Tenant acknowledges its understanding that there may be Landlord-planned utility outages affecting the Building and that such outages may interfere, from time to time, with Tenant's use of the Premises. Landlord shall endeavor to provide Tenant with 48 hours prior notice of any Landlord-planned electricity outage in the Building but shall not be liable to Tenant for Landlord's failure to provide such notice. Landlord has no obligation to provide emergency or backup power to Tenant. The provision of emergency or backup power to the Premises or to enable the equipment therein to properly function shall be the sole responsibility of Tenant.

Attachment 2

removal. Tenant shall be responsible for obtaining all permits, licenses and meeting all applicable development and construction standards or other requirements including but not limited to compliance with applicable building codes and with the Americans with Disabilities Act (ADA). If Tenant fails to take good care of the Premises, Landlord, at its option, may do so, and in such event, upon receipt of written statements from Landlord, Tenant shall promptly pay the entire cost thereof as an Additional Charge. Landlord shall have the right to enter the Premises for such purposes. Landlord shall not be liable for interference with light, air or view. All normal repairs necessary to maintain the Building in a reasonable condition, as determined by Landlord, shall be performed under Landlord's direction and at its expense, except as otherwise provided herein. Except as provided in the section captioned Destruction, there shall be no abatement or reduction of rent arising by reason of Landlord's making of repairs, alterations or improvements.

Attachment 2

required permits are obtained by Tenant. Vending machines are prohibited on or about the Premises.

12. Surrender of Premises.

At the expiration or sooner termination of the Lease Term, Tenant shall return the Premises to Landlord in the same condition in which received (or, if altered, then the Premises shall be returned in such altered condition unless otherwise directed by Landlord), reasonable wear and tear excepted. Prior to such return, Tenant shall remove its personal property and moveable trade fixtures and appliances and equipment that have not been attached to the Premises, and shall repair any damage resulting from their removal. In no event shall Tenant remove floor coverings; heating, ventilating and air conditioning equipment; lighting equipment or fixtures; or floor, window or wall coverings unless otherwise specifically directed by Landlord in writing. Tenant's obligations under this paragraph shall survive the expiration or termination of this Lease. Tenant shall indemnify Landlord for all damages and losses suffered as a result of Tenant's failure to remove voice and data cables, wiring and communication lines and moveable trade fixtures and appliances and to redeliver the Premises on a timely basis. Tenant shall surrender all keys to the Premises or Building to Landlord.

If upon expiration or ten (10) days after termination of this Lease Tenant has not removed its personal property and moveable trade fixtures and appliances and equipment, Landlord may, but need not, remove Tenant's personal property and hold it for the Tenant, or place the same in storage, all at the expense and risk of the Tenant. Tenant shall reimburse Landlord for any expense incurred by Landlord in connection with such removal and storage. Landlord shall have the right to sell such stored property, without notice to Tenant, after it has been stored for a period of thirty (30) days or more, the proceeds of such sale to be applied first, to the cost of sale; second, to the payment of the charges for storage; and third, to the payment of any other amounts which may then be due from Tenant to Landlord; the balance, if any, shall be paid to the Tenant.

Tenant agrees that the foregoing indemnity specifically covers actions brought by its own employees. This indemnity with respect to acts or omissions during the Lease Term shall survive termination or expiration of this Lease. The foregoing indemnity is specifically and expressly intended to constitute a waiver of Tenant's immunity under Washington's Industrial Insurance Act, RCW Title 51, to the extent necessary to provide Landlord with a full and complete indemnity. Tenant shall promptly notify Landlord of casualties or accidents occurring in or about the Premises. **LANDLORD AND TENANT ACKNOWLEDGE THAT THE INDEMNIFICATION PROVISIONS OF THIS SECTION WERE SPECIFICALLY NEGOTIATED AND AGREED UPON BY THEM.**

- B. Release of Claims. If this Lease is so terminated, all Rent and Additional Charges shall be paid to the date of termination.

