RESOLUTION 31428

A RESOLUTION adopting the Seattle City Council 2013 Work Program.

WHEREAS, each year, the Seattle City Council adopts a work program for the year to identify major projects in the various Committees of the City Council and to plan assignments of staff time; NOW, THEREFORE,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE THAT:**

The Seattle City Council 2013 Work Program, which is attached to this Resolution as Attachment A, is hereby adopted. The 2013 Work Program may be updated throughout the year, and staff and committee resources are not limited to matters contained in the Work Program.

Adopted by the City Council the 19<sup>th</sup> day of Feb., 2013, and signed by me in open session in authentication of its adoption this 19<sup>th</sup> day of Feb., 2013.

  
\_\_\_\_\_  
President of the City Council

Filed by me this 19<sup>th</sup> day of Feb., 2013.

  
\_\_\_\_\_  
City Clerk

(Seal)

| <b>Issue</b>                            | <b>Description</b>  | <b>Chair, CS</b> | <b>CS Assigned</b> | <b>CS days</b>        |
| <b>CITY LIGHT</b>                       |   |                  |                    |                       |
| <b>On-going Issues</b>                  |   |                  |                    |                       |
| Regional/National Issues                | Monitor efforts by the BPA to resolve transmission congestion issues related to the Columbia Storage Treaty and ensure that City Light rate payers are not unfairly burdened with the costs. Monitor FERC decisions for impacts on the Northwest and on City Light. Monitor the Western Climate Initiative and similar initiatives at the national level and provide policy support and direction to the utility as needed. | CS               | Kilduff            | CS days in consulting |
| Reports and Metrics                     | Review periodic reports and performance metrics to ensure City Light is meeting its targets under the Strategic Plan  | CS               | Kilduff            | 5                     |
| <b>Energy Rates</b>                     |   |                  |                    |                       |
| City Light Cost Allocation              | Continue review of City Light's current cost allocation methodology, focusing especially on the continued use of unbundled Revenue Requirements. Recommend updated cost allocation to the Council.  | CS               | Kilduff            | 10                    |
| Low Income Assistance                   | Continue to monitor changes to the program, including customer participation rates and City Light's partnership with other city agencies.   | CS               | Kilduff            | CS days in consulting |
| City Light Rate Design                  | Continue the review of City Light's Rate Design, focusing especially on ways to encourage the efficient use of electricity while ensuring at the same time that City Light collects sufficient revenue to meet its financial targets. Recommend updated rate design to the Council.   | CS               | Kilduff            | 15                    |
| <b>Planning &amp; Oversight</b>         |   |                  |                    |                       |
| City Light Financial Policies           | Review the performance of the new financial policies and recommend changes to the Council as appropriate.   | CS               | Kilduff            | 5                     |
| City Light Review Panel                 | Support the Review Panel in its review of City Light's implementation of its adopted Strategic Plan.  | CS               | Kilduff            | 5                     |

**Attachment A  
Seattle City Council 2013 Work Program**

|   |  |    |                    |                       |
|---|--|----|--------------------|-----------------------|
| Integrated Resource Planning (IRP), Conservation and Renewables | Provide policy guidance for development of the 2014 IRP. Explore ways that City Light can encourage the adoption of small-scale renewable generation within the service territory, and, working with DPD, changes to local codes that might be needed.                             | CS | Kilduff            | 5                     |
| Strategic Plan  | Work with City Light and the Review Panel to begin the first update of the Plan, scheduled to be presented in 2014.  | CS | Kilduff            | 5                     |
| Workforce Efficiency  | Work with City Light and City Personnel to implement the workforce efficiencies assumed in the 2013-2018 Strategic Plan and built into the rate path.  | CS | Kilduff            | 5                     |
| <b>Other Issues</b>   |  |    |                    |                       |
| Citywide Undergrounding Policy                                  | Work with City Light and the Law Department to develop criteria for when City Light utilities will be undergrounded and the appropriate sharing of costs when done as part of a larger City development project program.   | CS | Kilduff            | 5                     |
| BCL Structure   | Review the utility's BCL structure to ensure that it provides the Council with the appropriate level of control and oversight. Given the unique nature of Streetlights as both a customer class and a key function of City government, consider establishing it as a separate BCL. | CS | Kilduff            | 5                     |
| Electricity Consumption Feedback                                | Explore tools/technology to provide feedback to customers on their electricity consumption to encourage efficiency. Focus attention on low-income households.  | CS | Kilduff            | 5                     |
| Improved Customer Interface                                     | Develop technology/ business processes that improve the ease with which City Light's customers can access their account information and pay their bills. Coordinate efforts with SPU to provide a unified and simplified point of contact.   | CS | Kilduff, Moorehead | CS days in consulting |
| Customer Billing System   | Work with City Light and SPU to assess alternative approaches to a new customer billing system that will meet the needs of City Light's proposed deployment of AMI and Smart Meters.   |    | Kilduff, Moorehead | 10                    |
| Construction and Energy Code updates                            | Review proposed updates to the Energy Code and Construction Codes, including Green Code Provisions that address water and material conservation, and energy reduction targets for new buildings.   | CS | Kilduff            | 5                     |

