**Legislation Title:** A RESOLUTION authorizing the Mayor to sign and/or execute a collective bargaining agreement by and between the City of Seattle and the Washington State Council of County and City Employees, Local 21- Truck Drivers and Dispatchers, and Janitorial units to be effective through December 31, 2007.

- **Summary of the Legislation:**

The attached resolution authorizes the Mayor to sign and/or execute a collective bargaining agreement by and between the City of Seattle and the Washington State Council of County and City Employees, Local 21 - Truck Drivers and Dispatchers, and Janitorial units. The collective bargaining agreement covers the period from January 1, 2005 through December 31, 1007. The agreement is consistent with the financial terms of the Tentative Agreement between the City of Seattle and the Coalition of City Unions which was signed on May 25, 2005 (Ordinance 121888), or, where the pay for deployed military provision applies, the City of Seattle's military wage supplement (Ordinance 121885). The Washington State Council of County and City Employees, Local 21 represents approximately 166 employees within the Truck Drivers and Dispatchers, and Janitorial units.

- **Background:** *(Include brief description of the purpose and context of legislation and include record of previous legislation and funding history, if applicable):*

The Collective Bargaining Agreement between the City of Seattle and the Washington State Council of County and City Employees, Local 21 expired on December 31, 2006. The City and the Washington State Council of County and City Employees, Local 21 began negotiations in August of 2005 and came to a tentative agreement in February of 2006.

☐ **This legislation does not have any financial implications.** *(Stop here and delete the remainder of this document prior to saving and printing.)*

☒ **This legislation has financial implications.** *(Please complete all relevant sections that follow.)*

The employees covered by this collective bargaining agreement are a part of the Coalition of City Unions. The financial terms agreed to in the Collective Bargaining Agreement are reflected in the Coalition of City Unions' Tentative Agreement (Ordinance No. 121888), or the City of Seattle's military pay provision (Ordinance No. 121885).

Cost items associated with the Tentative Agreement include wages and employment benefits for the Coalition as well as non-represented employees, who have historically received equal increases in compensation. Coalition members and non-represented employee wages increased by 2.5 percent in 2005, 2.3 percent in 2006, and are projected to increase by 3.4 percent in 2007. The City will also incur costs for salary-related benefits such as pension, social security, and medicare. Given these increases, the aggregate salary and salary-related benefits for Coalition members and non-represented employees would grow from \$454.7 million in 2004 to approximately \$493.0 million in 2007.

Approval of the collective bargaining agreement as recommended in this legislation will require no further budgetary adjustments for 2005 or 2006, as these costs are already included in the City's budget for these years. Costs for 2007 will be included in the development of the 2007 Proposed Budget.

AGREEMENT  
BY AND BETWEEN  
THE CITY OF SEATTLE  
AND

WASHINGTON STATE COUNCIL OF COUNTY AND CITY EMPLOYEES,

AFSCME, LOCAL 21

PREAMBLE

This Agreement is between the City of Seattle (hereinafter called the City) and the Washington State Council of County and City Employees, AFSCME, Local 21, (hereinafter called the Union) for the purpose of setting forth the mutual understanding of the parties as to wages, hours, and other conditions of employment of those employees for whom the City has recognized the Union as the exclusive collective bargaining representative.

## ARTICLE 1 - NONDISCRIMINATION

- 1.1 The City and the Union shall not unlawfully discriminate against any employee by reason of race, creed, age, color, sex, national origin, religious belief, marital status, or sexual orientation.
- 1.1.1 Wherever words denoting a specific gender are used in this Agreement, they are intended and shall be construed so as to apply equally to either gender.
- 1.1.2 Allegations of discrimination shall be a proper subject for the grievance procedure; provided, however, the matter may not be pursued through arbitration (Step 4) if a complaint has been filed and is being pursued with a local government, state, or federal human rights or EEO agency.

## ARTICLE 2 - RECOGNITION, BARGAINING UNIT, AND TEMPORARY EMPLOYMENT

- 2.1 The City recognizes the Union as the exclusive collective bargaining representative for the purpose stated in Chapter 108, Extra Session Laws of 1967 of the State of Washington, for employees employed within the bargaining unit defined in Appendix A and Appendix B of this Agreement. For purposes of this Agreement and the bargaining unit described herein the following definitions shall apply:
- 2.1.1 The term "employee" shall be defined to include probationary employees, regular employees, full-time employees, part-time employees, and temporary employees not otherwise excluded or limited in the following Sections of this Article.
- 2.1.2 The term "probationary employee" shall be defined as an employee who is within his/her first twelve (12) month trial period of employment following his/her initial regular appointment within the classified service.
- 2.1.3 The term "regular employee" shall be defined as an employee who has successfully completed a twelve (12) month probationary period and who has had no subsequent break in service as occasioned by quit, resignation, discharge for just cause, or retirement.
- 2.1.4 The term "full-time employee" shall be defined as an employee who has been regularly appointed and who has a usual work schedule of forty (40) hours per week.
- 2.1.5 The term "part-time employee" shall be defined as an employee who has been regularly appointed and who has a usual work schedule averaging at least twenty (20) hours but less than forty (40) hours per week.
- 2.1.6 The term "temporary employee" shall be defined as an employee who has been hired to work during any period when additional work requires a temporarily augmented work force, in the event of an emergency, to fill in for the absence of a regular employee or to fill a vacancy in a budgeted position on an interim basis. Work performed by a temporary employee may include, but not necessarily be limited to, a variety of work schedules dependent upon the requirements of a particular temporary job assignment; e.g., full-time in assignments of limited duration; less than forty (40) hours per week; less than twenty (20) hours per week; as needed; seasonal; on call; or intermittent.
- 2.1.7 The term "interim basis" shall be defined as an assignment of an employee or employees to fill a vacancy in a budgeted position for a short period while said position is waiting to be filled by a regularly appointed employee.

2.2 All provisions expressed in Chapter 11.0 of the Personnel Rules shall govern the utilization and management of temporary assignments, except where as they are inconsistent with the expressed terms of the collective bargaining agreement.

2.23 Temporary employees shall be exempt from all provisions of this Agreement except Sections 2.23; 2.23.1; 2.2.2; 2.2.2.1; 2.2.2.2; 2.2.3; 2.2.4; 2.2.5; 2.2.6; 2.2.7; 2.2.8; 2.2.9; 2.2.10; 17.1.5; 17.3; 17.3.1; 19.1; Article 4, Union Security, Section 4.1.2; and Article 5, Grievance Procedure; provided, however, temporary employees shall be covered by the Grievance Procedure solely for purposes of adjudicating grievances relating to Sections identified within this Section.

2.23.1 Temporary employees shall be paid for all hours worked at the first pay step of the hourly rates of pay set forth within the appropriate Appendix covering the classification of work in which he/she is employed.

2.2.2 ~~Premiums Applicable Only to City of Seattle Temporary Employees~~ Each temporary employee shall receive premium pay as hereinafter set forth based upon the corresponding number of cumulative non-overtime hours worked by the temporary employee:

0001st hour through 0520th hour.....	5% premium pay
0521st hour through 1,040th hour.....	10% premium pay
1,041st hour through 2,080th hour.....	15% premium pay (If an employee worked eight hundred [800] hours or more in the previous twelve [12] months, they shall receive twenty percent [20%] premium pay.)
2,081st hour + .....	20% premium pay (If an employee worked eight hundred [800] hours or more in the previous twelve [12] months, they shall receive twenty five percent [25%] premium pay.)

The appropriate percentage premium payment shall be applied to all gross earnings.

2.2.2.1 Once a temporary employee reaches a given premium level, the premium shall not be reduced for that temporary employee as long as the employee continues to work for the City without a voluntary break in service as set forth within Section 2.2.8. Non-overtime hours already worked by an existing temporary employee shall apply in determining the applicable premium rate. In view of the escalating and continuing nature of the premium, the City may require that a temporary employee be available to work for a minimum number of hours or periods of time during the year.

- ~~2.2.2.2 — The premium pay in Section 2.2.2 does not include either increased vacation pay due to accrual rate increases or the City's share of any retirement contributions. Any increase in a temporary employee's vacation accrual rate percentage shall be added on to the premium pay percentages for the temporary employee to whom it applies.~~
- ~~2.2.3 — Temporary Employee Medical and Dental Eligibility — Once a temporary employee has worked at least one thousand forty (1,040) cumulative non-overtime hours and at least eight hundred (800) non-overtime hours or more in the previous twelve (12) months, he/she may, within ninety (90) calendar days thereafter, elect to participate in the City's medical and dental insurance programs by agreeing to pay the required monthly premium. To participate, the temporary employee must agree to a payroll deduction equal to the amount necessary to pay the monthly health care premiums, or the City, at its discretion, may reduce the premium pay of the employee who chooses this option in an amount equal to the insurance premiums. The temporary employee must continue to work enough hours each month to pay the premiums and maintain eligibility. After meeting the requirements stated in this Section, a temporary employee shall also be allowed to elect this option during any subsequent open enrollment period allowed regular employees. An employee who elects to participate in these insurance programs and fails to make the required payments in a timely fashion shall be dropped from City medical and dental coverage and shall not be able to participate again while employed by the City as temporary. If a temporary employee's hours of work are insufficient for his/her pay to cover the insurance premium, the temporary employee may, on no more than one occasion, pay the difference or self-pay the insurance premium for up to three (3) consecutive months.~~
- ~~2.2.4 — Temporary Employee Holiday Work Premium Pay — A temporary employee who works on any of the specific calendar days designated by the City as paid holidays shall be paid at the rate of one and one half (1 1/2) times his/her regular straight-time hourly rate of pay for hours worked during his/her scheduled shift. When a specific holiday falls on a weekend day and most regular employees honor the holiday on the preceding Friday or following Monday adjacent to the holiday, the holiday premium pay of one and one half (1 1/2) times the employee's regular straight-time rate of pay shall apply to those temporary employees who work on the weekend day specified as the holiday.~~
- ~~2.2.5 — A temporary employee who is scheduled to work regularly or on and off throughout the year and who has worked two thousand eighty (2,080) cumulative non-overtime hours without a voluntary break in service and who has also worked eight hundred (800) non-overtime hours or more in the previous twelve (12) months, may request an unpaid leave of absence not to exceed the amount of vacation time he/she would have earned in the previous year if he/she had not received vacation premium pay in lieu of annual paid vacation. Where such requests are made, the timing and scheduling of such unpaid leaves must be agreeable to the employing department. The leave shall be handled in a manner similar to the scheduling of vacation for regular employees. This~~

