.** With the consent of the registered owners
14 representing not less than 60% in aggregate principal amount of the Junior Lien Bonds then
15 outstanding, the City may pass, adopt, or otherwise approve in writing any supplement or
16 amendment to add to, change, or eliminate any provision of the Bond Documents applicable to a
17 Series of the Bonds designated as Junior Lien Bonds in any manner other than a supplement or
18 amendment effecting a change described in subsection (c)(ii).

19 (c) **Amendments Prohibited Except Upon Unanimous Consent.**

20 (i) **Amendments to Parity Bond Documents.** Nothing contained in this
21 section shall permit or be construed as permitting an amendment or supplement that would:

22 (A) Except upon consent from the registered owners of or on behalf of
23 all Parity Bonds so affected, extend the fixed maturity of any Parity Bond, reduce the rate of

1 interest on any Parity Bond (other than a change in interest rate permitted under the applicable
2 Parity Bond Documents as then in effect), extend the times of payment of interest from their
3 respective due dates, reduce the principal amount of any Parity Bond, or reduce any redemption
4 premium; or

5 (B) Except upon consent from the registered owners of or on behalf of
6 all of the Parity Bonds then outstanding, reduce the percentage of ownership required under
7 subsection (b)(i), above, to approve any supplement or amendment.

8 (ii) **Amendments to Junior Lien Bond Documents.** Nothing contained in this
9 section shall permit or be construed as permitting an amendment or supplement that would:

10 (A) Except upon consent from the registered owners of or on behalf of
11 all Junior Lien Bonds so affected, extend the fixed maturity of any Junior Lien Bond, reduce the
12 rate of interest on any Junior Lien Bond (other than a change in interest rate permitted under the
13 applicable Junior Lien Bond Documents as then in effect), extend the times of payment of interest
14 from their respective due dates, reduce the principal amount of any Junior Lien Bond, or reduce
15 any redemption premium; or

16 (B) Except upon consent from the registered owners of or on behalf of
17 all of the Junior Lien Bonds then outstanding, reduce the percentage of ownership required under
18 subsection (b)(ii), above, to approve any supplement or amendment.

19 (d) **Notice and Consents.** If at any time the City passes, adopts, or otherwise approves
20 in writing a supplement or amendment for any of the purposes requiring consent under subsection
21 (b) or (c) of this section, it shall provide a notice, briefly summarizing the nature of the proposed
22 supplement or amendment and stating that a copy of such supplement or amendment is on file at
23 the office of the City Clerk, to each registered owner and to each Rating Agency. It shall not be

1 necessary to obtain consent to or approval of the particular form of any proposed supplement or
2 amendment, but it shall be sufficient if the consent shall approve the substance thereof. For
3 purposes of determining whether consents representing the requisite percentage of principal
4 amount of Parity Bonds or Junior Lien Bonds have been obtained, the Accreted Value of Capital
5 Appreciation Bonds shall be deemed to be the principal amount.

6 (e) **Effect of Amendment or Supplement.** Upon the effective date of any amendment
7 or supplement to any Bond Documents, such Bond Documents shall be deemed to be amended
8 and modified in accordance with such amendment or supplement. Thereafter, the respective rights,
9 duties, and obligations of the City under the applicable Bond Documents shall be determined,
10 exercised, and enforced subject in all respects to such supplement or amendments, and all the terms
11 and conditions of any such supplement or amendment shall be deemed to be a part of the terms
12 and conditions of those Bond Documents for any and all purposes. The effective dates of such
13 amendments and supplements shall be as follows:

14 (i) An amendment and supplement permitted under subsection (a) shall
15 become effective immediately upon (A) the passage, adoption, or other approval of such
16 amendment or supplement (or upon the effective date of such document as stated therein, if any),
17 and (B) the delivery of the required opinion of Bond Counsel stating that such amendment or
18 supplement is permitted under this ordinance.

19 (ii) A supplement or amendment permitted under subsection (b) or (c) shall
20 become effective on the date on which the City has received the written consents of the requisite
21 percentage of registered owners. If the requisite percentage of registered owners of Parity Bonds
22 or Junior Lien Bonds, as applicable, have given their consent to any such amendment or
23 supplement, no owner of any Bond shall have any right (i) to object to the passage, adoption, or

1 approval of such supplement or amendment, (ii) to object to any of the terms and provisions
2 contained therein or the operation thereof, (iii) in any manner to question the propriety of the
3 passage, adoption, or approval thereof, (iv) to enjoin or restrain the City, or any authorized official
4 thereof, from passing, adopting, or otherwise approving the same, or (v) to enjoin or restrain the
5 City, any authorized official thereof, or the Bond Registrar from taking any action pursuant to the
6 provisions thereof.

