Notes:

1. Applications 13 and 14 were received after the deadline for amendments.
2. An additional e-mail was received from Penni Cocking of the Duwamish Valley Neighborhood Preservation Coalition related to the designation of the South Park urban village. That e-mail did not answer the application questions. The Council previously requested that the Office of Planning and Community Development undertake the work called for in that e-mail in Section E of [Resolution 31870](#).