~~provision shall not be applicable in cases where a temporary employee accrues vacation time rather than premium pay as set forth within Section 2.2.7.~~

- ~~2.2.6 Premium pay set forth within Section 2.2.2 shall be in lieu of the base level of vacation and all other fringe benefits, such as sick leave, holiday pay, funeral leave, military leave, jury duty pay, disability leave, and medical and dental insurance, except as otherwise provided in Sections 2.2.2.2, 2.2.3, and 2.2.4.~~
- ~~2.2.7 The City may, at any time after ninety (90) calendar days advance notification to and upon consultation with the affected collective bargaining representatives, provide all fringe benefits covered by the premium pay set forth within Section 2.2.2 to all or some groups (departmental or occupational) of temporary employees to the same extent that they are available to regular employees within the same group, and in such event the premium pay provision in Section 2.2.2 shall no longer be applicable to that particular group of temporary employees. The City, at its discretion, may also after ninety (90) calendar days' advance notification to and upon consultation with the affected collective bargaining representatives, provide paid vacation and/or sick leave benefits to all or some groups (departmental or occupational) of temporary employees to the same extent that they are available to regular employees without providing other fringe benefits and in such event the premium pay in Section 2.2.2 shall be reduced by a percentage amount equivalent to the value of vacation and/or sick leave benefits. The applicable amount for base-level vacation shall be recognized as four point eight one percent (4.81%) which could be higher dependent upon accrual rate increases. The applicable amount for base-level sick leave shall be four point six percent (4.6%). The City shall not use this option to change to and from premiums and benefits on an occasional basis. The City may also continue to provide benefits in lieu of all or part of the premiums in Section 2.2.2 where it has already been doing so and it may in such cases reduce the premium paid to the affected employees by the applicable percentage.~~
- ~~2.2.8 The premium pay provisions set forth within Section 2.2.2 shall apply to cumulative non-overtime hours that occur without a voluntary break in service by the temporary employee. A voluntary break in service shall be defined as quit, resignation, service retirement, or failure to return from an unpaid leave. If the temporary employee has not worked for at least one year (12 months or 26 pay periods), it shall be presumed that the employee's break in service was voluntary.~~
- ~~2.2.9 The City may work temporary employees beyond one thousand forty (1,040) regular hours within any twelve (12) month period; provided, however, the City shall not use temporary employees to supplant permanent positions. The City shall not assign or schedule temporary employees (or fail to do so) solely to avoid accumulation of regular hours that would increase the premium pay provided for in Section 2.2.2 or solely to avoid considering creation of permanent positions.~~

~~2.2.10 — A temporary employee who has worked in excess of five hundred twenty (520) regular hours and who is appointed to a budgeted position without a voluntary break in service greater than thirty (30) days shall have his/her time worked counted for purposes of salary step placement (where appropriate) and eligibility for medical and dental benefits under Article 12.~~

2.34 The City may establish preparatory training programs, including on-the-job training, for the purpose of providing individuals an opportunity to compete and potentially move laterally or upward into new career fields. It is understood that on-the-job training may involve bargaining unit work even though the "trainee" is not covered by this Agreement. It is also understood that said trainees will not be used for the purpose of displacing regular employees. The City will furnish the Union with a copy of such a training plan(s) if it affects bargaining unit employees prior to implementation.

2.45 As part of its public responsibility, the City may participate in or establish public employment programs to provide employment and/or training for and/or service to the City by various segments of its citizenry. Such programs may result in individuals performing work for the City that is considered bargaining unit work pursuant to RCW 41.56. Such programs have included and may include youth training and/or employment programs, adult training and/or employment programs, vocational rehabilitation programs, work study and student intern programs, court-ordered community service programs, volunteer programs, and other programs with similar purposes. Some examples of such programs already in effect include Summer Youth Employment Program (SYEP), Youth Employment Training Program (YETP), Work Study, Adopt-a-Park, Seattle Conservation Corps, and court-ordered Community Service. Individuals working for the City pursuant to such programs shall be exempt from all provisions of this Agreement.

2.45.1 The City shall have the right to implement new public employment programs or expand its current programs beyond what exists as of the signature date of this Agreement, but where such implementation or expansion involves bargaining unit work and results in a significant departure from existing practice, the City shall give thirty (30) days' advance written notice to the Union of such and, upon receipt of a written request from the Union thereafter, the City shall engage in discussions with the Union on concerns raised by the Union. Notwithstanding any provision to the contrary, the expanded use of individuals under such a public employment program that involves the performance of bargaining unit work within a given City department, beyond what has traditionally existed, shall not be the cause of (1) a layoff of regular employees covered by this Agreement, or (2) the abrogation of a regular budgeted full-time position covered by this Agreement that recently had been occupied by a regular full-time employee who performed the specific bargaining unit work now being or about to be performed by an individual under one of the City's public employment programs.

| 2.56

The City shall not use temporary employees to supplant permanent positions.  
Bargaining unit positions shall not be supplanted by use of non-bargaining unit employees.

### ARTICLE 3 - RIGHTS OF MANAGEMENT

- 3.1 The right to hire, promote (in accordance with the Personnel Ordinance), discipline, and/or discharge for just cause, improve efficiency, and determine the work schedules and location of department headquarters are examples of management prerogatives. It is also understood that the City retains its right to manage and operate its departments except as may be limited by an express provision of this Agreement. This Agreement shall not limit the right of the City to contract for services of any and all types.
- 3.2 Delivery of municipal services in the most efficient, effective, and courteous manner is of paramount importance to the City and as such, maximized productivity is recognized to be an obligation of employees covered by this Agreement. In order to achieve this goal, the parties hereby recognize the City's right to determine the methods, processes, and means of providing municipal services; the right to increase or diminish operations, in whole or in part; the right to increase or diminish equipment, including the introduction of any and all new, improved, or automated methods or equipment; the assignment of employees to specific jobs, including the right to temporarily assign employees to a specific job or position outside the bargaining unit and the right to determine appropriate work-out-of-class assignments; the determination of job content and/or job duties and the combination or consolidation of jobs; provided, however, the exercise of such rights contained herein shall not modify or change any provision of this Agreement without the written concurrence of the Union and the City.
- 3.3 The Union recognizes the City's right to establish and/or revise performance standards. Such standards may be used to determine acceptable performance levels, prepare work schedules, and to measure the performance of each employee or groups of employees.
- 3.4 The City will make every effort to utilize its employees to perform all work, but the City reserves the right to contract out for work under the following guidelines: (1) required expertise is not available within the City work force, or (2) the contract will result in cost savings to the City, or (3) the occurrence of peak loads above the work force capability.

Determination as to (1), (2), or (3) above shall be made by the department head involved, and their determination in such case shall be final, binding and not subject to the grievance procedure; provided, however, prior to approval by the department head involved to contract out work under this provision, the Union shall be notified. The department head involved shall make available to the Union upon request (1) a description of the services to be so performed, and (2) the detailed factual basis supporting the reasons for such action. The Union may grieve contracting out for work as described herein, if such contract

involves work normally performed by employees covered by this Agreement, and if that contract is the cause of the layoff of employees covered by this Agreement.

## ARTICLE 4 - UNION MEMBERSHIP AND DUES

- 4.1 It shall be a condition of employment that each employee covered by this Agreement who voluntarily is or who voluntarily becomes a member of said Union shall remain a member of same during the term of this Agreement. It shall also be a condition of employment that each employee hired prior to January 1, 1972, currently covered by this Agreement who is not a member of the Union shall, on or before the thirtieth (30th) day following said date, either join the Union or pay an amount equivalent to the regular monthly dues of the Union to the Union. Any employee hired or appointed to a position into a bargaining unit covered by this Agreement on or after January 1, 1972, shall on or before the thirtieth (30th) day following the beginning of such employment join the appropriate Union. Failure by any such employee to apply for and/or maintain such membership in accordance with this provision shall constitute cause for discharge of such employee; provided, however, the requirements to apply for Union membership and/or maintain Union membership shall be satisfied by an offer of the employee to pay the regular dues uniformly required by the Union of its members.
- 4.1.1 Employees who are determined by the Public Employment Relations Commission to satisfy the religious exemption requirements of RCW 41.56.122 shall contribute an amount equivalent to regular Union dues to a nonreligious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the regular monthly dues.
- 4.1.2 A temporary employee shall pay to the Union in lieu of the union membership requirement of Article 4, a service fee in an amount equal to the Union's regular monthly dues uniformly required of regular City employees ~~for each one hundred and seventy four (174) straight time hours worked thereafter within the bargaining unit,~~ commencing with the thirty-first (31st) day following the temporary employee's first date of assignment to perform bargaining unit work.
- 4.2 When an employee fails to fulfill the above obligation, the Union shall provide the employee and the City with thirty (30) days' written notification of the Union's intent to initiate discharge action and during this period the employee may make restitution in the amount that is overdue. If an employee has not fulfilled the Union membership obligation as described in Section 4.1 by the end of the applicable discharge notification period, the Union shall thereafter notify the City Director of Labor Relations in writing, with a copy to the affected department and employee, of such employee's failure to abide by Section 4.1. In this notice the Union shall specifically request discharge of the employee for failure to abide by the terms of the Labor Agreement between the City and the Union.

4.3

The City shall deduct from the pay check of each employee who has so authorized it, the regular initiation fee and regular monthly dues uniformly required of members of the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. The Union agrees to indemnify and save harmless the City from any and all liability arising out of this Article. Authorization by the employee shall be on a form approved by the parties hereto and may be revoked by the employee upon request. The performance of this function is recognized as a service to the Union by the City.

