**Legislation Title:**

AN ORDINANCE relating to authorizing a bike share program to be implemented in public places; and amending Sections 11.23.440 and 15.17.005 of the Seattle Municipal Code.

**Summary of the Legislation:**

This legislation will make amendments to the Seattle Municipal Code relating to a bike share program. These amendments include authorizing the use of the curb space for bike share activities under Section 11.23.440 and authorizing bike-share-related vending in the public place under Section 15.17.005.

**Background:**

The Seattle Department of Transportation supports a bike-share program to provide a healthy, safe, and affordable travel option that has the potential to attract new people to biking. The Bicycle Master Plan, adopted by Resolution 31024, set forth a goal of tripling the amount of bicycling in Seattle between 2007 and 2017, and reducing the rate of bicycle collisions by one-third during the same time frame.

The City of Seattle is currently updating the 2007 Bicycle Master Plan, with a vision to make riding a bicycle comfortable and integral part of daily life for all people in Seattle, regardless of age or ability.