|  |   |           |              |    |
|--|---|-----------|--------------|----|
| Data Driven Policing   | Examine implementation of new data driving policing tools.  | Chair     |              |    |
| Police Technology Strategic Review   | Study and evaluate the latest new technologies in helping police fight crime.   | Chair     |              |    |
| Body-Mounted Video Cameras   | Review proposed policies and procedures associated with Police Department's test of the use of body-mounted video cameras and examine budget options for implementation in 2014.  | Chair, CS | Valles       | 5  |
| Drones   | Consider legislation regulating the use of drones by the Seattle Police Department. GS 65-1-A-1 imposed a budget proviso requiring an ordinance before funds are expended.  | CS        | Valles       | 10 |
| Police Staffing and Performance  | Per SLI 62-1-A-1 the Police Department, Executive and Council staff shall jointly develop a scope for analyzing the sworn staffing requirements for major police functions. The first written scoping report is due by March 29, 2013. Review quarterly updates on sworn staffing levels and the recruitment and hiring of officers. Review the distribution of years of service of officers and support contingency planning for increased retirements. Per Resolution 30996, review annual Police Department performance report. Review Police Chief's quarterly updates on Council expectations. Consider any Executive requests to transfer to the Police Department funds reserved for police overtime in Finance General. | Chair, CS | Harris, Eder | 20 |
| Police Accountability  | Review reports and recommendations of the Office of Professional Accountability (OPA), OPA Auditor and OPA Review Board (OPARB). Take action on appointment of a new OPA Director. Consider proposals from OPARB to revise role and purview of the Board. Continue to support the efforts of these three agencies and the Police Department to maintain and increase public confidence that officers treat all citizens fairly and that any misconduct is handled appropriately under Police Department practices and protocols.  | Chair, CS | Fong         | 15 |
| Implementation of Settlement Agreement between the Department of Justice and the City of Seattle regarding the Seattle Police Department | Track the on-going implementation of the 2012 settlement agreement. GS 67-1-A-1 imposed a budget proviso requiring an ordinance before the Executive expends more than \$300,000 on implementation  | Chair, CS | Eder, Harris | 50 |
| Victim Advocates   | Monitor victim advocate program overall.  | Chair     |              |    |

| Regional/National Issues                | Monitor efforts by the BPA to resolve transmission congestion issues related to the Columbia Storage Treaty and ensure that City Light rate payers are not unfairly burdened with the costs. Monitor FERC decisions for impacts on the Northwest and on City Light. Monitor the Western Climate Initiative and similar initiatives at the national level and provide policy support and direction to the utility as needed. | CS               | Kilduff            | CS days in consulting |
| Reports and Metrics                     | Review periodic reports and performance metrics to ensure City Light is meeting its targets under the Strategic Plan  | CS               | Kilduff            | 5                     |
| <b>Energy Rates</b>                     |   |                  |                    |                       |
| City Light Cost Allocation              | Continue review of City Light's current cost allocation methodology, focusing especially on the continued use of unbundled Revenue Requirements. Recommend updated cost allocation to the Council.  | CS               | Kilduff            | 10                    |
| Low Income Assistance                   | Continue to monitor changes to the program, including customer participation rates and City Light's partnership with other city agencies.   | CS               | Kilduff            | CS days in consulting |
| City Light Rate Design                  | Continue the review of City Light's Rate Design, focusing especially on ways to encourage the efficient use of electricity while ensuring at the same time that City Light collects sufficient revenue to meet its financial targets. Recommend updated rate design to the Council.   | CS               | Kilduff            | 15                    |
| <b>Planning &amp; Oversight</b>         |   |                  |                    |                       |
| City Light Financial Policies           | Review the performance of the new financial policies and recommend changes to the Council as appropriate.   | CS               | Kilduff            | 5                     |
| City Light Review Panel                 | Support the Review Panel in its review of City Light's implementation of its adopted Strategic Plan.  | CS               | Kilduff            | 5                     |