## ARTICLE 5 - GRIEVANCE PROCEDURE

- 5.1 Any dispute between the City and the Union concerning the interpretation, application, claim of breach, or violation of the express terms of this Agreement shall be deemed a grievance. Provided that an employee at any time may present a grievance to the City and have such grievance adjusted without the intervention of the Union, if the adjustment is not inconsistent with the expressed terms of this agreement and if the Union has been given reasonable opportunity to be present at any initial meeting called for the resolution of such grievance.
- 5.2 A grievance in the interest of a majority of the employees in a unit of the bargaining unit shall be reduced to writing by the Union and may be introduced at Step 3 of the grievance procedure and be processed within the time limits set forth herein. Grievances shall be filed at the step in which there is authority to adjudicate such grievance.
- 5.3 As a means of facilitating settlement of a grievance, either party may include an additional member at its expense on its committee. If, at any step in the grievance procedure, management's answer in writing is unsatisfactory, the Union's reason for non-acceptance must be presented in writing.
- 5.4 Failure by an employee or the Union to comply with any time limitation of the procedure in this Article shall constitute withdrawal of the grievance; provided, however, any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing. Failure by the City to comply with any time limitation of the procedure in this Article shall allow the Union and/or employee to proceed to the next step without waiting for the City to reply at the previous step, except that employees may not process a grievance beyond Step 3.
- 5.5 Arbitration awards or grievance settlements shall not be made retroactive beyond the date of the occurrence or nonoccurrence upon which the grievance is based, that date being twenty (20) business days or less prior to the initial filing of the grievance.
- 5.6 A grievance shall be processed in accordance with the following procedure:
- 5.6.1 Step 1 -- The contract grievance shall be reduced to written form by the aggrieved employee stating the section of the agreement allegedly violated and explaining the grievance in detail. The aggrieved employee shall present the written grievance to the employee's supervisor within twenty (20) business days of the alleged contract violation with a copy of the grievance submitted to the Union by the aggrieved employee. The immediate supervisor should consult and/or arrange a meeting with his/her supervisor, if necessary to resolve the contract grievance. The parties shall

make every effort to settle the contract grievance at this stage promptly. The immediate supervisor shall answer the grievance in writing within ten (10) business days after being notified of the grievance, with a copy of the response submitted to the aggrieved employee and the Union.

- 5.6.2 Step 2 -- If the grievance is not resolved as provided in Step 1, the Union representative or a shop steward shall forward the written grievance to the ~~management-supervisor~~ division head with a copy to the City Director of Labor Relations within ~~10~~ ten (10) business days of the ~~alleged violation~~ after receipt of the Step 1 answer.

With Mediation:

At the time the aggrieved employee and/or the Union submits the grievance to the division head, the union representative or his/her designee or the aggrieved employee or the division head may submit a written request for voluntary mediation assistance, with a copy to the Alternative Dispute Resolution (ADR) Coordinator, the City Director of Labor Relations and the Union representative or his/her designee. If the ADR Coordinator determines that the case is in line with the protocols and procedures of the ADR process, within fifteen (15) business days from receipt of the request for voluntary mediation assistance, the ADR Coordinator or his/her designee will schedule a mediation conference and make the necessary arrangements for the selection of a mediator(s). The mediator(s) will serve as an impartial third party who will encourage and facilitate a resolution to the dispute. The mediation conference(s) will be confidential and will include the parties. The Union Representative or his/her designee and a Labor Negotiator from City Labor Relations may attend the mediation conference(s). Other persons may attend with the permission of the mediator(s) and both parties. If the parties agree to settle the matter, the mediator(s) will assist in drafting a settlement agreement, which the parties shall sign. An executed copy of the settlement agreement shall be provided to the parties, with either a copy or a signed statement of the disposition of the grievance submitted to the City Director of Labor Relations and the Union. The relevant terms of the settlement agreement shall be provided by the parties to the department's designated officials who need to assist in implementing the agreement. If the grievance is not settled within ten (10) business days of the initial mediation conference date, the City Director of Labor Relations, the appropriate division head and the appropriate Union Representative or his/her designee shall be so informed by the ADR Coordinator.

The parties to a mediation shall have no power through a settlement agreement to add to, subtract from, alter, change, or modify the terms of the collective bargaining agreement or to create a precedent regarding the interpretation of the collective bargaining agreement or to apply the settlement agreement to any circumstance beyond the explicit dispute applicable to said settlement agreement.

If the grievance is not resolved through mediation, the division head shall convene a meeting within ten (10) business days after receipt of notification that the grievance was not resolved through mediation between the aggrieved employee, Shop Steward and/or Union Representative, together with the division head, section manager, and departmental labor relations officer. The City Director of Labor Relations or his/her designee may attend said meeting. Within ten (10) business days after the meeting, the division head shall forward a reply to the Union.

**Without Mediation:**

The division head shall convene a meeting within ten (10) business days after receipt of the grievance between the aggrieved employee, Shop Steward and/or Union Representative, together with the division head, section manager, and departmental labor relations officer. The City Director of Labor Relations or his/her designee may attend said meeting. Within ten (10) business days after the meeting, the division head shall forward a reply to the Union.

- 5.6.3 Step 3 -- If the grievance is not resolved as provided in Step 2 above, or if the grievance is initially submitted at Step 3 pursuant to Article 5, Section 5.2, the written grievance defined in the same manner as provided in Step 2 shall be forwarded within ten (10) business days after receipt of the Step 2 answer to the City Director of Labor Relations with a copy to the appropriate department head.

For purposes of this Section, regularly scheduled shall be defined as forty-eight (48) hours' advance notice. In instances where forty-eight (48) hours' advance notice is not provided to an employee, said employee will be entitled to pay or compensatory time at two (2x) times the straight-time rate of pay for hours worked on the holiday in addition to the straight-time rate of pay for the holiday.

10.1.9 Wellness Incentive Plan -- Employees who, during a payroll year, use less than twenty five (25) hours of sick leave may convert eight (8) hours of unused, accrued sick leave to a personal vacation day to be used in the next calendar year. (The "payroll year" shall be recognized as all pay periods for which compensation is paid and included as income for IRS tax purposes as one year's reportable earnings.) This plan will terminate at the end of the "payroll year" in 2007.

10.2 Bereavement/Funeral Leave -- Regular employees shall be allowed one (1) day off without salary deduction for bereavement purposes in the event of the death of any close relative; provided, that where attendance at a funeral requires total travel of two hundred (200) miles or more, one (1) additional day with pay shall be allowed; provided, further, that the department head may, when circumstances require and upon application stating the reasons therefore, authorize for such purpose not to exceed an additional four (4) days chargeable to the sick leave account of the employee, but no combination of paid absence under this Section shall exceed five (5) days for any one (1) period of absence. Bereavement/Funeral leave may be allowed for bereavement purposes and/or attendance at the funeral of any other person as allowed by City Ordinance. The employee shall pay sixty percent (60%) of the monthly premium, and the City shall pay forty percent (40%) of the monthly premium at a premium rate established by the City and the carrier. Premium rebates received by the City from the voluntary Group Term Life Insurance option shall be administered as follows:

4213.2.1 Commencing with the signing of this Agreement, future premium rebates shall be divided so that forty percent (40%) can be used by the City to pay for the City's share of the monthly premiums, and sixty percent (60%) shall be used for benefit of employees participating in the Group Term Life Insurance Plan in terms of benefit improvements to pay the employees' share of the monthly premiums or for life insurance purposes otherwise negotiated.

Benefits may be reduced by the employee's income from other sources as set forth in the Plan Description. The provisions of the plan shall be further and more fully defined in the Plan Description issued by the Standard Insurance Company.

| 4213.3.1 During the term of this Agreement, the City may, at its discretion, change or eliminate the insurance carrier for any of the long-term disability benefits covered by this Section and provide an alternative plan either through self insurance or another insurance carrier, however, the long-term disability benefit level shall remain substantially the same.

| 4213.3.2 The maximum monthly premium cost to the City shall be no more than the monthly premium rates established for calendar year 2004 for the Base Plan, but not to exceed the maximum limitation on the City's premium obligation per calendar year as set forth within Section 4213.2.

| 4213.4 Long-Term Care -- The City will offer an option for employees to purchase a new long-term care benefit for themselves and certain family members.

| 4213.6 Labor-Management Health Care Committee -- Effective January 1, 1999, a Labor-Management Health Care Committee shall be established by the parties. This Committee shall be responsible for governing the medical, dental, and vision benefits for all regular employees represented by Unions that are subject to the relevant Memorandum of Agreement. ## ARTICLE 14 - INDUSTRIAL INJURY OR ILLNESS

- 14.1 Any employee who is disabled in the discharge of his duties and if such disablement results in absence from his/her regular duties, shall be compensated, except as otherwise hereinafter provided, in the amount of eighty percent (80%) of the employee's normal hourly rate of pay, not to exceed two hundred and sixty-one (261) regularly scheduled workdays counted from the first regularly scheduled workday after the day of the on-the-job injury; provided the disability sustained must qualify the employee for benefits under State Industrial Insurance and Medical Aid Acts.
- 14.2 Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to his/her sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. Any earned vacation may be used in a like manner after sick leave is exhausted; provided that, if neither accrued sick leave nor accrued vacation is available, the employee shall be placed on no-pay status for these three (3) days. If the period of disability extends beyond fourteen (14) calendar days, then: (1) any accrued sick leave or vacation leave utilized due to absence from his/her regular duties, as provided for in this Section shall be reinstated, and the employee shall be paid in accordance with Section 14.1, which provides payment at the eighty percent (80%) rate; or (2) if no sick leave or vacation leave was available to the employee at that time, then the employee shall thereafter be compensated for the three (3) calendar days at the eighty percent (80%) compensation rate described in Section 14.1.
- 14.3 Such compensation shall be authorized by the Personnel Director or his/her designee with the advice of such employee's department head on request from the employee supported by satisfactory evidence of medical treatment of the illness or injury giving rise to such employee's claim for compensation under SMC 4.44, as now or hereinafter amended.
- 14.4 In no circumstances will the amount paid under these provisions exceed an employee's gross pay minus mandatory deductions (taxes, retirement). This provision shall become effective when SMC 4.44, Disability Compensation, is revised to incorporate this limit.
- 14.5 Employees must meet the standards listed in SMC 4.44.020 to be eligible for the benefit amount provided herein that exceeds the rate required to be paid by state law, hereinafter referred to as supplemental benefits. These standards require that employees: (1) comply with all Department of Labor and Industries rules and regulations and related City of Seattle and employing department policies and procedures; (2) respond, be available for, and attend medical appointments and

treatments and meetings related to rehabilitation, work hardening, conditioning, or other treatment arranged by the City and authorized by the attending physician; (3) accept modified or alternative duty assigned by supervisors when released to perform such duty by the attending physician; (4) attend all meetings scheduled by the City of Seattle Workers' Compensation Unit or employing department concerning the employee's status or claim when properly notified at least five (5) working days in advance of such meeting unless other medical treatment conflicts with the meeting and the employee provides twenty-four (24) hours' notice of such meeting or examination.

The City will provide a copy of the eligibility requirements to employees when they file a workers' compensation claim. If records indicate two (2) no-shows, supplemental benefits may be terminated no sooner than seven (7) calendar days after notification to the employee.

