Subject: FRANCHISE RENEWAL

Dear Mr. Perez:

We at Comcast of Washington I, Inc. and Comcast of Washington IV, Inc. appreciate the opportunity to serve the citizens of Seattle. It is our credo that *we will be the company to look to first for the communications products and services that connect people to what's important in their lives.* In living our credo, we look forward to providing broadband services to our customer in Seattle for many years to come. Therefore, we are taking this step to ensure the renewal of our franchise with you.

The Cable Communications Policy Act of 1984 ("the 1984 Cable Act") encourages franchisors and cable operators to reach renewal agreements at any time through an informal process of discussion. However, Section 626 of the 1984 Cable Act also provides for commencement of a formal renewal procedure. To preserve our statutory rights to this formal procedure, this letter is our official notice to you invoking that provision.

This letter is not intended to introduce a new formality into our discussions, nor is that the intention of the 1984 Cable Act. In fact, we prefer to reach a mutually satisfactory agreement through informal negotiations, thus making many of the 1984 Cable Act's formal procedures unnecessary.

I will be happy to discuss this matter with you, or provide any additional information that you may require. I look forward to meeting with you in the near future and to continuing a relationship that, we believe, benefits both the community and the residents of Seattle.

Sincerely,

Janet L. Turpen
Vice President of Government & Regulatory Affairs
Comcast – Washington Region
