**Section 1  
Purpose of Agreement**

The purpose of this AGREEMENT is for WSDOT to provide funding to the CONTRACTOR to be used solely for activities undertaken to manage demand for the transportation system, hereinafter known as the "Project".

**Section 2  
Scope of Work**

The CONTRACTOR agrees to perform all designated tasks of the Project under this AGREEMENT as described in Exhibit I, "Project Scope of Work", which is attached hereto and by this reference made a part of this AGREEMENT.

**Section 3  
Term of Project**

The CONTRACTOR shall commence, perform and complete the Project within the time defined in the caption space header above titled "Term of Project" on this AGREEMENT regardless of the date of execution of this AGREEMENT, unless terminated as provided herein. The caption space header above entitled "Term of Project" and all caption space headers above are by this reference incorporated into this AGREEMENT as if fully set forth herein.

**Section 4  
Project Costs**

The total reimbursable cost to accomplish the Project Scope of Work shall not exceed the amounts detailed in the caption space header titled "Project Costs". The CONTRACTOR agrees to expend

eligible funds, together with any "Contractor Funds" allocated for the Project in an amount sufficient to complete the Project as detailed in Exhibit 1, "Project Scope of Work". The CONTRACTOR further agrees that there shall be no reduction in any amount specified as the Contractor Funds unless there is a concurrent proportional reduction in the Federal and/or State Funds, or WSDOT pre-approves the reduction in writing. If at any time the CONTRACTOR becomes aware that the cost which it expects to incur in the performance of this AGREEMENT will differ from the amount identified as "Total Project Cost" in the caption space header titled "Project Costs", the CONTRACTOR shall notify WSDOT in writing within three (3) business days of making that determination. The CONTRACTOR agrees that "Project Costs" eligible for federal participation, including State Funds and Contractor Funds used as match to other FTA funds, must comply with the standards of OMB Circular A-87, Revised, "Cost Principles for State and Local Governments", or OMB Circular A-122, Revised, "Cost Principles for Non-Profit Organizations", or Federal Acquisition Regulation (FAR), 48 CFR Chapter 1, subpart 31.2, "Contracts with Commercial Organizations," whichever is appropriate.

### **Section 5 Reimbursement and Payment**

A. WSDOT, using FTA funds and/or State funds, shall reimburse the CONTRACTOR for allowable expenses incurred in completing the Project described in Exhibit I, "Scope of Work." In no event shall the total amount reimbursed by WSDOT exceed the "Federal Funds" or "State Funds" identified in the caption space header titled "Project Costs," above.

B. Payment will be made by WSDOT on a reimbursable basis for actual net project costs incurred within the timeframe in the caption space header titled "Term of Project." Actual net project costs consist of verifiable direct project expenses that meet the standards for "Project Costs" eligible for federal participation as set forth in Section 4, Project Costs. WSDOT shall make no payments for costs incurred prior to the beginning date or after the ending date shown. The CONTRACTOR shall submit an invoice detailing and supporting the costs incurred. The CONTRACTOR must submit an invoice using Invoice Voucher, attached as Exhibit IV and by this reference made part of this agreement, or a format approved by WSDOT. Such invoices may be submitted no more than once a month and no less than once per quarter. If approved by WSDOT, said invoices shall be paid by WSDOT within thirty (30) days of receipt of the invoice. Payment is subject to the submission to and approval by WSDOT of appropriate invoices, reports, and financial summaries as required in Section 8 – Progress Reports. Any financial summaries submitted to WSDOT must include a record of the actual costs.

C. The CONTRACTOR shall submit an invoice by July 15, 2012, for any unreimbursed eligible expenditures incurred between July 1, 2011, and June 30, 2012. If the CONTRACTOR is unable to provide an invoice by this date, the CONTRACTOR shall provide an estimate of the charges to be billed so WSDOT may accrue the expenditures in the proper fiscal period. Any subsequent reimbursement request submitted will be limited to the amount accrued as set forth in this section. The CONTRACTOR's final payment request must be received by WSDOT by July 15, 2013, within thirty (30) days of the completion of the Project, or within thirty (30) days of the termination of this AGREEMENT, whichever is sooner. Any payment request received after July 15, 2013 will not be eligible for reimbursement.