~~14.6 Initial Care Facility The parties agree to review the concept of an initial care facility to promote and support a strong return to work policy. An initial care facility is a designated facility available to provide the first treatment and possible ongoing treatment of injured workers. The Health Care Cost Containment Committee will be responsible for conducting the review and making a decision regarding the feasibility of the initial care facility concept; such review will be completed by May 1, 1996, unless the time frame is extended by mutual agreement of the participants in the Health Care Cost Containment Committee. If the participants mutually agree to utilization of an initial care facility, the requests for bid shall go out within two months of such consensus decision.~~

~~14.7~~14.6 Compensation for holidays and earned vacation falling within a period of absence due to such disability shall be at the normal rate of pay, but such days shall not be considered as regularly scheduled workdays as applied to the time limitations set forth within Section 14.1. Disabled employees affected by the provisions of SMC 4.44 shall continue to accrue vacation and sick leave as though actively employed during the period set forth within Section 14.1.

~~14.8~~14.7 Any employee eligible for the benefits provided by this Ordinance whose disability prevents him/her from performing his/her regular duties, but, in the judgment of his/her physician could perform duties of a less strenuous nature, shall be employed at his/her normal rate of pay in such other suitable duties as the department head shall direct with the approval of such employee's physician until the Personnel Director requests closure of such employee's claim pursuant to SMC 4.44, as now or hereinafter amended.

~~14.9~~14.8 Sick leave shall not be used for any disability herein described except as allowed in Section 14.2.

| ~~14.10~~14.9 The afore-referenced disability compensation shall be understood to be in lieu of State Industrial Insurance Compensation and Medical Aid.

| ~~14.11~~14.10 Appeals of any denials under this Article shall be made through the Department of Labor and Industries as prescribed in Title 51 RCW.

ARTICLE 15 - UNION REPRESENTATIVE EMPLOYEE RIGHTS, SHOP STEWARD  
RESPONSIBILITIES AND UNION BUSINESS

~~15.1 Union Visitation — The Union Representative may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time during working hours. For purposes of this Section, "City official in charge" shall mean the supervisor in charge of the work area to be visited or, if the work area is located outside of the corporate limits of the City of Seattle, the "City official in charge" shall mean the official in charge of the particular facility (e.g., Skagit Project) or the official designated by the affected department. The Union Representative shall limit his/her activities during such visit to matters relating to this Agreement. Such visits shall not interfere with work functions of the department. City work hours shall not be used by employees and/or the Union Representative for the conduct of Union business or the promotion of Union affairs other than stated above.~~

15.1 The City and the Union agree that they will not discriminate against any employee by reason of race, color, age, sex, marital status, sexual orientation, gender identity, veteran status, political ideology, creed, religion, ancestry, or national origin; Union activities; or the presence of any sensory, mental or physical disability, unless based on a bona fide occupational qualification reasonably necessary to the normal operation of the City.

Disputes involving this section of this Article may be processed through an appropriate agency and/or the third step of the grievance procedure, but shall not be subject for arbitration. Use of the grievance procedure may precede the initiation of any other official action involving such a dispute.

15.2 Words denoting gender in this agreement are intended to apply equally to either sex.

15.3 The Staff Representative of the Union may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time for the purpose of investigating grievances. Such representative shall limit their activities during such investigations for a reasonable period of time and to matters relating to this Agreement. City work hours shall not be used by employees or Union Representatives for the conduct of Union business or the promotion of Union affairs.

15.4 The Union shall have the right to appoint a steward at any location where members are employed under the terms of this Agreement. The department shall be furnished with the names of stewards so appointed. Immediately after appointment of its Shop Steward(s) and Local Union Officer(s) who may serve as Stewards, the Union shall furnish the Director of Labor Relations with a list of those employees who have been designated as Shop Stewards and Local Union Officer(s) who may serve as Stewards. Said list shall be updated as needed. The Steward shall see that the provisions of this Agreement are observed, and they shall be allowed reasonable time to perform these duties during

regular working hours without suffering a loss in pay. This shall include keeping the Union informed of matters relating to the Agreement and the processing of grievances relating to alleged violations, but not include processing grievances at Step 4 of the grievance procedure enumerated in Article 5 of this Agreement. When a Steward is processing a grievance, arrangements must be made with the supervisor of the Steward for time away from the job. It is understood that all other Steward activities are to be conducted on the Stewards own time (before or after work, rest breaks, lunch).

15.5 Any charges by management that indicate that a Shop Steward or Local Union Officer is spending an unreasonable amount of time performing the afore mentioned duties shall be settled at the lowest level possible. If these matters are unable to be settled at the Department level, they may be referred to the Director of Labor Relations or a designee for discussions with the Union's Staff Representative. The Staff Representative shall assume the responsibility of communicating to the Shop Steward or Local Union Officer any concerns or expectations resulting from the above discussions with the Director of Labor Relations or a designee.

15.6 Investigatory Interviews - When an employee is required by the City to attend an interview conducted by the City for purposes of investigating an incident which may lead to discipline/discharge of that employee because of that particular incident, the employee shall have the right to request that he/she be accompanied at the investigatory interview by a representative of the Union. If the employee makes such a request, the request shall be made to the City representative conducting the investigatory interview. The City, when faced with such a request, may:

- (1) Grant the employee's request, or
- (2) Deny the employee's request but, in doing so, stop and/or cancel the investigatory interview.

City Light employees located at the Skagit will be permitted forty-eight (48) hours, from the time the request is made to the City, to obtain Union representation.

15.6.1 In construing this Section, it is understood that:

- (1) The City is not required to conduct an investigatory interview before discipline or discharging an employee.
- (2) The City may cancel a scheduled interview at any time. The City will make its best effort to notify the parties of canceled interviews.
- (3) The City does not have to grant an employee's request for Union representation when the meeting between the City and the employee is not investigatory, but is

solely for the purpose of informing an employee of a disciplinary/discharge decision that the City has already made relative to that employee.

- (4) The employee must make arrangements for Union representation when his/her request for representation is granted. The investigatory interview must be held within a reasonable period of time following the employee's request for representation.
- (5) An employee shall attend investigatory interviews scheduled by the City at reasonable times and reasonable places.

15.7 The City shall provide bulletin board space for the use of the Union in areas accessible to the members of the bargaining units for posting:

- A. Union bulletins regarding scheduled business and social meeting.
- B. Information concerning Union elections and the results thereof.
- C. Reports of official business.

Union bulletin board space shall not be used for notices that are political in nature. All material posted shall be officially identified as Washington State Council of County and City Employees, Local 21.

15.8 Personnel File -- The employees covered by this Agreement may examine their personnel files in the departmental Personnel Office in the presence of the Personnel Officer or a designated supervisor. In matters of dispute regarding this section, no other personnel files will be recognized by the City or the Union except that supportive documents from other files may be used. Materials to be placed into an employee's personnel file relating to job performance or personal conduct or any other material that may have an adverse effect on the employee's employment shall be reasonable and accurate and brought to their attention with copies provided to the employee upon request.

In accordance with RCW 49.12.250, employees shall be given an opportunity to provide a written response to any written evaluations, disciplinary action or any other material to be included in the personnel file.

21.15.8.1 Supervisor Files -- Files maintained by supervisors regarding an employee are considered part of the employee's personnel file and subject to the requirements of state law, RCW 49.12.240, RCW 49.12.250 and RCW 49.12.260, and any provisions of this Agreement applicable to personnel files, including allowing employee access to such files.

15.215.9 Employee Participation in Collective Bargaining: - The parties to this agreement recognize the value to both the Union and the City of having employees express their perspective(s) as part of the negotiations process. Therefore, effective ~~July 11, 2001~~ August 18, 2004, employees who participate in bargaining as part of the Union's bargaining team during the respective employee's work hours shall remain on paid status, without the Union having to reimburse the City for the cost of their time, PROVIDED the following conditions are met:

~~1. No more than two (2) employees per negotiations session shall be authorized under this provision;~~

~~2.1. Bargaining preparation and meetings of the Union's bargaining team other than actual negotiations shall not be applicable to this provision;~~

~~3.2. No more than an aggregate of one hundred (150) hours of paid time for the negotiation sessions resulting in a labor agreement, including any associated overtime costs, shall be authorized under this provision.~~

~~4.3. If the Union includes more than two (2) employees per negotiations session as members of the Union's bargaining team during the respective employee's work hours or the aggregate of one hundred (150) hours is exceeded, the Union shall reimburse the City for the cost of said employee(s) time, including any associated overtime costs.~~

~~This provision shall automatically become null and void with the expiration of the collective bargaining agreement, shall not constitute the status quo, and shall not become a part of any successor agreement unless it is explicitly renegotiated by the parties.~~

## ARTICLE 16 - WORK OUTSIDE OF CLASSIFICATION

- 16.1 Work out of class is a management tool, the purpose of which is to complete essential public services whenever an employee is assigned by proper authority to perform the normal, ongoing duties of and accept responsibility of a position. When the duties of a higher-paid position are clearly outside the scope of an employee's regular classification for a period of three (3) hours or longer in any one (1) work week, he/she shall be paid at the out-of-class rate while performing such duties and accepting such responsibility. The out-of-class rate shall be determined in the same manner as for promotion and shall be paid for only actual hours worked. "Proper authority" shall be a supervisor who has been designated the authority by a manager or director directly above the position that is being filled out of class and who has budget management authority of the work unit. The City has the sole authority to direct its supervisors as to when to assign employees to a higher class. Employees must meet the minimum qualifications of the higher class and must have demonstrated or be able to demonstrate their ability to perform the duties of the class. The City may work employees out of class across bargaining unit jurisdictions for a period not to exceed six (6) continuous months for any one position. The six (6) month period may be exceeded under the following circumstances: (1) when a hiring freeze exists and vacancies cannot be filled; (2) extended industrial or off-the-job injury or disability; (3) when a position is scheduled for abrogation; or (4) a position is encumbered (an assignment in lieu of a layoff; e.g., with the renovation of the Seattle Center Coliseum). When such circumstances require that an out-of-class assignment be extended beyond six (6) months for any one position, the City shall notify the Union or Unions that represent the employee who is so assigned and/or the body of work that is being performed on an out-of-class basis. After nine (9) months, the Union that represents the body of work being worked out of class must concur with any additional extension of the assignment. The Union that represents the body of work will consider all requests on a good-faith basis.

- 16.1.1 When an employee is assigned to perform out-of-class duties in the same title for a total of twelve (12) months (each 2088 hours) of actual service, they will receive one step increment in the higher paid title; provided that they have not received a step increment in the out-of-class title based on changes to the primary pay rate within the previous twelve (12) months, and that such increment does not exceed the top step of the higher salary range. However, hours worked out-of-class that were properly paid per Article 16.1 of this Agreement, shall apply toward salary step placement if the employee's position is reclassified to the same title as the out-of-class assignment within twelve (12) months of the end of such assignment.

