RESOLUTION 31402

3 A RESOLUTION relating to the Comprehensive Plan; amending the criteria by which proposed
4 amendments to the Comprehensive Plan are selected for analysis and possible adoption,
5 and repealing versions of the criteria adopted in Resolutions 30662, 30766, 30860,
6 30976, 31049, 31117, 31146, 31233 and 31313.

7 WHEREAS, Resolution 30662 in 2004 established criteria for selecting proposed amendments to
8 the Comprehensive Plan for analysis and possible adoption, a process known as setting
9 the Comprehensive Plan docket; and

10 WHEREAS, Resolution 31146, which set the Comprehensive Plan docket for 2010, revised
11 these criteria, but this revision included a conjunction implying that an amendment would
12 be appropriate if it met any of five criteria, when the actual intent was to require that an
13 amendment meet all five; and

14 WHEREAS, Resolution 31313, which set the Comprehensive Plan docket for 2012, also revised
15 the criteria, by adding a conjunction implying that an amendment would be practical if it
16 met any of four criteria, when the actual intent was to require that an amendment meet all
17 four; and

18 WHEREAS, Resolution 31146 referred to the criteria as guidelines, and Resolution 31313
19 referred to them as guidelines and factors, and the intent and practice has been and is that
20 they serve as criteria; and

21 WHEREAS, City of Seattle representatives to the Puget Sound Regional Council's (PSRC)
22 General Assembly have voted in favor of the PSRC's Vision 2040 strategy, and therefore
23 Seattle's Comprehensive Plan amendments should be consistent with the multi-county
24 policies contained in the Vision 2040 strategy;

25 WHEREAS, the efficient use of the public resources required to develop, review, select and
26 incorporate Comprehensive Plan amendments and the quality of the Comprehensive Plan
27 itself would be enhanced if amendments were required to meet an additional criterion,
28 namely, that the amendment is likely to make a material difference in a City regulatory or
funding decision; and

WHEREAS, the criteria can be otherwise clarified without changing their intent;

NOW, THEREFORE,

1 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**
2 **MAYOR CONCURRING, THAT:**

3
4 Section 1. The criteria for selecting proposed Comprehensive Plan amendments for
5 analysis and possible adoption most recently adopted in Resolution 31313 are amended as
6 follows:

7 ~~((Guidelines))~~ Criteria for Amendment Selection. The City Council considers a variety of
8 ~~((factors))~~ criteria in determining whether a proposed Comprehensive Plan amendment will be
9 placed on the amendment docket for a given year. Among those ~~((factors))~~ criteria are the
10 following~~((-))~~:

11 A. The amendment is appropriate for the Comprehensive Plan because:

12 1. ~~((The amendment))~~ It is consistent with the role of the Comprehensive Plan under the
13 State Growth Management Act;

14 2. ~~((The amendment))~~ It is consistent with the Countywide Planning Policies and the
15 multi-county policies contained in the Puget Sound Regional Council's Vision 2040 strategy;

16 3. ~~((The))~~ Its intent ~~((of the amendment))~~ cannot be accomplished by a change in
17 regulations ~~((only))~~ alone;

18 4. ~~((The amendment))~~ It is not better addressed as a budgetary or programmatic decision;
19 ~~((or))~~ and;

20 5. ~~((The amendment))~~ It is not better addressed through another process, such as
21 neighborhood planning.

22 B. The amendment is legal ~~((the amendment meets existing state and local laws))~~ under
23 state and local law.

24 C. It is practical to consider the amendment because:

1 1. The timing of the amendment is appropriate and Council will have sufficient
2 information ~~((necessary))~~ to make an informed decision;

3 2. ~~((Within the time available))~~ City staff will be able to develop within the time available
4 the text for ~~((the amendments to))~~ the Comprehensive Plan and, if necessary, amendments to the
5 Municipal Code, and to conduct sufficient analysis and public review;

6 3. The ~~((proposed))~~ amendment is consistent with the overall vision of the
7 Comprehensive Plan and well-established Comprehensive Plan policy, or the Mayor or Council
8 ~~((is interested in significantly))~~ wishes to consider changing the vision or ((existing)) established
9 policy; ~~((or))~~ and

10 4. The amendment has not been recently rejected by the City Council.

11 D. ~~((There has been a neighborhood review process to develop any proposed change to a~~
12 ~~neighborhood plan, or a neighborhood review process can be conducted))~~ If the amendment
13 would change a neighborhood plan, it either is the result of a neighborhood review process or
14 can be reviewed by such a process prior to final Council consideration of the amendment.

15 E. The amendment is likely to make a material difference in a future City regulatory or
16 funding decision.

17
18 Section 2. Consistent with the procedures for amending the Comprehensive Plan defined
19 in Resolution 31117, the Council requests that the Department of Planning & Development
20 (DPD) and the Seattle Planning Commission apply the criteria in Section 1 when recommending
21 amendments for future Comprehensive Plan dockets. The Council also requests that DPD update
22 the form for proposing Comprehensive Plan amendments accordingly.

1 Section 3. Versions of the criteria for selecting proposed Comprehensive Plan
2 amendments for analysis and possible adoption that were adopted in Resolutions 30662, 30766,
3 30860, 30976, 31049, 31117, 31146, 31233 and 31313 are repealed.

4
5 Adopted by the City Council the 13th day of August, 2012, and
6 signed by me in open session in authentication of its adoption this 13th day
7 of August, 2012.