- B. Award. Landlord reserves all rights to the entire damage award or payment for any taking by Eminent Domain, and Tenant waives all claims whatsoever against Landlord for damages for termination of its leasehold interest in the Premises or for interference with its business. Tenant hereby grants and assigns to Landlord any rights Tenant may now have or hereafter acquire to such damages and agrees to execute and deliver such further instruments of assignment as Landlord, from time to time, may request. Tenant, however, shall have the right to claim from the condemning authority all compensation that may be recoverable by Tenant on account of any loss incurred by Tenant in moving Tenant's merchandise, furniture, trade fixtures and equipment, provided, however, that Tenant may claim such damages only if they are awarded separately in the eminent domain proceeding and not out of or as part of Landlord's damages.

18. Default by Tenant.

- A. Definition. If Tenant violates or breaches or fails to keep or perform any covenant, term or condition of this Lease, or if Tenant abandons, deserts, vacates, or otherwise removes its operations from the Premises without the prior consent of Landlord, Tenant shall be deemed in default hereunder (a "Default"). If a Default continues for or is not remedied within ten (10) days (or, if no default of any monetary obligation is involved, within thirty (30) days) after written notice thereof has been given by Landlord to Tenant specifying the Default, then Landlord shall have the following nonexclusive rights and remedies, at its option: (i) to cure such default on Tenant's behalf and at Tenant's sole expense and to charge Tenant for all costs and expenses incurred by Landlord in effecting such cure as an Additional Charge; or (ii) to elect at any time to terminate this Lease and all of the rights of Tenant in or to the Premises. Notwithstanding the foregoing time frames, if Tenant's Default is a violation of any health regulation, as determined by the Seattle King County Department of Health, then Landlord may terminate this Lease immediately.

If Landlord elects to terminate this Lease, Tenant shall also be liable to City for all amounts necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or that in the ordinary course of things would be likely to result there from, including but not limited to, any costs or expenses incurred in maintaining or preserving the Premises after such Default, and any costs incurred in authorizing others the use and occupancy of the Premises and in preparing the Premises for such use and occupancy, and such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by the laws of the State of Washington.

Attachment 2

19. Landlord's Remedies Cumulative; Waiver.

Landlord's rights and remedies hereunder are not exclusive, but cumulative, and Landlord's exercise of any right or remedy due to a default or breach by Tenant shall not be deemed a waiver of, or alter, affect or prejudice any other right or remedy that Landlord may have under this Lease or by law or in equity. Neither the acceptance of rent nor any other act or omission of Landlord at any time or times after the happening of any event authorizing the cancellation or forfeiture of this Lease shall operate as a waiver of any past or future violation, breach or failure to keep or perform any covenant, agreement, term or condition hereof or to deprive Landlord of its right to cancel or forfeit this Lease, upon the written notice provided for herein, at any time that cause for cancellation or forfeiture may exist, or be construed so as to stop Landlord at any future time from promptly exercising any other option, right or remedy that it may have under any term or provision of this Lease.

20. Attorneys' Fees.

If either party retains the services of an attorney in connection with enforcing the terms of this Lease, each party agrees to bear its own attorneys' fees and costs.

21. Access by Landlord.

Landlord and its agents shall have the right to enter the Premises at any time to examine the same and to make such repairs, alterations, additions or improvements to the Premises or Building as Landlord may deem necessary or desirable. If Tenant is not personally present to permit entry and an entry is necessary in an emergency, Landlord may enter the same by master key or may forcibly enter the same, without rendering Landlord liable therefore. Nothing contained herein shall be construed to impose upon Landlord any duty of repair or other obligation not specifically stated in this Lease. Tenant shall change the locks to the Premises only through Landlord and upon paying Landlord for all costs related thereto.

22. Holding Over.

Unless otherwise agreed in writing by the parties hereto, any holding over by Tenant after the expiration of the Lease Term, whether or not consented to by Landlord, shall be construed as a tenancy from month-to-month on the terms and conditions set forth herein. Any holdover tenancy may be terminated by either party by written notice delivered to the other party not later than twenty (20) days prior to the end of the final month. If Tenant fails to surrender the Premises upon the expiration or termination of this Lease, Tenant shall indemnify, defend and hold harmless Landlord from all losses, damages, liabilities

Attachment 2

and expenses resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding tenant arising out of such failure.