### **Section 6 Assignments and Subcontracts**

A. Unless otherwise authorized in advance and in writing by WSDOT, the CONTRACTOR will not assign any portion of the Project or execute any contract, amendment, or change order thereto, or obligate itself in any manner with any third party with respect to its rights and responsibilities under this AGREEMENT.

B. The CONTRACTOR agrees to include Sections 9 through 24 and Section 32 of this AGREEMENT in each subcontract financed in whole or in part with federal assistance provided by FTA; and in all

contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT, subject to the limitations set forth in Section 17.E, Violating Facilities, of this AGREEMENT. It is further agreed that those clauses shall not be modified in any such subcontract, except to identify the subcontractor or other person or entity that will be subject to its provisions. In addition, the following provision shall be included in any advertisement or invitation to bid for any procurement by the CONTRACTOR under this AGREEMENT:

*Statement of Financial Assistance:*

*This AGREEMENT is subject to a financial assistance contract between the Washington State Department of Transportation and the Federal Transit Administration and the appropriations of the State of Washington.*

**Section 7  
Accounting Records**

**A. Project Accounts.** The CONTRACTOR agrees to establish and maintain for the Project either a separate set of accounts or separate accounts within the framework of an established accounting system that can be identified with the Project, in accordance with applicable federal regulations and other requirements that FTA may impose. The CONTRACTOR agrees that all checks, payrolls, invoices, contracts, vouchers, orders, or other accounting documents pertaining in whole or in part to the Project shall be clearly identified, readily accessible, and available to WSDOT and FTA upon request, and, to the extent feasible, kept separate from documents not pertaining to the Project.

**B. Funds Received or Made Available for the Project.** The CONTRACTOR agrees to deposit in a financial institution, all advance Project payments it receives from the Federal Government and record in the Project Account all amounts provided by the Federal Government in support of this Grant AGREEMENT or Cooperative AGREEMENT and all other funds provided for, accruing to, or otherwise received on account of the Project (Project Funds) in accordance with applicable Federal regulations and other requirements FTA may impose. Use of financial institutions owned at least 50 percent by minority group members is encouraged.

**C. Documentation of Project Costs and Program Income.** The CONTRACTOR agrees to support all allowable costs charged to the Project, including any approved services contributed by the CONTRACTOR or others, with properly executed payrolls, time records, invoices, contracts, or vouchers describing in detail the nature and propriety of the charges. The CONTRACTOR also agrees to maintain accurate records of all program income derived from implementing the Project.

**D. Checks, Orders, and Vouchers.** The CONTRACTOR agrees to refrain from drawing checks, drafts, or orders for goods or services to be charged against the Project Account until it has received and filed a properly signed voucher describing in proper detail the purpose for the expenditure.

**Section 8  
Progress Reports**

The CONTRACTOR shall submit quarterly progress reports to WSDOT so that WSDOT may adequately and accurately assess the progress made under the terms of this AGREEMENT. The progress reports shall be prepared as prescribed by WSDOT on the forms provided in Exhibit II, "Project Progress Report" which is attached hereto and by this reference incorporated into this AGREEMENT and/or as provided and modified by WSDOT staff. The CONTRACTOR shall provide a final progress report, as prescribed in Exhibit III, "Final Project Progress Report", which is attached hereto and by this reference made a part of this AGREEMENT, and/or as provided and modified by WSDOT staff. Progress reports shall be submitted to WSDOT no later than forty-five (45) days from the end of each calendar quarter.

**Section 9**  
**General Compliance Assurance**

The CONTRACTOR agrees to give reasonable guarantees that it and its subcontractors, lessees and any third party contractors under this AGREEMENT, will comply with all requirements imposed by, or pursuant to, 49 USC chapter 53 and other applicable Federal regulations. The CONTRACTOR agrees to comply with the provisions of 49 CFR Part 18 or 49 CFR Part 19 or FAR 48 CFR Chapter 1, subpart 31 whichever is applicable, and cost principles as defined in OMB circulars A-87 and A-122. The CONTRACTOR agrees that the United States, any agency thereof, WSDOT and any of WSDOT's representatives, have not only the right to monitor the compliance of the CONTRACTOR with the provisions of this Assurance, but also have the right to seek judicial enforcement with regard to any matter arising under the Federal transit laws and this Assurance.