|   |  |    |                    |                       |
|---|--|----|--------------------|-----------------------|
| Integrated Resource Planning (IRP), Conservation and Renewables | Provide policy guidance for development of the 2014 IRP. Explore ways that City Light can encourage the adoption of small-scale renewable generation within the service territory, and, working with DPD, changes to local codes that might be needed.                             | CS | Kilduff            | 5                     |
| Strategic Plan  | Work with City Light and the Review Panel to begin the first update of the Plan, scheduled to be presented in 2014.  | CS | Kilduff            | 5                     |
| Workforce Efficiency  | Work with City Light and City Personnel to implement the workforce efficiencies assumed in the 2013-2018 Strategic Plan and built into the rate path.  | CS | Kilduff            | 5                     |
| <b>Other Issues</b>   |  |    |                    |                       |
| Citywide Undergrounding Policy                                  | Work with City Light and the Law Department to develop criteria for when City Light utilities will be undergrounded and the appropriate sharing of costs when done as part of a larger City development project program.   | CS | Kilduff            | 5                     |
| BCL Structure   | Review the utility's BCL structure to ensure that it provides the Council with the appropriate level of control and oversight. Given the unique nature of Streetlights as both a customer class and a key function of City government, consider establishing it as a separate BCL. | CS | Kilduff            | 5                     |
| Electricity Consumption Feedback                                | Explore tools/technology to provide feedback to customers on their electricity consumption to encourage efficiency. Focus attention on low-income households.  | CS | Kilduff            | 5                     |
| Improved Customer Interface                                     | Develop technology/ business processes that improve the ease with which City Light's customers can access their account information and pay their bills. Coordinate efforts with SPU to provide a unified and simplified point of contact.   | CS | Kilduff, Moorehead | CS days in consulting |
| Customer Billing System   | Work with City Light and SPU to assess alternative approaches to a new customer billing system that will meet the needs of City Light's proposed deployment of AMI and Smart Meters.   |    | Kilduff, Moorehead | 10                    |
| Construction and Energy Code updates                            | Review proposed updates to the Energy Code and Construction Codes, including Green Code Provisions that address water and material conservation, and energy reduction targets for new buildings.   | CS | Kilduff            | 5                     |
| NODO Network/Substation   | Review and guide City Light's analysis of alternative NODO substation designs and network development.   | CS | Kilduff            | 10                    |

| <b>Sustainability &amp; Environmental Issues</b> |  |    |                    |    |
|--|--|----|--------------------|----|
| Climate Adaptation                               | Participate in developing, and track implementation of, climate adaptation efforts including assessments by departments of their adaptation needs, and integration of adaptation into the Climate Action Plan.   | CS | Moorehead          | 5  |
| Climate Protection                               | Review the proposed Climate Action Plan update and obtain additional public input on the updates. Develop or review any legislation to implement the plan. Track departments' implementation of climate actions already underway. Evaluate coal train proposals and environmental documents.   | CS | Moorehead          | 10 |
| Community Power Works                            | Evaluate the SLI response regarding CPW final results and recommendations for elements that warrant continuation after federal funding is gone. Develop or review any legislation related to the SLI response.   | CS | Kilduff, Moorehead | 10 |
| District Energy (DE)                             | Monitor and guide progress by OSE and Corix on development of energy district on First Hill and Yesler Terrace. Provide support for OSE in exploring development of DE in the South Lake Union area. Provide policy support and guidance on the appropriateness of changes to City regulations and procedures that may be necessary to support DE. | CS | Kilduff            | 15 |
| Multi-family tax exemption for energy efficiency | Track state legislative action required to give Seattle (and other municipalities) the authority to implement a property tax exemption for energy efficiency improvements to multi-family buildings; participate with OSE in developing a tax-exemption program and required ordinance.  | CS | Harris             | 5  |
| Point of Sale Energy Audit                       | Explore the policy requirements and implications of requiring energy audits as part of the conveyance of residential real estate in the City of Seattle.   | CS | Kilduff            | 10 |