7 (f) **Notation on Bonds.** Any Bonds executed and delivered after the effective date of
8 any amendment or supplement that is passed, adopted, or otherwise approved in writing pursuant
9 to this section may include a notation as to any matter provided for in such amendment or
10 supplement. The City may, in its discretion, prepare and deliver replacement bonds, modified to
11 reflect any such amendment or supplement, to the registered owner(s) thereof upon surrender of
12 the original bonds for cancellation.

13 (g) **Special Amendments.** If and to the extent that it is determined that the written
14 consent of Registered Owners of the Bonds is required under subsection (b) or (c) of this section,
15 the Registered Owners from time to time of the Bonds, by taking and holding the same, are hereby
16 deemed to have consented to any supplement or amendment to any Bond Documents effecting any
17 one or more of the following changes:

18 (i) Permitting the reimbursement obligations of the City under any Qualified
19 Insurance or Qualified Letter of Credit obtained for the benefit of the holders of the Parity Bonds
20 (other than Qualified Insurance or a Qualified Letter of Credit obtained to satisfy all or a part of
21 the Reserve Fund Requirement) to be secured by a charge and lien on Net Revenue of the Light
22 System equal in rank with the charge and lien upon such Net Revenue required to be paid into the
23 Parity Bond Fund to pay and secure the payment of the principal of and interest on Parity Bonds.

(ii) Permitting the reimbursement obligations of the City under any Alternate Reserve Security to be made by transfers from money in the Light Fund on parity with the transfers to be made upon receipt of any notice of cancellation of an Alternate Reserve Security.

Section 24. **Defaults and Remedies.**

(a) **Parity Bond Events of Default.** Each of the following shall constitute an Event of Default with respect to the Bonds designated as Parity Bonds, except as set forth in subsection (c) of this section:

(i) If a default is made in the payment of the principal of (including Sinking Fund Requirements and any redemption premium thereon, if any) or interest on any Parity Bond when the same shall become due and payable; or

(ii) If the City defaults in the observance and performance of any other of the Parity Bond covenants, conditions, or agreements on the part of the City set forth in this ordinance or the applicable Parity Bond Documents (except as otherwise provided herein or in such Parity Bond Documents) and such default or defaults shall have continued for a period of six months (the "cure period") after the City shall have received from the registered owners of not less than 25% in principal amount of the Parity Bonds then outstanding (or from a Bond Owners' Trustee duly appointed as set forth in subsection (d), below) a written notice specifying and demanding the cure of such default. However, if such default is one which cannot be completely remedied within the cure period, it shall not be an Event of Default with respect to the Parity Bonds, so long as the City has taken active steps within the cure period to remedy the default and is diligently pursuing such remedy.

1 (b) **Junior Lien Bond Events of Default.** Each of the following shall constitute an
2 Event of Default with respect to the Bonds designated as Junior Lien Bonds, except as set forth in
3 subsection (c) of this section:

4 (i) If a default is made in the payment of the principal of (including Sinking
5 Fund Requirements and any redemption premium thereon, if any) or interest on any Junior Lien
6 Bond when the same shall become due and payable; or

7 (ii) If the City defaults in the observance and performance of any other of the
8 Junior Lien Bond covenants, conditions, or agreements on the part of the City set forth in this
9 ordinance or the applicable Junior Lien Bond Documents (except as otherwise provided herein or
10 in such Junior Lien Bond Documents) and such default or defaults shall have continued for a period
11 of six months (the “cure period”) after the City shall have received from the registered owners of
12 not less than 25% in principal amount of the Junior Lien Bonds then outstanding (or from a Bond
13 Owners’ Trustee duly appointed as set forth in subsection (d), below) a written notice specifying
14 and demanding the cure of such default. However, if such default is one which cannot be
15 completely remedied within the cure period, it shall not be an Event of Default with respect to the
16 Bonds as long as the City has taken active steps within the cure period to remedy the default and
17 is diligently pursuing such remedy.