**Section 10**  
**Procurement**

The CONTRACTOR shall make purchases of any incidental goods or supplies essential to this AGREEMENT through procurement procedures approved in advance by WSDOT and consistent with the following provisions:

**A. General Procurement Requirements.** The CONTRACTOR shall comply with third party procurement requirements of 49 USC chapter 53 and other applicable Federal laws in effect now or as subsequently enacted; with the United States Department of Transportation (U.S. DOT) third party procurement regulations of 49 CFR § 18.36 or 49 CFR § 19.40 through 19.48 and other applicable Federal regulations pertaining to third party procurements and subsequent amendments thereto. The CONTRACTOR shall also comply with the provisions of FTA Circular 4220.1F, "Third Party Contracting Guidance," November 1, 2008 and any later revision thereto, except to the extent FTA determines otherwise in writing, which by this reference are incorporated herein; and any reference therein to "Grantee" shall mean CONTRACTOR.

**B. Full and Open Competition.** In accordance with 49 USC § 5325 (a), the CONTRACTOR agrees to conduct all procurement transactions in a manner that provides full and open competition as determined by FTA.

**C. Preference for United States Products and Services.** To the extent applicable, the CONTRACTOR agrees to comply with the following U.S. preference requirements:

1. **Buy America.** The CONTRACTOR agrees to comply with 49 USC § 5323(j), with FTA regulations, "Buy America Requirements," 49 CFR Part 661, and any later amendments thereto.

2. **Cargo Preference—Use of United States-Flag Vessels.** The CONTRACTOR agrees to comply with 46 USC § 55305 and U.S. Maritime Administration regulations, "Cargo Preference—U.S.-Flag Vessels," 46 CFR Part 381, to the extent those regulations apply to the Project.

3. **Fly America.** The CONTRACTOR understands and agrees that the Federal Government will not participate in the costs of international air transportation of any persons involved in or property acquired for the Project unless that air transportation is provided by U.S.-flag air carriers to the extent service by U.S.-flag air carriers is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974, as amended, 49 USC § 40118, and with U.S. GSA regulations, "Use of United States Flag Air Carriers," 41 CFR §§ 301-10.131 through 301-10.143.

**D. Preference for Recycled Products.** To the extent applicable, The CONTRACTOR agrees to comply with U.S. Environmental Protection Agency (U.S. EPA), "Comprehensive Procurement Guideline for Products Containing Recovered Materials", 40 CFR Part 247, which implements section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976 as amended, 42 USC § 6962. Accordingly, the CONTRACTOR agrees to provide a competitive

preference for products and services that conserve natural resources, protect the environment, and are energy efficient, except to the extent that the Federal Government determines otherwise in writing.

E. **Geographic Restrictions.** The CONTRACTOR agrees to not use any state or local geographic preference, except those expressly mandated or encouraged by federal statute or as permitted by FTA.

F. **Government Orders.** In case any lawful government authority shall make any order with respect to the Project or Project Equipment, or any part thereof, or the PARTIES hereto or either PARTY, the CONTRACTOR shall cooperate with WSDOT in carrying out such order and will arrange its operation and business so as to enable WSDOT to comply with the terms of the order.

### **Section 11 Incorporation of Federal Terms**

A. **Purchasing.** This AGREEMENT's provisions include, in part, certain Standard Terms and Conditions required by FTA, whether or not expressly set forth herein. All contractual provisions required by FTA, as set forth in FTA Circular 4220.1F, are hereby incorporated by reference. Anything to the contrary herein notwithstanding, all FTA mandated terms shall be deemed to control in the event of a conflict with other provisions contained in this AGREEMENT. The CONTRACTOR shall not perform any act, fail to perform any act, or refuse to comply with any WSDOT request, which would cause WSDOT to be in violation of any FTA term or condition.