| <b>Issue</b>  | <b>Description</b>  | <b>Chair, CS</b> | <b>CS Assigned</b> | <b>CS days</b>        |
| <b>LIBRARY</b>  |   |                  |                    |                       |
| Seattle Public Library                                      | Monitor Seattle Public Library's overall budget and review legislation as necessary.  | CS               | Lee, Belz          | CS days in consulting |
| Library Levy Oversight                                      | Monitor implementation of the Library Levy and how Levy proceeds are being used to restore, maintain and improve core Library Services.   | Chair            |                    |                       |
| <b>SEATTLE CENTER</b>                                       |   |                  |                    |                       |
| Seattle Center Budget and Capital Improvement Program (CIP) | Review implementation of Seattle Center's 2013 Adopted Budget and CIP.  | CS               | Belz               | 5                     |
| KeyArena Economic Analysis and Planning Study               | Consistent with 2013 Green Sheet 54-1-A-1 and the City's MOU with ArenaCo, identify potential future use options for KeyArena and the KeyArena site that are financially sustainable and would significantly contribute to the vitality of Seattle Center. Develop a request for proposals (RFP) for potential consultants, review responses to the RFP, monitor consultant contracts, staff working group meetings, and evaluate interim and final consultant reports. | CS               | Belz, Noble        | 40                    |
| Seattle Center Campus-wide Economic Analysis                | Coordinate a comprehensive, campus-wide assessment of Seattle Center's existing costs and revenue sources. Develop an RFP, review responses to RFP, monitor consultant contracts, staff working group meetings, evaluate interim and final consultant reports, and identify options for improving the sustainability of Seattle Center's baseline operating budget, including the cultivation of new and expanded sources of income.                                    | CS               | Belz               | 10                    |
| Memorial Stadium Agreement                                  | Review proposed contracts between Seattle Schools and the City of Seattle regarding the redevelopment of Memorial Stadium and certain surrounding properties.   | CS               | Belz               | 5                     |
| Seattle Center Contracts and Legislation                    | Review miscellaneous Seattle Center legislation and contracts as necessary.   | CS               | Belz               | 10                    |
| Seattle Center Master Plan Update and Implementation        | Monitor the update and implementation of the Century 21 Master Plan, including planned renovations to the Center House food court.  | CS               | Belz               | CS days in consulting |

| <b>UTILITIES (SPU)</b>                      |  |    |           |                       |
|---|--|----|-----------|-----------------------|
| <b>SPU - Water Fund</b>                     |  |    |           |                       |
| Water Fund - Other Issues                   | As needed, address Water Fund issues such as regional water management relations, rate redesign proposals, easements, grant agreements, revenue stabilization subfund report review, water system plan update, Cedar River Habitat Conservation Plan (HCP) implementation, bond sales, and sale of surplus property such as unneeded reservoir sites.  | CS | Moorehead | 10                    |
| <b>SPU - Drainage/Wastewater Fund</b>       |  |    |           |                       |
| Combined Sewer Overflow (CSO) program       | Track implementation progress, evaluate status reports when specified project milestones are reached, and analyze implementing legislation. Coordinate with Parks Committee on CSO projects in parks.  | CS | Moorehead | 5                     |
| Madison Valley Drainage/Wastewater Project  | Track implementation progress and evaluate status reports given when specified project milestones are reached. This long-standing project should be completed in 2013.   | CS | Moorehead | CS days in consulting |
| Superfund                                   | Continue to monitor efforts to assess and manage potential liabilities and clean-up activities at several sites in the City, including the Duwamish River. Monitor City negotiations with Puget Sound Energy and other potentially liable parties relating to responsibility for clean-up of Gas Work Parks including methods to be used for compliance with the state Model Toxics Control Act. | CS | Moorehead | 5                     |
| Drainage and Wastewater Fund - Other Issues | As needed, address other Drainage and Wastewater Fund issues such as monitoring utility purchase of services related to transportation (viaduct, sidewalks) and other City functions, progress on important capital projects, grant acceptance, land transactions, and state and federal stormwater requirements.  | CS | Moorehead | 10                    |

