In addition:

All Citizen Review Committee notices are translated into nine languages and sent to:

- Members of the CRC to share with represented constituent groups;
- To **all** the households at Yesler Terrace
- Social service providers who work with Yesler residents
- To members of the surrounding community who have expressed interest in the Yesler redevelopment process.

Also, elected members of the Yesler Terrace Community Council Leadership Team and the Yesler Terrace Community Council representatives on the CRC are invited to the Citizen Review Committee Prep meetings. Twenty-five community members are on that invitation list.

All CRC meeting minutes are translated and brought to the next CRC meeting and are placed on the Seattle Housing Authority website.