B. **Federal Changes.** The CONTRACTOR shall at all times comply with all applicable FTA regulations, policies, procedures and directives, whether or not they are referenced in this AGREEMENT and include any amendments promulgated by the FTA, during the term of this AGREEMENT. The CONTRACTOR's failure to so comply shall constitute a material breach of this AGREEMENT.

### **Section 12 No Obligation by the Federal Government**

A. WSDOT and the CONTRACTOR acknowledge and agree that regardless of any concurrence or approval by the Federal Government of the solicitation or award of this AGREEMENT, the Federal Government is not a party to this AGREEMENT unless it provides its express written consent. The Federal Government shall not be subject to any obligations or liabilities to the CONTRACTOR, subcontractor, lessee, or any other participant at any tier of the project (whether or not a PARTY to this AGREEMENT) pertaining to any matter resulting from this AGREEMENT.

B. No contract between the CONTRACTOR and its subcontractors, lessees, or any other participant at any tier of the project shall create any obligation or liability of WSDOT with regard to this AGREEMENT without WSDOT's specific written consent, notwithstanding its concurrence in, or approval of, the award of any contract or subcontract or the solicitations thereof. The CONTRACTOR hereby agrees to include this provision in all contracts it enters into for the employment of any individuals, procurement of any materials, or the performance of any work to be accomplished under this AGREEMENT.

### **Section 13 Personal Liability of Public Officers**

No officer or employee of WSDOT shall be personally liable for any acts or failure to act in connection with this AGREEMENT, it being understood that in such matters they are acting solely as agents of WSDOT.

### **Section 14 Ethics**

A. **Code of Ethics.** The CONTRACTOR agrees to maintain a written code or standards of conduct that shall govern the performance of its officers, employees, board members, or agents engaged in the award and administration of contracts, subagreements, leases, third party contracts, or other arrangements

supported by federal assistance. The code or standards shall provide that the CONTRACTOR's officers, employees, board members, or agents may neither solicit nor accept gratuities, favors, or anything of monetary value from any present or potential subcontractor, lessee, sub-recipient, or participant at any tier of the Project, or agent thereof. The CONTRACTOR may set *de minimis* rules where the financial interest is not substantial, or the gift is an unsolicited item of nominal intrinsic value. These codes or standards shall prohibit the CONTRACTOR's officers, employees, board members, or agents from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain. As permitted by state or local law or regulations, such code or standards shall include penalties, sanctions, or other disciplinary actions for violations by the CONTRACTOR's officers, employees, board members, or agents, or by subcontractors, lessees, sub-recipients, other participants, or their agents. The CONTRACTOR must fully comply with all the requirements and obligations of chapter 42.52 RCW that govern ethics in state and local governments.

1. **Personal Conflict of Interest.** The CONTRACTOR's code or standards shall prohibit the CONTRACTOR's employees, officers, board members, or agents from participating in the selection, award, or administration of a contract supported by Federal Funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when any of the PARTIES set forth below has a financial or other interest in the firm or entity selected for award:

- a. The employee, officer, board member, or agent;
- b. Any member of his or her immediate family;
- c. His or her partner; or
- d. An organization that employs, or is about to employ, any of the above.

2. **Organizational Conflict of Interest.** The CONTRACTOR's code or standard of conduct must include procedures for identifying and preventing real and apparent organizational conflicts of interest. An organizational conflict of interest exists when the nature of the work to be performed under a proposed third party contract, subagreement, lease, or other arrangement at any tier may, without some restrictions on future activities, result in an unfair competitive advantage to the sub-recipient, lessee, third party contractor, or other participants at any tier of the Project or impair its objectivity in performing the work under this AGREEMENT.

