Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requires the Human Services Department and Finance and Administrative Services to provide a feasibility study for siting a safe consumption site in Seattle as recommended by the Heroin and Prescription Opiate Addiction Task Force. The study will address the following areas of concern:

- I. Siting, including proposed locations and capital costs;
- II. Estimates for initial costs outside of capital costs and operation; and
- III. Narrative describing division of or shared responsibilities for items I and II among the City and King County in siting a safe consumption site; and
- IV. Narrative describing division of or shared responsibilities among the City and King County in operating a safe consumption site.

This report is to be delivered to the Chair of the Human Services and Public Health Committee and the Council Central Staff Director by February 28, 2018.

Responsible Council Committee(s): Human Services and Public Health Committee

Date Due to Council: February 28, 2018