18 (c) **Exceptions.** Notwithstanding anything in this section to the contrary, the failure
19 of the City or any obligated person to comply with a Continuing Disclosure Agreement shall not
20 constitute an Event of Default, and the sole remedy of any holder of any Parity Bond or Junior
21 Lien Bond, as applicable, shall be to seek an order of specific performance from an appropriate
22 court to compel the City to comply with the Continuing Disclosure Agreement. For purposes of
23 determining whether an Event of Default has occurred and is continuing with respect to the rate

1 covenant set forth in Section 17(a)(ii) or (b)(ii), if such covenant is met for any fiscal year, it shall
2 be deemed to have been met for all prior fiscal years.

3 (d) **Remedies; No Acceleration.** In the case of a Parity Bond Event of Default, an
4 owner of a Parity Bond shall have the remedies set forth in Section 10 and in the applicable Parity
5 Bond Documents. *Upon the redemption or defeasance of all of the Outstanding Parity Bonds*
6 *described in Exhibit A to this ordinance, the rights and remedies of the owners from time to time*
7 *of Parity Bonds shall be limited by subsection (e), below.* In the case of a Junior Lien Bond Event
8 of Default, the owner of a Junior Lien Bond shall have the remedies set forth in Section 10 and in
9 the applicable Junior Lien Bond Documents, as limited by subsection (e), below. Nothing
10 contained in this ordinance shall, in any event or under any circumstance, be deemed to authorize
11 the acceleration of the maturity of principal on the Bonds, and the remedy of acceleration is
12 expressly denied to the registered owners of the Bonds under any circumstances including, without
13 limitation, upon the occurrence and continuance of an Event of Default.

14 (c) **Bond Owners' Trustee.** *The provisions of this subsection shall become effective*
15 *with respect to Parity Bonds only upon the redemption or defeasance of all of the Outstanding*
16 *Parity Bonds described in Exhibit A to this ordinance.* The provisions of this subsection shall
17 become effective immediately with respect to Bonds issued as Junior Lien Bonds. A Bond Owners'
18 Trustee appointed in the manner provided in this section, and each successor thereto, is declared
19 to be a trustee for all of the owners of the Parity Bonds (in the case of a Parity Bond Event of
20 Default) or the owners of the Junior Lien Bonds (in the case of a Junior Lien Event of Default), as
21 applicable, and is empowered to exercise all the rights and powers herein conferred on the Bond
22 Owners' Trustee.

1 (i) **Appointment of Bond Owners' Trustee; Removal.** Upon the occurrence
2 and continuance of an Event of Default described in subsection (a) of this section, the registered
3 owners of 25% in principal amount of the then outstanding Parity Bonds (or upon the occurrence
4 and continuance of an Event of Default described in subsection (b) of this section, the registered
5 owners of 25% in principal amount of the then outstanding Junior Lien Bonds, if such default is
6 one described in subsection (b) of this section) may appoint a Bond Owners' Trustee by an
7 instrument or concurrent instruments in writing signed by such registered owners (or by their duly
8 authorized attorneys-in-fact) and delivered to such Bond Owners' Trustee, with notification of
9 such appointment given to the City. That appointment shall become effective immediately upon
10 acceptance thereof by the Bond Owners' Trustee. The entity acting as Bond Owners' Trustee may
11 be removed at any time, and a successor Bond Owners' Trustee may be appointed, by the registered
12 owners of more than 50% in principal amount of the Parity Bonds (in the case of a Parity Bond
13 Event of Default) or 50% in principal amount of the Junior Lien Bonds (in the case of a Junior
14 Lien Event of Default), as applicable, by an instrument or concurrent instruments in writing signed
15 and acknowledged by such registered owners or by their duly authorized attorneys-in-fact.

16 (ii) **Cure of Event of Default.** If the Bond Owners' Trustee furnishes to the
17 City a certificate stating that, in its sole judgment, an Event of Default that has occurred has been
18 cured, such Event of Default shall be conclusively deemed to be cured, and the City, the Bond
19 Owners' Trustee, and the registered owners of the Parity Bonds or Junior Lien Bonds, as
20 applicable, shall be restored to the same rights and position which they would have held if no Event
21 of Default had occurred.

