That funding level would be designated at a Minimum Annual Contribution (MAC) and would be reflected in the Mayor’s proposed City budget for the following year. The amount appropriated for OLS in the budget would be transferred to the OLS Subfund by January 1 of each year. Revenues available from the City’s business license tax, commonly known as the business & occupation tax, would be used to fund the MAC.

The Director of OLS is directed to establish criteria for worker outreach contracts that give preference to organizations or collaborative groups of organizations that meet certain criteria, such a multilingual capabilities, intake and outreach staff, access to community networks that are culturally relevant, access to a legal clinic, and a track record of success in fulfilling requirements of previous contracts with OLS.