B. **Debarment and Suspension.** The CONTRACTOR agrees to comply, and assures the compliance of each sub-recipient, lessee, third party contractor, or other participant at any tier of the project, with the requirements of Executive Orders Numbers 12549 and 12689, "Debarment and Suspension," 31 USC § 6101 note, and U.S. DOT regulations, "Non-procurement Suspension and Debarment" 2 CFR Part 1200, which adopts and supplements the provisions of U.S. Office of Management and Budget (U.S. OMB) "Guidelines to Agencies on Governmentwide Debarment and Suspension (Non-procurement)," 2 CFR Part 180. The CONTRACTOR agrees to, and assures that its subrecipients, lessees, third party contractors, and other participants at any tier of the Project will, review the "Excluded Parties Listing System" at <http://epls.gov/> before entering into any third subagreement, lease, third party contract, or other arrangement in connection with the Project, and will include a similar term or condition in each of its lower-tier covered transactions.

C. **Bonus or Commission.** The CONTRACTOR affirms that it has not paid, and agrees not to pay, any bonus or commission to obtain approval of its application for federal financial assistance for this Project.

D. **Relationships with Employees and Officers of WSDOT.** The CONTRACTOR shall not extend any loan, gratuity or gift of money in any form whatsoever to any employee or officer of WSDOT, nor shall the CONTRACTOR rent or purchase any equipment and materials from any employee or officer of WSDOT.

E. **Employment of Former WSDOT Employees.** The CONTRACTOR hereby warrants that it shall not engage on a full-time, part-time, or other basis during the period of this AGREEMENT, any

professional or technical personnel who are, or have been, at any time during the period of this AGREEMENT, in the employ of WSDOT without written consent of WSDOT.

**F. Restrictions on Lobbying.** The CONTRACTOR agrees to:

1. Comply with 31 USC § 1352(a) and will not use Federal assistance to pay the costs of influencing any officer or employee of a Federal agency, Member of Congress, officer of Congress or employee of a member of Congress, in connection with making or extending the Grant AGREEMENT or Cooperative Agreement; and

2. Comply, and assure compliance by each subcontractor at any tier, each lessee at any tier and each sub-recipient at any tier, with applicable requirements of U.S. DOT regulations, "New Restriction on Lobbying," 49 CFR Part 20, modified as necessary by 31 USC § 1352; and

3. Comply with federal statutory provisions to the extent applicable prohibiting the use of Federal assistance Funds for activities designed to influence Congress or a state legislature on legislation or appropriations, except through proper, official channels.

**G. Employee Political Activity.** To the extent applicable, the CONTRACTOR agrees to comply with the provisions of the "Hatch Act," 5 USC §§ 1501 through 1508, and §§ 7324 through 7326, and Office of Personnel Management regulations, "Political Activity of State or Local Officers or Employees," 5 CFR Part 151. The "Hatch Act" limits the political activities of state and local agencies and their officers and employees, whose principal employment activities are financed in whole or in part with Federal Funds including a loan, grant, or cooperative agreement. Nevertheless, in accordance with 49 USC § 5307 (k)(2)(B) and 23 USC § 142(g), the "Hatch Act" does not apply to a non-supervisory employee of a public transportation system (or of any other agency or entity performing related functions) receiving assistance pursuant to the SAFETEA-LU provisions and/or receiving FTA assistance to whom the "Hatch Act" does not otherwise apply.

**H. False or Fraudulent Statements or Claims.** The CONTRACTOR acknowledges and agrees that:

1. Civil Fraud: The Program Fraud Civil Remedies Act of 1986, as amended, 31 USC §§ 3801 et seq., and U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR Part 31, apply to its activities in connection with the Project. Accordingly, by executing this AGREEMENT, the CONTRACTOR certifies or affirms the truthfulness and accuracy of each statement it has made, it makes, or it may make in connection with the Project covered by this AGREEMENT. In addition to other penalties that may apply, the CONTRACTOR also acknowledges that if it makes a false, fictitious, or fraudulent claim, statement, submission, or certification to the Federal Government, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986, as amended, on the CONTRACTOR to the extent the Federal Government deems appropriate.

2. Such right of recapture shall exist for a period not to exceed three (3) years following termination or expiration of this AGREEMENT. The CONTRACTOR agrees to repay such State Funds under this recapture provision within thirty (30) days of demand.

