**Budget Action description:**

This green sheet would add \$150,000 in GSF to the Human Services Department (HSD) to provide additional funding for the Shelter and Transitional Housing Program. These additional funds would be targeted to assist homeless families. This funding would be in addition to the approximate annual budget for this program of \$1.2 million.

This funding will allow at least 13 additional families to be served by this program in 2012.

The Shelter and Transitional Housing program places families who are already homeless into shelter or housing. Providers are reporting increasing numbers of families seeking such assistance.