**THIS VERSION IS NOT ADOPTED**

| <b>SPU - Solid Waste Fund</b>              |  |    |                    |    |
|--|--|----|--------------------|----|
| One Less Truck (OLT) Garbage Service       | Review the results of the 2012 OLT garbage pilot project and consider any implementing legislation regarding rates or other aspects of project implementation.   | CS | Moorehead          | 10 |
| Transfer Station Rebuild Projects          | Track progress on the South and North transfer station rebuild projects, including coordination with the Planning, Land, and Urban Sustainability Committee on zoning and street vacation legislation.   | CS | Moorehead, Jenkins | 5  |
| Zero Waste Implementation                  | Review and assist in the development of proposed actions to implement the City's Zero Waste Strategy, including potential legislation covering e-waste, use of compostable waste for biogas production, and construction and demolition waste.   | CS | Moorehead          | 3  |
| Solid Waste Fund - Other Issues            | As needed, address other Solid Waste Fund issues such as bond sales, contracts and contractor performance, and annual recycling tonnage reporting.   | CS | Moorehead          | 5  |
| <b>SPU-wide, Regional and Other Issues</b> |  |    |                    |    |
| Audit Results and Responses                | Evaluate the results of the annual Moss Adams financial audit and review SPU's yearly report on implementation of 2009 state performance audit recommendations. Actively track progress on Internal Controls audit and resulting changes in practice. As needed, develop Council issues, priorities and initiatives related to the audits. | CS | Moorehead          | 5  |
| SPU Strategic Plan                         | Participate in development of a strategic plan for all SPU lines of business that identifies predictable long-term rate paths. Includes appointing an advisory committee and participating in its meetings, providing guidance on initial plan goals and scope, and review of interim products. The plan will be completed in 2014.        | CS | Moorehead, Lee     | 40 |

| <b>PUBLIC SAFETY, CIVIL RIGHTS &amp; TECHNOLOGY COMMITTEE</b> |  |                  |                    |                       |
|---|--|------------------|--------------------|-----------------------|
| <b>BRUCE HARRELL, CHAIR</b>                                   |  |                  |                    |                       |
| <b>Issue</b>  | <b>Description</b>   | <b>Chair, CS</b> | <b>CS Assigned</b> | <b>CS days</b>        |
| <b>CIVIL RIGHTS</b>   |  |                  |                    |                       |
| Boards and Commissions  | Review 2013 work plans for the Human Rights Commission; Commission for People with Disabilities; Lesbian, Gay, Bisexual, Transgender Commission; Women's Commission; and Immigrant and Refugee Advisory Board.   | Chair            |                    |                       |
| Job Assistance  | Consider legislative changes that improve access to employment for individuals with a criminal history.  | Chair, CS        | Lee                | 30                    |
| Office for Civil Rights Updates                               | Receive updates from Office for Civil Rights on issues including enforcement ordinances, Paid Sick Leave, Race and Social Justice Initiative, and others.  | Chair, CS        | Noble              | CS days in consulting |
| Office of Immigrant and Refugee Affairs                       | Monitor development of annual work program and implementation efforts related to the mission of OIRA.  | CS               | Fong               | CS days in consulting |
| Review of Civil Rights Enforcement                            | Per Statement of Legislative Intent 60-2-B-2 the City Auditor will review and report back on the Seattle Office for Civil Right's investigation, enforcement and technical assistance functions by June 30, 2013.  | Chair, CS        | Valles             | 5                     |
| <b>PUBLIC SAFETY</b>  |  |                  |                    |                       |
| <b>Criminal Justice Contracted Services</b>                   |  |                  |                    |                       |
| Indigent Public Defense Contracts                             | Monitor King County actions in light of Dolan court decision, and consider City actions as appropriate.  | CS               | Lester             | 10                    |
| <b>Fire</b>   |  |                  |                    |                       |
| Fire Facilities & Emergency Preparedness Levy Program         | Participate in Fire Facilities Levy Oversight Committee. Monitor implementation of the Levy program, including station design and construction. Review financial and project updates. Consider legislation related to the levy. Review proposals for property acquisition. | CS               | McCoy              | CS days in consulting |
| <b>Interdepartmental Public Safety</b>                        |  |                  |                    |                       |
| Chronic Nuisance Properties                                   | Review the second annual report on the use and benefits of the chronic nuisance property ordinance.  | CS               | Jenkins            | CS days in consulting |
| Crime Prevention Programs                                     | Continue reviewing and advocating adoption of the best available crime prevention and crime reduction strategies in law enforcement and otherwise.   | CS               | Harris             | 10                    |