#### **Section 30**

##### **Disputes**

**A. Disputes.** Disputes, arising in the performance of this AGREEMENT, which are not resolved by agreement of the PARTIES, shall be decided in writing by the WSDOT Public Transportation Assistant Director or Assistant Director's designee. This decision shall be final and conclusive unless within ten (10) days from the date of the CONTRACTOR's receipt of WSDOT's written decision, the CONTRACTOR mails or otherwise furnishes a written appeal to the Director of the Public Transportation Division or the Director's designee. The CONTRACTOR's appeal shall be decided in writing by the Director of the Public Transportation Division within thirty (30) days of receipt of the appeal by the Director of Public Transportation Division or Director's designee. The decision shall be binding upon the CONTRACTOR and the CONTRACTOR shall abide by the decision.

**B. Performance During Dispute.** Unless otherwise directed by WSDOT, CONTRACTOR shall continue performance under this AGREEMENT while matters in dispute are being resolved.

**C. Claims for Damages.** Should either PARTY to this AGREEMENT suffer injury or damage to person, property, or right because of any act or omission of the other PARTY or any of that PARTY's employees, agents or others for whose acts it is legally liable, a claim for damages shall be made in writing to such other PARTY within thirty (30) days after the first observance of such injury or damage.

**D. Rights and Remedies.** All remedies provided in this AGREEMENT are distinct and cumulative to any other right or remedy under this document or afforded by law or equity, and may be exercised independently, concurrently, or successively and shall not be construed to be a limitation of any duties, obligations, rights and remedies of the PARTIES hereto. No action or failure to act by the WSDOT or CONTRACTOR shall constitute a waiver of any right or duty afforded any of them under this AGREEMENT, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

### **Section 31 State and Local Law**

Except when a Federal statute or regulation pre-empts state and local law, regulation or ordinance, no provision of this AGREEMENT shall require the CONTRACTOR to observe or enforce compliance with any provision, perform any other act, or do any other thing in contravention of state or local law, regulation, or ordinance. Thus if any provision or compliance with any provision of this AGREEMENT violates state or local law, regulation or ordinance, or would require the CONTRACTOR to violate state or local law, regulation or ordinance, the CONTRACTOR agrees to notify WSDOT immediately in writing. Should this occur, WSDOT and the CONTRACTOR agree to make appropriate arrangements to proceed with or, if necessary, expeditiously, terminate the Project.

### **Section 32 Termination**

**A. Termination for Convenience.** WSDOT and/or the CONTRACTOR may suspend or terminate this AGREEMENT, in whole or in part, and all or any part of the federal and/or state financial assistance provided herein, at any time by written notice to the other PARTY in accordance with 49 CFR Part 18 § 18.44 or 49 CFR Part 19 § 19.61, whichever is applicable. WSDOT and the CONTRACTOR shall agree upon the AGREEMENT termination provisions including but not limited to the settlement terms, conditions, and in the case of partial termination the portion to be terminated. Written notification must set forth the reasons for such termination, the effective date, and in case of a partial termination, the portion to be terminated. However, if, in the case of partial termination, WSDOT determines that the remaining portion of the award will not accomplish the purposes for which the award was made WSDOT may terminate the award in its entirety. WSDOT and/or the CONTRACTOR may terminate this AGREEMENT for convenience for reasons including, but not limited to, the following:

