1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to City streets; changing the name of the portion of Thomas St between 1st Ave N and 2nd Ave N to Lenny Wilkens Way; and superseding the relevant portions of Ordinance 4044, Ordinance 89910, Ordinance 102981, and any other ordinance to the extent inconsistent; and ratifying and confirming certain prior acts.

Summary and background of the Legislation: This ordinance would supersede the honorary street name resolved by Council earlier this year (Resolution 32019) with a legal street name change. While a legal street name change can often be costly and burdensome for affected businesses and residents, as well as the City, it became clear during the planning for an unveiling event that a legal street name change would be easily feasible at this location due to the lack of any postal addresses on this segment of Thomas St, because the segment fronts only one easily identifiable landmark, and because the renaming would require replacement of only 3 street signs. These conditions are similar to those present when a segment of Atlantic St alongside the Mariners stadium was renamed Edgar Martinez Dr in 2004 (Ordinance 121612).

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? ___ Yes x No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation amend the Adopted Budget? ___ Yes x No

Does the legislation have other financial impacts to the City of Seattle that are not reflected in the above, including direct or indirect, short-term or long-term costs?
The resolution will require SDOT to manufacture and install 3 legal street signs on the 2 block area at a cost of approximately \$6500. These funds will be covered by SDOT's existing budget for street signs.

Is there financial cost or other impacts of *not* implementing the legislation?
No

4. OTHER IMPLICATIONS

- a. **Does this legislation affect any departments besides the originating department?**
Seattle Center. The honorary street signs will be added to existing sign posts adjacent to Seattle Center's Climate Pledge Arena.
- b. **Is a public hearing required for this legislation?**
No
- c. **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
No
- d. **Does this legislation affect a piece of property?**
No
- e. **Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities? What is the Language Access plan for any communications to the public?**
This ordinance would honor a beloved and widely celebrated African-American athlete and coach whose foundation continues to support a pediatric health and dental clinic that primarily serves children of color in central and south Seattle, regardless of their families' ability to pay by naming a street after him. This would be one of the few streets in Seattle named after an African-American.

1. **Emissions: Is this legislation likely to increase or decrease carbon emissions in a material way?**
No.
 2. **Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects.**
No.
- g. **If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s).**
