ORDINANCE NO. 51334

AN ORDINANCE Granting permission to A. W. Mylroie to improve West 57th Street, from 8th Avenue Northwest to 9th Avenue Northwest, by constructing watermains, at his own cost and expense, under certain terms and conditions.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. That A. W. Mylroie be and he is hereby granted permission to improve West 57th Street, from 8th Avenue Northwest to 9th Avenue Northwest, by constructing watermains together with fire hydrants and the necessary appurtenances, and doing such other work as may be necessary in connection therewith, all at his own cost and expense, under certain terms and conditions.

Section 2. That the entire cost and expense of said improvement shall be borne by A. W. Mylroie, and all work shall be performed under the direct supervision of the City Engineer and shall be done in accordance with the Standard Plans and Specifications of the City of Seattle and in accordance with special plans and specifications prepared by the City Engineer and approved by the Board of Public Works. Before proceeding with the preparation of such plans and specifications, the City Engineer shall require a deposit of money to guarantee the payment of the cost of the preparation of said plans and specifications, together with the cost of making the necessary surveys, inspection and incidental expenses to be incurred by the City in connection with such improvement, the amount of such deposit to be based on an estimate to be made by the City Engineer. In the event that the said A. W. Mylroie desires to prepare his own plans and specifications, he shall so notify the City Engineer and such plans and specifications shall be submitted to the City Engineer before filing with the Board of Public Works. After approval by the Board of Public Works, such plans shall be the property of the City of Seattle and shall be filed in the office of the City Engineer.

Section 3. Before the commencement of the work herein authorized, the said A. W. Mylroie shall furnish the City a satisfactory bond, conforming to the requirements of Section 1159 of Remington's Compiled Statutes, and to insure the performance of the work in a satisfactory manner and to save and protect the City from any damage or cost which may arise by reason of the doing of such work, and also to guarantee the completion of the work within the time herein specified. Or in lieu of furnishing the above required bond, the said A. W. Mylroie may procure from the contractor employed by him to perform said work, and file with the City Comptroller, a good and sufficient bond conforming to all the requirements mentioned above, which said bond shall be payable and run jointly and severally to the said City of Seattle and the said A. W. Mylroie as obligees, and which said bond shall authorize an action thereon for breach of its conditions by the said City of Seattle and the said A. W. Mylroie either jointly or severally. The amount of the bond required in either case shall be the full amount of the cost of the work as estimated by the City Engineer.

Section 4. That after the approval of the plans and specifications for the work by the Board of Public Works, the said A. W. Mylroie shall notify the City Engineer of the date when he will be ready to begin the work provided for herein, but such work shall not be begun except upon written notice so to do by the City Engineer. Such work shall be completed within thirty (30) days from the date of such notice.

(To be used for all Ordinances except Emergency.)

Section 5. This ordinance shall take effect and be in force thirty days from and after its passage and approval, if approved by the Mayor; otherwise it shall take effect at the time it shall become a law under the provisions of the city charter.

Passed the City Council the 29 day of JUNE 1931 and signed by me in open session in authentication of its passage this 29 day of JUNE 1931

Robert H. Harlin
President of the City Council.

Approved by me this 30 day of JUNE 1931
Filed by me this 30 day of JUNE 1931

Frank Edwards