1. The requisite federal and/or state funding becomes unavailable through failure of appropriation or otherwise;
2. WSDOT determines, in its sole discretion, that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of federal and/or state funds;
3. The CONTRACTOR is prevented from proceeding with the Project as a direct result of an Executive Order of the President with respect to the prosecution of war or in the interest of national defense; or an Executive Order of the President or Governor of the State with respect to the preservation of energy resources;
4. The CONTRACTOR is prevented from proceeding with the Project by reason of a temporary preliminary, special, or permanent restraining order or injunction of a court of competent jurisdiction where the issuance of such order or injunction is primarily caused by the acts or omissions of persons or agencies other than the CONTRACTOR;
5. The Federal Government and/or State Government determines that the purposes of the statute authorizing the Project would not be adequately served by the continuation of federal and/or state financial assistance for the Project; or
6. The Federal Government terminates this AGREEMENT due to a determination that the CONTRACTOR has: (a) willfully misused Federal assistance Funds by failing to make adequate progress on the Project, (b) failed to make reasonable and appropriate use of the Project real property, facilities, or equipment, or (c) failed to comply with the terms of this AGREEMENT. In the event of a termination under this subsection, and the Federal Government exercises its right to require WSDOT to refund any or all of the Federal Funds provided for the Project, the CONTRACTOR shall return all monies reimbursed to it by WSDOT, in the amount required by the Federal Government, within sixty (60) days of its receipt of a certified letter from WSDOT.

7. In the case of termination for convenience under subsections A.1 through A. 5 above, WSDOT shall reimburse the CONTRACTOR for all costs payable under this AGREEMENT which the CONTRACTOR properly incurred prior to termination. The CONTRACTOR shall promptly submit its claim for reimbursement to WSDOT. If the CONTRACTOR has any property in its possession belonging to WSDOT, the CONTRACTOR will account for the same, and dispose of it in the manner WSDOT directs.

**B. Termination for Default.** WSDOT may suspend or terminate this AGREEMENT for default, in whole or in part, and all or any part of the federal financial assistance provided herein, at any time by written notice to the CONTRACTOR, if the CONTRACTOR materially breaches or fails to perform any of the requirements of this AGREEMENT, including:

1. Takes any action pertaining to this AGREEMENT without the approval of WSDOT, which under the procedures of this AGREEMENT would have required the approval of WSDOT;

2. Jeopardizes its ability to perform pursuant to the AGREEMENT, United States of America laws, Washington state laws, or local governmental laws under which the CONTRACTOR operates.

3. Fails to make reasonable progress on the Project or other violation of this AGREEMENT that endangers substantial performance of the Project; or

4. Fails to perform in the manner called for in this AGREEMENT or fails to comply with, or is in violation of, any provision of this AGREEMENT. WSDOT shall serve a notice of termination on the CONTRACTOR setting forth the manner in which the CONTRACTOR is in default hereunder. If it is later determined by WSDOT that the CONTRACTOR had an excusable reason for not performing, such as events which are not the fault of or are beyond the control of the CONTRACTOR, such as a strike, fire or flood, WSDOT may: (a) allow the CONTRACTOR to continue work after setting up a new delivery of performance schedule, or (b) treat the termination as a termination for convenience.

C. WSDOT, in its sole discretion may, in the case of a termination for breach or default, allow the CONTRACTOR ten (10) business days, or such longer period as determined by WSDOT, in which to cure the defect. In such case, the notice of termination will state the time period in which cure is permitted and other appropriate conditions. If the CONTRACTOR fails to remedy to WSDOT's satisfaction the breach or default within the timeframe and under the conditions set forth in the notice of termination, WSDOT shall have the right to terminate this AGREEMENT without any further obligation to CONTRACTOR. Any such termination for default shall not in any way operate to preclude WSDOT from also pursuing all available remedies against CONTRACTOR and its sureties for said breach or default.

D. In the event that WSDOT elects to waive its remedies for any breach by CONTRACTOR of any covenant, term or condition of this AGREEMENT, such waiver by WSDOT shall not limit WSDOT's remedies for any succeeding breach of that or of any other term, covenant, or condition of this AGREEMENT.

### **Section 33 Forbearance by WSDOT Not a Waiver**

Any forbearance by WSDOT in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

### **Section 34 Waiver**

In no event shall any WSDOT payment of grant funds to the CONTRACTOR constitute or be construed as a waiver by WSDOT of any CONTRACTOR breach, or default, and shall in no way impair or prejudice any right or remedy available to WSDOT with respect to any breach or default. In no event shall acceptance of any WSDOT payment of grant funds by the CONTRACTOR constitute or be

construed as a waiver by CONTRACTOR of any WSDOT breach, or default which shall in no way impair or prejudice any right or remedy available to CONTRACTOR with respect to any breach or default.

