Re: "Blighted areas" - legislative finding.

Public Safety Committee  
City Council  
Seattle

Honorable Members:

You have requested that we draft a "City Council resolution" finding that "blighted areas", as defined by the Urban Renewal Law, Ch. 42, Laws of 1957, exist within the city. We transmit instead, a proposed ordinance finding that such areas do exist and that rehabilitation, etc. is necessary, because Sec. 5, Chap. 42, Laws of '57, requires that such finding be made by the "local governing body" which in Seattle includes the mayor as well as the city council.

Yours very truly,

A. C. VAN SOELEN  
Corporation Counsel
