RESOLUTION 30996

A RESOLUTION establishing performance measures for the Police Department.

WHEREAS, in Resolution 30840 the City Council stated its intent that the Council and Executive jointly develop performance measures for the Police Department; and

WHEREAS, in September 2006 the Public Safety, Government Relations & Arts Committee and the Chief of Police tentatively agreed to a performance measurement framework consisting of nine major dimensions; and

WHEREAS, in Resolution 30930 the City Council requested that the Mayor explain his recommendations for police staffing with a rationale based on desired public safety outcomes related to this framework, and the Mayor did so to the extent then feasible; and

WHEREAS, in 2007 Council and Executive staff have jointly recommended specific performance measures within this framework; NOW, THEREFORE,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE
MAYOR CONCURRING, THAT:**

Section 1. The purposes of performance measures for the Police Department are these:

(a) The measures should allow an assessment of the Department's effectiveness in reducing crime and enhancing public safety. (b) The measures should support strategic planning designed to achieve community goals for reducing crime and enhancing public safety. (c) The measures should allow an assessment of whether the Department is using its resources efficiently and strategically to reduce crime and enhance public safety. (d) The measures should be used to help define the purposes of any proposals to add resources to the Department.

1 Section 2. For the purposes of performance measurement for the Police Department, the
2 major dimensions of performance are these: (1) reducing crime; (2) reducing fear of crime and
3 increasing the sense of security; (3) increasing traffic safety; (4) increasing safety in public
4 places; (5) providing good customer service by responding to calls and attending to community
5 needs; (6) holding offenders accountable; (7) using authority and force fairly and only as
6 reasonably necessary; (8) strengthening emergency prevention and response; and (9) using public
7 resources efficiently and effectively.
8

9 Section 3. The Council endorses the specific performance measures listed in Attachment
10 A to this resolution. The Council recognizes that it may be desirable to refine the specific
11 measures from time to time, and that either the Council or the Executive may propose to do so,
12 with the common goal of maintaining agreement between the Council and Executive about the
13 measures that will be used. The Council also recognizes that the Executive may routinely or
14 occasionally provide additional reports on specific areas of Police Department performance, and
15 the Council may itself request such additional reports.

Attachment A

Introduction

This is Attachment A to Resolution 30996 establishing performance measures for the Police Department.

This attachment lists specific performance measures for the Police Department. The list of measures is organized in this format:

i. Major performance dimension

i.i. General category of measures within major dimension

i.i.i. Specific measures within category

i.i.i.i. Subordinate measures as required

Some of the specific measures will be drawn from the biennial survey of citizen opinions on public safety and policing. Thus the reports would be longer one year and shorter the next. These are the major dimensions and the number of resulting specific measures for each:

Major performance dimension	Specific measures	
	Annual	Biennial from Survey
1. Reducing crime	11	
2. Reducing fear of crime and increasing the sense of security		3
3. Increasing traffic safety	5	
4. Increasing safety in public places	3	
5. Providing good customer service by responding to calls and attending to community needs	1	4
6. Holding offenders accountable	4	
7. Using authority and force fairly and only as reasonably necessary	5	
8. Strengthening emergency prevention and response	2	
9. Using public resources efficiently and effectively	6

Legislation Title:

A RESOLUTION establishing performance measures for the Police Department

• **Summary of the Legislation:**

This resolution defines the purposes of performance measures for the Police Department, defines nine major dimensions of performance for these purposes, and endorses a set of specific measures within these dimensions.

- **Background:** *(Include brief description of the purpose and context of legislation and include record of previous legislation and funding history, if applicable):*

Resolution 30840 included a statement of legislative intent calling for the Council and Executive to jointly develop performance measures for the Police Department. In September 2006 the Public Safety Committee and Chief of Police tentatively agreed to a performance measurement framework consisting of nine dimensions. Council and Executive staff have jointly recommended specific measures within this framework.
