Legislation Title:

AN ORDINANCE relating to the 2010 budget of the Department of Planning and Development; amending a proviso on $100,000 in the Planning Budget Control Level in the 2010 adopted budget.

- **Summary of the Legislation:**

This legislation lifts a proviso on $100,000 appropriated in the Department of Planning and Development's (DPD) Planning Budget Control Level.

- **Background:**

In the 2010 budget, adopted by Ordinance 123177, Council imposed a proviso on $100,000 appropriated in DPD's planning BCL. This proviso limited spending as follows:

> Of the appropriation in the 2010 budget for the Department of Planning and Development's Planning BCL, $100,000 is appropriated solely to provide technical support for emergent Council-generated land use and urban planning initiatives, identified by the Council through ordinance or resolution after adoption of the 2010 Budget, and may be spent for no other purpose.

The proviso was intended to ensure that there was budget and staff capacity at DPD to assist the Council with land use and planning endeavors originating with individual Councilmembers. The Council has determined that DPD's work program dedicates sufficient resources to Council-generated land use initiatives.