23. Notices.

Any notice, demand or request required hereunder shall be given in writing to the party's address set forth in Section 1.H hereof by any of the following means: (a) personal service; (b) commercial or legal courier; or (c) registered or certified, first class mail, postage prepaid, return receipt requested. Such addresses may be changed by notice to the other parties given in the same manner as above provided. Notices shall be deemed to have been given upon the earlier of actual receipt, as evidenced by the deliverer's affidavit, the recipient's acknowledgment of receipt, or the courier's receipt, except in the event of attempted delivery during the recipient's normal business hours at the proper address by an agent of a party or by commercial or legal courier or the U.S. Postal Service but refused acceptance, in which case notice shall be deemed to have been given upon the earlier of the day of attempted delivery, as evidenced by the messenger's affidavit of inability to deliver stating the time, date, place and manner in which such delivery was attempted and the manner in which such delivery was refused, or on the day immediately following deposit with such courier or, if sent pursuant to subsection (c), forty-eight (48) hours following deposit in the U.S. mail.

24. Tenant Authority and Liability.

Tenant warrants that this Lease has been duly authorized, executed and delivered by Tenant, and that Tenant has the requisite power and authority to enter into this Lease and perform its obligations hereunder. Tenant covenants to provide Landlord with evidence of its authority and the authorization of this Lease upon request.

25. Continuous Operation.

Tenant shall keep the Premises open and use them to transact business with the public daily during hours as designated below or as otherwise may be designated by the Superintendent. Subject to the approval of the Superintendent, Tenant may, upon posting a written notice to the public of not less than one week in duration prior to any approved closure; close the Premises for a reasonable period for repairs or any approved remodeling, or for taking inventory. Tenant shall close to accommodate construction by Landlord of public improvements upon one week's notice from the Superintendent of the Department of Parks and Recreation of the City of Seattle. Tenant shall furnish an approved sign at the Premises entrance advising the public of any approved closure.

Minimum hours of operation of the Premises are as follows:

Jan-Feb — 0 hours required, concessionaire may choose to open

Attachment 2

March-April — 0 hours required, concessionaire may choose to open
May - June — 8 hours per weekend, 10 hours per Monday-Friday
July-August — 16 hours per weekend, 24 hours per Monday-Friday
Sept — 8 hours per weekend, 10 hours per Monday-Friday
Oct - Nov — 0 hours required, concessionaire may choose to open
Dec — 0 hours required, concessionaire may choose to open

The dates and times of operation may be modified from time to time due to inclement weather and by mutual agreement of the parties hereto.

26. Standards.

Tenant recognizes that, although it is operating its facilities as an independent operator for profit, the Department of Parks and Recreation is organized and exists for the purpose of maintaining park and recreation facilities for the use and enjoyment of the general public. Tenant, its agents and employees, will devote their efforts toward rendering courteous service to the public as though they were employees of the City, with a view of adding to the enjoyment of the patrons of Madrona Park.

Tenant shall operate and conduct the facilities on the Premises in a businesslike manner, and will not permit any conduct on the part of Tenant's employees which would be detrimental to the Landlord's operation of Madrona Park.

Tenant shall provide sufficient personnel to adequately staff the concession at all times. All personnel shall be dressed in neat appearing attire which clearly identifies them as Tenant's employees.

In the event the City receives a substantial amount of customer complaints regarding the operation at this facility, the City will notify the concessionaire and he/she shall take whatever action as appropriate to remedy the situation in a timely manner to the satisfaction of the City.

27. City's Control of Premises and Vicinity.

All common areas and other facilities provided by the City in or about the Premises and Madrona Park, including any parking areas and picnic areas, are subject to the exclusive control and management by the City. Accordingly, the City may do, therefore, any and all of the following (among other activities in support of Seattle Parks and Recreation Department or other municipal objectives), all without incurring any liability whatsoever to Tenant:

Attachment 2

Change of Vicinity. The City may increase, reduce, or change in any manner whatsoever the number, dimensions, and locations of the walks, buildings, and parking areas in the vicinity of the Premises;

Traffic Regulation. The City may regulate all traffic within and adjacent to the Premises, including the operation and parking of vehicles of Tenant and its invitees, employees, and patrons.