22 (iii) **Suits at Law or in Equity.** Upon the occurrence of an Event of Default
23 and during the continuance thereof, the Bond Owners' Trustee in its discretion may (and, upon the

1 written request of the registered owners of not less than 25% in principal amount of the Parity
2 Bonds (or Junior Lien Bonds, as applicable) then outstanding, shall) take such steps and institute
3 such suits, actions, or other proceedings, all as it may deem appropriate for the protection and
4 enforcement of the rights of the registered owners of the Parity Bonds (or Junior Lien Bonds, as
5 applicable), to collect any amounts due and owing to or from the City, or to obtain other
6 appropriate relief, and may enforce the specific performance of any covenant, agreement or
7 condition contained in this ordinance or set forth in any of the applicable Bond Documents.

8 Any action, suit or other proceedings instituted by the Bond Owners' Trustee hereunder
9 shall be brought in its name as the Bond Owners' Trustee and all such rights of action upon or
10 under any of the Parity Bonds or the provisions of this ordinance may be enforced by the Bond
11 Owners' Trustee without the possession of any of those Parity Bonds and without the production
12 of the same at any trial or proceedings relative thereto except where otherwise required by law.

13 (iv) **Effect of Appointment of Bond Owners' Trustee.** Any suit, action, or
14 proceeding instituted by the Bond Owners' Trustee shall be brought for the ratable benefit of all
15 of the owners of the Parity Bonds (or Junior Lien Bonds, as applicable), subject to the provisions
16 of this ordinance. The respective owners, by taking and holding the same, shall be conclusively
17 deemed irrevocably to appoint the Bond Owners' Trustee the true and lawful trustee of the
18 respective owners, with authority to institute any such action, suit or proceeding; to receive as
19 trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to
20 execute any paper or documents for the receipt of money; and to do all acts with respect thereto
21 that the owner himself or herself might have done in person. Nothing herein shall be deemed to
22 authorize or empower the Bond Owners' Trustee to consent to accept or adopt, on behalf of any
23 owner of the Parity Bonds, any plan of reorganization or adjustment affecting the Parity Bonds or

1 any right of any registered owner thereof, or to authorize or empower the Bond Owners' Trustee
2 to vote the claims of the registered owners thereof in any receivership, insolvency, liquidation,
3 bankruptcy, reorganization, or other proceeding to which the City is a party.

4 (v) **Bond Owners' Direction of Proceedings.** By an instrument or concurrent
5 instruments in writing executed and delivered to the Bond Owners' Trustee, the owners of more
6 than 50% in aggregate principal amount of the Parity Bonds (or Junior Lien Bonds, as applicable)
7 then outstanding, shall be entitled to control and direct the enforcement of all rights and remedies
8 granted to the owners (or the Bond Owners' Trustee for the benefit of the owners) under the
9 applicable Parity Bond Documents. Notwithstanding the foregoing, the Bond Owners' Trustee
10 shall have the right to decline to follow any such direction which in the opinion of the Bond
11 Owners' Trustee, in reasonable reliance on advice of counsel, would be unjustly prejudicial to
12 owners not parties to such direction.

13 (vi) **Limitation on Remedies; Limitations on Individual Actions.** It is
14 understood and intended that no owner of a Parity Bond, in the case of a Parity Bond Event of
15 Default (or owner of a Junior Lien Bond, in the case of Junior Lien Event of Default) shall have
16 any right in any manner whatever by its action to affect, disturb, or prejudice the security pledged
17 in this ordinance or the rights of any other owners, or to enforce any right under the applicable
18 Bond Documents or applicable law except in the manner provided in this section, and that all
19 proceedings at law or in equity to enforce any such right shall be instituted, had, and maintained
20 in the manner herein provided and for the equal and ratable benefit and protection of all owners of
21 the Parity Bonds (or Junior Lien Bonds, as applicable), subject to the provisions of this ordinance.

22 (vii) **Limitations on Individual Actions.** No owner of a Parity Bond (or Junior
23 Lien Bond, as applicable) shall have any right to institute any action, suit or proceeding at law or

1 in equity for the enforcement of same unless (A) such owner previously shall have given to the
2 Bond Owners' Trustee written notice of the occurrence of an Event of Default; (B) the owners of
3 more than 50% in aggregate principal amount of the then Outstanding Parity Bonds (in the case of
4 a Parity Bond Event of Default) or 50% in aggregate principal amount of the then Outstanding
5 Junior Lien Bonds, as applicable, shall have made a written request upon the Bond Owners'
6 Trustee to exercise the powers granted above or to institute such suit, action, or proceeding in its
7 own name; (C) such owners shall have tendered to the Bond Owners' Trustee reasonable
8 indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
9 and (D) the Bond Owners' Trustee shall have refused or omitted to comply with such request for
10 a period of 60 days after such written request shall have been received by, and said tender of
11 indemnity shall have been made to, the Bond Owners' Trustee. The conditions set forth in (A)
12 through (D) in the preceding sentence are hereby declared to be conditions precedent to the
13 exercise by any owner of a Parity Bond (in the case of a Parity Bond Event of Default) or owner
14 of a Junior Lien Bond (in the case of Junior Lien Event of Default) of any remedy under the
15 applicable Bond Documents or under applicable law.

