**RESOLUTION 31511**

1  
2  
3 A RESOLUTION supporting the King County transportation district ballot measure to finance  
4 transportation improvements and urging Seattle voters to vote "Yes" on Proposition 1 on  
5 the April 22, 2014 special election ballot.

6 WHEREAS, new transportation challenges have emerged affecting the funding for King County  
7 Metro transit and city streets, including a prolonged recession, and declining gas-tax,  
8 property tax, and sales tax revenues; and

9 WHEREAS, without additional revenue to fill the funding shortfall, King County Metro will cut  
10 transit service by up to 17% or approximately six hundred thousand service hours starting  
11 this fall; and

12 WHEREAS, Seattle is beset by congested corridors and bottlenecked interchanges and faces a  
13 growing transportation maintenance and safety backlog, which undermine the mobility of  
14 vehicles, buses and freight-carriers to transport people and goods; and

15 WHEREAS, a functioning transportation system is critical to the working people who are the  
16 foundation of the regional economy and many of these workers are dependent on Metro  
17 transit service, particularly low-wage workers, the elderly, the disabled, and people of  
18 color; and

19 WHEREAS, King County is authorized by state statute to establish a countywide transportation  
20 benefit district to levy and impose various taxes and fees to generate revenues to support  
21 transportation improvements that benefit the district and that are consistent with state,  
22 regional and local transportation plans and necessitated by existing or reasonable  
23 congestion levels; and

24 WHEREAS, King County Ordinance 17746 established the King County Transportation District  
25 with the authority to fund, acquire, construct, operate, improve, provide, maintain and  
26 preserve transportation improvements authorized by RCW 36.73; and

27 WHEREAS, the Transportation District is proposing a \$60 annual vehicle fee and a one-tenth-of-  
28 a-cent increase in the sales tax; which together would generate \$130 million annually;  
and would sunset in 10 years; and would allow for a rebate for car owners who earn less  
than 45% of the area median income; and

1 WHEREAS, sixty percent of the funds would be distributed to King County to preserve the  
2 current level of Metro transit service and temporarily reduce the new low income bus fare  
3 to \$1.25; and

4 WHEREAS, forty percent of the funds would be distributed on the basis of population to the 39  
5 cities in King County and to the King County road fund for the unincorporated area of the  
6 county; and

7 WHEREAS, Metro transit services are crucial to Seattle's transportation infrastructure and  
8 economy, and quality of life for its residents who use transit services; and

9 WHEREAS, Seattle's Comprehensive Plan and Climate Action goals encourage and support the  
10 use of transit as a way to meet our goals for movement through the city and reduction of  
11 carbon emissions; and

12 WHEREAS, the City of Seattle must maintain and improve its existing transportation  
13 infrastructure, and this measure will direct an estimated \$16.5 million annually to the  
14 City of Seattle, which will be used to fund neighborhood street repair, safety and  
15 maintenance and speed and reliability improvements to existing bus service; and

16 WHEREAS, passage of Proposition 1 will not relieve the State of Washington of its  
17 responsibility to enact a balanced statewide transportation package to enhance mobility,  
18 increase transportation choices, address transportation system construction, maintenance,  
19 operations and preservation needs, including new progressive local transportation funding  
20 options; NOW THEREFORE,

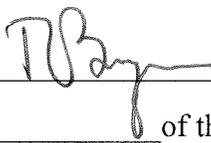

21 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**

23 Section 1. In accordance with the requirements of RCW 42.17A.555 and SMC 2.04.300  
24 proper notice was given for a hearing at which members of the public, as well as  
25 Councilmembers, were afforded an approximately equal opportunity for the expression of an  
26 opposing view. Having considered the views of the public, the Seattle City Council supports the  
27 efforts of King County to obtain voter approval of Proposition 1 on April 22, 2014. The Seattle  
28 City Council asks Seattle voters to carefully review this ballot measure and vote "YES" on

1 Proposition 1 to prevent cuts to Metro transit service and to address pressing transportation

**Legislation Title:** A RESOLUTION supporting the King County transportation district ballot measure to finance transportation improvements and urging Seattle voters to vote “Yes” on Proposition 1 on the April 22, 2014 special election ballot.

**Summary of the Legislation:**

This legislation expresses the Seattle City Council’s support for the passage of King County Proposition 1 to prevent cuts to Metro transit service and to address pressing transportation improvement needs.

**Background:**

King County Ordinance 17746 established the King County transportation benefit district with the authority to fund, acquire, construct, operate, improve, provide, maintain and preserve transportation improvements authorized by RCW 36.73. The King County Transportation District passed Resolution TD 2014-03 to submit Proposition 1 to the district voters on April 22, 2014 to authorize the district to impose a one-tenth of one percent sales and use tax and a \$60 vehicle fee on all vehicles with the district to finance transportation improvements.

The \$60 annual vehicle fee and the one tenth of one percent sales and use tax together would generate \$130 million annually; would sunset in 10 years; and would allow for a rebate for car owners who earn less than 45% of the area median income. Sixty percent of the funds would be distributed to King County to preserve the current level of Metro transit service and temporarily reduce the new low income bus fare to \$1.25. Forty percent of the funds would be distributed on the basis of population to the 39 cities in King County and to the King County road fund for the unincorporated area of the county.