**Attachment A  
Seattle City Council 2013 Work Program**

|  |  |           |             |                       |
|--|--|-----------|-------------|-----------------------|
| Domestic Violence Prevention             | Participate in the regional Domestic Violence Initiative and the Domestic Violence Prevention Council (DVPC) and actions that result from their quarterly meetings. Review HSD's Domestic Violence and Sexual Assault Prevention annual work plan. Draft legislation and provide policy guidance as appropriate.   | Chair, CS | Lee         | 5                     |
| Parking Scofflaws                        | Review Executive reports and monitor-implementation of the new parking scofflaw program.   | Chair     |             |                       |
| Police & Mental Health Response Teams    | Review the implementation and impact of joint police and mental health professional response teams.  | Chair     |             |                       |
| Washington Intensive Supervision Program | Request updates on implementation and evaluation of a pilot program to more effectively enforce conditions of probation.   | Chair     |             |                       |
| Youth Violence Prevention Initiative     | Review Auditor's plan for evaluating the Youth Violence Prevention Initiative, and consider ordinance to remove related budget proviso (GS 74-1-A-1) on Initiative funding. Review results of the evaluation. Review Initiative's reports on implementation of the risk assessment tool.   | CS        | Harris, Lee | 15                    |
| <b>Law</b>                               |  |           |             |                       |
| Municipal Code Update                    | Review proposed legislation updating the Municipal Code for consistency with state law.  | CS        | Harris      | CS days in consulting |
| <b>Police</b>                            |  |           |             |                       |
| Proactive Policing Plan                  | Prepare and consider legislation stating the City of Seattle's intent to clarify its expectations regarding proactive policing and to establish specific public safety enforcement and performance objectives.   | Chair     |             |                       |
| Gun Safety                               | Examine laws at the city, state, federal level to increase public safety in our neighborhoods, schools and businesses. Work with regional and statewide leaders, community leaders, attorneys, prosecutors, police officers, State Board of Health, King County Board of Health, youth organizations, universities and colleges, parent and education groups, and organizations like Washington CeaseFire to enact common sense gun safety laws. | Chair     |             |                       |

|  |   |           |              |    |
|--|---|-----------|--------------|----|
| Data Driven Policing   | Examine implementation of new data driving policing tools.  | Chair     |              |    |
| Police Technology Strategic Review   | Study and evaluate the latest new technologies in helping police fight crime.   | Chair     |              |    |
| Body-Mounted Video Cameras   | Review proposed policies and procedures associated with Police Department's test of the use of body-mounted video cameras and examine budget options for implementation in 2014.  | Chair, CS | Valles       | 5  |
| Drones   | Consider legislation regulating the use of drones by the Seattle Police Department. GS 65-1-A-1 imposed a budget proviso requiring an ordinance before funds are expended.  | CS        | Valles       | 10 |
| Police Staffing and Performance  | Per SLI 62-1-A-1 the Police Department, Executive and Council staff shall jointly develop a scope for analyzing the sworn staffing requirements for major police functions. The first written scoping report is due by March 29, 2013. Review quarterly updates on sworn staffing levels and the recruitment and hiring of officers. Review the distribution of years of service of officers and support contingency planning for increased retirements. Per Resolution 30996, review annual Police Department performance report. Review Police Chief's quarterly updates on Council expectations. Consider any Executive requests to transfer to the Police Department funds reserved for police overtime in Finance General. | Chair, CS | Harris, Eder | 20 |
| Police Accountability  | Review reports and recommendations of the Office of Professional Accountability (OPA), OPA Auditor and OPA Review Board (OPARB). Take action on appointment of a new OPA Director. Consider proposals from OPARB to revise role and purview of the Board. Continue to support the efforts of these three agencies and the Police Department to maintain and increase public confidence that officers treat all citizens fairly and that any misconduct is handled appropriately under Police Department practices and protocols.  | Chair, CS | Fong         | 15 |
| Implementation of Settlement Agreement between the Department of Justice and the City of Seattle regarding the Seattle Police Department | Track the on-going implementation of the 2012 settlement agreement. GS 67-1-A-1 imposed a budget proviso requiring an ordinance before the Executive expends more than \$300,000 on implementation  | Chair, CS | Eder, Harris | 50 |
| Victim Advocates   | Monitor victim advocate program overall.  | Chair     |              |    |

