***Budget Action description:***

This green sheet would amend C.B. 117327 as described below, and then recommend passage as amended.

C.B. 117327 is the ordinance to adopt the 2012 budget, including appropriations, provisos, revenue estimates, position modifications, and the 2012-2017 Capital Improvement Program (CIP).

The starting point is the Mayor’s 2012 Proposed Budget, including appropriations, revenue estimates, and the list of proposed position modifications; and the 2012-2017 Proposed Capital Improvement Program (CIP).

The changes approved by the Budget Committee via green sheet, including provisos, are incorporated into the budget adoption ordinance before the Council votes on it in late November.

The specific amendments to C.B. 117327 are as follows:

1. To reflect the Budget Committee’s decision *not* to create a new Department of Housing and Economic Development, delete Subsections 1(e) and 1(f), revise Subsection 1(g) as follows, and re-letter subsequent subsections accordingly:

(e) Unspent funds for the Executive Department Office of Housing’s Low-Income Housing Fund 16400 Budget Control Level appropriated by Subsection 1(b) shall carry forward to subsequent fiscal years until they are exhausted or abandoned by ordinance.

2. Provide that the \$8.1 million appropriation in Finance General, Reserves BCL, from Rubble Yard proceeds will carry forward automatically to future years. This amendment works together with the Budget Committee action in green sheet 98-2-A-1, which transfers \$8.1 million of Rubble Yard proceeds from the Transportation Operating Fund to the General Subfund, and appropriates this \$8.1 million in Finance General, Reserves BCL. Given that the Council anticipates that it will make decisions as to how to spend these proceeds starting in 2013, this amendment avoids having the \$8.1 million lapse to the General Subfund at the end of 2012.

To accomplish this, add the following new subsection to Section 1 of C.B. 117327, and re-letter the subsequent subsection accordingly:

(g) Unspent funds from the \$8.1 million in the “Transportation Reserve” program for the Finance General Reserves Budget Control Level shall carry forward to subsequent fiscal years until they are exhausted or abandoned by ordinance.

3. Replace the existing Attachment A to C.B. 117327 (“Expenditure Allowances by Budget Control Level”) with Attachment A to this green sheet.

Attachment A (v4) lists appropriation authority for each BCL. The revised version reflects all Council changes.

4. Replace the existing Attachment B to C.B. 117327 (“Position Modifications for the 2012 Budget”) with Attachment B to this green sheet.

Attachment B (v3) lists position modifications for the 2012 Budget effective January 3, 2012. The revised version reflects all Council changes.