16 (viii) **Duties and Obligations of Bond Owners' Trustee.** The Bond Owners'
17 Trustee shall not be liable except for the performance of such duties as are specifically set forth
18 herein. During any period in which an Event of Default has occurred and is continuing as to the
19 Parity Bonds or the Junior Lien Bonds, as applicable, the Bond Owners' Trustee shall exercise
20 such of the rights and powers vested in it hereby, and shall use the same degree of care and skill
21 in its exercise, as a prudent person would exercise or use under the circumstances in the conduct
22 of his or her own affairs. The Bond Owners' Trustee shall have no liability for any act or omission
23 to act hereunder except for the Bond Owners' Trustee's own negligent action, its own negligent

1 failure to act or its own willful misconduct. The duties and obligations of the Bond Owners'
2 Trustee shall be determined solely by the express provisions of this ordinance, and no implied
3 powers, duties or obligations of the Bond Owners' Trustee shall be read into this ordinance. The
4 Bond Owners' Trustee shall not be required to expend or risk its own funds or otherwise incur
5 individual liability in the performance of any of its duties or in the exercise of any of its rights or
6 powers as the Bond Owners' Trustee, except as may result from its own negligent action, its own
7 negligent failure to act or its own willful misconduct. The fees and expenses of the Bond Owners'
8 Trustee shall be borne by the owners of the Parity Bonds or Junior Lien Bonds, as applicable, and
9 not by the City. A Bond Owners' Trustee may require such security and indemnity as may be
10 reasonable against the costs, expenses and liabilities that may be incurred in the performance of
11 its duties. The Bond Owners' Trustee shall not be bound to recognize any person as a registered
12 owner of any Parity Bond (or Junior Lien Bond, as applicable) until his or her title thereto, if
13 disputed, has been established to its reasonable satisfaction. The Bond Owners' Trustee may
14 consult with counsel and the opinion of such counsel shall be full and complete authorization and
15 protection in respect of any action taken or suffered by it hereunder in good faith and in accordance
16 with the opinion of such counsel. The Bond Owners' Trustee shall not be answerable for any
17 neglect or default of any person, firm or corporation employed and selected by it with reasonable
18 care.

19 Section 25. **The Refunding Plan.**

20 (a) **Approval of Refunding Plan; Appointment of Refunding Trustee.** The Director
21 of Finance is authorized and directed to select a Refunding Trustee and execute a Refunding Trust
22 Agreement setting forth a Refunding Plan for each series of Refundable Bonds (or portion thereof)
23 to be refunded pursuant to this ordinance, in accordance with subsection (d) of this section.

Multiple Refunding Plans may be combined in a single Refunding Trust Agreement. The Refunding Plan shall be carried out, and proceeds of the Bonds shall be applied, in accordance with this ordinance, the respective Refunded Bond Documents, the Refunding Trust Agreement, and the laws of the State. Nothing herein shall prevent the issuance of Refunding Parity Bonds for the purpose of refunding Refundable Junior Lien Bonds, or the issuance of Refunding Junior Lien Bonds for the purpose of refunding Refundable Parity Bonds, provided that the requirements of Section 18 and the Parity Conditions (if the Refunding Bonds are designated as Parity Bonds) or Junior Lien Additional Bonds Test (if the Refunding Bonds are designated as Junior Lien Bonds) are met as of the Issue Date of such Series of Refunding Bonds.

(b) **Acquisition of Acquired Obligations.** To the extent practicable and desirable, the Refunding Plan shall provide for the Refunding Trustee's purchase of Acquired Obligations bearing such interest and maturing as to principal and interest in such amounts and at such times so as to provide, together with a beginning cash balance, if necessary, for the timely payment of the amounts required to be paid by the Refunding Plan. The Acquired Obligations shall be listed and more particularly described in a schedule attached to the Refunding Trust Agreement, but are subject to substitution as set forth in subsection (c) below.