| <b>TECHNOLOGY</b>   |  |           |         |                       |
|---|--|-----------|---------|-----------------------|
| Broadband Initiative, Gigabit Seattle, and Lease of Excess Fiber Capacity | Monitor Executive progress on Broadband Initiative, Gigabit Seattle, and potential leasing of excess fiber in City's fiber optic cable network. Review and take action on proposed budget or other legislation as needed.  | Chair, CS | Lester  | 5                     |
| Cable Franchises  | Monitor Wave and Comcast cable franchises, including anticipated initiation of renewal of Comcast franchise, with focus on customer service, and take action as needed.  | Chair, CS | Lester  | CS days in consulting |
| Cable Code Revisions  | Work with Executive and Law Department on revisions to SMC Chapter 21.60, the City's Cable Communications Code.  | Chair, CS | Lester  | 5                     |
| Citizens' Telecommunications and Technology Advisory Board (CTTAB)        | Make Council appointments to CTTAB, and consider confirmation of Mayoral appointees to CTTAB; review reports and presentations.  | Chair, CS | Lester  | CS days in consulting |
| DoIT Budget   | Track budget implementation and review any supplemental budget requests.   | Chair, CS | Lester  | CS days in consulting |
| Equal Access to Technology Initiative                                     | Review policy and measurements for City's efforts to ensure all residents have improved access to technology, and examine where technology access may be disproportionately denied.  | Chair     |         |                       |
| Great Student Initiative  | Continue work to advance the objectives of the Great Student Initiative to provide high-speed Internet access to low-income families with children in Seattle Public Schools, as described in Resolution 31328.  | Chair, CS | Fong    | CS days in consulting |
| Migration to Windows 7 Computer Operating System                          | Monitor DoIT's work on the planned migration to Windows 7 (scheduled for 2013) and Microsoft Office 2010 (scheduled for 2014).   | Chair     |         |                       |
| DoIT Next Generation Data Center Initiative                               | SLI 24-1-A-1 requested that DoIT report quarterly and at major decision points to the Council on its progress in developing a strategy for the Next Generation Data Center Initiative.   | Chair, CS | Kilduff | 5                     |
| Municipal Technology Strategic Review                                     | Work with DoIT to evaluate and develop policies relative to new product implementation, software and product replacement, and interdepartmental coordination for new products and services that improves access to city information, government transparency, and enhancing the processes of providing basic services. | Chair     |         |                       |
| Technology Grants   | Review proposed legislation for grant awards. Examine long-term financial sustainability of current uses of the Cable Franchise Television Subfund.  | Chair, CS | Lester  | CS days in consulting |

| <b>PARKS AND NEIGHBORHOODS COMMITTEE</b>  |  |                  |                    |                           |
|---|--|------------------|--------------------|---------------------------|
| <b>SALLY BAGSHAW, CHAIR</b>   |  |                  |                    |                           |
| <b>Issue</b>  | <b>Description</b>   | <b>Chair, CS</b> | <b>CS Assigned</b> | <b>CS days</b>            |
| <b>NEIGHBORHOODS</b>  |  |                  |                    |                           |
| Neighborhood Plan Updates   | Monitor progress on neighborhood plan updates under development.   | CS               | Freeman            | CS days in PLUS Committee |
| Other Neighborhood Programs   | Monitor neighborhood programs related to the Neighborhood Matching Fund (NMF) and track DON's budget.  | CS               | Eder               | CS days in consulting     |
| Review of Department of Neighborhoods   | Review strategic plan for P-Patch program. Review and modify, as necessary, the roles and responsibilities of Neighborhood District Councils and staffing of such Councils.  | CS               | Fong               | 5                         |
| <b>PARKS</b>  |  |                  |                    |                           |
| <b>Department of Parks and Recreation (DPR)</b>   |  |                  |                    |                           |
| Athletic Field Fee Policies   | Review DPR's response to SLI 114-1-A-1 regarding the annual cost of operating and maintaining the City's athletic fields. Evaluate DPR's athletic field fee policies, including cost-recovery goals, and explore the possibility of creating a reserve account to fund needed maintenance. Consider new methods for providing advance notice to the public about expected fee changes. | CS               | TBD                | 5                         |
| Community Center Planning   | Review and monitor implementation of the 2012 Community Center Geographic Management Model. Review quarterly reports on community center usage. Review response to SLI 107-2-A-1 regarding usage of all community centers and whether additional funding is needed to provide hours to some community centers that cannot be allocated hours under the Geographic Management Model.    | CS               | Ratzliff           | 10                        |
| Recreational and Parks Program Service Needs in Lake City and the North District Neighborhood Planning Area | Review DPR's response to SLI 41-3-A-1 regarding the recreational and parks program service needs of the Lake City Urban Village and the North District Neighborhood Planning Area.   | CS               | Ratzliff           | 5                         |
| Teen Programming at Community Centers   | Review DPR recommendations regarding structured teen programming that will be provided at community centers with funding allocated in the 2013 budget as required by Green Sheet 107-1-C-2.  | CS               | TBD                | 5                         |
| Magnuson Park   | Monitor ongoing redevelopment activities at Magnuson Park and review related legislation, including legislation establishing the Magnuson Park Historic District.  | CS               | Jenkins            | 5                         |

