***Budget Action description:***

This green sheet would recommend “do not pass” for C.B. 116957, the Seattle Department of Transportation’s (SDOT’s) proposed update of the fee schedule for Shoreline Street End Permits and Street Use Term Permits.

A new C.B. that includes only the *Street Use Term Permits* fee schedule will be introduced and presented to the Full Council for a vote within a couple of weeks. Then in 2011, the Transportation Committee can take up the issue of proposed fee changes for *Shoreline Street End Permits*.
