Legislation Title: A RESOLUTION of intention to modify the assessment rates and modify the boundaries for the West Seattle Junction Parking and Business Improvement Area.

Summary of the Legislation:

This Resolution must be prepared, per RCW 35.87A, to amend the West Seattle Junction Parking and Business Improvement Area established by Ordinance 113326. This resolution sets a public hearing date and location. After the public hearing has taken place, the Council may introduce an ordinance to amend Ordinance 113326.

Background:

The Ratepayers Advisory Board (Board) of the West Seattle Junction Parking and Business Improvement Area (West Seattle BIA) developed the proposal to modify the boundaries of the Zone C "Parking" area. The West Seattle BIA, which was established in 1987 through Ordinance 113326, provides parking lots for customers to aid in the economic vitality of the area. All businesses in the expanded Zone C enjoy the advantages of the parking amenities provided by the West Seattle BIA. All businesses in the West Seattle BIA also benefit from the additional services provided by the BIA, regardless of how long they have been in business. The Board therefore proposes to remove the assessment exemptions for new businesses. The Board developed a proposal that they believe to be equitable in the collection of assessments and the delivery of services. For these reasons, the Board strongly supports amending the current Ordinance.

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to transmit the attached proposed Resolution, which states the Council's intention to amend the current boundary and certain assessment limitations in the West Seattle Junction Parking and Business Improvement Area (West Seattle BIA). The existing West Seattle BIA was established in 1987 through Ordinance 113326, as subsequently amended by Ordinances 115997, 119539, 120570, and 121758.

In 2012, the West Seattle BIA ratepayer advisory board developed a proposal to modify the assessment rates by removing the assessment exemption for first year businesses and the assessment reduction for second year businesses. The board also recommended expanding the Zone C "Parking" boundary in the current West Seattle BIA. These amendments are strongly supported by the ratepayers advisory board and are in compliance with RCW 35.87A. This amendment will continue to allow the West Seattle BIA to deliver excellent services and provide free parking for customers, which enhances the economic viability of the area.

The Resolution also sets a date and location where the City's Finance and Culture Committee will hold a public hearing in Council Chambers to receive public comment for or against the proposed changes to the West Seattle BIA. Depending upon the outcome of the public hearing, the Executive may submit a bill to formally modify the boundaries and assessment rates of the BIA.

Thank you for your consideration of this legislation. Should you have questions, please contact Teri Allen at 684-5226, or Fred Podesta at 386-0041.

Sincerely,

A handwritten signature in black ink, appearing to read "Edward B. Murray".