| <b>TRANSPORTATION</b>                          |   |                  |                    |                       |
| Asset Management and Performance Audit of SDOT | Monitor review of SDOT's asset management program and identify strategies and opportunities to enhance and improve the program for prioritizing transportation investments. In coordination with SDOT, develop, refine and update the prioritization of the City's transportation maintenance backlog. Given transportation revenue challenges, select a major area of SDOT operations for performance audit review to identify potential opportunities for efficiencies. | Chair, CS        | Fong, Eder         | 20                    |
| Bicycle Master Plan and Bicycle Safety         | Consider action approving an update to the Bicycle Master Plan (BMP) and track progress on implementation of the BMP. Consistent with SLI 77-2-A-1, provide policy guidance and review SDOT report on progress in implementing identified priority bicycle infrastructure projects.   | CS               | Fong               | 10                    |
| Bridging the Gap                               | Monitor implementation of BTG including progress reports and milestones reached. Review and monitor implementation of BTG Major Projects (Spokane Street Viaduct, Mercer Corridor and King Street Station). Work with SDOT and METRO to implement Bus Rapid Transit through the use of BTG funds. Serve on Bridging the Gap Oversight Committee.  | Chair, CS        | Eder               | CS days in consulting |
| Car Share Pilot Program                        | Review SDOT's six-month assessment of the car2go car share pilot program.   | CS               | Valles             | 5                     |
| Construction Planning and Traffic Management   | Review SDOT plans for traffic management during project construction and methods for communicating detours and road closures with the public. Evaluate and review department procedures. Review construction traffic management plans for: Alaskan Way Viaduct, Mercer East, Spokane Street, SR 520 and other major projects.   | Chair            |                    |                       |
| Freight Mobility Plan                          | Monitor progress and provide policy guidance to SDOT and the Freight Advisory Board on development of a proposed Freight Mobility Master Plan.  | Chair, CS        | Fong               | 5                     |
| First Hill Streetcar                           | Monitor construction activities and review required quarterly reports. Review proposed 3 <sup>rd</sup> party operating agreement with King County. Review any potential funding proposals for extension to Aloha Street.  | CS               | Freeman            | 10                    |

|--|---|-----------|------------|----|
| Mercer Corridor and Mercer West  | Monitor construction progress on the Mercer East and Mercer West projects. Provide oversight necessary to ensure full funding and timely completion in conjunction with Alaskan Way Viaduct Replacement Program.  | CS        | Eder       | 5  |
| Metro Transit  | Integrate City transportation efforts with Metro Transit planning efforts and associated service restructures and allocations. Serve on King County Regional Transit Committee to implement and update Metro's 10-Year Strategic Plan. Monitor Metro Transit's implementation of Bus Rapid Transit (BRT), Electronic Trolley System upgrade and possible expansion, SR99/Bored Tunnel Program transit mitigation, development of alternative transit service models, and implementation of Solid Ground's Downtown Circulator Bus to mitigate loss of the ride free area. | Chair, CS | Schwab     | 10 |
| On-Street Parking  | Review SDOT's 2012 and 2013 on-street parking occupancy studies and any planned 2014 rate changes or policy changes for consistency with City's parking policy objectives. Provide policy guidance to SDOT.   | CS        | Eder, Fong | 15 |
| Quarterly and Annual Reports on Implementation of Pedestrian Master Plan and Pedestrian Safety Priority Projects | Review annual work program that defines the projects, programs, and policy work to be undertaken in the upcoming year by SDOT to implement the Pedestrian Master Plan. Review reports submitted by SDOT describing the implementation of the annual work program. Consistent with SLI 77-2-A-1, provide policy guidance and review SDOT report on progress in implementing identified pedestrian infrastructure projects.   | Chair     |            |    |
| RPZ Pilot Project  | Provide policy guidance to SDOT related to the pilot project that allows employees and other non-residents access to certain Restricted Parking Areas (RPZs) along the Link Light Rail corridor.  | CS        | Lester     | 5  |
| Sound Transit  | Monitor Sound Transit (ST) activities, review legislation amending the Transit-way Agreement to accommodate implementation of both Eastlink and Northlink. Coordinate with Planning, Land Use and Sustainability Committee regarding regulatory changes designed to promote station-area development.   | CS        | Freeman    | 10 |
