**1. BILL SUMMARY**

**Legislation Title:** AN ORDINANCE relating to the levy of property taxes; fixing the rates and/or amounts of taxes to be levied, and levying the same upon all taxable property, both real and personal, in The City of Seattle, to finance the departments and activities of City government and to provide for the general obligation bond interest and redemption requirements for the year beginning on the first day of January 2019; and ratifying and confirming certain prior acts.

**Summary and background of the Legislation:** This ordinance imposes the City’s property tax for 2019 to pay for City government activities and for general obligation bond interest and redemption.

RCW 84.55.010 provides that the City may, with a simple majority vote of the Council, levy a property tax increase equal to inflation but not greater than a 1% increase over the prior year’s regular property tax collection. If inflation is lower than 1%, the law requires a majority plus one vote, with a finding of substantial need, to have a tax increase exceed inflation to the maximum of 1%. Inflation is measured by the implicit price deflator for the United States published in September. In most years, the inflation rate will exceed 1%. This year the rate prior to revision is 2.17%. Thus, the Council does not need to make a finding of substantial need with approval by a majority plus one vote to provide for the use of 101% as the regular property tax limit factor. The Council may not increase regular property taxes above 1% without a vote of the people.

Other than the 1% increase in the regular non-voted current expense property tax levy proposed in the attached Bill, the same 1% increase is applied to the Library levy lid lift and the Move Seattle Transportation levy lid lift per the terms of their respective ordinances. The 7-year Families & Education and 4-year Seattle Pre-School levy lid lifts expired in 2018. Voters rejected the proposed new combined renewal Families, Education, Preschool and Promise levy lid lift. Altogether, these changes result in an overall decrease from 2018 of \$44,847,963, which does not include changes in the excess levy for redemption of general obligation bonds, the “refund fund levy” or additional taxes resulting from new construction, construction of wind turbine facilities classified as personal property, improvements to property, or increases in the value of state-assessed property.

It also does not include levy amounts for the Metropolitan Parks District (MPD). Pursuant to RCW 35.61, the MPD is a legally separate taxing jurisdiction from the City of Seattle, whose property tax levy authority of \$0.75 per \$1,000 assessed value is outside of the City’s statutory rate limit of \$3.60 per \$1,000 assessed value. The MPD began collecting tax revenues in the 2016 tax collection year.

Additionally, this ordinance includes a levy of \$22,768,800 for interest on and redemption of voter-approved general obligation bonds for the fiscal year 2019, a decrease of \$7,606,900 from the amount levied for collection in 2018. This amount includes payment amounts against the Libraries and Seawall bonds.

## **2. CAPITAL IMPROVEMENT PROGRAM**

\_\_\_\_\_ **This legislation creates, funds, or amends a CIP Project.**

## **3. SUMMARY OF FINANCIAL IMPLICATIONS**

### **Is there financial cost or other impacts of *not* implementing the legislation?**

Without this legislation, no **increase** in property tax revenue, other than that resulting from a voted levy lid lift, new construction, improvements to property, construction of wind turbine facilities classified as personal property, and any increase in the value of state-assessed property, may be authorized. The cost of not implementing this legislation is the 1% increase over the 2018 current expense levy, Library levy lid lift and Move Seattle Transportation levy lid lift estimated to be \$10.59 million. If not passed, the County Assessor will levy the same amounts (general expense and levy lid lifts) as levied for the 2018 tax collection year plus amounts from any newly voter-approved levy lid lifts, and amounts resulting from new construction, improvements to property, construction of wind turbine facilities classified as personal property, and any increase in the value of state-assessed property.