- 16.2 An employee may be temporarily assigned to perform the duties of a lower-paid classification without a reduction in pay. When employees voluntarily apply for and

voluntarily accept a position in a lower-level classification, they shall receive the salary rate for the lower class, which, without increase, is nearest to the salary rate to which such employee was entitled in the higher class. For such temporary period, the employee shall continue to pay dues to the Union of the higher class. The overtime provisions applicable are those of the contract covering the bargaining unit position of the work being performed on an overtime basis. At management's discretion, an employee may be temporarily assigned the duties of a lower-level class or the duties of a class with the same pay rate range as his/her primary class, across Union jurisdictional lines, with no change to his or her regular pay rate. Out-of-class provisions related to threshold for payment, salary step placement, service credit for salary step placement, and payment for absences do not apply in these instances.

- 16.3 Out-of-class work shall be formally assigned in advance of the out-of-class opportunity created in normal operating conditions. Where the work is not authorized in advance, it is the responsibility of the proper authority to determine immediately how to accomplish the duties that would otherwise constitute an out-of-class assignment. Any employee may request that this determination be made. The employee will not carry out any duty of the higher-level position when such duty is not also a duty of his or her own classification if the employee is not formally assigned to perform the duties on an out-of-class basis.
- 16.3.1 No employee may assume the duties of the higher-paid position without being formally assigned to do so except in a bona fide emergency. When an employee has assumed an out-of-class role in a bona fide emergency, the individual may apply to his or her department director for retroactive payment of out-of-class pay. The decision of the department director as to whether the duties were performed and whether performance thereof was appropriate shall be final.
- 16.4 An employee who is temporarily unable to perform the regular duties of his/her classification due to an off-the-job injury or illness may opt to perform work within a lower-paying classification dependent upon the availability of such work and subject to the approval of the Employer. The involved employee shall receive the salary rate for the lower class that, without increase, is nearest to the salary rate to which such employee was entitled in the higher class. The Union shall be provided a copy of correspondence to an employee concerning anticipated application of this Section.

## ARTICLE 17 - HOURS OF WORK AND OVERTIME

- 17.1 Eight (8) hours within nine (9) consecutive hours shall constitute a workday, and five (5) consecutive days within seven (7) consecutive days shall constitute a workweek of forty (40) hours. Work schedules shall normally consist of five (5) consecutive days followed by two (2) consecutive days off, except for relief shift assignments, 4/10 work schedules, and other special schedules.
- 17.1.1 Meal Period -- Employees shall receive a meal period that shall commence no less than two (2) hours nor more than five (5) hours from the beginning of the employee's regular shift. The meal period shall be no less than one-half (1/2) hour nor more than one (1) hour in duration and shall be without compensation. Should an employee be required to work in excess of five (5) continuous hours from the commencement of his/her regular shift without being provided a meal period, the employee shall be compensated two (2) times the employee's straight-time rate of pay for the time worked during his/her normal meal period and be afforded a meal period at the first available opportunity during working hours without compensation.
- 17.1.2 Rest Breaks -- Employees shall receive a fifteen (15) minute rest break during the first four (4) hour period of their workday and a second fifteen (15) minute rest break during the second four (4) hour period in their workday. Employees shall be compensated at their prevailing wage rate for time spent while on rest breaks.
- 17.1.2.1 Upon mutual agreement between the affected employee and his/her supervisor, janitors in the Fleets and Facilities Department and employees in the Animal Control Division may forego their morning and/or afternoon rest break (consisting of fifteen (15) minutes each) and combine the break with their regularly scheduled lunch period. Either the employee or supervisor may discontinue this practice with advance written notice to the other party.
- 17.1.3 Where work conditions require continuous staffing throughout a work shift for thirty (30) consecutive days or more, the City may, in lieu of the meal period and rest periods provided in Sections 17.1.1 and 17.1.2, provide a working meal period and working rest periods during working hours without a loss in pay so that such periods do not interfere with ongoing work requirements.
- For periods of less than thirty (30) days, a continuous eight (8) hour shift may be implemented by mutual agreement of the department head or his/her designee and the Union Staff Representative. The department head designee shall be at the level of at least a division director.
- 17.1.4 When management deems it necessary, work schedules may be established other than the normal Monday through Friday schedule; provided, however, that where work

weeks other than the basic departmental work week schedules in force on the effective date of this Agreement are deemed necessary, the change(s) and reason therefore shall be provided to the Union. At least forty-eight (48) hours' advance notice shall be afforded the Union and employees covered by this Agreement when shift and schedule changes are required by their supervisor. In instances where forty-eight (48) hours' advance notification is not provided to an employee, the employee shall be compensated at the overtime rate of pay for the first shift worked under the new schedule.

- 17.1.5 All work performed in excess of eight (8) hours in any workday (except for those employees who work a four (4) day, forty (40) hour work week) or forty (40) hours in any work week shall be considered as overtime. Such overtime work shall be paid for at the rate of two (2) times the employee's regular straight-time rate of pay or, by mutual consent between the employee and his/her supervisor, compensated for by compensatory time off at the applicable overtime rate and in such a manner so as not to conflict with the Fair Labor Standards Act (FLSA). A department head, or his/her designee, may set a maximum level of compensatory time to be accrued at any one time and may set policy and develop procedures for scheduling and approval of compensatory time off.

A "work week" for purposes of determining whether an employee exceeds forty (40) hours in a work week shall be a seven (7) consecutive day period of time beginning on Wednesday and ending on Tuesday, except when expressly designated to begin and end on different days and times from the normal Wednesday through Tuesday work week.

All overtime work shall be offered to qualified regular employees in the classification before any temporary employees are asked to work overtime.

Discussion of a department's compensatory time policies and procedures shall be a proper subject for discussion in a labor-management meeting if requested by the Union.

- 17.1.6 Emergency Call Back -- Employees who are called back to work after completing their regular shift and who are relieved of duty before commencing their next regular shift shall be paid a minimum of four (4) hours straight-time pay for all time worked up to two (2) hours. Any time worked in excess of two (2) hours shall be paid for at double the straight-time rate of pay for actual hours worked.

Example:

Zero (0) minutes to two (2) hours = 4 hours' straight-time pay; two and one-half (2 1/2) hours = 5 hours' straight-time pay; four (4) hours = 8 hours' straight-time pay.

17.1.6.1 Definition of an Emergency Call Back -- A Call Back shall be defined as a circumstance where an employee has left the work premises at the completion of his/her regular work shift and is required to report back to work prior to the start of his/her next regularly scheduled work shift. An employee who is called back to report to work before the commencement of his/her regular work shift shall be compensated in accordance with the Call Back provisions of this Labor Agreement; provided, however, in the event he/she is called back to report to work within two (2) hours from the starting time of his/her next regularly scheduled work shift, he/she shall be compensated at the overtime rate of pay for only those hours immediately preceding the start of his/her next regularly scheduled work shift, and the Call-Back provision shall not apply.

17.1.6.2 Extended Emergency Situations -- In extended emergency situations, without prior notice, City Departments may switch to two (2) twelve (12) hour shifts until the emergency is resolved.

17.1.6.23 Water Operations (Seattle Public Utilities) Standby Roster Rule -- Employees on the Water Operations Department Standby Roster who are called back to work or remain at work on a shift extension on an overtime basis and meet all of the following conditions will receive a compensatory time benefit as described herein:

Conditions:

- A. The employee is required to work in excess of eight (8) hours on an overtime basis;
- B. The employee's next regularly scheduled shift begins within eight (8) hours of being released from overtime; and
- C. The employee must have worked a total of sixteen (16) hours within the twenty-four (24) hour period commencing at the beginning of his/her preceding regular shift.

Compensatory Time Benefit During Extended Emergency Situations:

In the event of an emergency, it may be necessary to work an employee over sixteen (16) hours and in that event For for each overtime hour worked in excess of eight (8) overtime hours, under the conditions described above, the employee shall accrue one (1) hour of compensatory time, which must be used at the beginning of or during the employee's next regular shift that commences within eight (8) hours of being released from the overtime work.

18.1 Transfers -- The transfer of an employee shall not constitute a promotion except as provided in Section 18.1.2E.

18.1.1 Intra-departmental Transfers -- An appointing authority may transfer an employee from one position to another position in the same class in his/her department without prior approval of the Personnel Director but must report any such transfer to the Personnel Department within five (5) days of its effective date.

18.1.2 Other transfers may be made upon consent of the appointing authorities of the departments involved and with the Personnel Director's approval as follows:

- A. Transfer in the same class from one department to another;
- B. Transfer to another class in the same or a different department in case of injury in line of duty either with the City service or with the armed forces in time of war, resulting in permanent partial disability, where showing is made that the transferee is capable of satisfactorily performing the duties of the new position;
- C. Transfer, in lieu of layoff, may be made to a position in the same class to a different department upon showing that the transferee is capable of satisfactorily performing the duties of the position and that a regular, trial service, or probationary employee is not displaced. The employee subject to layoff shall have this opportunity to transfer, provided there is no one on the Reinstatement Recall List for the same class for that department. If there is more than one employee eligible for transfer, in lieu of layoff, in the same job title, the employee names shall be placed on a Layoff Transfer List in order of job class seniority. Eligibility to choose this opportunity to transfer is limited to those employees who have no rights to other positions in the application of the layoff language herein including Section 18.3.4.

A department will be provided with the names of eligible employees and their job skills. The department will fill the position with the most senior employee with the job skills needed for the position. The department may test or otherwise affirm the employee has the skills and ability to perform the work.

An employee on the Layoff Transfer List who is not placed in another position prior to layoff shall be eligible for placement on the Reinstatement Recall List pursuant to Section ~~18.3.5~~ 18.4.

