ORDINANCE 125945

COUNCIL BILL 119652

AN ORDINANCE relating to citations and penalties in the Street and Sidewalk Use code; assessing citation penalties based on land use zoning and permit type; adding citation fee amounts to the Street Use Permit Fee Schedule; granting authority to annually adjust citation penalty fees; and amending Sections 15.91.016 and 15.91.030 and repealing Section 15.91.025 of the Seattle Municipal Code.

WHEREAS, the Seattle Department of Transportation (SDOT) Street Use Division is charged with regulating the use of the public right-of-way under Seattle Municipal Code (SMC) Title 15, Street and Sidewalk Use code; and

WHEREAS, the primary purposes of regulating the right-of-way are to ensure mobility is maximized for the traveling public, protect the public's health and safety, ensure public infrastructure is installed or restored properly by private utilities and developments, and activate public spaces; and

WHEREAS, Street Use manages the right-of-way by reviewing and issuing permits, inspecting permitted work, and providing code enforcement for non-permitted or non-compliant uses of the right-of-way; and

WHEREAS, SMC Title 15 provides several options for code enforcement actions, including warnings, citations, notices of violation (NOV), stop work orders, emergency orders, and abatement; and

WHEREAS, SMC Chapter 15.91 authorizes SDOT to issue citations for violating specific portions of Title 15 and permit conditions, and citations fee amounts have not been holistically updated since they were first introduced in 2002; and

1 WHEREAS, Street Use inspectors follow SDOT's Swift and Certain enforcement process for
2 enforcing violations in the public right-of-way to quickly address safety, access, or
3 environmental problems and change the violator's behavior over time; and

4 WHEREAS, SDOT is proposing a new citation penalty structure be added to the Street Use
5 Permit Fee Schedule that will be based on the land use zone adjacent to the violation's
6 location to incentivize efficient and effective compliance with Title 15 and permit
7 conditions, and to promote mobility and safety through the right-of-way; and

8 WHEREAS, SDOT will adjust the citation penalty fee amounts annually based on the Consumer
9 Price Index as authorized by Ordinance 125185; NOW, THEREFORE,