### **Section 35 WSDOT Advice**

The CONTRACTOR bears complete responsibility for the administration and success of the work as it is defined in this AGREEMENT and any amendments thereto. Although the CONTRACTOR may seek the advice of WSDOT, the offering of WSDOT advice shall not modify the CONTRACTOR's rights and obligations under this AGREEMENT and WSDOT shall not be held liable for any advice offered to the CONTRACTOR.

### **Section 36 Limitation of Liability and Indemnification**

A. The CONTRACTOR shall indemnify and hold harmless WSDOT, its agents, employees, and officers and process and defend at its own expense any and all claims, demands, suits at law or equity, actions, penalties, losses, damages, or costs (hereinafter referred to collectively as "claims"), of whatsoever kind or nature brought against WSDOT arising out of, in connection with or incident to this AGREEMENT and/or the CONTRACTOR's performance or failure to perform any aspect of this AGREEMENT. This indemnity provision applies to all claims against WSDOT, its agents, employees and officers and subcontractors arising out of, in connection with or incident to the negligent acts or omissions of the CONTRACTOR, its agents, employees and officers. Provided, however, that nothing herein shall require the CONTRACTOR to indemnify and hold harmless or defend the WSDOT, its agents, employees or officers to the extent that claims are caused by the negligent acts or omissions of the WSDOT, its agents, employees or officers. The indemnification and hold harmless provision shall survive termination of this AGREEMENT.

B. The CONTRACTOR shall be deemed an independent contractor for all purposes, and the employees of the CONTRACTOR or its subcontractors and the employees thereof, shall not in any manner be deemed to be the employees of WSDOT.

C. The CONTRACTOR specifically assumes potential liability for actions brought by CONTRACTOR's employees and/or subcontractors and solely for the purposes of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the State Industrial Insurance Law, Title 51 Revised Code of Washington.

D. In the event either the CONTRACTOR or WSDOT incurs attorney's fees, costs or other legal expenses to enforce the provisions of this section of this AGREEMENT against the other PARTY, all such fees, costs and expenses shall be recoverable by the prevailing PARTY.

### **Section 37 Governing Law, Venue, and Process**

This AGREEMENT shall be construed and enforced in accordance with, and the validity and performance thereof shall be governed by the laws of the State of Washington. In the event that either PARTY deems it necessary to institute legal action or proceedings to enforce any right or obligation under this AGREEMENT, the PARTIES hereto agree that any such action shall be initiated in the Superior Court of the State of Washington situated in Thurston County. The CONTRACTOR hereby accepts service of process by registered mail consistent with RCW 4.28.080(1) or (2) as applicable. Each PARTY shall bear its own legal costs and expenses, including attorney fees, in any such litigation.

**Section 38  
Severability**

If any covenant or provision of this AGREEMENT shall be adjudged void, such adjudication shall not affect the validity or obligation of performance of any other covenant or provision, or part thereof, that in itself is valid if such remainder conforms to the terms and requirements of applicable law and the intent of this AGREEMENT. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision except as herein allowed.

**Section 39  
Counterparts**

This AGREEMENT may be executed in several counterparts, each of which shall be deemed to be an original having identical legal effect. The CONTRACTOR does hereby ratify and adopt all statements, representations, warranties, covenants, and agreements and their supporting materials contained and/or mentioned in such executed counterpart, and does hereby accept State Funds and agrees to all of the terms and conditions thereof.

**Section 40  
Execution**

This AGREEMENT is executed by the Director of the Public Transportation Division, State of Washington, Department of Transportation or the Director's designee, not as an individual incurring personal obligation and liability, but solely by, for, and on behalf of the State of Washington, Department of Transportation, in his/her capacity as Director of the Public Transportation Division.

**Section 41  
Binding Agreement**

The undersigned acknowledge that they are authorized to execute this AGREEMENT and bind their respective agency(ies) and or entity(ies) to the obligations set forth herein.

IN WITNESS WHEREOF, the PARTIES hereto have executed this AGREEMENT the day and year last signed below.