- D. Transfer, in lieu of layoff, may be made to a single position in another class in the same or a different department, upon showing that the transferee is capable of

satisfactorily performing the duties of the position, and that a regular, trial service, or probationary employee is not displaced;

- E. Transfer, in lieu of layoff, may be made to a single position in another class when such transfer would constitute a promotion or advancement in the service, provided a showing is made that the transferee is capable of satisfactorily performing the duties of the position and that a regular, trial service, or probationary employee is not displaced and when transfer in lieu of layoff under Section 18.1.2D is not practicable;
  - F. The Personnel Director may approve a transfer under Section 18.1.2A, B, C, D, or E with the consent of the appointing authority of the receiving department only, upon a showing of the circumstances justifying such action;
  - G. Transfer may be made to another similar class with the same maximum rate of pay in the same or different department upon the director's approval of a written request by the appointing authority.
- 18.1.2.1 Employees transferred pursuant to the provisions of Section 18.1.2 shall serve probationary and/or trial service periods as may be required in Article 20, Sections 20.5; 20.5.1; 20.5.2; and 20.5.3.
- 18.2 Voluntary Reduction -- A regularly appointed employee may be reduced to a lower class upon his/her written request stating his/her reasons for such requested reduction, if the request is concurred in by the appointing authority and is approved by the Personnel Director. Such reduction shall not displace any regular, trial service, or probationary employee.
- 18.2.1 The employee so reduced shall be entitled to credit for previous regular service in the lower class and to other service credit in accordance with Section ~~18.3.5~~ 18.4.7. Upon a showing, concurred in by the appointing authority that the reason for such voluntary reduction no longer exists, the Personnel Director may restore the employee to his/her former status.
- 18.3 The City shall notify the Union and the affected employee in writing at least two (2) weeks in advance whenever possible, when a layoff is imminent within the bargaining unit.
- 18.3.1 Layoff -- Layoff for purposes of this Agreement shall be defined as the interruption of employment and suspension of pay of any regular, trial service, or probationary employee because of lack of work, lack of funds, or through reorganization. Reorganization when used as a criterion for layoff shall be based upon specific policy decision(s) by legislative authority to eliminate, restrict, or reduce functions or funds of a particular department.

18.3.2 Employees within a given class in a department shall be subject to lay off in accordance with the following order:

- A. Interim appointees;
- B. Temporary or intermittent employees not earning service credit;
- C. Probationary employees; \*
- D. Trial service employees \* (who cannot be reverted in accordance with Section 20.4.2); or
- E. Regular employees \* in order of their length of service, the one with the least amount of service being laid off first.

\* (except as their layoff may be affected by military service during probation).

18.3.3 However, the City may lay off out of the order described above for one or more of the following reasons:

- A. Upon showing by the department head that the operating needs of the department require a special experience, training, or skill.
- B. When (1) women or minorities are substantially underrepresented in an EEO category within a department; or (2) when a planned layoff would produce substantial underrepresentation of women or minorities, and (3) such layoff in normal order would have a negative, disparate impact on women or minorities; then the Personnel Director shall make the minimal adjustment necessary in the order of layoff in order to prevent the negative disparate impact.

18.3.4 At the time of layoff, a regular employee or a trial service employee (per Section 18.3.1) shall be given an opportunity to accept reduction (bump) to the next lower class in the series from which he/she is being laid off, provided he/she has successfully completed a probation or trial service period in the lower class in his/her department or he/she may be transferred as provided in Section 18.1.2D. An employee so reduced shall be entitled to credit for any previous regular service in the lower class and to other service credit in accordance with Section 18.3.518.4.7. This Section shall apply only within each of the following class series: (1) Animal Control Officer I and Animal Control Officer II; (2) Janitor and Lead Janitor; and (3) General Truck Driver and Heavy Truck Driver.

18.4 Recall -- The names of regular, trial service, or probationary employees who have been laid off shall be placed upon a Reinstatement Recall List for the same class and

for the department from which laid off for a period of two (2) years from the date of layoff.

- 18.4.1 Anyone on a Reinstatement Recall List who becomes a regular employee in the same class in another department shall lose his/her reinstatement rights in his/her former department.
- 18.4.2 Refusal to accept work from a Reinstatement Recall List shall terminate all rights granted under this Agreement; provided, however, no employee shall lose reinstatement eligibility by refusing to accept appointment in a lower class.
- 18.4.3 If a vacancy is to be filled in a given department and a Reinstatement Recall List for the classification for that vacancy contains the names of eligible employees who were laid off from that classification, the following shall be the order of the Reinstatement Recall List:
  - A. Regular employees laid off from the department having the vacancy in the order of their length of service. The regular employee on such Reinstatement Recall List who has the most service credit shall be first reinstated;
  - B. Trial service employees laid off from the department having the vacancy in the order of their length of service. The trial service employee on the Reinstatement Recall List who has the most service credit shall be first reinstated.
  - C. Probationary employees laid off from the department having the vacancy without regard to length of service. The names of all these probationary employees shall be listed together on the Reinstatement Recall.
  - D. Regular employees laid off from the same classification in another City department and regular employees on a Layoff Transfer List. The regular employee on this combined list who has the most service credit and who has the job skills necessary for the vacant position will be offered employment on a trial basis in said vacancy. The trial service provisions of Section 20.4 shall apply.
  - E. Trial service employees laid off from the same classification in another City department and trial service employees on a Layoff Transfer List. The trial service employee on this combined list who has the most service credit and who has the job skills necessary for the vacant position will be offered employment on a trial basis in said vacancy. The trial service provisions of Section 20.4 shall apply.
  - F. Probationary employees laid off from the same classification in another City department and probationary employees on a Layoff Transfer List without regard

to length of service. The names of all these probationary employees shall be listed together on the Reinstatement Recall List.

- 18.4.4 The City may recall laid-off employees out of the order set forth within Section 18.4.5 upon showing by the department head that the operating needs of the department require such experience, training, or skill. The Union will be notified of any recall out of order and be provided the reason for such decision.
- 18.4.5 The Union agrees that employees from other bargaining units whose names are on the Reinstatement Recall Lists for the same classifications shall be considered in the same manner as employees of this bargaining unit, provided the Union representing those employees has agreed to a reciprocal right to employees of this bargaining unit. Otherwise, this Section shall only be applicable to those positions that are covered by this Agreement.
- 18.4.6 Nothing in this Article shall prevent the reinstatement of any regular, trial service or probationary employee for the purpose of appointment to another lateral title or for voluntary reduction in class, as provided in this Article.
- 18.4.7 For purposes of layoff, service credit in a class for a regular employee shall be computed to cover all service subsequent to his/her regular appointment to a position in that class and shall be applicable in the department in which employed as follows:
- A. After completion of the probationary period, service credit shall be given for employment in the same, equal, or higher class, including service in other departments, and shall include temporary or intermittent employment in the same class under regular appointment prior to permanent appointment;
  - B. A regular employee who receives an appointment to a position exempt from Civil Service shall be given service credit in the former class for service performed in the exempt position.
  - C. Service credit shall be given for previous regular employment of an incumbent in a position that has been reallocated and in which he/she has been continued with recognized standing;
  - D. Service credit shall be given for service prior to an authorized transfer;
  - E. Service credit shall be given for time lost during:
    - 1. Jury duty;

3. Illness or disability compensated for under any plan authorized and paid for by the City;
4. Service as a representative of a Union affecting the welfare of City employees;
5. Service with the armed forces of the United States, including, but not to exceed, twenty-one (21) days prior to entry into active service and not to exceed ninety (90) days after separation from such service.

~~18.3.5.1~~ 18.4.7.1 Service credit for purposes of layoff shall not be recognized for the following:

- A. For service of a regular employee in a lower class to which he/she has been reduced and in which he/she has not had regular standing, except from the time of such reduction;
- B. For any employment prior to a separation from the service other than by a resignation that has been withdrawn within sixty (60) days from the effective date of the resignation and bears the favorable recommendation of the department head and is approved by the Personnel Director;

18.5 The City agrees to support employees facing layoff by providing the Project Hire program during the term of this Agreement. If a department is hiring for a position in which the employee is qualified, and if no business reason would otherwise make the employee unsuitable for employment, the employee will be interviewed for the vacancy. This provision does not create any guarantee or entitlement to any position. The Project Hire guidelines apply.

## ARTICLE 19 - SAFETY STANDARDS

- 19.2 Upon request of the Union, a department shall provide notice of the safety committees on which members of this bargaining unit are represented and the regularly scheduled meeting dates.

- 20.2.2 An employee shall become regular after having completed his/her probationary period unless the individual is dismissed under provisions of Section 20.3 and 20.3.1.

- 20.4.5 The names of regular employees who have been reverted for purposes of re-employment in their former department shall be placed upon a Reversion Recall List for the same classification from which they were promoted or transferred for a period of one (1) year from the date of reversion.
- 20.4.6 If a vacancy is to be filled in a department and a valid Reversion Recall List for the classification for that vacancy contains the name(s) of eligible employees who have been removed from the payroll from that classification and from that department, such employees shall be reinstated in order of their length of service in that classification.

The employee who has the most service in that classification shall be the first reinstated.

- 20.4.7 An employee whose name is on a valid Reversion Recall List for a specific job classification who accepts employment with the City in that same job classification shall have his/her name removed from the Reversion Recall List. If a shift selection has been conducted to fill a vacancy or for a business need up to two (2) months prior to the month of April or October, the regularly scheduled shift selection may be canceled by mutual agreement between Management and the Union.

21.2.3 Length of service for the above purpose shall be computed from the date when an employee is appointed as a regular Scale Attendant within the Solid Waste Field Operations Division; provided, however, an employee who is so appointed on or after January 1, 1992, who, immediately preceding said appointment, had been employed in the Solid Waste Field Operations Division as a "temporary," "as needed," or "provisional" Scale Attendant, shall have such service counted toward establishing his/her seniority for shift pick purposes; provided, further, time worked in the status of "temporary," "as needed," or "provisional" as described above will only be counted for the current year and prior calendar year immediately preceding the regular appointment as a Scale Attendant within the Solid Waste Field Operations Division. Current employees who feel they are eligible for an adjusted length of service for this purpose must indicate their eligibility for this service credit within thirty (30) calendar days of the signing of this Agreement in 1992. New employees must claim such eligibility within one (1) year of their regular appointment. If such claims are not timely made, the service credit will not be counted in determining the employee's seniority date for the above purpose.

21.2.4 The City and the Union have mutually agreed to the following load weight guidelines for garbage and yard waste truck load rates:

<u>Material</u>	<u>Range</u>	<u>Target</u>
Garbage	26 tons - 28 tons	27 tons
Yard Waste	17 tons - 19 tons	18 tons

The parties recognize that load weights may vary and that these amounts are not intended to reflect absolute minimums or maximums, but rather, shall serve as guidelines to best ensure the safe transportation of material. The City reserves its right to adjust load weights in the future. However, in the interest of cooperative labor relations, every effort will be made to provide Local 21 with notice prior to implementing such changes. The City will work cooperatively with Local 21 to monitor these guidelines, including future labor-management meetings should the need arise.

21.3 ~~Finance Department~~Department of Executive Administration -- Employees classified as Animal Control Officers within the Animal Control Section shall pick their hours of work and days off on the basis of length of service. Selection under this provision shall be conducted at least once per calendar year. The annual selection shall be accomplished during the month of August so as to become effective during the first part of September. In addition, shift selection will also be conducted when a bargaining unit position becomes vacant, provided the department has determined the position will be filled. Also, an exception to this procedure will be allowed for purposes of placing a probationary employee on a shift with staffing available for backup consisting of two or more non-probationary employees. The assignment made in this manner will not exceed ninety (90) work days in length, after which the shift selection process will be conducted.

