Legislation Title:

A RESOLUTION of intention to disestablish the 1996 University District Parking and Business Improvement Area, and fixing a date and place for a hearing thereon.

Summary of the Legislation:

This Resolution is a companion to the two resolutions that must be prepared, per RCW 35.87A, to form a new and expanded parking and business improvement area in the University District. This resolution states City Council's intention to disestablish the existing University District Parking and Business Improvement Area (University District BIA) and declares a public hearing date and place for the initiative. After the public hearing, the Council may propose a bill to disestablish the current University District BIA.

Background:

The existing University District BIA was established in 1996 and does not have an expiration date. The existing University District BIA will be disestablished so that the new and expanded parking and business improvement area can be established.

This legislation does not have any financial implications.

Honorable Tim Burgess
President
Seattle City Council
City Hall, 2nd Floor

Dear Council President Burgess:

I am pleased to present the attached Resolution which states the Council's intention to disestablish the current University District Parking and Business Improvement Area (University District BIA) and sets a date and location for a public hearing. The current University District BIA was established in 1996 by Ordinance 118412 as amended by Ordinance 120304, Ordinance 122212, and Ordinance 123995, and does not have an expiration date. It is necessary to disestablish the current University District BIA to establish a new and expanded business improvement area for the University District.

The Resolution also sets a date and location where the City's Finance and Culture Committee will hold a public hearing in Council Chambers to receive all evidence for or against the proposed disestablishment of the University District BIA. Depending upon the outcome of the public hearing, the Executive may submit a bill to disestablish the current University District BIA.

Thank you for your consideration of this legislation. Should you have questions, please contact Teri Allen at 684-5226.

Sincerely,

Edward B. Murray
Mayor of Seattle
