23.76.004 Land use decision framework

C. Type IV and V decisions are Council land use decisions. **Type IV** decisions are quasi-judicial decisions made by the Council pursuant to existing legislative standards and based upon the Hearing Examiner's record and recommendation. **Type V** decisions are legislative decisions made by the Council in its capacity to establish policy and manage public lands.

~~((Type IV and V decisions may be subject to land use interpretation pursuant to Section 23.88.020))~~