21.3.1 Length of service for the above purpose shall be computed from the date when an employee is appointed as a regular Animal Control Officer within the ~~Finance Department~~Department of Executive Administration.

Note: See ~~21~~7.6 and ~~21~~7.6.1.

21.3.2 The Union and the City hereby agree that a proper visual image of employees of the Animal Control Section to the public is essential, and, as such, employees are required to wear the uniforms and/or apparel provided and encouraged to wear the recommended wearing apparel.

21.3.3 If an Animal Control Officer II is assigned to lead a public employment program crew (as referenced in Article 2.5) ~~of work study students~~ in a "pet canvas" program, the Animal Control Officer II will be paid an additional Fifty Cents (\$.50) per hour while so assigned.

All Departments

~~21.9~~21.4 Upon request of the Union, a labor-management meeting will be convened to discuss new vehicles or equipment assigned to be driven or operated by employees within the bargaining unit.

~~21.10~~21.5 Upon request of the Union, a labor-management meeting will be convened to discuss employee requests for training, the available funding, and processes for job application and career advancement.

21.6 Identification Cards – Picture identification cards may be issued to employees by the City, and if so, shall be worn in a sensible, but conspicuous place on their person by all such employees or as reflected in the current practice of the department. Any such picture identification cards shall identify the employee by name, department and photograph, consistent with the practice of each department. The cost of replacing the card damaged due to normal wear and tear shall be borne by the City.

~~21.11~~21.7 Ethics and Elections Commission -- Nothing contained within this Agreement shall prohibit the Seattle Ethics and Elections Commission from administering the Code of Ethics, including, but not limited to, the authority to impose monetary fines for violations of the Code of Ethics. Such fines are not discipline under this Agreement, and, as such, are not subject to the Grievance Procedure contained within this Agreement. Records of any fines imposed or monetary settlements shall not be included in the employee's personnel file. Fines imposed by the Commission shall be subject to appeal on the record to the Seattle Municipal Court.

In the event the Employer acts on a recommendation by the Commission to discipline an employee, the employee's contractual rights to contest such discipline shall apply. No record of the disciplinary recommendations by the Commission shall be placed in the employee's personnel file unless such discipline is upheld or unchallenged. Commission hearings are to be closed if requested by the employee who is the subject of such hearing.

~~21.16~~ ~~Employee Parking JLMC~~ -- ~~A joint Labor Management Committee shall be established within two (2) months following ratification of the Tentative Agreement between the parties that contains the Memorandum of Understanding. Said Committee shall be composed of six (6) members appointed by the City and six (6) members appointed by the Coalition of City Unions. The purpose for said Committee shall be to mutually examine the issues associated with employee parking brought forward by both the City and the Coalition of City Unions with a commitment that a good faith effort will be made by the Committee to identify options to address the issues for submission to the Coalition of City Unions, the Mayor and the City Council not less than eight (8) months following the ratification of the Tentative Agreement referenced herein. As part of the deliberations of the Committee, the respective appointees (City and Union) shall be responsible for communicating with their respective constituents for the purpose of helping to insure that the options ultimately submitted by the Committee to the Coalition of City Unions, the Mayor and the City Council will be ratified.~~

| ~~21.17~~21.8 Flexcar Program -- If the City intends to implement a flexcar program in a manner that would constitute a benefit for any employee(s) represented by a Union that is a member of the Coalition of City Unions, the parties agree to open negotiations to establish the elements of said program that are mandatory subjects of bargaining prior to program implementation.

| ~~21.19~~21.9 Parking Past Practice -- In exchange for all of the foregoing, the parties to the Memorandum of Understanding hereby acknowledge and affirm that a past practice shall not have been established obligating the City to continue to provide employee parking in an instance where employees were permitted to park on City property at their work location if the City sells the property, builds on existing parking sites, or some other substantial change in circumstance occurs. However, the City shall be obligated to bargain the impacts of such changes.

## ARTICLE 22 - DISCIPLINARY ACTIONS

22.1 The City may discipline, suspend, demote, or discharge an employee for just cause.

22.2. The parties agree that in their respective roles primary emphasis shall be placed on preventing situations requiring disciplinary actions through effective employee-management relations. The primary objective of discipline shall be to correct and rehabilitate, not to punish or penalize. To this end, in order of increasing severity, the disciplinary actions that the City may take against an employee include:

A. Verbal warning, which shall be accompanied by a notation in the employee's personnel file;

B. Written reprimand;

C. Suspension;

D. Demotion; or

E. Discharge.

Coaching and counseling are deemed to be means of communicating and addressing performance deficiencies or behavioral problems to an employee and are not grievable.

Which disciplinary action is taken depends upon the seriousness of the affected employee's conduct. The City maintains the right to take disciplinary action as it deems appropriate, which may include advancing to an appropriate step in the progressive discipline process to address major disciplinary offenses.

ARTICLE 22-23 - LABOR-MANAGEMENT CONFERENCE COMMITTEE

2223.1 The City and the Union agree to convene a joint Conference Committee at the written request of either party to this Agreement. The Conference Committee shall consist of no more than three (3) representatives of each of the parties and shall include the Staff Representative of the Union or his/her designated representative and the City of Seattle Director of Labor Relations or his/her designated representative. When the issues to be discussed pertain to a single department, the other members of each party's committee shall be from the given department. Any increase in either party's committee members must be through mutual agreement of the parties. The purpose of the committee is to deal with matters of general concern to the Union and/or the City or a particular department, as opposed to individual complaints of employees; provided, however, it is understood that the Conference Committee shall function in a consultive capacity and shall not be considered a decision-making body. Either the Union representatives or the City representatives may initiate a discussion of any subject of a general nature affecting employees covered by this Agreement. All written requests for a committee meeting shall contain specific reasons for the meeting, including the subject(s) and the names of committee members.

2223.2 Employment Security -- Labor and management support continuing efforts to provide the best service delivery and the highest quality service in the most cost-effective manner to the citizens of Seattle. Critical to achieving this purpose is the involvement of employees in sharing information and creatively addressing workplace issues, including administrative and service delivery productivity, efficiency, quality controls, and customer service.

Labor and management agree that, in order to maximize participation and results from the Employee Involvement Committees (EIC), no one will lose employment or equivalent rate of pay with the City of Seattle because of efficiencies resulting from an EIC initiative.

In instances where the implementation of an EIC recommendation does result in the elimination of a position, management and labor will work together to find suitable alternative employment for the affected employee. An employee who chooses not to participate in and/or accept a reasonable employment offer, if qualified, will terminate his/her rights under this employment security provision.

2223.3 Labor-Management Leadership Committee -- The Labor-Management Leadership Committee will be a forum for communication and cooperation between labor and management to support the delivery of high-quality, cost-effective service to the citizens of Seattle while maintaining a high-quality work environment for City employees.

2223.3.1 The management representatives to the Committee will be determined in accordance with the Labor-Management Leadership Committee Charter. The Coalition of City Unions will appoint a minimum of six (6) labor representatives and a maximum equal to the number of management representatives of the Committee. The ~~cochairs~~ Co-chairs of the Coalition will be members of the Leadership Committee.

ARTICLE 13-24 - SUBORDINATION OF AGREEMENT

- 1324.1 It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable federal law, state law, and the City Charter. When any provisions thereof are in conflict with the provisions of this Agreement, the provisions of said federal law, state law, or City Charter are paramount and shall prevail.
- 1324.2 It is also understood that the parties hereto and the employees of the City are governed by applicable City Ordinances and said Ordinances are paramount except where they conflict with the express provisions of this Agreement.

ARTICLE 23-25 - SAVINGS CLAUSE

2325.1 If an article of this Agreement or any addendum thereto should be held invalid by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article should be restrained by such tribunal, the remainder of this Agreement and addenda shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article.

ARTICLE 24-26 - ENTIRE AGREEMENT

- 2426.1 The Agreement expressed herein in writing constitutes the entire Agreement between the parties, and no oral statement shall add to or supersede any of its provisions.
- 2426.2 The parties acknowledge that each has had the unlimited right and opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right are set forth in this Agreement. Therefore, except as otherwise provided in this Agreement, each voluntarily and unqualifiedly agrees to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered in this Agreement.
- 24.3 ~~The Coalition of City Union may re-open this Agreement by giving notice to the City by no later than February 15, 2003, for the expressed purpose of negotiating salary reviews and ancillary contract benefits. The results, if any, from said negotiations shall be effective as mutually agreed by the parties.~~

ARTICLE 25-27- TERM OF AGREEMENT

2527.1 This Agreement shall become effective on January 1, ~~2002~~2005, and shall remain in effect through December 31, ~~2004~~2007. Written notice must be served by both parties of their intent to terminate or modify this Agreement at least ninety (90) but not more than one hundred and twenty (120) days prior to December 31, ~~2004~~2007. Any modifications requested by either party shall be presented at the parties' first meeting, and any modifications requested at a later date shall not be subject to negotiations, unless mutually agreed upon by both parties.

## ***Coordinated Bargaining***

# **TENTATIVE AGREEMENT**

***Between the City of Seattle***

***And***

***The Coalition of City Unions***

***May 25, 2005***

### **A. WAGES**

1. Effective December 29, 2004, wages will be increased 2.5%.
2. Effective December 28, 2005, wages will be increased by 100% of the annual average growth rate of the bi-monthly Seattle-Tacoma-Bremerton Area Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the period August 2003 through June 2004 to the period August 2004 through June 2005.
3. Effective December 27, 2006, wages will be increased by 100% of the annual average growth rate of the bi-monthly Seattle-Tacoma-Bremerton Area Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W) for the period August 2004 through June 2005 to the period August 2005 through June 2006.
4. For 2006 and 2007, the percentage increases shall be at least two percent (2%) and not more than seven percent (7%).

### **B. HEALTH CARE**

1. For the 2005 contract term, employee premium sharing and the status of the Rate Stabilization Fund shall be maintained as determined by the Health Care Committee at the last meeting of the Committee in September, 2004. In addition, The City will pay the equivalent of \$1 million, annualized, for enhanced benefits implemented in 2005, which shall become a part of the "base" for the future City's cost obligations. The specific benefit enhancements will be determined by HC2. Further, the parties agree that eleven thousand dollars (\$11,000) shall be utilized from the "Special" Rate Stabilization Fund (RSF) for the purpose of paying Aon Consulting to complete an analysis of the City's self-insured claims experience to identify potential Wellness and Disease Management Programs that would be best targeted to address the City's claims experience. Also, the parties commit to support Wellness and Disease Management Programs identified as a result of the Aon study for implementation in 2006, utilizing "Special" RSF through the Health Care Committee processes.