Display of Promotional Materials. The City may erect, display, and remove promotional exhibits and materials and permit special events on property adjacent to and nearby the Premises.

Promulgation of Rules. The City shall promulgate, from time to time, reasonable rules and regulations regarding the use and occupancy of any City park property including, but not limited to, the Premises.

Change of Businesses. The City may change the size, number, and type and identity of concessions, stores, businesses and operations being conducted or undertaken in the vicinity of the Premises.

28. Tenants Records.

Tenant shall keep true, full, and accurate books of account setting forth Gross Receipts, together with any other information which will in any way affect the determination of Percentage Rent payable under this Lease. Landlord shall be allowed after five (5) days prior notice, to inspect Tenant's books of account at the Premises and to procure audits thereof by a Certified Public Accountant. If in the judgment of such accountant Tenant's books of account are incomplete or improperly reflect the information necessary to an accurate determination of the rents payable under this Lease, or if the audit shall show that the reports submitted by Tenant understated Tenant's Gross Receipts by more than three percent (3%) thereof for any year covered by the audit, the costs and fees for such audit shall be paid by Tenant as an Additional Charge. If such audit discloses any willful or intentional effort to understate Gross Receipts, then, at Landlord's option, Tenant may be required to surrender possession of the Premises.

Tenant shall retain all books of accounting and any other information which will in any way affect the determination of Percentage Rent payable under this Lease for a period of six (6) years after the expiration or termination of this Lease, and Tenant shall make them available for inspection at the Premises within ten (10) days of Landlord's demand therefore. This section shall survive expiration or termination of this Lease.

29. Data to State and Federal Governments.

Attachment 2

Within ten (10) days of Landlord's request therefore, Tenant shall provide, at Tenant's sole cost and expense, necessary data relating to Tenant's use of the Premises or to any aspect(s) of this Lease, including reports or information of any kind, to enable Landlord to fully comply with any and every requirement of the State of Washington and the United States of America.

30. Force Majeure.

Landlord shall not be deemed in default hereof nor liable for damages arising from its failure to perform its duties or obligations hereunder if such is due to any cause beyond its reasonable control, including, but not limited to an act of Nature, act of civil or military authority, fire, flood, windstorm, earthquake, strike or labor disturbance, civil commotion, delay in transportation, governmental delay, or war.

31. Counterparts.

This Lease may be executed by the parties in counterparts, which, taken together, constitute the entire Lease.

Attachment 2

32. Headings.

The section headings used in this Lease are used for purposes of convenience and do not alter in any manner the content of the sections.

33. Context.

Whenever appropriate from the context, the use of any gender shall include any other or all genders, and the singular shall include the plural, and the plural shall include the singular.

34. Time of Essence; Time Calculation Method.

Time is of the essence with respect to this Lease. Except as otherwise specifically provided, any reference in this Lease to the word “day” means a “calendar day;” provided, that if the final day for any action required hereunder is a Saturday, Sunday or City holiday, such action shall not be required until the next succeeding day that is not a Saturday, Sunday or City holiday. Any reference in this Lease to the word “month” means “calendar month.”

35. Entire Agreement; Applicable Law.

This Lease and the Exhibits attached hereto, and by this reference incorporated herein, set forth the entire agreement of Landlord and Tenant concerning the Premises, and there are no other agreements or understanding, oral or written, between Landlord and Tenant concerning the Premises. Any subsequent modification or amendment of this Lease shall be binding upon Landlord and Tenant only if reduced to writing and signed by them. This Lease shall be governed by, and construed in accordance with the laws of the State of Washington.

36. Negotiated Agreement.

The parties to this Agreement acknowledge that it is a negotiated agreement, that they have had the opportunity to have this Agreement reviewed by their respective legal counsel, and that the terms and conditions of this Agreement are not to be construed against any party on the basis of such party's draftsmanship thereof.

Attachment 2

37. No Partnership.

The City shall in no event be construed to be a partner, associate, or joint venturer of the Tenant or any party associated with the Tenant. The Tenant shall not create any obligation or responsibility on behalf of the City or bind the City in any manner.
