ORDINANCE

COUNCIL BILL

119291

AN ORDINANCE relating to parking; defining “blockface;” updating the definition of “parking payment device;” defining “pay-to-park signage;” allowing the Traffic Engineer to establish areas where parking is regulated by pay-to-park signage and to authorize additional methods of payment for parking; amending the description of certain parking penalties; amending parking and payment requirements; making technical changes; amending Sections 11.14.425, 11.16.300, 11.31.121, 11.76.005, 11.76.015, 11.76.020, and 11.76.040 of the Seattle Municipal Code; adding new Sections 11.14.062 and 11.14.438 to the Seattle Municipal Code; and repealing Section 11.76.010 of the Seattle Municipal Code.

WHEREAS, the Seattle Department of Transportation (SDOT) operates and maintains a paid parking system in the public right of way with approximately 12,000 paid spaces and 1,700 parking kiosks, in 20 Seattle neighborhood business districts and downtown Seattle; and

WHEREAS, SDOT is near completion of a multi-year capital project to replace pay station kiosks with new equipment and plans to switch to “Pay By Plate” payment in which parkers use their license plate number to record payment instead of returning to their vehicle with a receipt to display; and

WHEREAS, SDOT no longer employs single-space parking meters and instead relies on multi-space parking kiosks, as well as mobile payment, and anticipates that in the future new payment technologies will be introduced by automobile companies and other vendors; and

WHEREAS, good parking management supports economic vitality, neighborhood livability, and encourages alternative travel modes for commuters, helping to reduce carbon emissions; and

WHEREAS, SDOT has consistently invested in new technology to facilitate the ease of parking payment and improve the customer experience; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new Section 11.14.062 is added to the Seattle Municipal Code as follows:

11.14.062 Blockface

"Blockface" means one side of a block between road intersections.

Section 2. Section 11.14.425 of the Seattle Municipal Code, last amended by Ordinance 123941, is amended as follows:

11.14.425 Parking payment device((,))

"Parking payment device" means any device used to ~~((aid in management and control of the parking of vehicles on City streets or other rights of way, including))~~ accept payment for parking, such as parking meters, ((and)) pay station((s)) kiosks, mobile devices, or other methods approved by the Director of the Seattle Department of Transportation.

~~((A. "Parking meter" means any mechanical or electronic device placed or erected adjacent to a parking space, which requires payment for use of the space and indicates when the lawful parking period will expire.~~

B. "Parking pay station" means any mechanical or electronic device, except a parking meter, placed or erected on city streets and other parking areas under the jurisdiction of Seattle Transportation for the purpose of managing and controlling the use of parking spaces and requiring payment for such use. The term includes both "pay and display" types of pay stations, which dispense a proof of payment receipt to be displayed on the vehicle except when payment is made by mobile device, and "pay by space" types of pay stations, which electronically

measure the lawful parking period and its expiration for specific parking spaces, without issuing a receipt for display on the vehicle.))

Section 3. A new Section 11.14.438 is added to the Seattle Municipal Code as follows:

11.14.438 Pay-to-park signage

“Pay-to-park signage” means signage that aids in the management and control of the parking and loading of vehicles on City streets or other rights-of-way and that designates that parking or loading on a specific blockface, or portion thereof, requires payment for such use either at a parking payment device or via mobile device or other approved method or device approved by the Director of the Seattle Department of Transportation.

Section 4. Section 11.16.300 of the Seattle Municipal Code, last amended by Ordinance 122274, is amended as follows:

2 vehicles; and designate the ~~((parking space or spaces))~~ blockface, or portion thereof, for which
3 ~~((a parking payment device is to be used by signs or appropriate markings upon the pavement~~