2. The parties agree to amend for the 2006 and 2007 contract years the Memorandum of Agreement previously established by the parties to govern the Joint Labor-Management Health Care Committee process (which shall be attached hereto as Exhibit I and by reference is incorporated herein) as follows:
  - a) The City shall pay up to one hundred seven percent (107%) of the City's previous year's costs to the extent required to cover increases in the total health care costs for a given program year (e.g. 2006 or 2007);
  - b) The RSF shall be utilized for any given program year until it is exhausted to cover costs in excess of the City's obligation identified in 1, above;
  - c) After the RSF has been exhausted, additional costs shall be shared by the City paying eighty-five percent (85%) of the excess costs and employees paying fifteen percent (15%) of the excess costs;
  - d) **Intent: Plan designs are to be maintained during this Contract, not to be diminished.** The respective health care plan benefit designs may only be modified by the Health Care Committee for either contract year by the written, mutual agreement of the parties (Coalition of City Unions and the City);
  - e) **Intent: Should the parties agree to reduce premium costs, the reduction would apply to City as well as employee premiums.** Use of resources from the RSF during either contract year to reduce projected increase in health care costs that exceed the resources provided through 1, above, shall be authorized only if applied to the total, annual premiums of the respective health care plan(s); and
  - f) No decision by the Health Care Committee shall be permitted that modifies the established percentages established in c), above.

### C. VOLUNTARY EMPLOYEE BENEFIT ACCOUNT (VEBA)

1. Beginning in the 2006 year of the agreement, any ratified collective bargaining agreement that contractually requires the placement of all employee sick leave cash-out resources at retirement into a **VEBA** account for use by the respective employee for post-retirement health care costs as allowed under the IRS regulations associated with such accounts will include an increase in the cash-out value of sick leave at retirement from twenty-five percent (25%) to thirty-five percent (35%).

2. In addition to the cash-out of sick leave at retirement as provided herein, on an annual basis during the month of January, commencing in January of 2006, any active employee who would have a sick leave balance of at least 240 hours following the cash-out of accrued sick leave as described as follows may, by execution of the appropriate payroll authorization, cash out up to fifty percent (50%) of the unused sick leave allocation said employee accrued during the prior fiscal year at the cash-out value of thirty-five percent (35%) for placement in said employee's **VEBA** account in accordance with and for the uses as provided by applicable IRS regulations associated with such accounts. For example, if a given employee had a sick leave balance of 288 hours on January 1, 2006, and said employee used two days of sick leave from January 1, 2005, through December 31, 2005, said employee could, by execution of the appropriate payroll authorization, cash out up to 40 hours of sick leave at a cash-out value of 35% for placement in the employee's **VEBA** account.

#### **D. SUPPLEMENTAL PENSION PLANS**

The City agrees to assess, on the basis of a specific proposal made by a Coalition Union either as part of the Coalition coordinated bargaining process or as part of the individual contract negotiations with a given Union, the acceptability to the City of a given supplemental pension proposal as a policy matter and respond promptly to the Union making such a proposal whether, and/or under what conditions, such a proposal would be acceptable.

#### **E. SICK LEAVE**

The definition of "Eligible family member" contained in SMC 4.24.005 shall be amended by the elimination of the existing phrase "who is (a) under eighteen (18) years of age; or (b) eighteen (18) years of age or older and incapable of self care because of a mental or physical disability" and the addition of the word "sibling."

The expressed purpose for the proposed modification of said definition shall be to allow an employee to use sick leave because of an illness, injury, or health care appointment of an employee's sibling or adult child, or the sibling or adult child of an employee's spouse or domestic partner, in instances where the absence of the employee from work is required, or when such absence is recommended by a health care provider.

## F. PAY FOR DEPLOYED MILITARY

All collective bargaining agreements established as a part of these negotiations shall be amended to include the following language:

"A bargaining unit member in the Reserves, National Guard, or Air National Guard who is deployed on extended unpaid military leave of absence and whose military pay (plus adjustments) is less than ninety percent (90%) of their base pay as a City employee shall receive the difference between ninety percent (90%) of their City base pay and their military pay (plus adjustments).

City base pay shall include every part of wages except overtime.

## G. PERSONAL HOLIDAYS

If the 2005 year-end actuarial study commissioned by the Seattle City Employees' Retirement System (hereinafter, "System") reports that the amortization period for the System's unfunded actuarial liability does not exceed thirty (30) years and, therefore, no increase in the City's contribution level is required, the parties to this tentative agreement shall, upon the written request to the City by the Unions that are a party to this agreement, enter into negotiations solely and exclusively with respect to the issue of whether and/or to what extent and/or in what manner the number of Personal Holidays available to employees shall be increased.

## H. EMPLOYEE PARTICIPATION IN CONTRACT NEGOTIATIONS

The following shall be incorporated into each collective bargaining agreement that is the result of the coordinated bargaining process with the Coalition of City Unions:

**For All Coalition Unions Covered by a Corresponding Provision as Part of the 2001 Coalition Bargaining Process; and for Teamsters, Local 117, Evidence Warehouse/CSO's; and for WSCCCE, Local 21-P (PEO's)**

The parties to this agreement recognize the value to both the Union and the City of having employees express their perspective(s) as part of the negotiations process. Therefore, effective August 18, 2004, employees who participate in bargaining as part of the Union's bargaining team during the respective employee's work hours shall remain on paid status, without the Union having to reimburse the City for the cost of their time, PROVIDED the following conditions are met:

1. Bargaining preparation and meetings of the Union's bargaining team other than actual negotiations shall not be applicable to this provision;
2. No more than an aggregate of one hundred fifty (150) hours of paid time for the negotiation sessions resulting in a labor agreement, including any associated overtime costs, shall be authorized under this provision.
3. If the aggregate of one hundred fifty (150) hours is exceeded, the Union shall reimburse the City for the cost of said employee(s) time, including any associated overtime costs.

#### **For Joint Crafts Council**

The parties to this agreement recognize the value to both the Union and the City of having employees express their perspective(s) as part of the negotiations process. Therefore, effective August 18, 2004, employees who participate in bargaining as part of the Union's bargaining team during the respective employee's work hours shall remain on paid status, without the Union having to reimburse the City for the cost of their time, PROVIDED the following conditions are met:

1. Bargaining preparation and meetings of the Union's bargaining team other than actual negotiations shall not be applicable to this provision;
2. No more than an aggregate of one hundred (100) hours of paid time for the negotiation sessions resulting in a labor agreement, including any associated overtime costs, shall be authorized under this provision for both Coordinated Bargaining with the Coalition of City Unions and bargaining on the Joint Crafts Council "boilerplate" language.
3. In addition to the above, no more than an aggregate of one hundred fifty (150) hours of paid time for the negotiation sessions resulting in a labor agreement, including any associated overtime costs, shall be authorized under this provision for bargaining on the Joint Crafts Council Appendices.
4. If the aggregate of one hundred (150) hours is exceeded, the Union shall reimburse the City for the cost of said employee(s) time, including any associated overtime costs.

AN ORDINANCE superseding Ordinance 121692 to authorize the Personnel Director to provide a wage supplement and health care benefits for employees who are mobilized by the United States Armed Forces for active military service.

WHEREAS, City of Seattle employees who are members of the United States military reserves and the National Guard continue to be activated for duty in Afghanistan, Iraq and elsewhere; and

All employees ordered to active military duty since January 1, 2005 and still on active military duty on July 27, 2005, and all employees activated for military duty thereafter shall be eligible for the wage supplement provided by this section pursuant to program guidelines and procedures developed by the Personnel Director consistent with Internal Revenue Service regulations.

4 years. The employee becomes eligible for coverage as an activated military reservist the month

**Legislation Title:** A RESOLUTION authorizing the Mayor to sign and/or execute a collective bargaining agreement by and between the City of Seattle and the Washington State Council of County and City Employees, Local 21- Truck Drivers and Dispatchers, and Janitorial units to be effective through December 31, 2007.

• **Summary of the Legislation:**

The attached resolution authorizes the Mayor to sign and/or execute a collective bargaining agreement by and between the City of Seattle and the Washington State Council of County and City Employees, Local 21 - Truck Drivers and Dispatchers, and Janitorial units. The collective bargaining agreement covers the period from January 1, 2005 through December 31, 1007. The agreement is consistent with the financial terms of the Tentative Agreement between the City of Seattle and the Coalition of City Unions which was signed on May 25, 2005 (Ordinance 121888), or, where the pay for deployed military provision applies, the City of Seattle's military wage supplement (Ordinance 121885). The Washington State Council of County and City Employees, Local 21 represents approximately 166 employees within the Truck Drivers and Dispatchers, and Janitorial units.

• **Background:** *(Include brief description of the purpose and context of legislation and include record of previous legislation and funding history, if applicable):*

The Collective Bargaining Agreement between the City of Seattle and the Washington State Council of County and City Employees, Local 21 expired on December 31, 2006. The City and the Washington State Council of County and City Employees, Local 21 began negotiations in August of 2005 and came to a tentative agreement in February of 2006.

• *Please check one of the following:*

☐ **This legislation does not have any financial implications.** *(Stop here and delete the remainder of this document prior to saving and printing.)*

☒ **This legislation has financial implications.** *(Please complete all relevant sections that follow.)*

The employees covered by this collective bargaining agreement are a part of the Coalition of City Unions. The financial terms agreed to in the Collective Bargaining Agreement are reflected in the Coalition of City Unions' Tentative Agreement (Ordinance No. 121888), or the City of Seattle's military pay provision (Ordinance No. 121885).

Cost items associated with the Tentative Agreement include wages and employment benefits for the Coalition as well as non-represented employees, who have historically received equal increases in compensation. Coalition members and non-represented employee wages increased by 2.5 percent in 2005, 2.3 percent in 2006, and are projected to increase by 3.4 percent in 2007. The City will also incur costs for salary-related benefits such as pension, social security, and medicare. Given these increases, the aggregate salary and salary-related benefits for Coalition members and non-represented employees would grow from \$454.7 million in 2004 to approximately \$493.0 million in 2007.

Approval of the collective bargaining agreement as recommended in this legislation will require no further budgetary adjustments for 2005 or 2006, as these costs are already included in the City's budget for these years. Costs for 2007 will be included in the development of the 2007 Proposed Budget.
