ORDINANCE

AN ORDINANCE authorizing an agreement for construction by the State of Washington of a storm sewer and outfall structure and providing for partial reimbursement to the State of its costs incurred in connection therewith, as a part of the additions to and betterments of the Municipal Sewerage Utility contemplated by Ordinance 37653, in connection with the State's construction of Primary State Highway No. 1, Seattle Freeway, between Prospect Street and Shelby Street, and making an appropriation from the Sewer Fund as an advance to the Municipal Sewerage 1959 Construction Fund.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. That the Mayor and the City Comptroller are hereby authorized to execute and deliver for and on behalf of the City of Seattle an agreement with the State of Washington, State Highway Commission, providing for construction by the State, in connection with its construction of Primary State Highway No. 1, Seattle Freeway, between Prospect Street and Shelby Street, of a storm sewer and outfall structure within and adjoining the State's right of way in the vicinity of East Garfield Street for joint use by the State and the City, such construction being required as part of the City's storm relief system which is a part of the additions to and betterments of the Municipal Sewerage Utility contemplated by Ordinance 37653 and further providing for reimbursement to the State of a portion of its costs incurred in connection with such construction. Such agreement shall be substantially in the form attached to C. F. 238137, with attached exhibits, "A" Specifications, "B" Estimates, "C" Drawings, all as recommended by the City Engineer and the Mayor in C. F. 238137.

Section 2. That execution and delivery of such agreement, if made prior to the effective date of this ordinance, is hereby ratified and confirmed.

Section 3. That in order to effectuate the reimbursement contemplated by Section 1 hereof, there is hereby appropriated from the moneys in the Sewer Fund not otherwise appropriated the sum of Sixty Seven Thousand Dollars (\$67,000.00) as a betterment outlay and advance

(To be used for all Ordinances except Emergency.)

to the Municipal Sewerage 1959 Construction Fund, to be repaid from said construction fund at such time as the City Engineer shall determine that moneys are available for such repayment without the necessity of any further appropriation, and the necessary appropriation from the Municipal Sewerage 1959 Construction Fund is hereby made, and the City Comptroller is authorized to draw and the City Treasurer to pay the necessary warrants and make the necessary transfers.

Section 4. This ordinance shall take effect and be in force thirty days from and after its passage and approval, if approved by the Mayor; otherwise it shall take effect at the time it shall become a law under the provisions of the city charter.

Passed by the City Council the 21 day of September, 1959,
and signed by me in open session in authentication of its passage this 21 day of September, 1959.
Alvin L. Smith

Approved by me this 22 day of September, 1959.
President _____ of the City Council.

Filed by me this 22 day of September, 1959.
