- a. "Nonprofit organizations" means organizations, corporations or associations that are currently recognized by the United States of America as exempt from federal income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code of 1954, 26 U.S.C. 501, or a division, department or instrumentality of state or local government devoted to the arts.
- b. "Competition" means an event requiring judging, playoff, and/or preliminary games or contests prior to a final or main event on the same day and where the admission charge for the final or main event includes admission to the preliminary activities.
- c. "Convention" means a convocation of members of a not-for-profit national or international organization or association that periodically is convened as prescribed in the entity's charter, articles of incorporation, by-laws or similar governing document; the term does not mean or include any convocation of members of a state-wide or regional organization, association or other entity, nor any convocation of a for-profit business or commercial venture.
- d. "School performance" means a cultural program staged primarily for elementary, junior and senior high school students between 8:00am and 1:00pm, Monday through Friday excluding Washington State holidays.
- e. "Major facility" means the Coliseum, Opera House, Arena, Bagley Wright Theatre, Exhibition Hall and Flag Pavilion.

2. MOVE IN/OUTS

- a. On the day of the event, no additional license fee charge will be made for a move in/out accomplished between 7:00am and 12:00 midnight. Applicable overtime charges will be assessed outside of those hours at the discretion of the Director or his designee.
- b. For move in/out purposes, a licensed user that has an event scheduled on any particular day will be given preference over any other licensed user wanting to move in/out on that particular day.

3. PERCENTAGE LICENSE FEE

Percentage license fees apply to gross sales of admission tickets from all sources, less admission taxes and/or Washington State Athletic Commission taxes. If the performance, activity or use is exempt from admission taxes, then the percentage license fee is applied to total sales.

1988 Facility License Fee Schedule  
Page 3

Admission sales for all events must be substantiated by a ticket manifest and box office statement certified by the box office treasurer and City tax collector or the City tax collector, only.

4. LICENSE FEE PAYMENT

Payment of minimum license fee(s) is required upon execution of the Licensing Agreement. If fee is to be calculated on a percentage, the advance payment will be based on the applicable minimum fee. The difference between that minimum and the percentage will be collected at the time of the event.

5. CONTINGENCY FEE

A contingency deposit may be required to cover some portion of the estimated labor, equipment, services, damage, or any other incidental charges incurred during the event, or as a partial security for payment in full of all event-related expenses. Any portion of the contingency deposit not utilized will be refunded.

6. CANCELLATION CHARGE

Licensed events cancelled sixty (60) days or less before scheduled date will be subject to a cancellation charge of 100 percent of the paid fee or the daily minimum license fee for each cancelled event, performance or show day, whichever is greater, less any paid contingency fee. Deposits or paid fees are not transferable to a subsequent date or facility. When events covering multiple days and facilities and licensed two or more years in advance cancel less than eighteen (18) months before the event, cancellation fee shall be 50 percent of the deposited license fee.

7. REHEARSALS

- a. On performance days, preference for rehearsal purposes will be given to the licensed user of the facility that has a performance scheduled on that day.
- b. There will be no charge for rehearsals in the facility on performance days unless an audience is present, in which case the applicable license fee shall be as specified in Schedule A or B, as appropriate.

8. EVENT PERIODS

- a. A spectator/entertainment event in any major facility is a performance as that term is used in Schedules A and B and consists of four (4) consecutive hours or any fraction thereof during a morning, afternoon or evening period, and includes ingress and egress time of patrons attending the event.
- b. A meeting, dinner dance, animal show, competition, trade show, exposition, sale, and event in the Conference Center, Northwest Rooms and Mercer Forum areas consists of eight (8) consecutive hours between 7:00am and 12:00 midnight, unless otherwise specified on the Licensing Agreement.

1988 Facility License Fee Schedule

- d. A convention as defined herein consists of twelve (12) consecutive hours between the hours of 7:00am and 12:00 midnight in all facilities.

- g. use of other equipment available to the facility as described in the Event Service Manual;
- h. the readerboard associated with the facility;
- i. the services of a custodian and matron, if required, but not to exceed eight (8) consecutive regular time hours;

Charges will be assessed for variations from these standard provisions at rates in effect at the time of utilization.

Other services may be made available for an additional charge as described in Event Service Manual.
