AN ACT to levy an excess compensation payroll expense tax to fund the Seattle Social Housing Developer.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF SEATTLE:

Section 1. A new Chapter 5.37 is added to Title 5 of the Seattle Municipal Code as follows:
Chapter 5.37 SOCIAL HOUSING TAX

5.37.000 Purpose
On February 14, 2023, Seattle voters approved Initiative 135 by a 14-point margin. I-135 created the Seattle Social Housing Developer to develop, own, and maintain social housing developments in the City of Seattle and for all related lawful purposes or public functions within the limits of the City of Seattle and outside of the City to the extent provided by state law. Social housing is available to all, permanently affordable, and publicly owned in perpetuity. Social housing will increase the supply of permanent, truly affordable housing for Seattle residents. Social housing is an internationally proven model that spans multiple countries and continents, including but not limited to: Maryland’s Montgomery County, Toronto, Finland, Singapore, France, Vienna, and New Zealand to name a few. The social housing tax levied through this initiative provides a progressive revenue source that will support the Seattle Social Housing Developer’s efforts to expand access to affordable social housing in Seattle by funding the construction and acquisition of social housing, operation costs, maintenance costs, rehabilitation of acquisitions, making control investments in housing developments, and other functions that advance its mission. The housing developed under this ordinance will be permanently protected for public use, dedicated to workforce and community housing, and will thereby increase the supply of permanent, truly affordable housing. The social housing payroll tax will provide a critical, ongoing revenue stream for the Seattle Social Housing Developer to fulfill its mission as outlined in Initiative 135. This revenue stream should eventually complement other sources of funding as the Seattle Social Housing Developer looks to federal grants, State of Washington revenue streams, and other sources to accelerate its ability to build and acquire social housing.

The provisions contained in Chapter 5.55 shall apply to the taxes imposed in this Chapter except as expressly stated to the contrary herein.