(c) **Substitution of Acquired Obligations.** The City reserves the right at any time to substitute cash or other Government Obligations (as defined in the applicable Refunded Bond Documents) for the Acquired Obligations if the City obtains a verification by a nationally recognized independent certified public accounting firm reasonably acceptable to the Refunding Trustee confirming that the payments of principal of and interest on the substitute obligations, if paid when due, together with the cash to be held by the Refunding Trustee, will be sufficient to carry out the Refunding Plan. If the applicable Series of the Bonds (or the applicable Refunded

1 Bonds) were issued as Tax-Exempt Bonds, then prior to such substitution, the City must also obtain
2 an opinion from Bond Counsel to the effect that the disposition and substitution or purchase of
3 such securities will not cause the interest on the applicable Series of the Bonds (or of the applicable
4 Refunded Bonds) issued as Tax-Exempt Bonds to be included in gross income for federal income
5 tax purposes and that such disposition and substitution or purchase is in compliance with the
6 statutes and regulations applicable to the Series of the Bonds. Any surplus money resulting from
7 the sale, transfer, other disposition, or redemption of the Acquired Obligations and the
8 substitutions therefor shall be released from the trust estate and may be used for any lawful City
9 purpose.

10 (d) **Refunding Trust Agreement.** In connection with each Series of the Bonds, the
11 Director of Finance is authorized to execute one or more Refunding Trust Agreements with one or
12 more Refunding Trustees, setting forth the duties, obligations, and responsibilities of the
13 Refunding Trustee in connection with carrying out the applicable Refunding Plan. Each Refunding
14 Trust Agreement and Refunding Plan must, among other things: (1) identify the Refundable Bonds
15 to be refunded thereby; (2) contain the elements set forth in the definition of Refunding Plan set
16 forth in this ordinance, including provide for the issuance of the Series of the Bonds and describing
17 the method for carrying out the refunding of the Refunded Bonds (including authorizing and
18 directing the Refunding Trustee to use the money deposited with it to purchase the Acquired
19 Obligations (or substitute obligations) and to apply such money along with the maturing principal
20 of and interest on such obligations to make the payments required to be made by the Refunding
21 Plan); and (3) shall provide for the giving of notices of defeasance and redemption, as required
22 under the Refunded Bond Documents. The Refunding Trust Agreement may additionally provide
23 for the payment of the costs of issuance of the Series and the costs of administering the Refunding

1 Plan (including without limitation, all necessary and proper fees, compensation, and expenses of
2 the Refunding Trustee and all other costs incidental to the setting up of the escrow to accomplish
3 the Refunding Plan), and for such other related matters as the Director of Finance may deem
4 necessary or expedient.

5 Section 26. **Redemption of the Refunded Bonds.** The Director of Finance is
6 authorized on behalf of the City to take such actions as may be necessary or convenient to call the
7 Refunded Bonds for redemption. Such call for redemption of the Refunded Bonds shall identify
8 the Refunded Bonds, redemption dates and redemption prices (expressed as a percentage of the
9 stated principal amount), and shall be irrevocable after the Issue Date of the applicable Series of
10 the Bonds. The dates on which the Refunded Bonds are to be called for redemption shall be, in the
11 judgment of the Director of Finance, the earliest practical dates on which those Refunded Bonds
12 may be called for redemption. The proper City officials are authorized and directed to give or cause
13 to be given such notices as required, at the times and in the manner required pursuant to the
14 Refunded Bond Documents, in order to carry out the Refunding Plan.

Section 27. **Effect on Prior Omnibus Refunding Ordinance; Outstanding Parity**

Bonds Declared Refundable. As of the effective date of this ordinance, no additional Refunding Parity Bonds may be issued under Ordinance 121941, as amended by Ordinance 122838, as amended and restated by Ordinance 124335, and as further amended by Ordinance 124916 (collectively and as amended, the "Prior Omnibus Refunding Ordinance"). 19 City learns of any material failure to comply with the Undertaking, the City will proceed with due
20 diligence to cause such noncompliance to be corrected. No failure by the City or other obligated
21 person to comply with this Undertaking shall constitute a default in respect of the Bonds. The sole
22 remedy of any Owner of a Bond shall be to take such actions as that Owner deems necessary,

1 including seeking an order of specific performance from an appropriate court, to compel the City
2 or other obligated person to comply with the Undertaking.
