Honorable Jan Drago
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Drago:

The attached proposed Council Bill accepts various easements for electrical overhead and underground distribution rights in King County that have been acquired for the extension of City Light's distribution system. Seattle City Light Policies and Procedures require that the City obtain an easement from any property owner whose land must be crossed in order to serve City Light customers. These easements, which have been acquired at no expense to the City, are needed to provide electrical service to new City Light customers.

Thank you for your consideration of this legislation. Should you have any questions, please contact Carol Deleon-Ramirez, Seattle City Light Real Estate Services, at 684-3394.

Sincerely,
