

**EXHIBIT F**  
**SCHEDULING (4/25/08 version)**

**1. SCHEDULING FEDERAL RESOURCES**

«Customer Name» is responsible for creating E-Tags for all deliveries of federal power purchased under this Agreement.

*Option: Include if customer is purchasing Shaping Capacity:*

«Customer Name» shall submit its hourly megawatt schedule to Power Services by 1100 hours Pacific Prevailing Time (PPT) as follows:

<b>Day Before Preschedule:</b>		
Friday	For	Tuesday
Monday	For	Wednesday
Tuesday	For	Thursday
Wednesday	For	Friday, Saturday
Thursday	For	Sunday, Monday

For non-standard scheduling days specified by WECC (e.g. holidays), «Customer Name» shall preschedule at least 24 hours earlier than as specified by WECC. «Customer Name» shall not have the right to change planned amounts of Firm Requirements Power on a shorter timeline than as stated above.

With written notice, BPA may require «Customer Name», when using Shaping Capacity, to submit its hourly megawatt schedule to Power Services by 0900 hours PPT instead of 1100 hours PPT.

*End Option*

**2. AFTER THE FACT**

BPA and «Customer Name» agree to reconcile all transactions, schedules and accounts at the end of each month (as early as possible within the first 10 calendar days of the next month). BPA and «Customer Name» will verify all transactions per this Agreement, as to product or type of service, hourly amounts, daily and monthly totals, and related charges

**3. REVISIONS**

BPA may unilaterally revise this exhibit: (1) to implement changes that are applicable to all customers who are subject to this exhibit and that BPA determines are reasonably necessary to meet its power and scheduling obligations under this Agreement or (2) to comply with requirements of the WECC, NAESB, or NERC, or their successors or assigns.

Revisions are effective 45 days after BPA provides written notice of the revisions to «Customer Name» unless, in BPA's sole judgment, less notice is necessary to comply with an emergency change to the requirements of the WECC, NAESB, NERC, or their successors or assigns. In this case, BPA shall specify the effective date of such revisions.
